The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**LANDSCAPE MAINTENANCE SERVICES FOR  
SEWER MAINTENANCE DISTRICT – MALIBU AREA  
SUPERVISORIAL DISTRICT 3  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that this work is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Find that landscape maintenance at the three Malibu area water treatment plants, Malibu Mesa Treatment Plant; Malibu Treatment Plant; and Trancas Treatment Plant, can be more economically performed by an independent contractor than by County employees.
3. Award the contract for "Landscape Maintenance Services for Sewer Maintenance District – Malibu Area" to United Pacific Services, Inc., located in La Habra, California, effective the first day of the month following approval by the Board, for a period of one year, with four 1-year renewal options not to exceed a total contract period of five years.
4. Delegate authority to the Director of Public Works to execute the contract and to renew the contract for each one-year option, if, in the opinion of the Director, renewal is warranted, or, if necessary, to terminate the contract.

5. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
6. Authorize Public Works to encumber an annual amount of \$49,150, plus 15 percent for additional, unforeseen landscaping maintenance needs within the scope of this contract that may arise during the contract term. This amount represents the cost of this service based on the annual price submitted by the contractor. Funds are available in the 2003-04 Sewer Maintenance Districts fund.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to award a contract to provide landscape and grounds maintenance services at three water treatment plants located in the Malibu area (Malibu Mesa Treatment Plant, Malibu Treatment Plant, and Trancas Treatment Plant). The work to be accomplished under these specifications includes, but is not limited to the monthly mowing of lawns; trimming and pruning of ground cover and shrubs; as-needed tree trimming; routine application of fertilizers, insecticides, and herbicides; weeding; raking; sweeping; inspection of irrigation systems, etc. The Director may authorize the performance of additional work including but not limited to repairs, replacements, landscape refurbishment, and irrigation, service to additional facilities within the County, new tasks, and frequent service at agreed upon unit prices not exceeding those set forth in the contract.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County's Strategic Plan Goals of Fiscal Responsibility, Organizational Effectiveness, and Children and Families' Well-Being. This contract will improve internal operations through the utilization of this contractor's expertise to effectively provide this service in a timely, responsive, and cost-effective manner, as well as improve the quality of life in the County.

### **FISCAL IMPACT/FINANCING**

This contract is for an annual amount not to exceed \$49,150, plus 15 percent for additional, unforeseen landscaping maintenance needs within the scope of this contract that may arise during the contract term. These additional funds will not be expended without the Director's authority. Should additional work be required that exceeds the amount authorized, approval of additional funds will be sought. This one-year contract will commence the first day of the month following approval by the Board. With the

Board's delegated authority, the Director may renew this contract from year to year for a total contract period not to exceed five years. In any event, this contract may be canceled or terminated at any time by the Director, without cause, upon giving of at least 30 days' written notice to the contractor.

Funds for the first year of this contract are available in the 2003-04 Sewer Maintenance Districts fund. Funds to finance the contract's renewal years will be made available through Public Works' annual budget process. There is no impact on net County cost.

No cost-of-living adjustment will be granted under this contract.

In accordance with Auditor-Controller guidelines, Public Works has calculated the cost-effectiveness of contracting for this service. Public Works has determined that this service can be more economically performed by an independent contractor than by County employees.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

These landscaping services are being contracted in accordance with procedures authorized under the provisions of County Charter Section 44.7, Part 3 and Chapter 2.121 (Contracting with Private Business) of the Los Angeles County Code.

The mandatory requirements for contracting set forth in the Los Angeles County Code Section 2.121.380 have been met.

Public Works has determined that the contractor complies with the requirements of the Living Wage Program (Los Angeles County Code Chapter 2.201) and agrees to pay its full-time employees providing County services a living wage.

Public Works has accessed available resources to review and assess the proposed contractor's past performance, history of labor law violations, and any negative experiences with County contracts. No information was found that would qualify our recommendation.

Prior to the Director executing this agreement which will be substantially reflected in Enclosure A, the contractor will execute and County Counsel will review it as to form.

## **ENVIRONMENTAL DOCUMENTATION**

This work is categorically exempt from the CEQA as specified in Class 1(j) and (s) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

## **CONTRACTING PROCESS**

On October 16, 2003, Public Works solicited proposals from 489 independent contractors and community business organizations to accomplish this work. Also, a notice of proposal availability was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On November 12, 2003, two proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements as outlined in the Request for Proposals. Having met these mandatory requirements, the proposals were then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the solicitation document which included the proposal price, references, experience, financial resources, and work plan. Based on this evaluation, Public Works is recommending that this contract be awarded to United Pacific Services, Inc., located in La Habra, California, which was found to be the most responsible proposer. Although this proposer was not the lowest-cost proposer for the service, they did receive the highest rating in three of the five criteria. The Contractor is also certified as Local Small Business Enterprise by the Office of Affirmative Action Compliance.

Enclosure C reflects the minority participation of the proposers. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, no payment for services received after contract expiration or termination, and the Safely Surrendered Baby Law.

Public Works has confirmed that the Child Support Services Department has received the contractor's Principle Owner Information Form in compliance with the Los Angeles County Code, Chapter 2.200 (Child Support Compliance Program).

The Honorable Board of Supervisors  
December 30, 2003  
Page 5

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record which, in our opinion, reflects that activities conducted by this firm in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of this contract will not result in the displacement of any County employees.

**CONCLUSION**

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES  
Director of Public Works

PART I  
SPECIFICATIONS AND CONDITIONS FOR  
LANDSCAPE MAINTENANCE SERVICE FOR SEWER MAINTENANCE DISTRICT --  
MALIBU AREA  
SECTION I  
WORK REQUIRED/PROPOSAL SUBMISSION

A. Work Required

Persons who wish to contract with the County may respond to this Request for Proposals (RFP) by submitting a proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.

The work to be accomplished under these Specifications is to furnish all supervision, labor, materials, tools, equipment, transportation, fertilizers, insecticides, herbicides, and other items needed to perform landscape maintenance work, as outlined in Part I, Section 2, Scope of Work at the following Malibu locations:

- Malibu Mesa Treatment Plant - 3863 Malibu Country Road;
- Malibu Treatment Plant - 3620 Vista Pacifica Street; and
- Trancas Treatment Plant - 6338 Paseo Canyon Drive

Proposers **MUST** provide a price for each location.

Proposers performing the landscape and maintenance work shall possess a valid C-27 (Landscaping) State contractor's license.

B. Living Wage Program

Proposers are advised that the Board has enacted the Living Wage Program (Exhibit B) for contracts awarded under the authority of County Code Chapter 2.121 (Proposition A). In doing so, the Board made a finding that the Living Wage Program was not only to provide living wage and health benefits to employees working on these County contracts, but it is also intended to relieve the County of the burden for providing social and health services to persons who receive less than a living wage. Any contract resulting from this solicitation will be awarded under the Proposition A authority. The Living Wage Program requires contractors to

pay their full-time employees providing these requested services a living wage. The County has established the living wage as \$9.46 per hour without health benefits and \$8.32 per hour with health benefits. For contractors/subcontractors to qualify for the lower wage rate, the contractor/subcontractor shall pay at least \$1.14 per hour toward the provision of a bonafide health care, vision, and/or dental benefit plan for each employee and any dependents during the term of this Contract. Contractors/Subcontractors will not be allowed to pay less than \$1.14 per hour toward an employee health benefit and pay the difference to the employee. Each Proposer shall complete the Contractor Living Wage Declaration (Exhibit D) and submit it with the proposal, or, if appropriate, may submit the Application for Exemption (Exhibit C) by the required time. The requirements and terms of the Living Wage Program are non-negotiable. Proposals that fail to comply with the requirements of the Living Wage Program will be considered nonresponsive.

Proposer is further notified that throughout the term of the contract resulting from this solicitation, the contractor and its subcontractor(s) will be required to submit periodic monitoring reports for each employee providing services under the contract, certifying under penalty of perjury, the hours worked, wages paid, and amounts paid towards each employee's health benefits.

1. At any time during the term of the contract resulting from this solicitation, the County may conduct an audit of the successful proposer's records as well as field visits with the proposer's employees to ascertain compliance with the Living Wage Program.
2. Also, the successful proposer will be required to place specified living wage posters at their place of business and locations where the proposer's employees are working. The successful Proposer will also be required to distribute County-provided notices to each of its employees providing services to the County at least once per year.
3. Violations of the provisions of the Living Wage Program will subject the successful proposer to withholding of monies owed it under the contract, liquidated damages, possible termination and/or debarment from future County contracts for up to three years.
4. Any proposer who submits false information may be barred from participating in this solicitation and future County solicitations/contracts for up to three years.

C. Proposal Format Requirements

Proposals shall be presented in the sequence, with the content, and in the format stated below. Failure to provide the required information or comply with these guidelines may be a basis for rejection of the Proposal. Include the following in the order listed:

1. Title page which indicates the Proposer's name, project title, and date of submittal.
2. Comprehensive Table of Contents for material included in the Proposal.
3. Introductory letter (optional).
4. A comprehensive description of the Proposer's capabilities, in sufficient detail and scope to provide for a meaningful evaluation, comparison, and assessment. The narrative should discuss each of the following subject areas, with emphasis on how the Proposer measures up to the evaluation criteria (see Part I, Section 3.G, Evaluation Criteria):
  - Background and experience
  - Organization
  - Principals (include resumes if available)
  - Key staff (include resumes if available)
5. Work Plan which describes the procedures, techniques, and methods that will be employed in meeting the objectives outlined in Part I, Section 2, Scope of Work. These may include personnel management, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification badges, safety, communications, and quality control.

The Work Plan shall include the Proposer's proposed full-time employee staffing plan. Proposer will be required to assign and use full-time employees to provide these services, unless Proposer demonstrates to the satisfaction of the County the need to use non-full-time employees based on staffing efficiency or the County requirements of an individual job. If the Proposer desires to assign and use non-full-time employees to provide these or a part of these requested services, the Proposer shall **submit to Public Works at least seven days before the deadline to submit Proposals** a detailed written request, attaching all documentation necessary to

substantiate the request. Based on the County's review of the Proposer's request and submitted documentation, the County shall determine, at its sole discretion, whether the Proposer may use non-full-time employees. The County's decision will be final. Proposer's request for the utilization of non-full-time employees is to be delivered or faxed to:

Department of Public Works  
Administrative Services Division - 9th Floor  
900 South Fremont Avenue  
Alhambra, CA 91803  
Fax (626) 458-4194  
Attention Bill Gomez

6. The County seeks diverse, broad-based participation in its contracting. Subcontractors, if any, shall be subject to all requirements set forth in the RFP that are applicable to contractors in general, including but not limited to compliance with Living Wage Program requirements. If subcontractors are to be employed, the proposer must submit a statement of their proposed assignments, qualifications, experience, staffing, and schedules. In addition to this statement, the following forms must be completed and submitted for each subcontractor contemplated:

- Contractor's Industrial Safety Record;
- Certificate Conflict of Interest;
- Proposer's/Offeror's EEO Certification;
- GAIN/GROW Employment Commitment Form;
- Request for Local Small Business Enterprise (SBE) Preference Program Consideration and CBE Firm/Organization Information Form (Part II of form only);
- Principal Owner Information Form (submit to Child Support Services Department and submit a copy to Public Works);
- Child Support Compliance Program Certification (submit to Child Support Services Department and submit a copy to Public Works); and

- Employee Jury Service Program Application for Exception and Certification Form.
7. Provide copies of the company's financial statements prepared by a certified public accountant for the last three full fiscal years. Statements should include the company's assets, liabilities and net worth. At a minimum, statements must include a balance sheet (statement of financial position), income statement (statement of operations), and retained earnings statement. If audited statements are available, these should be submitted. Income tax returns and personal financial records are unacceptable. Financial records will not be held confidential unless they are properly designated as trade secrets in accordance with Part II, Section 2.0, Disclosure of Contents of Proposals.
  8. Submit copies of the Proposers', employees', and subcontractors' licenses and certifications required to perform the work, if any.
  9. Submit proof of current, valid insurance coverage that meets the requirements of the RFP or a statement acknowledging that the required insurance coverage will be provided prior to commencing work under this contract.
  10. Additional data not specifically requested for evaluation, which the Proposer feels are essential, must appear in the last section of the Proposal and be labeled "Additional Information." If there is no additional data the Proposer wishes to present, this section will consist of the statement: "There is no additional data we wish to present."
  11. In evaluating proposals, the County will review the Proposer's history of labor law/payroll violations (including, but not limited to violations or pending claims pertaining to wages, hours, and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination) as well as debarment from contracting by any public entities. To facilitate this process, Proposers must submit with their Proposal a complete Living Wage Program Acknowledgment and Statement of Compliance Form (Exhibit E), and disclose on that form: (1) any determination by a public entity within three years of the submission date of the Proposal that the Proposer committed a labor law/payroll violation, (2) any pending claim that involves an incident of labor

law/payroll violation occurring within three years of the Proposal's submission date, and (3) debarment by a public entity within the last 10 years.

Disclose full details of any such determinations, claims and debarments on the Living Wage Program Labor/Payroll/Debarment History Form, (Exhibit F).

Applying established criteria, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violation, with substantially increased deductions for a Proposer's failure to disclose reportable violations (see Exhibit G, "Guidelines for Assessment of Proposer Labor Law/Payroll Violations"), Pending claims (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board before a contract is awarded.

12. Complete and submit Exhibit H, "Requested Information on the Proposer's Medical Plan Coverage," Proposer's description of benefit package type(s) provided to its employees (i.e., number of annually paid vacation, sick days, etc.).
13. Complete and submit Exhibit I, "Proposer's Cost Methodology," showing in detail how the Proposer arrived at the proposed contract price. This methodology is to reflect employee classifications to be used (e.g., landscape maintenance worker, etc.); hours to be worked daily, weekly, and annually by each classification; hourly and annual wages to be paid to each classification; estimated annual payroll taxes; and estimated annual allowances for vacation, sick, holiday, health and welfare, and pension. Proposer's costs for insurance, supplies, equipment, overhead, and any other miscellaneous costs are to be shown as requested. These costs, plus the gross labor costs and projected profit, should total to the Proposer's annual price as quoted in Part I, Section 6, Schedule of Prices.
14. If the Proposer believes that it does not fall within the Living Wage Program's definition for "employer" or that it meets any of the exceptions to the Living Wage Program as stated in Exhibit B, Living Wage Program, Section 2.201.020, Definitions, and/or Section 2.201.090, Exceptions, Proposer may request an exemption by completing and submitting Exhibit C, Living Wage Program - Application for Exemption at least seven days before the deadline to submit proposals and include with

its submission the Proposer's last two years' tax returns and last State payroll tax return if claiming exception as a small business or a copy of the applicable collective bargaining agreement if claiming exemption under such an agreement. Upon reviewing the Proposer's application, the County will determine, in its sole discretion, whether the Proposer falls within the definition of "Employer" or meets any of the exceptions to the Living Wage Program. The County's decision will be final.

Note that the collective bargaining agreement exception applies if it is demonstrated to the County that the agreement is bona fide and that the agreement expressly provides that it supersedes all of the provisions of the Living Wage Program. The Proposer is subject to any provision of the Living Wage Program not expressly superseded by the collective bargaining agreement. All exemption requests are to be delivered or faxed to:

Department of Public Works  
Administrative Services Division - 9th Floor  
900 South Fremont Avenue  
Alhambra, CA 91803  
Fax (626) 458-4194  
Attention Bill Gomez

15. Complete and submit the following forms, which are included in the RFP package:

- Schedule of Prices (Part I, Section 6);
- Identification of Proposer;
- Verification of Proposal;
- Contractor's Industrial Safety Record;
- Certificate Conflict of Interest;
- Proposer's Reference List (must identify all contracts under which the Proposer has provided services to public entities in the State within the last three years and include a contact person and phone number for each public entity);
- Proposer's/Offeror's EEO Certification;
- List of Subcontractors;
- Request for Local Small Business Enterprise Preference Program Consideration and CBE Firm/Organization Information Form;
- GAIN/GROW Employment Commitment Form;

- Principal Owner Information Form (submit a copy to Child Support Services Department);
- Child Support Compliance Program Certification (submit a copy to Child Support Services Department);
- County of Los Angeles Contractor Employee Jury Service Program Application for Exception and Certification Form.

D. Proposal Submission

1. Proposals shall be submitted with four complete copies (one original and three copies) of the Proposal and any related information. Proposals received after the closing date and time will be rejected by Public Works as nonresponsive.
2. Submit Proposals to the County of Los Angeles Department of Public Works' Lobby Cashier, 900 South Fremont Avenue, Alhambra, California 91803, in a sealed package which clearly identifies this Proposal and Proposer. All Proposals will be officially received by Public Works only when accepted and time stamped by the Lobby Cashier. It is the responsibility of the Proposer to instruct delivery services, such as United Parcel Service or Federal Express, to deliver Proposals directly to the Lobby Cashier. Proposals not delivered to the Lobby Cashier may be delayed in being officially time stamped by the Lobby Cashier and may miss the Proposal submission deadline. All Proposals received at Public Works' Mail Center through the United States Postal Service will be forwarded to the Lobby Cashier as quickly as possible. The Mail Center will not time stamp proposals. Public Works will not be responsible for any delays or missed deadlines for proposals not delivered directly to the Lobby Cashier.

E. GAIN/GROW Program

As a threshold requirement for consideration for contract award, Proposer shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposer shall attest to a willingness to provide employed GAIN/GROW participants access to Proposer's employee mentoring program,

if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

F. Child Support Compliance Program

Submit certification in accordance with the provisions of Section 2.200.060 of the County Code that 1) the Principal Owner Information Form (attached) has been appropriately completed and provided to the Child Support Services Department with respect to the Proposer's Principal Owners; 2) the Proposer has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 3) the Proposer has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignments and continues to maintain compliance. Such certification must be submitted on the Child Support Compliance Program Certification (attached). Failure by the Proposer to provide the Principal Owner Information Form to the Child Support Services Department will be grounds for a finding by the County that the Proposal is nonresponsive.

G. Jury Service Program

1. The resultant contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Section 3.V, Jury Service Program. The Jury Service Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the

Proposer has a long-standing practice that defines the lesser number of hours as full time. Therefore, the Jury Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project.

3. There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "contractor." The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a contractor does not fall within the Jury Service Program's definition of "contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the Certification Form and Application for Exception (attached) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

H. Local Small Business Enterprise Preference Program

In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. Proposers who wish to be

considered for this preference should do so using the attachment entitled Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form (attached). A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

The awardee shall sign and return this Contract, together with copies of the required insurance certification, within 14 days after notification by Public Works of intent to recommend award of this Contract to the Board.

B. Final Contract Award by Board

Notwithstanding a recommendation of a department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

C. Legal Status of Contractor's Personnel at Facility

The Proposer's/Contractor's signature on the Proposal/Contract is its certification that it is in full compliance with Chapter 2.160. Failure on the part of any County lobbyist retained by Proposer/Contractor to fully comply with the County Lobbyist Ordinance shall be sufficient cause for rejection of the Proposal or shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

E. Evaluation of Proposals

All responses to this Request for Proposals become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a Contract to one or more of those submitting Proposals. The proposed Contract may be submitted to the Director or Board for consideration and possible approval.

The County may require whatever evidence it deems necessary relative to the Proposer's financial stability.

The County reserves the sole right to judge the Proposer's written and oral representations. The County may make onsite inspections of Proposer's current jobs.

The County may, at its option, invite one or more Proposers to make a presentation or participate in an interview before a final selection is made.

F. Evaluation Criteria

The evaluation criteria to be used in the selection process will include, but are not limited to the following considerations:

1. Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements may be rejected as non-responsive:
  - a. Proposer's Safety Record reflects that the Proposer has provided services in a safe manner.

- b. Proposer shows an ability to meet insurance requirements.
- c. Proposer has met the GAIN/GROW requirements.
- d. Proposer has submitted to the Child Support Services Department the Principal Owner Information and Child Support Compliance Program Forms.
- e. If Proposer is not exempt, Proposer has indicated it will meet the Living Wage Program employee payment requirements and has included their contribution for the identified medical plan.
- f. Proposer's staffing plan identifies full-time employees of the Proposer who will perform the required work unless the Proposer has demonstrated the necessity of part-time staff to the County's satisfaction.
- g. Proposer has submitted the Jury Service Program Certification Form and Application for Exception stating that it accepts and will comply with the program requirements or establishing its entitlement to an exception to the program.
- h. Proposer's annual price to perform these services is less than County's total avoidable cost.
- i. Proposer has signed all appropriate forms and Part I, Section 6, Schedule of Prices.
- j. Proposals that include hourly and health benefit payments of less than the living wage requirements, shall be rejected unless the Proposer has been granted exemption status pursuant to a fully documented request for exemption in compliance with the Living Wage Program, Exhibit C, County of Los Angeles Living Wage Program Application for Exemption.
- k. Proposer is signed in as attending the Proposers' Conference.
- l. Proposer is properly licensed to perform the required work.
- m. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.

2. Proposals passing the first step will be evaluated based on the following criteria:

- a. Proposed Price (60 points)

The proposed price should accurately reflect Proposer's cost of providing the required services and any profit expected during the Contract term. The lowest Total Proposed Annual Price quoted in the Schedule of Prices (Part I, Section 6) will receive the full weight of this evaluated item (60 points). Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposer's Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion (60 points). However, the Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a Contract.

The lowest Total Proposed Annual Price is the lowest price quoted in the proposals that have not been disqualified, failed, rejected, or otherwise found nonresponsive at any stage of the evaluation process.

Notwithstanding the ranking of the Proposal prices and overall Proposal scores, no contract shall be awarded to a Proposer unless the Proposer's annual price to perform these services is less than the County's total annual avoidable cost.

In addition, should one or more of the Proposers request and be granted the Local SBE Preference, the price component points will be determined as follows:

Five percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

- b. References (15 points)

Record of performance as determined from all available information, including but not limited to direct communications by the County with the Proposer's former/current clients. Factors to be considered include, but are not limited to cost

control, work quality, completion of work on schedule, and responsiveness. Public Works will check at least three of the Proposer's references for overall satisfaction with Proposer's services, especially services provided to Public Works and other County departments.

c. Experience (10 points)

The evaluators may award a maximum of 10 points for the quality and quantity of experience of the Proposer and its key personnel and subcontractors in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 1.C.3), and any other relevant information. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

d. Financial Resources (5 points)

Proposer's financial statements will be evaluated on the extent to which the statements demonstrate that the Proposer has financial and business stability ensuring it can continue to pay the living wage as defined here in Part I, Section 7, Compliance with Living Wage Program, and can perform the work throughout the term of the Contract. The evaluation committee may consult with Public Works' financial management staff regarding this evaluation category. A score of zero in this evaluation category may result in rejection of the Proposal.

e. Work Plan (10 points)

Scoring of the Proposer's detailed work plan will be based on the extent to which it demonstrates that the Proposer is likely to fulfill the tasks and requirements of the scope of work, respond to contingencies and emergencies, and render timely and responsive service to Public Works. The evaluation committee may make this determination from all relevant information presented, which may include but is not limited to Proposer's:

- Work Plan of Action/Approach (Part I, Section 1.C.4), including personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification, safety, communications, and quality control;
- Staffing Plan (Part I, Section 1.C.4); and
- Proposer's Cost Methodology (Exhibit I).

Significant unacceptable weakness in any of the Work Plan subject areas may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

SECTION 4

Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.
4. Notification of Incidents, Claims, or Suits - Contractor shall report to County's Project Manager:

SECTION 7

COMPLIANCE WITH LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program (Program) as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Exhibit B and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that Contractor qualifies for an exception to the Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under this Contract:

- a. Not less than \$9.46 per hour if, in addition to the per-hour wage, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
- b. Not less than \$8.32 per hour if, in addition to the per-hour wage, Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its employees the higher hourly living wage rate.

For purposes of this Section, "Contractor" includes any subcontractor engaged by Contractor to perform services for the County under this Contract. If Contractor uses any subcontractor to perform services for the County under this

Contract, the subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Program shall be attached to the agreement. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to the County under this Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

2. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
3. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement, and Contractor shall immediately notify County if Contractor at any time either comes within the Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Program. Unless Contractor satisfies this requirement within the time frame permitted by the County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified

monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County, or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if the Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours, and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, the County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports.

Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under this Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, the County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information, or is inaccurate, or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is

deficient, including but not limited to being late, inaccurate, incomplete, or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete, and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

- c. Termination: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.
2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
- a. Withholding Payment: If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
  - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach.

Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

- c. Termination: Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.
3. Debarment: In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

#### H. Use of Full-Time Employees

Contractor shall assign and use full-time employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under this Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-employee staffing plan. If Contractor changes its full-time-employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

#### I. Contractor Retaliation Prohibited

Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person, or entity who has reported a violation of the Program to the County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

J. Contractor Standards

During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Proposers may withdraw their Proposal anytime before the date and hour set for submission upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

C. Invalid Proposals

It is the sole responsibility of the Proposer to see that its Proposal is properly received by Public Works before the submission deadline. Proposers shall bear all risks associated with private delivery services or with delays in the U.S. Mail.

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. In the event of any such rejection, the County will not be liable for any

costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than an officer of a corporation or a member of a general co-partnership, must be submitted with a power of attorney authorizing such signature; otherwise, the Proposal will be rejected as irregular and unauthorized.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

H. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be sufficient cause for rejection of the Proposal.

J. Wages, Materials, and Other Costs

M. Disqualification of Proposers

More than one Proposal from an individual, firm, or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has interest in more than one Proposal for the work contemplated will cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, none of the participants in such collusion will be considered in this or future Proposals.

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected extension will be considered as representing the Proposer's intentions.

If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions.

If the items are incorrectly totaled, the corrected total will be considered as representing the Proposer's intentions.

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

Q. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.

2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
3. The County may declare a Proposer to be non-responsible for purposes of this proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform this proposed Contract with the County or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works' recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the Proposer may be deemed to have waived all rights of appeal.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar

the Proposer from bidding on other County contracts for a specified period of time, not to exceed 3 years, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. If the Proposer fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Proposer may be deemed to have waived all rights of appeal.
4. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

S. Safely Surrendered Baby Law

The Proposer shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in the Attachments of this solicitation document and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

H. Gratuitous Work

The Contractor agrees that should work be performed outside the scope of work indicated and without the Public Works' prior written approval according to "Changes and Amendments of Terms" (above), such work shall be deemed to be a gratuitous effort by the Contractor, and the Contractor shall have no claim, therefore, against the County.

I. No Payment for Services Following Expiration or Termination of Contract

The Contractor shall have no claim against the County for payment of any money or reimbursement of any kind whatsoever for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration or other termination of this Contract shall not constitute a waiver of the County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

J. Safety Requirements

The Contractor shall be responsible for the safety of equipment, material, and personnel under the Contractor's jurisdiction during the work.

K. Public Safety

P. Storage of Material and Equipment

The Contractor shall not store material or equipment at the job site, except as might be specifically outlined in other sections. Public Works will not be liable or responsible for any damage, by whatever means, or for the theft of the Contractor's material or equipment from any job site.

Q. County's Quality Assurance Plan

The County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

R. County's Policy on Child Support Laws

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post the County's "L. U. Contractor Responsibility and Debarment

1. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Contract. It is the County's policy to conduct business only with responsible contractors.
2. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County

acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding on County contracts for a specified period of time not to exceed three years, and terminate any or all existing contracts the Contractor may have with the County.

3. The County may debar a contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the Contractor may be subject to debarment, Public Works will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
5. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.
6. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
7. These terms shall also apply to subcontractors of Contractor.

V. Jury Service Program

1. This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury

Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

2. Written Employee Jury Service Policy

- a. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- b. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the County. If Contractor uses any subcontractor to perform services for the County under this Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
- c. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at

any time during this Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- d. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

W. Local Business Enterprise Preference Program

1. This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

3. Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
4. If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
  - a. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
  - b. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

- c. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).
- d. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and the County's Office of Affirmative Action Compliance of this information.

F. Delegation and Assignment

The Contractor may not delegate its duties and/or assign or transfer its rights hereunder, either in whole or in part, without the prior written consent of the Board.

G. Subcontracting

No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the County. Any attempt by the Contractor to

subcontract any performance of the terms of this Contract without the express written consent of the County shall be null and void and shall constitute a breach of the terms of this Contract. In the event of such a breach, this Contract may be terminated forthwith.

In the event the County should consent to subcontracting, each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties.

In the event the County should consent to subcontracting, the Contractor shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."

Any third party delegate(s) appointed by the Contractor shall be specified in writing to the Director for advance concurrence.

H. Overtime

Eight hours labor constitutes a legal day's work. Work in excess thereof, or greater than 40 hours during any one week, shall be permitted only as authorized by Labor Code Section 1815.

I. Child Support Compliance Program

As required by the County's Child Support Compliance Program (County Code Chapter 2.200), Contractor shall maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653) and California Unemployment Insurance Code Section 1088.5, and shall implement lawfully served Wage and Earnings Withholding Orders or District Attorney Notice of Wage Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedures, Section 706.031 and Family Code, Section 5246(b).

J. Prohibition Against Use of Child Labor

2. Upon request by County, provide the country/countries of origin of any products, goods, supplies, or other personal property Contractor sells or supplies to County; and,
3. Upon request by County, provide to County the manufacturer's certification of compliance with all international child labor conventions.

Should County discover that any products, goods, supplies, or other personal property sold or supplied by Contractor to County are produced in violation of any international child labor conventions, Contractor shall immediately provide an alternative, compliant source of supply.

Failure by Contractor to comply with provisions of this clause will be grounds for immediate cancellation of this Contract.

K. Consideration of Hiring GAIN/GROW Employees

Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by category to the Contractor.

L. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

M. Right of First Refusal for Employment Openings

Should the Contractor require additional personnel after award of the Contract to perform the services set forth herein, the Contractor shall give the right of first refusal for such employment openings to Public Works employees. Such offers of employment shall be in writing and shall be valid for a period of 15 calendar days.

The Contractor shall not engage the services of other individuals until all such employees have been offered employment and have accepted, refused, or not responded within the 15-day period.

Employment offers to County employees shall be under the same condition and rate of compensation which apply to other individuals who are employed or may be employed by the Contractor.

The Contractor shall maintain records of each employment offer made to County employees and other individuals. Such records shall include a description of the position and duties, rate of pay and fringe benefits, and whether an offer was accepted, rejected, or not responded to.

The County employees who are employed by the Contractor under this section shall not be discharged during the term of the Contract except for cause.

SECTION 5

TERMINATION OF CONTRACT

A. Unsatisfactory Service

Public Works reserves the right to cancel these services, upon giving 14 days' written notice, if the services are deemed unsatisfactory in the opinion of the Director.

B. Convenience

It is not the intent of the County to terminate this Contract before the completion of all items except for sound business reasons of which the County shall be the sole judge, however, and notwithstanding:

1. The County reserves the right to renegotiate the terms of this Contract to reduce the Contractor's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Contract as provided herein.
2. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.
3. If this Contract is terminated, the Contractor shall, within 30 days of the Notice of Termination, complete those items of work which are in various stages of completion which the Director determines are necessary to bring the work to a timely, logical, and orderly end. Reports, samples, and other materials prepared by the Contractor under this Contract shall be delivered to the County upon request and shall become the property of the County.

C. Termination for Noncompliance with Child Support Requirements

Contractor shall maintain compliance with requirements of County's Child Support Compliance Program as certified in the Contractor's Child Support Compliance Program Certification and as set forth in this Contract. Failure of the Contractor to maintain compliance with these requirements will constitute a default under this Contract. Failure to cure such a default within 90 days of notice by the County shall be grounds upon which the County may give notice of termination and terminate this Contract.

D. Termination Claim

If this Contract is terminated, the Contractor shall, within 60 days after the Notice of Termination, submit to the County its termination claim.

Subject to the provisions of the paragraph immediately below, the County and the Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount may include a reasonable allowance for profit on services rendered, but shall not include an allowance on services terminated. The County will pay the agreed amount provided that such amount shall not exceed the total funding obligated under this Contract, and reduced by the amount of payments otherwise made, and as further reduced by this Contract price of services not terminated.

Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

PART III

STANDARD TERMS AND CONDITIONS

LOS ANGELES COUNTY SERVICES CONTRACTS

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

B. Nondiscrimination in Employment

The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.

The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. Any payments to any assignee of any claim under this Contract, in consequence of each consent, shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

D. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

E. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

F. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

G. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

H. Termination for Improper Consideration

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 554-6861. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

I. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

J. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

M. Default for Insolvency

1. The County may cancel forthwith this Contract for default in the event of the occurrence of any of the following:
  - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
  - b. The filing of a voluntary petition to have the Contractor declared bankrupt.
  - c. The appointment of a Receiver or Trustee for the Contractor.
  - d. The execution by the Contractor of an assignment for the benefits of creditors.

2. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

N. Default

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
  - a. If the Contractor fails to perform the services within the time specified herein or any extension thereof; or
  - b. If the Contractor fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
2. In the event the County terminates this Contract in whole or in part as provided in Paragraph "a" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
3. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor.

Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either

of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

4. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section 5).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishing supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

O. Disclosure of Information

The Contractor shall not disclose any details in connection with this Contract to any party, except as may be otherwise provided herein or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publicizing its role under this Contract within the following conditions:

1. The Contractor shall develop all publicity material in a professional manner.
2. During the course of performance of this Contract, the Contractor, its employees, agents, and subcontractors shall not publish or disseminate commercial advertisements, press releases, opinions or feature articles using the name of the County without the prior written consent of the Chief Administrative Officer and County Counsel. 2. In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if the Contractor is a partnership; or by the president, vice president, secretary or general manager, if the Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

Q. Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.
