The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

ANNEXATION TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,
PETITIONS 27-202, 139-902, 140-902, AND 81-503
UNINCORPORATED AZUSA, INDUSTRY, AND WHITTIER AREAS
SUPERVISORIAL DISTRICTS 1 AND 4
3 VOTES

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and file the enclosed Petitions 27-202, 139-902, 140-902, and 81-503 to annex territories to County Lighting Maintenance District 1687 and to County Lighting District LLA-1, Unincorporated Zone.

2. Adopt the enclosed Resolution Initiating Proceedings for the Annexation of Territories to County Lighting District LLA-1, Unincorporated Zone.

3. Authorize Public Works to prepare and file an Engineer's Report for each Petition area.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to initiate proceedings for the annexation of territories into County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and authorize the preparation and filing of an Engineer's Report.

Petitions 27-202 (Ruoff Avenue), 139-902 (Kella Avenue), 140-902 (Mardel Avenue), and 81-503 (Renwick Road), favoring the installation of street lights, were signed by property owners representing 80, 61, 64, and 69 percent, respectively, of the areas proposed to be annexed to County Lighting District LLA-1, Unincorporated Zone. This complies with the 60 percent or more requirement in the policy adopted by your Board on March 11, 1980. The enclosed Petitions indicate the approximate assessment for the installation, operation, and maintenance of the street lights to be paid by the property owners within the territories to be annexed.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the revenue from the proposed imposition of an assessment will provide the funding necessary for the operation and maintenance of new street lighting facilities. It also satisfies the Goal of Service Excellence since maintaining street lighting services provides for the convenience and safety of the motoring public, as well as for the safety and security of people and property, which improves the quality of life in the unincorporated area.

FISCAL IMPACT/FINANCING

There are sufficient funds in the County Lighting Maintenance District 1687 to finance the cost of the preparation of the Engineer's Report. The street lights will be installed, if approved by a majority of the property owners, by the Southern California Edison Company at no cost to the County or the property owners. There are sufficient funds available in the Lighting Districts to pay for the operation and maintenance costs of these street lights until assessments can be collected from the property owners within the territories to be annexed. Financing is not required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These proceedings are governed by Provisions of the Improvement Act of 1911 (Section 5820 et seq. of the California Streets and Highways Code), the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code), and Article XIIID of the California Constitution (Proposition 218 approved by California voters in November 1996). Public Works will prepare an Engineer's Report that complies with Section 22565 et seq. of the California Streets and Highways Code and Article XIIID, Section 4(b), of the California Constitution.

After your Board approves the Resolution Initiating Proceedings for the Annexation of Territory to County Lighting District LLA-1, Unincorporated Zone, a separate Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, will be submitted for your Board's consideration and adoption. The Engineer's Report will be filed at a later date.

The Resolution Initiating Proceedings to Annex Territories to County Lighting District LLA-1, Unincorporated Zone, has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be approved by your Board, please return one approved copy of this letter and the signed Resolution to Public Works and one approved copy of the letter to the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works
