**OCTOBER 30, 2001, BOARD MEETING AGENDA ITEM 17 –
EXTENSION OF AGREEMENT WITH VANGO TRANSPORTATION**

This is to provide additional information on the subject agenda item. In our Board Letter for this item, we stated that a fiscal analysis had been done which showed that it would be cost effective to have this transportation service performed by County personnel. Upon review, we have decided that further analysis with the assistance of the Auditor-Controller is warranted. Should we find that it remains cost effective to contract for these services, we will perform a new solicitation process to select the vendor and return to your Board for approval of the agreement. Therefore, it is essential that your Board grant the extension to allow continuance of this service to transport our dependent children to court.

If you have any questions, please contact me or your staff may contact Helen Berberian at (213) 351-5530. Thank you.
