Giving high fives

Photos by Sunny Thompson

Rydar was selected for his gentle disposition and high food drive. After graduating from a 10-week course in Newnan, GA, Rydar and his handler traveled by car across the U.S. to return to his new home in Los Angeles. The team was one of the first to make the road trip to their assigned work location.

**Compliments of the Los Angeles County Department of
Agricultural Commissioner/Weights and Measures**

Kurt E. Floren, Commissioner/Director
