SUBJECT

Approve Amendment Number One to Agreement 76119 for Mideo Forensic Imaging Equipment Maintenance and Support Services with Mideo Systems, Incorporated (Mideo) to add equipment, increase the Maximum Contract Sum, and make minor clerical revisions.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman of the Board of Supervisors to execute the attached proposed Amendment Number One (Amendment) to Agreement 76119 with Mideo to add equipment, increase the Maximum Contract Sum from $520,742 to an amount not to exceed $536,742, and make minor clerical revisions.

2. Authorize the Sheriff or his designee to execute amendments increasing the Maximum Contract Sum resulting from the addition of equipment to Exhibit D (Equipment List and Price Schedule) provided the total sum of all increases does not exceed 10 percent of the Maximum Contract Sum, as well as execute all change orders and amendments as specified in the Agreement if it is in the best interest of Los Angeles County (County).

47 AUG 04 2009

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On May 29, 2007, the County entered into Agreement 76119 with Mideo to provide forensic imaging equipment maintenance and support services. The Agreement currently expires on November 28, 2012.

The Los Angeles County Sheriff's Department's (Department) Scientific Services Bureau operates one of the largest full-service crime laboratories in the nation providing forensic science support to the Department, as well as all local law enforcement agencies with the exception of the Los Angeles Police Department (LAPD).

The Scientific Services Bureau has recently purchased additional forensic imaging equipment. The original warranty for this equipment is nearing expiration and requires the extended maintenance coverage offered by the referenced Agreement.

Implementation of Strategic Plan Goals

The Agreement supports the County's Strategic Plan, Goal 1, Operational Effectiveness. Specifically, the Agreement will allow Mideo to provide continued forensic imaging equipment maintenance and support services.

FISCAL IMPACT/FINANCING

This Agreement includes a provision, at no charge to the County, for the Teardown, Move, and Reconfiguration (TMR) of up to 10 digital imaging systems during the contract term. The new Maximum Contract Sum includes an as needed contingency of $10,000 to pay for up to 10 additional TMRs in excess of the original 10 should they be required. The cost of each additional TMR is fixed at $1,000 for the entire contract term.

Funding has been identified in the Department's operating budget. Annual allocations will be made to finance the ongoing cost of this maintenance program.

The Maximum Contract Sum, which includes all option periods, as well as a contingency of $10,000 for additional TMRs, shall not exceed $536,742.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Scientific Services Bureau oversees one of the largest full-service crime laboratories in the United States. A staff of 198 members provide forensic science support to all County law enforcement agencies with the exception of the LAPD. Approximately one half of the nearly 70,000 cases submitted annually to the Crime Lab

are from Department investigators, while the remainder are from local, State, and Federal police agencies. Since 1989, the Scientific Services Bureau has been an accredited laboratory through the American Society of Crime Laboratory Directors/Laboratory Accreditation Board.

In order to ensure that the Department's Mideo systems continue to operate efficiently and effectively, they must be regularly maintained and expeditiously repaired or replaced when problems are detected.

This Amendment Number One adds new equipment to be maintained by Mideo, increases the Maximum Contract Sum from $520,742 to $536,742, and makes minor clerical revisions to the Agreement. This Amendment Number One has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no negative impact on current Department operations and services.

CONCLUSION

Upon Board's approval, please return an adopted copy of this action and two originally executed copies of Amendment Number One to the Department's Contracts Unit.

Sincerely,

Lee Baca
