JIM McDONNELL, SHERIFF

December 11, 2014

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

LOS ANGELES COUNTY SHERIFF'S DEPARTMENT
30-DAY REPORT BACK ON CONTRACT COMPLIANCE STATUS FOR
THE LOS ANGELES COUNTY OFFENDER MONITORING SYSTEM

At the September 10, 2013, Board meeting, the Sheriff was requested to report back every 30 days on contract compliance and program updates for the Los Angeles County Offender Monitoring System (LACOMS) as provided by Sentinel Offender Services, LLC (Sentinel). The current status of the program is outlined below:

- The LACOMS program is currently monitoring 131 inmate workers assigned to 23 patrol stations and 57 inmates assigned to treatment service centers utilizing Global Positioning System and Radio Frequency technology.

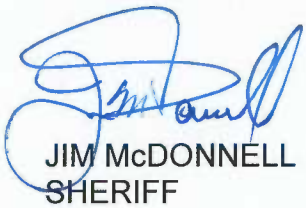
- As documented in the last report back, Sentinel is in the process of deploying cellular area confinement units to the treatment service centers and will complete all installations by January 9, 2015. The confinement units provide an added security measure by providing a secondary alert if the inmate participant leaves the established boundaries.

- The Contract Compliance Unit conducted an audit on the LACOMS contract to confirm compliance with the terms of the contract. The audit is completed and is pending final approval. The findings of the audit will be submitted with the January report back.

- There have been no absconds since the last report back. The Los Angeles County Sheriff's Department's Major Crimes Bureau is actively investigating all leads in an effort to find the two outstanding absconds that were discussed in the report back to the Board dated September 15, 2014.

Should you have any questions, please contact Chief Eric G. Parra, Custody Services Division, General Population, at (213) 893-5017.

Sincerely,



JIM McDONNELL
SHERIFF
