One Page Project Summary

The Knabe Katch Fishing Derby is an Annual event that takes place every year in September at La Mirada Community County Regional Park in La Mirada, California. The event includes a generous lake stocking of catfish, a pancake breakfast provided by a community based organization, angling lessons provided by the California State Department of Fish and Wildlife " Fishing in the City" program, souvenir photos and awards.

The event starts at 7:00AM and ends at 12:00PM. The event is for children ages 2-15 and is free to all participants.

Background on Applicant's Organization

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming, and will enhance the community environment by acquiring, developing and maintaining County parks, lakes, gardens, golf courses, trails and open space.

Project Information

Statement of justification of need:

The Knabe Katch Fishing Derby is a free to the public event that draws more than 2500 youth annually. Due to the popularity of the event and its continued growth it has become critical that we seek additional resources and partners in order put on the event at the same level each year. The funding provided from the commission to purchase fish for this derby is vital to the program's existence and with out this funding the program may continue.

Statement of purpose and goals:

The purpose of the event is to introduce youth living in an urban setting to fishing, conservation and maintenance of wildlife. Our goal is to introduce and encourage fishing as a recreational activity while establishing and appreciation of the environment

Action plan to meet objectives:

In February of 2014 - Setup meeting with stakeholders to discuss program implementation and submit grant application. In May 2014 - Secure all equipment and supplies. In June 2014 - Send out Save the date flyers to all school districts in the surrounding area. In August 2014 - Send out official flyer to school district and local businesses. In September 2014 - Implement and evaluate the program.

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we will advance propagation by introducing new fish to the lake's environment, and contribute to the protection of wildlife by educating the attendees to the proper use of fishing equipment, methods of angling and the importance of conservation.
