ADOPTED
BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

41 May 20, 2014

SACHI A. HAMAI
EXECUTIVE OFFICER

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

APPROVE THE MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENTS BY AND BETWEEN THE COUNTY OF LOS ANGELES AND THE CONTRACT CITIES (ALL DISTRICTS) (3 VOTES)

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) seeks to gain Board approval for the new Municipal Law Enforcement Services (Municipal Law) Agreements, effective July 1, 2014, through June 30, 2019, with 42 Contract Cities.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve, and authorize the Chairman to execute, individual Municipal Law Agreements substantially similar to the attached boilerplate Municipal Law Agreement (Attachment B) with the 42 Contract Cities listed on Attachment A, effective July 1, 2014, through June 30, 2019.

2. Delegate authority to the Sheriff or his designee to execute Amendments to the Municipal Law Agreements and/or supplemental agreements as set forth in Section 11.0 (Amendments) of the Municipal Law Agreement, including Amendments that modify the annual billing rates as determined by the County's Auditor-Controller and that modify the service levels as requested by the Contract Cities and agreed to by the Department.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the Municipal Law Agreements are to provide the 42 Contract Cities listed on Attachment A with municipal law enforcement services within each said city from July 1, 2014, to June 30, 2019. The current agreements expire on June 30, 2014. The approval of this new

Municipal Law Agreement will permit the Department to continue to provide general law enforcement services to each of the 42 Contract Cities which have requested such services.

The Department's Contract Cities Program has provided benefits to both the Department and the County as a whole. Primarily, the Contract Cities Program has provided the opportunity to build new Sheriff's Stations in strategic locations throughout the County, resulting in greater visibility and faster response times to the unincorporated areas. This has further enhanced the Department's ability to deploy personnel and other resources during times of mutual aid, disasters, and emergencies. The Department has been able to expand partnerships, provide greater responsiveness, and increase regional focus on reducing crime as a result of serving Contract Cities within the County.

Implementation of Strategic Plan Goals

As part of the Board's commitment to the County, your approval of the recommended actions would enhance the County's Strategic Plan, Goal 1, Operational Effectiveness, by maximizing the effectiveness of process, structure, and operations to support timely delivery of customer-oriented and efficient public service; and Goal 3, Integrated Services Delivery, by maximizing opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of public safety services.

FISCAL IMPACT/FINANCING

None. The 42 Contract Cities shall pay the Department for the said services in each Municipal Law Agreement according to the appropriate and prevailing billing rates as determined by the County's Auditor-Controller each fiscal year. The 42 Contract Cities are aware that the rates are renewed at the beginning of every fiscal year as determined by the County's Auditor-Controller and indicated in their agreement. The contract city rates are calculated by the County's Auditor-Controller, pursuant to the requirements of California Government Code Section 51350 and the policies and procedures adopted by the Board.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Sections 56-1/2 and 56-3/4 of the Charter of the County, the County shall have the authority to provide for the assumption and discharge of municipal functions of any of the cities and towns within said County whenever requested by such city.

The Municipal Law Agreements allow for the provision of general law enforcement services by the Department within the said cities from July 1, 2014, to June 30, 2019. The Agreements may be terminated by either party on July 1 of any year with 60 calendar days advance written notice or on any other date with 180 calendar days advance written notice. A Contract City may terminate the Agreement following a billing rate increase with 60 calendar days advance written notice. Also, the Agreements now include dispute resolution procedures related to deployment deficiencies.

It is requested that the Chairman of the Board, through the Executive Office of the Board of Supervisors, shall execute the Municipal Law Agreement with each Contract City upon the Contract City's approval and execution of such Agreement, in no event later than commencement of the term of the Agreement.

The attached boilerplate Municipal Law Agreement has been approved as to form by County Counsel.

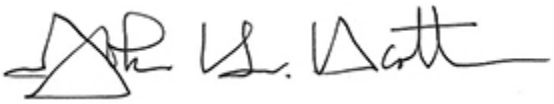
IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approving these Municipal Law Agreements will continue to improve the quality of law enforcement services and public safety to the incorporated cities listed on Attachment A, and the unincorporated areas of the County, by enhancing the response times for law enforcement services. Both the County and the Contract Cities benefit from the synergistic effects and the utilization of County resources in the most efficient manner. There are no anticipated negative impacts upon the unincorporated patrol areas of the County.

CONCLUSION

Should the Municipal Law Agreements be approved by your Board, please forward a copy of the adopted Board letter to the Department's Contract Law Enforcement Bureau.

Sincerely,



JOHN L. SCOTT
Sheriff

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF AGOURA HILLS

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Agoura Hills (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781165

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. 4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF AVALON

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 19th day of February, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Avalon (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781168

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78169

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF CALABASAS

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Calabasas (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78171

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF CARSON

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Carson (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78172

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF COMMERCE

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 21st. day of January, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Commerce (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781774

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a

temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this

Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 Compton Sheriff's Station located at 301 South Willowbrook Avenue, Compton, shall be maintained as the law enforcement headquarters in the City, unless otherwise determined by the Compton City Council. When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days

prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF CUDAHY

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Cudahy (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781176

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Diamond Bar (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781777

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF HAWAIIAN GARDENS

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 28 day of JANUARY, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Hawaiian Gardens (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781179

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HAWAIIAN GARDENS, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, APPROVING A RENEWAL OF THE MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT BETWEEN THE COUNTY OF LOS ANGELES AND THE CITY OF HAWAIIAN GARDENS.

SUMMARY

Presented for City Council's approval is a renewal of the Municipal Law Enforcement Services Agreement. The City of Hawaiian Gardens currently contracts with the County of Los Angeles for law enforcement services. These services are provided by the Los Angeles County Sheriff's Department. The renewed Agreement will extend provision of law enforcement services by the Los Angeles County Sheriff's Department for a five year period through June 2019.

DISCUSSION

The City's current Municipal Law Enforcement Services Agreement with the County expires July 1, 2014, and calls for the parties to meet and reach an agreement on the terms of a renewal or extension no later than six (6) months prior to the expiration of the current Agreement.

The Agreement was negotiated by the California Contract Cities Association (CCCA), through the City Managers Sub-Committee, on behalf of Hawaiian Gardens, and all Contract Cities. Members of the California Contract Cities Association have reported that negotiations have been completed between the CCCA and the County and therefore the Municipal Law Enforcement Services Agreement can now be approved.

FISCAL IMPACT

The City shall pay the County for the services provided under the terms of the Municipal Law Enforcement Services Agreement at the rates set forth on Attachment A of the Agreement, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form. The rates set forth on Attachment A shall be readjusted by the County Auditor-Controller annually effective July 1 of each year to reflect the cost of service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors. The current annual cost is $3,025,432.48.

Funding for the City's current level of service provided by the Los Angeles County Sheriff's Department was approved through adoption of the City's Annual Budget for Fiscal Year 2013-2014.

RECOMMENDATION

Staff recommends adopting Resolution No. 005-2014 approving the Municipal Law Enforcement Services Agreement between the City of Hawaiian Gardens and the County of Los Angeles.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF HIDDEN HILLS

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Hidden Hills (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781180

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. 2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of La Habra Heights (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78183

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF LA MIRADA

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of La Mirada (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781184

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF LAKEWOOD

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Lakewood (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781186

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF LAWNDALE

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Lawndale (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781188

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF LYNWOOD

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Lynwood (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78190

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781971

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Norwalk (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78193

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT BY AND BETWEEN COUNTY OF LOS ANGELES AND CITY OF Palmdale

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 5th day of February, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Palmdale (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781194

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

8.4 The cost of other services requested pursuant to Paragraph 3.7 of this Agreement and not set forth in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the County Board of Supervisors.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

9.3 Interest shall be at the rate of ten percent (10%) per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

9.4 Notwithstanding the provisions of California Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, or in the case of disputed amounts, from the date the resolution is memorialized, the County may satisfy such indebtedness, including interest thereon, from any funds of the City on deposit with the County without giving further notice to the City of the County's intention to do so.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF PARAMOUNT

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Paramount (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781195

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. For all disputed amounts, the City shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within ten (10) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within sixty (60) calendar days after the dispute resolution is memorialized.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781196

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF RANCHO PALOS VERDES

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Rancho Palos Verdes (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781997

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

781999

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF ROSEMEAD

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Rosemead (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

782200

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

9.0 PAYMENT PROCEDURES

9.1 The County, through the Sheriff's Department, shall render to said City within ten (10) calendar days after the close of each calendar month a summarized invoice which covers all services performed during said month, and said City shall pay

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon. MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF SANTA CLARIA

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of Santa Clarita (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78202

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

8.3 The City shall be billed based on the service level provided within the parameters of Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND TEMPLE CITY

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and Temple City (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78204

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.0 TERM OF AGREEMENT

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 The City shall pay the County for the services provided under the terms of this Agreement at the rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement, as established by the County Auditor-Controller.

8.2 The rates set forth on Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be readjusted by the County Auditor-Controller annually effective July 1 of each year, and attached hereto as an Amendment to this Agreement, to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the County Board of Supervisors.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.

If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
COUNTY OF LOS ANGELES
AND CITY OF WEST HOLLYWOOD

This Municipal Law Enforcement Services Agreement (hereinafter referred to as "Agreement") is made and entered into this 20th day of May, 2014 by and between the County of Los Angeles (hereinafter referred to as "County") and the City of West Hollywood (hereinafter referred to as "City").

RECITALS

A. Whereas, the City is desirous of contracting with the County for the performance of municipal law enforcement services by the Los Angeles County Sheriff's Department (hereinafter referred to as "Sheriff's Department"); and

B. Whereas, the County is agreeable to rendering such municipal law enforcement services on the terms and conditions set forth in this Agreement; and

C. Whereas, such municipal law enforcement services agreements are authorized and provided for by the provisions of Section 56½ and 56¾ of the County Charter and California Government Code Section 51301.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78206

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

5.2 The parties hereto have also executed a County-City Special Indemnity Agreement approved by the Board of Supervisors on August 25, 2009. This document is made a part of and incorporated into this Agreement as if set out in full herein.

5.3 In the event the Board of Supervisors later approves a revised Assumption of Liability Agreement and/or Joint Indemnity Agreement, and the City executes the revised agreement; the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

6.1 The term of this Agreement shall be from July 1, 2014 through June 30, 2019, unless sooner terminated or extended as provided for herein.

Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

1.0 SCOPE OF SERVICES

1.1 The County, by and through the Sheriff's Department, agrees to provide general law enforcement services within the corporate limits of the City to the extent and in the manner hereinafter set forth in this Agreement.

1.2 Except as otherwise specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff's Department under the County Charter,

78207

State of California statutes, and the City municipal codes.

1.3 General law enforcement services performed hereunder may include, if requested by the City, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

2.0 ADMINISTRATION OF PERSONNEL

2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the City and shall perform the functions of the Chief of Police at the direction of the City.

2.2 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the City.

2.4 With regard to Paragraphs 2.2 and 2.3 above, the Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.5 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the City and the County.

2.6 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer of said

City while performing service for said City, which service is within the scope of this Agreement and is a municipal function.

2.7 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her performance under this agreement.

2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and specifically requested by the City shall be developed in conjunction with the Sheriff's Department and indicated on a Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, attached hereto as Attachment A and incorporated herein by this reference.

3.2 City, or its designated City representative, shall meet with its respective Sheriff's Department Station Captain when requesting law enforcement services to be performed in the City, and provide direction to the Sheriff's Department Station Captain regarding the method of deployment for such services. The Sheriff's Department shall ensure that all services are delivered in a manner consistent with the priorities, annual performance objectives, and goals established by the City.

3.3 The Sheriff's Department shall make every attempt to avoid deployment deficiencies (i.e., "busting" of cars) which may cause impairments in the consistent delivery of services. Should the Sheriff's Department determine that a temporary increase, decrease, and/or realignment in the deployment methodologies is necessary, the Sheriff's Department shall promptly notify City of this change in advance. In the event that prior notice is not possible, City shall be notified of the change within two City business days. If monthly service

compliance falls below ninety-eight percent (98%), then the Sheriff's Department Station Captain shall meet with the City to discuss compliance and identify a plan for resolution. If the quarterly and/or year-to-date (September 30th, December 31st, March 31st, and June 30th) service compliance falls below ninety-eight percent (98%), then the respective Sheriff's Department Division Chief shall meet with the Sheriff's Department Station Captain and City to discuss compliance and identify a plan for resolution. If City is dissatisfied with the outcome of either resolution process, the matter will be elevated to a Sheriff's Department Assistant Sheriff or the Sheriff until all City concerns are fully resolved. Resolution may include, but is not limited to, the use of overtime and/or staffing adjustments at no additional cost to the City, and/or City-initiated service suspensions. If the City determines it is unnecessary, City may waive either dispute resolution process discussed above.

3.4 A new Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be authorized and signed annually by the City and the Sheriff or his designee each July 1, and attached hereto.

3.5 Should the City request a change in level of service other than pursuant to the annual July 1 readjustment, a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be signed and authorized by the City and the Sheriff or his designee and attached hereto.

3.6 The most recent dated and signed Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement shall be the staffing level in effect between the County and the City.

3.7 The City is not limited to the services indicated in Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, of this Agreement. The City may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Attachment A, Los Angeles County Sheriff's Department SH-AD 575 Deployment of Personnel Form, under the

procedures set forth in Paragraphs 3.4 and 3.5 above.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.

4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the City which would not normally be provided by the Sheriff's Department, the City shall furnish at its own cost and expense all necessary office space, and the Sheriff shall have authority to negotiate with the City regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained in said City, such local office or building may be used by the Sheriff's Department in connection with the performance of his duties in territory outside of the City, provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said City, the same shall be supplied by the City at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977, and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this Agreement as if set out in full

herein.

6.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the City may terminate this Agreement upon notice in writing to the County given within sixty (60) calendar days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the City's notice to the

County.

7.3 This Agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least one hundred eighty (180) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations which would otherwise accrue subsequent to the date of termination.

County for all undisputed amounts within sixty (60) calendar days after date of said invoice.
