July 16, 1935

To the Honorable
Board of Supervisors,
Hall of Records,
Los Angeles, California.

Gentlemen:-

Herewith is presented a statistical report of
the operations of the Coroner's Office for the fiscal
year 1934-35.

Your attention is directed to the fact that,
although we experienced no major disasters in which a
number of persons lost their lives, as in the preceding
year, nevertheless there was an increase in our case
load of almost five percent during this last fiscal
period.

Respectfully submitted,

Frank A. Daniel
CORONER, Los Angeles County.
