GUEST SPEAKER

Russ Guiney, Director of Los Angeles County Department of Parks and Recreation

MEETING LOCATION

Burton W. Chace Park Community Room

1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Chair Kruger called the meeting to order at 9:37 a.m. Chair Kruger asked Commissioner Sachs to lead the Pledge of Allegiance. The Commissioners and staff stood and recited the Pledge of Allegiance.

Chair Kruger noted that since we have a guest speaker the agenda will be taken out of order.

2. APPROVAL OF MINUTES

Commissioner O'Donnell asked that the minutes be corrected, replacing the title of "Chair" with "Commissioner." Chair Kruger asked if there was a motion to approve the minutes with the correction.

Motion to approve by Commissioner Sachs, seconded by Commissioner Dougher, and unanimously approved.

Ayes: 9 – Chair Kruger, Vice-Chair Powell, Dougher, Dupont, O'Donnell, Sachs, Tucker, Ward, Woodell.

3. OLD BUSINESS

None

4. NEW BUSINESS

A. Prop P

Chair Kruger introduced Russ Guiney, who is the Director of Los Angeles County Department of Parks and Recreation. At the request of the Commission he is here to present information on Proposition P. Mr. Guiney presented a PowerPoint presentation on Prop P Safe Neighborhood Parks Measure which is going to be on the November ballot. He provided information on how the funds would be used and about the accountability that has been put in place to assure that funds remain within LA County. He also stated that the funds can only be used for parks, recreation and open space projects. He also presented information on the history of the current Prop A and about the projects that were funded by the current proposition which expires in June 2015. Chair Kruger asked Mr. Guiney if there was someone the Commissioners can contact if they had additional questions and thanked him for the presentation.

B. Nominating Committee

Chair Kruger asked those who may be interested in serving on the Nominating Committee to get in contact with Ms. Baker. There will be a telephone conference to discuss the nomination of a new Vice Chair.

5. STAFF REPORTS

A. Enforcement Report

At the last meeting the Commission requested information on the number of violation that were cited. Ms. Baker reported the following for the period of May through September.

- General Violations: 21 warning and 24 citation issued
- Dogs Enforcement: 218 warnings and 22 citation issued
- Parking: approximately 5000 citation issued

B. Ongoing Activities Report

Ms. Baker reported there were no Board action items related to the beaches to report.

C. Beach and Marina del Rey Special Events

Report received and file.

D. Facilities and Property Maintenance Division Report

Mr. Foreman wanted to add to the written report that on November 5th the annual berm building process will start. They will be located at Dockweiler, Venice, Zuma, Malibu Surfrider and Hermosa. The Commissioners acknowledged and thank the staff for doing a great job of keeping the beaches clean and asked that Mr. Foreman pass the message onto his staff. They also wanted to thank the Board of Supervisors for providing the funding to help maintain the beaches. Commissioner Powell stated that while on a walk along the Strand, he noticed Beaches and Harbors staff packing sand bags and wanted to know what they were for. Mr. Foreman will investigate and report back at the next meeting.

E. Capital Projects Status Report

Report received and file.

F. Lifeguard Report

Assistant Chief Steve Moseley reported they are in the process of planning a memorial service for the first active duty death since they have been with the Fire Department. The services is taking place at the City of Hermosa Beach. Chief Moseley reported the Junior Lifeguard program was a great success and has received positive feedback. They will hold the two sessions again next year. Due to the weather and water quality they are still dealing with summer type activities. With the water clarity and lobster season there have been 6 diver fatalities. He reported that it has been an all-time record for rescues and activities. He also talked about the maintenance of lifeguard facilities and that they are in the process of talks with various entities and cities to see who own which facilities.

6. **COMMISSIONER COMMENTS**

Commissioner O'Donnell express the inconvenience of having the Dan Blocker dedication so early in the morning, and also suggest busing in the participants. Ms. Baker responded that it was setup around Supervisor Yaroslavsky schedule.

Commissioner Dupont suggested for a future a presentation on water conservation at Beaches and Harbors. Mr. Kelly reported that the Board has given the lead role to the Department of Public Works to get the word out to all County departments requiring them to take a look at their water irrigation practices. He also reported that the Department has installed waterless urinals, and automatic shutoffs on showers. The Department, like other County departments, is required to conserve water to the maximum extent.

Chair Kruger inquired as to when the climate Change presentation was going to take place. Mr. Espinosa responded that the Department is bringing in an expert to present on the sea level rise, then the staff would present on what the Department is doing in terms of climate change.

Commissioner Ward requested to have a report on Film permits. With Information on the number of productions and fees. Baker stated that as part of the presentation she may ask Film LA to provide a presentation.

Commissioner Sachs suggests that staff sends a condolence letter to the family of the deceased lifeguard on behalf of the Commission.

Commissioner Woodell requested to get a copy of the Department's comments to the State Lands Commission regarding the Broad Beach Restoration project that was reported by Mr. Kelly at the last meeting. He also inquired as to when the information package regarding beaches and maps that were going to be distributed to the Commission be available. Ms. Baker reported that staff is in the process of obtaining additional information and updated aerials maps.

7. COMMUNICATION FROM THE PUBLIC

Lynne Shapiro commented on the Neptune Legacy and the Venice Dual Force project.

8. NEXT MEETING DATE AND LOCATION

The next meeting is scheduled for January 28, 2015, 9:30 a.m. at Burton Chace Park.

9. ADJOURNMENT

Chair Kruger adjourned the meeting at 11:17 a.m.

Respectfully Submitted,

SUBJECT: **ITEM 5C – FACILITIES AND PROPERTY MAINTENANCE DIVISION
PROJECT REPORT**

Item 5C on your agenda provides the Commission with a listing of the Department's projects that are either planned or in progress. There were 56 service requests placed with the County's Internal Services Department to perform work that was considered too large for our internal staff to handle. Shown below is a brief list of those projects that exceed \$10,000:

- Renovation of the Dockweiler RV Park – estimated cost \$269,000
- Replace chain link fencing Dockweiler Youth Center – estimated cost \$69,000
- Repair of the upper walkway at Redondo Beach – estimated cost \$80,000
- Replace roof – Redondo Beach Maintenance Yard – estimated cost \$120,000

Renovation of the RV Park – Dockweiler – \$269,000

The RV Park is closed during the month of January every year to allow the Department to make repairs and refresh the appearance. The repairs scheduled this year include replacing 100 feet of water line; replacing new risers and hose bibs for 66 spaces; replacing 33 power pedestals with stainless-steel units; installing new floor tile in four restrooms; replacing the office kitchenette; replacing the countertops in the laundry rooms and office area; painting the interior/exterior of all the buildings and bollards; and restriping the lines for the RV parking stalls.

Status: All work due to be completed January 31, 2015.

Replace chain link fencing and add sand fencing – Dockweiler Youth Center – \$69,000

The existing chain-link fence is worn and is being replaced with a new vinyl-coated fence. Additional fabric is being installed on the lower portion of the fence to reduce wind-blown sand from entering the parking lot.

Status- All work to be completed by May 2015.

Repair upper walkway – Redondo Beach – \$80,000

An asphalt walkway that runs along the upper portion of the slope between the Ainsworth restroom (near Torrance Boulevard) and Knob Hill Avenue is in need of repair. The work will include grinding and resurfacing the asphalt, and slurry-sealing the entire length.

Status: Construction scheduled to start in February.

Replace roof – Redondo Beach Maintenance yard – \$120,000

The roof of the public restroom building, maintenance office and garage is leaking and needs to be replaced.

Status: Construction scheduled to complete by May 2015.

FY 2013/14 CARRYOVER PROJECTS

In addition to the projects shown above, shown below are five projects that were funded last fiscal year and are scheduled to be completed during the current fiscal year:

- Installation of a fuel monitoring system at six locations – estimated cost \$166,000
- Repair stairs at Sunset Beach – Will Rogers – estimated cost \$200,000
- Replacement of fence and roadway repair at El Sol – estimated cost \$63,000
- Pave and resurface the Grand Avenue parking lot – estimated cost \$141,000
- Replace the wet well and enclosure at El Porto (Manhattan) – estimated cost \$41,000.

Fuel Monitoring System – Six Locations – \$166,000

An electronic fuel access and monitoring system (Fuel Focus) is being installed at each beach maintenance service yard that will eliminate the current paper-based system and allow staff to print reports of usage and to monitor deliveries.

Status: The project is still ongoing. The Manhattan Beach location is the last maintenance yard and is scheduled to be completed by March 1, 2015.

Repair Stairs – Sunset Beach – \$200,000

This project will repair a wooden stairway near Sunset Boulevard and PCH that was damaged in a vehicle accident. The improvements will repair structural damage caused by the accident and replace other structural elements that have decayed and rusted due to the salt air environment and high surf.

Status: Construction schedule to be complete by summer/fall.

El Sol Road and Fence – \$63,191

This project will replace the existing chain link fence which is currently at risk of falling. The asphalt roadway and curb will also be repaved and slurried.

Status: 95% completion. The new fence and road are complete. The replacement gate is in fabrication and due to be installed by the end of January.

Repave and stripe Grand Avenue Parking lot – \$141,377

This project will provide for repair and resurfacing of the parking lot at Grand Avenue; improving ADA access; and restriping the lot.

Status: *Original contract* 95% complete. New curbs were added to the project and the lot will be slurry sealed when curbs are completed. The project is expected to be completed in February 2015.

Wet Well Replacement – \$41,508

The existing wet well at El Porto serves the food concession located on the beach in Manhattan Beach. It has been determined that the current unit cannot be repaired. The new wet well will include a new enclosure to improve access for regular servicing of the unit in the future.

Status: 98% complete. All work complete with the exception of a new lid (in fabrication) and is expected to be fully completed by the end of January.

SUBJECT: **AGENDA ITEM 5D – CAPITAL PROJECTS STATUS REPORT/RELATED ACTIVITIES**

Item 5D on your agenda provides the Commission with a status report on the Department's four beach capital projects and other projects of interest.

CAPITAL PROJECTS

Supervisory District 3

(1)	Will Rogers State Beach - Coastline Drive Development	\$ 9,512,000
(2)	Dan Blocker-West Improvement Project	5,500,000
(3)	Beach Restroom Septic System Replacement Program	<u>13,788,000</u>
	Subtotal	\$28,800,000

Supervisory District 4

(4)	Beach Restrooms Refurbishment Project	<u>\$ 2,686,400</u>
	Subtotal	\$ 2,686,400
	GRAND TOTAL	\$31,486,400

(1) Will Rogers State Beach – Coastline Drive Development

The project includes: reconstruction of the parking lot; construction of an engineered seawall and slope; removal of the existing wooden pilings to below grade; construction of a view deck and ADA-compliant beach access ramp; and landscaping, irrigation and security lighting improvements.

Status: Construction has been completed. Contractor to address punch list items by January 31, 2015. Once these are completed, lot will open to the public.

(2) Dan Blocker Beach-West Improvement Project

The project involves the development of an unimproved westerly portion of this beach site, all of which will be ADA-complaint and includes a small paved parking lot; restrooms; bluff top trail; benches and picnic facilities with protective railings; new perimeter fencing; and bluff top and slope native planting, with minimal irrigation for erosion control.

Status: The dedication ceremony took place on Friday, November 14, 2014. It was well attended by the both the Blocker and the Adamson families. The lot fully opened to the public in December 2014.

(3) Beach Restroom Septic System Replacement Program

This program consists of replacing septic systems and leach fields at 16 County operated beach locations in the Topanga and Malibu areas. Each project includes the removal of existing septic pumps and tanks and installation of an advanced treatment septic system, including pumps, tanks, telemetry monitoring system, filter pods, and leach field.

Status: Construction of 12 restrooms has been completed. Restrooms Nos. 7, 8, and 9 are 99% complete. A final walkthrough with Public Works, Beaches and Harbors, and the contractor is scheduled for January 29, 2015.

The City of Malibu has set the coastal development permit hearing for Restroom No. 2 for February 17, 2015. Once approval from the City is secured, construction of Restroom No. 2 will begin. Construction is expected to last eight weeks.

(4) Beach Restrooms Refurbishment Project

The project will refurbish five beach restrooms, including two at Manhattan Beach (El Porto and 8th Street), two at Redondo Beach (Avenues I and G), and the one at Royal Palms Beach. The scope at each of the restrooms will include repair of damaged roof structure, structural masonry walls, and wood beams; ADA upgrades; replace sinks, toilets, shower heads, partitions, doors, and gates; refinish interior floors and walls; repaint exterior of the building; and upgrade electrical service panel and wall-mounted security lighting.

The project will also replace 20 stand-alone pylon showers, including 12 located along the Marvin Braude bike path at Manhattan Beach, five at Redondo Beach, two at Torrance Beach, and one at Royal Palms Beach. Also, two stand-alone drinking fountains will be replaced at Redondo Beach.

Status: The Department of Public Works has completed the construction documents and is currently seeking Building and Safety approvals. Construction is expected to commence April 2015.
