ER OVER 30 UPDATE: 2005 QUARTERLY REPORT – 3rd QUARTER

The following is an update on the Emergency Response (ER) Referrals over 30 days. This information is based on data from the Safe Measures Report for the third quarter of 2005, July through September 2005. During this reporting period there has been a 16% (743) decrease in Emergency Response referrals in comparison with the last reporting period. Of the 14,062 ER referrals received during the third quarter, 10,629 were transferred and/or closed out within a timely manner.

Department's statistical data shows an average of 4% monthly increment on the number of ER referrals received since the last reporting period, June 2005. Additionally, the statistical data shows a consistent 5% decrease on ER Over 30 day referrals among the 17 regional offices.

The Department remains committed to the goal of ensuring prompt response and processing of Emergency Response investigations.

If you have any questions, please call me or your staff may contact Helen Berberian from Board Relations, at (213) 351-5530.
