In the January 28, 2003, meeting, your Board instructed Public Works to perform a traffic study on Bouquet Canyon Road near Esquerra Road and report back with recommendations on how this road can be made safer.

As you requested, we have begun a traffic study at the subject location, which will include an analysis of reported traffic accidents, traffic counts, speed checks, field observations, and other pertinent traffic data. The study will take about eight weeks to complete, at which time we will report our findings to you.
