CORRECTIVE ACTION RESPONSE FORM

To: Mozell Pennington Boys CTR
14818 S. Butler Ave
Compton, CA.

Date: 4-5-12

Attention: Mr. Pennington

Please be advised of the following items that require your attention and shall be corrected as soon as possible. Please use this form and let us know what actions you have or will take to correct these items. We look forward to your required response within 30 days. Please return this completed form via Fax at (213) 633-5102 or Express Mail or Certified Mail to the above letterhead address, to the attention of Sherry Scates.

Item of Concern

- No disaster drill logs
- No EQ or 1st Aid Kit.
- General upkeep and maintenance of the home - lots of patchwork on walls
- Staff daily logs are not informative - merely had count; no behavioral info
- No client has an updated NSP. Most included only one & this one was over 1 year old.
- mattress in one bedroom needs to be replaced. Sinking in center.
- Educational and mental health needs greater, aggressive attention.
- House Rules not posted.

Corrective Actions

1. improve appearance & maintenance of home
2. Train staff on log books - behavioral incidents
3. NSP must be updated immediately.
4. Replace mattress.
5. address greater tutoring & mental health needs of boys.
6. Post House Rules.
7. Disaster Drills & log needed
8. Need Earthquake kit
9. Need First aid kit

Thank you for your assistance,
Cordially,

Cheryl Mills
