**LACERA COST ESTIMATE REGARDING AB 2777**

On January 14, 2003, the Board instructed the Chief Administrative Office to request the Los Angeles County Employees Retirement Association (LACERA) to prepare an actuarial estimate of the cost of implementing AB 2777 (Nation). AB 2777 permits the Board to extend LACERA survivor benefits to domestic partners of County employees/retirees. The Board requested the study within 60 days (i.e. by March 14, 2003).

This is to advise you that LACERA will require approximately two additional weeks to complete the actuarial work. You may expect a report back on this matter by March 28, 2003.
