SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO EXECUTE 29 AMENDMENTS THAT EXTEND THE TERM OF HIV TESTING AND STD INFERTILITY PREVENTION PROJECT SERVICES CONTRACTS THROUGH DECEMBER 31, 2016**

This is to notify you that I am exercising the delegated authority approved by your Board on December 3, 2013, to execute twenty-nine (29) amendments for the provision of HIV Testing Services (HTS) and STD Infertility Prevention Project (STD-IPP) Services that extend the term through December 31, 2016, and provide an increase or decrease in funding up to twenty-five (25) percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable contract term, and make corresponding service adjustments, as necessary, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office.

Under this authority, I will execute twenty-nine (29) amendments, as detailed in Attachment A, that extend the term of twenty-eight (28) HTS contracts and one (1) STD-IPP contract for the period of January 1, 2016 through December 31, 2016, with no change to the annual maximum obligation of twenty-two (22) of the contracts, an increase to the annual maximum obligation of six (6) of the contracts, and a decrease to the annual maximum obligation of one (1) of the contracts for a total annual maximum obligation of $7,803,668; 100 percent funded by Centers for Disease Control and Prevention funds.

Please note the following:

1. The funding allocation for Contract Number PH-000807 with the Charles R. Drew University of Medicine and Science reflects a funding augmentation approved by your Board on March 4, 2014 to correct for the inadvertent exclusion of mobile HTS services from this contract.

2. Contract Number PH-000828 with the California State University Long Beach Foundation is not included in this delegated authority action as it was relinquished by the contractor on August 31, 2014.

This action will allow for the continued uninterrupted delivery of HIV Testing and STD-IPP services to residents in Los Angeles County.

County Counsel has reviewed and approved the amendments as to form and this delegated authority action.

If you have any questions or would like additional information, please let me know.
