Subject: **COUNTY DEPARTMENTS' REVOLVING FUNDS AND REVOLVING  
CASH TRUST FUNDS AS OF JUNE 30, 2011 AND 2012**

Attached are detailed reports on County departments' Revolving Fund (Attachment I) and Revolving Cash Trust Fund (Attachment II) assignments. The reports show the responsible County officer, fund number, account number, and amount for each assignment as of June 30, 2011 and 2012. The Auditor-Controller (A-C) is required to file this report with your Board annually.

**Background**

On April 4, 1978, your Board adopted a resolution, pursuant to Government Code Section 29321.1, authorizing the A-C to perform the functions of your Board to establish, discontinue, increase or decrease revolving funds. Departments use revolving funds to make change, small purchases, and for other specific purposes such as Cash Aid disbursements.

Similarly, on October 21, 1980, your Board adopted a resolution, pursuant to Government Code Section 25252.6, authorizing the A-C to perform the functions of your Board to establish and determine the amount of Revolving Cash Trust Funds (RCTF). Departments use RCTFs to expedite high volume refunds.

### Summary of Activity

Total Revolving Fund assignments as of June 30, 2012 were \$10,809,041. The Children and Families First Proposition 10 Commission (Commission) accounted for \$8 million of the total Revolving Fund assignments. The Commission is required to keep its funds in the County Treasury. The remaining \$2,809,041 in Revolving Funds is assigned to various County departments as detailed in Attachment I. Total RCTF assignments as of June 30, 2012 were \$555,720 as detailed in Attachment II.

For Fiscal Years 2011-12, Revolving Fund assignments decreased by \$161,000, due to the following:

- The Department of Children and Family Services decreased one of its Revolving Funds by \$106,000.
- The Office of County Counsel decreased its Revolving Fund by \$5,000.
- The Department of Parks and Recreation decreased one of its Revolving Funds by \$25,000.
- The Department of Public Social Services decreased two of its Revolving Funds by a total of \$25,000.

RCTF assignments decreased by \$705,000, because the Child Support Services Department closed its RCTF totaling \$350,000, and the Los Angeles Superior Court closed 14 of its RCTFs totaling \$355,000.

**Revolving Fund Assignments**

Revolving fund monies, established in accordance with Government Code Section 29321.1, are available for use by department heads to make change when necessary in carrying out official County business, and to make authorized purchases of services and materials which are legal charges against the County. A departmental revolving fund can be assigned or sub-assigned to various locations (sections, divisions, etc.) within a department. Departments handle each sub-assignment in the same manner as the regular fund assignment.

Departments may also request revolving funds for specific purposes such as Cash Aid disbursements and grants. Regardless of the purpose, authority to spend funds must be granted in the Board approved budgetary process, and operating funds must be encumbered prior to making expenditures.

**Revolving Cash Trust Fund Assignments**

Revolving Cash Trust Funds (RCTF) are established in accordance with Section 25252.6 of the Government Code. An RCTF is an amount of cash requisitioned from trust and set aside to expedite high volume refunds. An RCTF can only be used by an officer or department head for payments which are legally payable out of the deposits in the trust fund from which the cash is being requisitioned.
