Section Three: Evaluation/Improvement/Revaluation of Outcomes Cycle

Evaluation Findings	**Student Performance**: Out of 48 students enrolled in the course, 47 passed. 1 student was academically withdrawn. This is the breakdown of the class grades: • 2 students received an "A" (4.17%) • 38 students received a "B" (79.17%) • 7 student received a "C" (14.58%) • 1 student was academically withdrawn (2.08%) Course performance**:** The course is currently rated at 4.37. This remains above the threshold of 3.5. This threshold has increased from Fall 2022 which was 4.27. Overall, 2 students attained an average grade of "A" with 38 receiving a "B". The course since Spring 2022 has stopped Covid face mask precautions but optional

	for those students who want to continue to wear them. Case Studies and PowerPoints were kept live and in person. Semester 3 continuous to deliver content that meets CONAH's current objectives and mandates. Various instructors have flipped their classroom by having students view a recorded video of a lecture then coming to class to work in groups. **Identify items requiring action**: All items maintained above the 3.5 threshold. No action required. **Identify student evaluation comments requiring attention**: There was only 1 student comments pertinent to the course: 1. Some PowerPoints (Ppts) presented in class did not match power points uploaded in teams. **Quality improvement needs**: 1. Faculty will be encouraged to announce to students during orientation that the Ppts we use for the lecture may not be exactly what is posted as handouts in teams. The handouts are meant to be a condensed version of the lecture.
Plans for Improvement	Faculty will continue to adhere to course objectives in order to assist in student success in the course. MS Teams will be continued to be used to reach all students with weekly handouts, syllabus, and any other documents for each course. Faculty will continue to flip their classroom, post lectures, and utilize case studies as needed during the lecture time. In the classroom setting, social distancing will be implemented as needed but face mask covers will be optional in helping maintain COVID-19 protocols.
Re-evaluation Due Date	Fall 2023
Suggestions For Change in SLO and Rationale	No
