Director of Public Works

### ARCHITECTURAL EVALUATION BOARD

The term of office for Mr. Verne Heitman, nominated by the Board of Supervisors to serve as a member of the Architectural Evaluation Board, has expired. Mr. Heitman has agreed to remain in office until July 2003.

To fill the forthcoming vacancy, we recommend the Board of Supervisors consider Mr. Dan Dworsky, FAIA. Mr. Dworsky had served on the AEB in its early years and is familiar with County needs and procedures associated with this role. He is a respected member of the architectural community and has practiced architecture for 50 years as the Principal of Dworsky Associates. Mr. Dworsky has designed many significant public buildings including the Los Angeles County Van Nuys Municipal Courts building and the Tom Bradley International Terminal. He has received many citations including the Gold Medal Award from the Los Angeles Chapter of the American Institute of Architects. We have attached a detailed biography submitted to us by Mr. Dworsky for your review. Mr. Dworsky has agreed to serve on the AEB, and we recommend that Mr. Dworsky be appointed to begin serving by July 2003, with the term of office expiring July 2007.

We anticipate filing a final request for appointment with the Executive Office on April 3, 2003. Please provide any comments you may have prior to that date to me or your staff may contact Jim Sparks at (626) 458-2561.
