

AGRICULTURAL PEST CONTROL OPERATOR 2017 REGISTRATION INFORMATION

AGRICULTURAL PEST CONTROL OPERATORS IN LOS ANGELES COUNTY

Persons with Agricultural Pest Control Business Licenses issued by the California Department of Pesticide Regulation who intend to advertise, solicit, or perform pest control work in Los Angeles County are required first to register with the Agricultural Commissioner. In addition, Section 11701.5 of the Food and Agricultural Code require that "every principal and branch office of a business... shall have at least one person in a supervisory position who holds a qualified applicator license.... The qualified applicator license shall include the categories of pest control activities supervised by that person..." You may register more than one qualified licensee for an office in order to provide supervision for all the categories of work performed.

REGISTRATION PROCESS

Registration for 2017 begins December 1, 2016. You may register in person or by mailing in your registration.

Please submit the following forms (incomplete forms or missing forms will not be processed):

- Completed Registration Form.
- Legible (front and back) copy of your 2017 Qualified Applicator License (QAL) or imprinted DPR PML 059 form.
- A copy of your 2017 Agricultural Pest Control Business License (Paper License).

Permits

Permits for In-County Operators will be issued upon request at your home office location during the headquarters' inspection. Out-of-County Operators can request permits when submitting their registration materials or as needed during the year.

Monthly Pesticide Use Reports

Pesticide applications must be reported each month on a MSPUR.

- If no pesticides are used during a month, a 'Negative' or 'No Pesticides Used' report is required.
- Submit original reports only. Duplicate copies are not necessary.
- Reports are to be submitted by the 10th day of the month following the month of application.

Branch offices are required to send in separate monthly use reports. The company's branch office number, not individual's license number must be used. This is necessary to give credit for that branch office.

Send all reports to:

CalAgPermits is a web-based (online) statewide permitting and pesticide reporting system that has been implemented in County offices. The program is sponsored by the California Agricultural Commissioners and Sealers Association (CACASA), along with California Department of Pesticide Regulation (CDPR). This online reporting system allows you to:

- View historic use reports
- Manage and enter pesticide usage, and submit reports online.
