MOTION BY SUPERVISOR HILDA L. SOLIS December 1, 2026

Supporting the Baldwin Park Animal Care Center Improvement Project

In the summer of 2026, the Los Angeles County Development Authority (LACDA) broke ground to undertake a revitalization project at the Baldwin Park Animal Care Center. However, the facility that has only received moderate improvements prior to 2026, is in need of additional repairs (parking lot, horse stables and shade for the kennels) that exceed the revitalization project's current budget.

Since the LACDA has determined there will be funds available upon closeout of the recent Norwood Library construction, located in the First District, it is most efficient to have these remaining project funds moved to cover the needs at the Baldwin Park Animal Care Center. The Baldwin Park Animal Care Center services 20 unincorporated communities in the First and Fifth Districts, and 5 incorporated cities.

I, THEREFORE, MOVE that the Board of Supervisors suspend Section 22.1 of the Rules of the Board for the limited purpose of considering this motion.

I, FURTHER, MOVE that the Board of Supervisors find that the proposed actions are exempt from the California Environmental Quality Act (CEQA) pursuant to 15301 of the State CEQA Guidelines and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

Baldwin Park Animal Care Center Improvement Project

I, FURTHER, MOVE that the Board of Supervisors, acting as the Board of Commissioners of the Los Angeles County Development Authority (LACDA), authorize the Executive Director of LACDA, or designee, to reallocate any excess surplus funds from the Norwood Library project administered by LACDA to be reallocated within LACDA for improvements at the Baldwin Park Animal Care Center.
