Provider Directory - Definitions

Locations of Publicly Funded Mental Health Services in the County of Los Angeles

Accessible By - The method in which services can be accessed at the provider site.

1. REFERRAL ONLY: Provider site only accepts clients who meet specific criteria; Community members cannot walk-in or call to requestt services.
2. PHONE/WALK-INS: Provider site accepts anyone interested in services either by phone, walk-in or other means.
3. PHONE ONLY: Provider site only accepts telephone calls to schedule an appointment.
4. EMERGENCY RESPONSE ONLY: Provider site only accepts individuals in crisis; does not provide on-going treatment.

DSM5 Practice Focus - Categories of mental health diagnoses that a site and/or practitioner at a site may concentrate on in treatment. All sites and practitioners are generalists in mental health diagnoses.

Language - Specific languages spoken by practitioners at the provider. Languages not listed can be made available through an interpreter.

Operation - Type of relationship the provider site has with the Los Angeles County Department of Mental Health.

Programs - A Program is a specific method of providing services to a particular population.

Services - Services offered at this location.

1. Day Treatment/Rehab - A structured, multi-disciplinary program lasting less than 24 hours to avoid placement in a more restrictive setting. Program activities may include progress groups, skill-building, and/or therapy.
2. Crisis Stabilization - Activities lasting less than 24 hours to stabilize a crisis situation that cannot be safely addressed in a community setting (e.g. home or office setting)
3. Crisis Intervention - Activities to immediately address a mental health crisis while in a community setting (e.g. home or office setting)
4. Medication Support Services - Medication related activities such as prescribing, administering, and monitoring medications to improve mental wellbeing.
5. Mental Health Services - Individual, group or family-based activities to improve mental wellbeing. Includes assessment, plan development, therapy, rehabilitation (skill-building), and/or assisting significant supports.
6. Targeted Case Management - Activities to assist in accessing needed community services such as medical, educational, social or vocational services.
7. Therapeutic Behavioral Services - Individualized one-to-one intensive activities available to those under 21 years of age to help manage behaviors in the home, school or other setting.
8. Community Outreach Services - Outreach and engagement activities to reach more people in the community and work with other community agencies to foster mental wellbeing
9. Residential - Structured activities available 24 hours a day, seven days a week and provided in a non-hospital, residential setting

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. For first time visit and/or new referrals, please contact provider. To obtain Mental Health Information and Services confidentially or to schedule interpreter services for the hearing impaired (American Sign Language), please call the 24/7 ACCESS Center Hotline at 1-800-854-7771. (For TDD-TTY, call 711 to connect with our Help Line.)

for individuals at risk of hospitalization.

10. Inpatient - Activities in a hospital setting provide 24 hour care and address severe mental health conditions

Special Population - Specific cultures that a site and/or practitioner may concentrate on in treatment. All sites and practitioners are trained in cultural competency.

Please refer to the LA County Mental Health Plan Beneficiary Handbook for additional information on Specialty Mental Health Services in LA County: https://file.lacounty.gov/SDSInter/dmh/1102224_MentalHealthPlan-BeneficiaryHandbook.pdf

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice.
