ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF BEVERLY HILLS ADOPTING TERM LIMITS FOR ELECTIVE CITY OFFICES

THE PEOPLE OF THE CITY OF BEVERLY HILLS HEREBY ORDAIN AS FOLLOWS:

Section 1. A new section 21 is hereby added to Title 2, Chapter 1, to read as follows:

"2-1-21. Term limit. A person shall serve no more than three total terms of office as a City Councilmember.

(a) If any Council member is appointed or elected to a partial term of office of two years or less, then that term shall not count toward the three term limit.

(b) The City Clerk, or other election official authorized by law, shall not accept or verify the signatures on any nomination paper for any person, including any paper seeking election as a write-in candidate, nor shall he or she certify or place on the list of certified candidates, nor print or cause to be printed on any ballot, voter information guide, sample ballot or ballot label, the name of any person whose candidacy, if successful, will result in a City Council term that exceeds the limit set forth in this section."

Section 2. A new section 1104 is hereby added to Title 2, Chapter 3, to read as follows:

"2-3-1104. Term limit. A person shall serve no more than three total terms of office as the City Treasurer.

(a) If any City Treasurer is appointed or elected to a partial term of office of two years or less, then that term shall not count toward the three term limit.

(b) The City Clerk, or other election official authorized by law, shall not accept or verify the signatures on any nomination paper for any person, including any paper seeking election as a write-in candidate, nor shall he or she certify or place on the list of certified candidates, nor print or cause to be printed on any ballot, voter information guide, sample ballot or ballot label, the name of any person whose candidacy, if successful, will result in a City Treasurer term that exceeds the limit set forth in this section."

Section 3. Pursuant to Government Code Section 36502, this ordinance shall be submitted to the electors of the City at the regularly scheduled election of June 7, 2022, or an earlier date that is a regularly scheduled election, and shall only become effective if a majority of votes cast on the question of whether to adopt this ordinance favor adoption of this ordinance.

Section 4. The City Council and the voters intend that an individual's previous and current terms of office shall be counted for the purpose of applying the term limits adopted herein, although all persons in office on the effective date of this ordinance shall be permitted to complete their then-current terms. Pursuant to Government Code Section 36502 this ordinance shall apply "prospectively only." There is no binding authority that interprets what "prospectively" means. The California Attorney General has opined that prospectively means that terms served prior to the effective date of the ordinance cannot be counted against term limits established by the ordinance. The Attorney General reasons that by using the term "prospectively," the Legislature intended to mean "a law which has no effect on the rights, obligations, acts, transactions and conditions performed or existing before the statute was adopted." However, an ordinance which applies only to future terms of office meets the definition of "prospectively" used by the Attorney General. The term "prospectively" does not preclude a law that applies to future acts, but which is guided by the acts or conditions which have occurred prior to the law's enactment. Therefore, when applying a new law to a future action or condition, such as a limit on holding an elected office in the future, the law may rely on the acts or conditions which have occurred prior to the law's enactment.

Therefore, the City Council and the voters intend this ordinance to be prospective. The ordinance would not change the current term of persons in office on its effective date, but it would consider the past terms served by City officeholders. However, to the extent that a court strikes down the City Council and the voters' intent to have this ordinance apply to elected officeholders who previously served three terms, such intent shall be severable from the rest of the ordinance. The City Council and voters would have enacted the three term limit even if this means that the terms served by elected officeholders prior to the effective date of this ordinance cannot be counted against the term limits established by this ordinance.

Section 5. Severability. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this ordinance or the application thereof to any person or place, is for any reason held to be invalid or unconstitutional by the final decision of any court of competent jurisdiction, the remainder of this ordinance shall be and remain in full force and effect.

Section 6. Execution and Certification. The Mayor will sign this Ordinance and the City Clerk will attest and certify to the passage and adoption of this Ordinance if a majority of the voters voting in the City's election on June 7, 2022, or the next regularly scheduled election date, whichever is earlier, approve the Proposition asking whether the voters approve this Ordinance.

RESOLUTION NO. 22-R-13387

RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS, CALIFORNIA, ADOPTING REGULATIONS PERTAINING TO CANDIDATES' STATEMENTS SUBMITTED TO THE VOTERS AT THE REGULAR MUNICIPAL ELECTION TO BE HELD ON TUESDAY, JUNE 7, 2022.

WHEREAS, §13307 of the Elections Code of the State of California provides that the governing body of any local agency adopt regulations pertaining to materials prepared by any candidate for a municipal election, including costs of the candidates statement;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS, CALIFORNIA, DOES HEREBY RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. GENERAL PROVISIONS. Pursuant to §13307 of the Elections Code of the State of California, each candidate for elective office to be voted for at an Election to be held in the City of Beverly Hills on June 7, 2022 may prepare a candidate's statement on an appropriate form provided by the City Clerk. The statement may include the name, age and occupation of the candidate and a brief description of no more than 200 words of the candidate's education and qualifications expressed by the candidate himself or herself. In addition, a candidate's photograph may be included in the statement. The photograph must be recent (taken within six months of the candidate filing) and be of the head and shoulders only, submitted in digital format. The statement shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. Pursuant to §13308 of the Elections Code, the statement also shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character or activities. The statement shall be filed in typewritten form in the office of the City Clerk at the time the candidate's nomination papers are filed. The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period.

Section 2. FOREIGN LANGUAGE POLICY. Pursuant to the Federal Voting Rights Act and state law, the City may be required to translate a candidate's statements into any language at the candidate's request and at the candidate's expense. In addition, the City Clerk is directed to make Spanish and Farsi translations of candidates' statements available on a "by request" basis. Unless requested by a candidate, that candidate's statement shall be printed in the main voter pamphlet in English only.

Section 3. PAYMENT.

(a) Translations and Printing:

1) The candidate shall not be required to pay for the cost of translating the candidates' statement into Spanish or Farsi for the "by request" translation established above.

2) Except as provided in Beverly Hills Municipal Code Section 1-8-4E, the candidate shall be required to pay for the cost of printing the candidate's statement in English in the main voter pamphlet.

3) Except as provided in Beverly Hills Municipal Code Section 1-8-4E, the candidate shall be required to pay for the cost of printing the candidate's statement in a foreign language requested by the candidate per Section 2 above, in the main voter pamphlet mailed to all voters.

(b) Estimated Costs. The City Clerk shall estimate the total cost of printing, handling, translating, and mailing the candidates' statements filed pursuant to this section, including costs incurred, if any, as a result of complying with the Voting Rights Act of 1965 (as amended). If a candidate does not elect to file a statement of acceptance pursuant to Beverly Hills Municipal Code Section 1-8-4B the City Clerk shall require that candidate filing a statement to pay to the City at the time of filing his or her estimated pro rata share of having his or her statement included in the voter's pamphlet. In the event the estimated payment is required, the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the City Clerk is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the City Clerk may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the City Clerk shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election. If the candidate alleges that he or she is indigent and unable to pay the costs, the provisions of Elections Code Section 13309 shall apply.

Section 4. No candidate will be permitted to include additional materials in the sample ballot package.

Section 5. The City Clerk shall provide each candidate or the candidate's representative a copy of this Resolution at the time nominating petitions are issued.

Section 6. All previous resolutions establishing City Council policy on payment for candidates' statements are repealed.

Section 7. This resolution shall apply at the next ensuing municipal election and at each municipal election after that time.

DocuSign Envelope ID: 509C7DCF-7616-4850-9CC7-B15360D72CD2

Section 8. The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.
