October 2, 2007

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

AUTHORIZE THE DISTRICT ATTORNEY'S OFFICE, THE SHERIFF'S DEPARTMENT, AND THE PROBATION DEPARTMENT TO APPLY FOR AND ACCEPT FEDERAL GRANT FUNDS FOR ANTI-GANG INITIATIVE GRANT PROGRAMS (ALL DISTRICTS) (4 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the District Attorney, Sheriff, and Chief Probation Officer, on behalf of the County of Los Angeles, to apply for grant funds from OES in the amounts of $177,419, $112,000, and $137,500, respectively, for the period of October 1, 2007 to September 30, 2008. There is no required County match for this grant.

2. Request the Chair of the Board to sign and affix wet signatures to the attached Certification of Assurance of Compliance Forms, as required by OES to complete the applications.

3. Upon award of grant funding by OES, authorize the District Attorney, Sheriff, and Chief Probation Officer, to accept and execute the Grant Award Agreements (GAA) on behalf of the County of Los Angeles.

4. Authorize the District Attorney, Sheriff and Chief Probation Officer, or their respective designees, to serve as Project Director for their respective programs, and to sign and approve any revisions to the GAA that do not increase the net County cost (NCC) of the Agreement.

5. Approve an Appropriation Adjustment in the amount of $112,000 ($78,000 in salary and employee benefits, $4,000 in services and supplies and $30,000 in fixed assets), to augment the Los Angeles County Sheriff's Department's Patrol Budget Unit's FY 2007-08 budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In February 2006, United States Attorney General Gonzalez announced the creation of the Justice Department's Comprehensive Anti-Gang Initiative, designed to support law enforcement combating violent gang crime, while also promoting prevention efforts that discourage gang involvement. As part of the initiative, in May 2006, the Justice Department provided resources for prevention, enforcement and offender reentry efforts to six sites across the nation. Los Angeles is one of those sites. The U.S. Attorney for the Central District was awarded funds for a Comprehensive Anti-Gang Initiative. On May 11, 2007 proposals were submitted to the U.S. Attorney's Office, and a Selection Committee heard oral presentations on May 17, 2007, and allocated $1,606,656 to each agency, one in the Central, Eastern and Northern Districts of California.

The District Attorney, Sheriff, and Probation Department were awarded funding for the following programs:

Anti-Gang Initiative Vertical Prosecution Program
The District Attorney will use these funds to vertically prosecute violent street gang members who use a gun in the commission of a crime in the Central District. Existing California statutes provide powerful tools in the fight against gang crime and permit the introduction of gang evidence that might not be admissible in Federal court.

Anti-Gang Initiative Century Gang Suppression Program
The Sheriff will use these funds to reduce violent gang activity and crime, within the Sheriff's Department's Century Station area located in the southeast region of Los Angeles County. The focus will be to investigate individuals who direct, participate in, and support the illegal activities of violent street gangs. In addition, the Sheriff's Department will input, maintain and share information regarding violent gang activity and crime within the CALGANG database.

Anti-Gang Initiative - Probation Department
The Probation Department will use these funds to address gang violence in the Los Angeles Police Department's 77th Division and the Los Angeles Sheriff's Department Century Station areas (target areas). Probation will provide a program that offers intervention and suppression, while supporting prevention efforts. The grant funds will be utilized to expand existing intervention and suppression efforts for intensive supervision of juvenile probationers, and, secondarily, to enhance prevention service delivery to the target area.

OES serves as the fiscal agent for this grant program and requires applicants to complete a Certification of Assurance of Compliance form, which includes details egarding an applicant's Equal Employment Opportunity Program (EEOP), Drug Free Workplace Compliance, California Environmental Quality Act Compliance, Lobbying, Debarment and Suspension requirements, and Proof of Authority from the City Council/Governing Board. Applicants are required to submit the necessary assurances and documentation before finalization of the GAA.

Board authorization to apply for and accept grant funds is requested in order to comply with OES requirements.

Implementation of Strategic Plan Goals

The AGI programs are consistent with the County's Strategic Plan Goal No. 3, Organizational Effectiveness, to enhance organizational effectiveness across jurisdictional boundaries; Goal No. 4, Fiscal Responsibility, to secure available revenue sources to offset program costs; Goal No. 5, Children and Families' Well-Being; and Goal No. 8, Public Safety, by improving neighborhood safety in Los Angeles County.

FISCAL IMPACT/FINANCING

The District Attorney's Office will receive $177,419 and will continue to fully offset the salary and employee benefits of one Deputy District Attorney assigned as the Anti-Gang Initiative vertical prosecutor. Funding for this program will be included in the Department's 2007-08 budget. There is no additional net County cost associated with this project.

The Sheriff's Department will receive $78,000 to support overtime needed to enforce the targeted area's gang problem, $4,000 in services and supplies, and $30,000 to update the CALGANG database server and web server by increasing the NODES. Funding for this program was not included in the Department's 2007-08 budget; therefore, the attached budget adjustment is needed to allocate the necessary appropriation for this program.

It is anticipated that the Probation Department will receive $137,500 for FY 2007- 08 and FY 2008-09. Funding for this program was included in the Department's 2007-08 budget. No additional net County cost will be used for this project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

If funding for these programs were terminated, an evaluation would be conducted by the respective departments to determine whether the program would either be continued with costs being absorbed by the department, or discontinued with the reallocation of staff to vacant budgeted positions.

The Anti-Gang Initiative is a comprehensive, strategic approach to reducing gang violence by linking prosecutors and community leaders to implement a multi-faceted strategy to reduce gang violence. It is a nationwide commitment to reduce gang-related crime by networking local programs with the tools and resources they need to succeed. The AGI Program offers unprecedented coordination among law enforcement officials, with an emphasis on prevention, tactical intelligence gathering, more aggressive prosecution, and enhanced accountability through performance measures. The goal of this Program is to create safer neighborhoods by reducing gang violence and sustaining that reduction.

The U.S. Department of Justice (DOJ) is providing funding to combat gang violence in Los Angeles under the AGI. DOJ has dedicated funding to support new and expanded anti-gang prevention and enforcement efforts under the Project Safe Neighborhoods (PSN) Initiative in the Central District. This initiative is authorized by H.R. 2862, the Science, State, Justice, Commerce and Related Agencies Appropriations Act of 2006.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program does not propose attorney staff augmentation. Therefore, this board letter is not subject to the Board Motion of December 15, 1998, requiring clearance with the Alternate Public Defender and the Public Defender.

CONCLUSION

Following Board approval on this program, the Executive Officer-Clerk of the Board is requested to return three adopted Board Letters, three OES Certification of Assurance of Compliance Forms (one for each department), with wet signatures, and approved budget adjustments, to Ms. Emily Aidells, Contracts and Grants Unit, Los Angeles County District Attorney's Office, 201 North Figueroa Street, Suite 1300, Los Angeles. California 90012. Any questions may be directed to Ms. Aidells at (213) 202-7674.

Respectfully submitted,

S. L. Cooley
