The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

FISH AND GAME PROPAGATION FUND GRANT AWARDS
(FOURTH SUPERVISIORIAL DISTRICT)
(3-VOTES)

SUBJECT

Recommending approval to award grant funds from the Fish & Game Commission to stock fish at the Cerritos Community Regional Park and La Mirada Community Regional Park during calendar year 2013.

IT IS RECOMMENDED THAT THE BOARD:

Approve the following Fish and Game Propagation Fund Grant requests totaling $7,500, to stock fish at the following parks and recreational areas for three events to be held during calendar year 2013, sponsored by the Los Angeles County Fourth Supervisorial District:

1. Cerritos Community Regional Park, 19700 South Bloomfield Ave, in the City of Cerritos, in the total amount of $5,000 for two events.

2. La Mirada Community Regional Park, 13701 Adelfa Dr, in the City of La Mirada, in the total amount of $2,500 for one event.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant requests will promote education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

At its meeting of January 10, 2013, the Los Angeles County Fish and Game Commission approved

three grant requests from the Fourth Supervisorial District, totaling $7,500 to stock fish for three fishing events to be held during calendar year 2013 at the Cerritos Community Regional Park and La Mirada Community Regional Park, located in the Fourth Supervisorial District.

Since 1952, the Commission has supported activities and projects that promote the best methods for the propagation and protection of fish and game in the State and County of Los Angeles. The stocking of fish at County parks and recreation areas supports this endeavor, by providing opportunities and encouraging the sport of fishing to the many residents within the community.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal No. 1 & 3 (Operational Effectiveness & Integrated Services Delivery). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

FISCAL IMPACT/FINANCING

There is no impact to the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 et seq. of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes enhancing fish and game activities including protection, conservation, propagation, and preservation of fish and wildlife.
