The Honorable Board of Supervisors

Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF AFFILIATION AGREEMENT
WITH CEDARS-SINAI MEDICAL CENTER
FOR FISCAL YEARS 2004-2005 AND 2005-2006
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute an Affiliation Agreement, substantially similar to the Attachment, with Cedars-Sinai Medical Center (Cedars) for the rotation at Hollywood Mental Health Center (Hollywood MHC) of Residents enrolled in the Cedars' professional training program (Program). The Agreement will be effective July 1, 2004 through June 30, 2006. In addition, the Agreement allows for, by written Amendment, extension of the term of this Agreement on an annual basis for three additional one-year periods. There is no cost associated with this Agreement.
2. Delegate authority to the Director of Mental Health or his designee to enter into no-cost amendments to the Affiliation Agreement, to better effectuate the purposes of the Agreement or to otherwise clarify the parties' intent, as long as any such amendments are approved as to form by County Counsel. The Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is requested to enter into this Agreement with Cedars, which will provide a professional training program in community psychiatry at Hollywood MHC, a Department of Mental Health (DMH) directly-operated facility, located at 1224 Vine Street, Los Angeles, CA 90038. The rotation of Cedars Resident physicians is intended to enhance the services available to clients and the academic environment of Hollywood MHC. The rotation will also enhance the quality of the educational training received by physicians at Cedars.

Through the Affiliation Agreement, DMH benefits from the knowledge and instruction available from a distinguished medical institution through the provision of services by Program Residents at Hollywood MHC, a community mental health center. The Agreement also strengthens the Department's ability to inspire and recruit dedicated young professionals to work in the public sector. Cedars benefits from the integration of education and research within the day-to-day provision of community psychiatry. The Affiliation Agreement further promotes the partnership between public and private systems around their common efforts to apply state-of-the-art knowledge in psychiatry and mental health rehabilitation to the provision of mental health services to the residents of Los Angeles County.

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the principles of the County's Programmatic Goal #7, "Health and Mental Health" within the Countywide Strategic Plan. Approval of the Affiliation Agreement will promote state-of-the-art knowledge in psychiatry and mental health rehabilitation and establish an academic/public partnership.

FISCAL IMPACT/FINANCING

This Affiliation Agreement is at no cost to the County. The parties agree that it is in their mutual interest, and in the public's interest, to provide for such affiliation opportunities, which improve Facilities' patient care by the receipt of additional valuable medical services from Cedars' Residents, while affording the Residents significant training opportunities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Cedars has an approved professional training program for the education of medical Residents that is accredited by the Accreditation Council for Graduate Medical Education. Cedars desires to have its Program Residents obtain clinical experience in community mental health care. DMH is willing to permit Cedars to rotate Cedars' Program Residents at Hollywood MHC. In recognition of the partnership established between Cedars and DMH through this Agreement, Cedars will contribute, at no cost to DMH, the managerial and administrative activities necessary to implement the program of professional training described in the Affiliation Agreement.

Program Residents are in attendance at Hollywood MHC for educational purposes only, they are not employees of Hollywood MHC for any purpose, and are not entitled to reimbursement for any kind of services from DMH. Cedars will fund the Program Residents' stipends and benefits during the period in which such individuals rotate at Hollywood MHC.

The attached Agreement has been reviewed and approved as to form by County Counsel. In addition, the Chief Administrative Office, Chief Administrative Officer's Risk Manager, and DMH's Fiscal and Program Administrations have reviewed the proposed action. The Cedars Affiliation Agreement format, substantially similar to the Attachment, includes Board of Supervisors mandated language required in no cost County contracts. The Cedars Affiliation Agreement also provides for mutual Indemnification and Insurance coverage.

CONTRACTING PROCESS

This is a no cost Agreement. Due to the specialized nature of this Agreement, DMH did not advertise the Agreement on the Office of Small Business' Countywide Web Site. Further, County Counsel has advised that Proposition A does not apply to professional training programs.

IMPACT ON CURRENT SERVICES

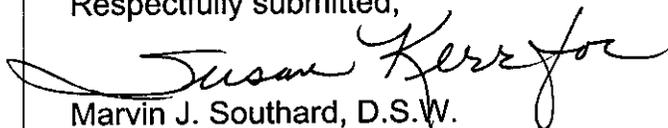

The Affiliation Agreement will enhance services for adults, older adults and families receiving services at Hollywood MHC.

Accordingly, there is no additional Facility or DMH compensation cost to be passed from Facility or DMH to Medical Center.

- (a) A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
 - (b) The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Contractor may have with the County.

- (c) The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
- (d) If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- (e) The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights to appeal.
- (f) A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- (g) These terms shall also apply to subcontractors/subconsultants of County Contractors.

9.34 **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:** Medical Center hereby warrants that neither it nor its staff is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Medical Center or a staff member's mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Medical Center or one or more staff members barring it or its staff

members from participation in a Federally funded health care program, whether such barring is direct or indirect, or whether such barring is whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Medical Center shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Medical Center or staff members from such participation in a Federally funded health care program. Medical Center shall provide the certification set forth in Attachment I as part of its obligation under this Section 9.34.

Failure by Medical Center to meet the requirement of this Section 9.34 shall constitute a material breach of Agreement upon which DMH may immediately terminate or suspend this Agreement.

- 9.35 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Medical Center understands and agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of

such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respects to HIPAA, and that such obligations relate to transactions and code sets, privacy, and security. Medical Center understands and agrees that it is separately and independently responsible for the compliance with HIPAA in all these areas and that DMH has not undertaken any responsibility for compliance on Medical Center's behalf. Medical Center has not relied, and will not in any way rely, on DMH for legal advice or other representations with respect to Medical Center's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Medical Center and DMH understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

It is expressly understood and agreed, by both parties, that Program Residents will be HIPAA trained by Medical Center prior to commencement of residency at facility.

9.36 COMPLIANCE WITH JURY DUTY SERVICE PROGRAM:

(a) JURY SERVICE PROGRAM: This Agreement is subject to the provision of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

(b) WRITTEN EMPLOYEE JURY SERVICE POLICY:

(1) Unless Medical Center has demonstrated to the County's satisfaction either that Medical Center is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Medical Center qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Medical Center shall have and adhere to a written policy that provides that its employees shall receive from the Medical Center, on an annual basis, no less that five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such

jury service with the Medical Center or that the Medical Center deduct from the employee's regular pay the fees received for jury service.

- (2) For purpose of this Section, "Contractor" means person, partnership, corporation or other entity which has an Agreement with the County, or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term temporary services of 90 days or less within a 12-month period are not considered full-time for purpose of the Jury Service Program. If Contractor uses any subcontractor to perform services for the county under the Agreement, the subcontractor shall also be subject to the provisions on this Section. The provision of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.
- (3) If Contractor is not required to comply with the Jury Service program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside the Jury Service Program's definition of

“Contractor” and/or Contractor continues to qualify for an exception to the Program.

- (4) Contractor’s violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

9.37 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Medical Center shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment II of this Agreement and is also available on the internet at www.babysafela.org for printing purposes.

9.38 MEDICAL CENTER’S ACKNOWLEDGEMENT OF COUNTY’S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Medical Center acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Medical Center understands that it is the County’s policy to encourage all County Contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster in a prominent position at the Contractor’s place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. The County’s Department of Children and Family Services will supply the Medical Center with the posters to be used.

9.39 CUMULATIVE REMEDIES: The remedies herein reserved shall be cumulative, and additional to any other or further remedies provided in law or in equity. No waiver of a breach of any provision of this contract shall constitute a waiver of that provision or any other breach under the Agreement.

9.40 NOTICES: Any notice or other communication hereunder must be given in writing to the addresses set forth below and must be (i) delivered in person, (ii) sent by facsimile provided that any notice so given is also mailed as provided in Subsection (iv) herein, (iii) delivered by Federal Express® or similar commercial delivery service, or (iv) mailed by certified mail with postage prepaid and return receipt requested, to the party to which such notice or communication is to be given at the addresses set forth below.
