The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**LEASE AGREEMENT BETWEEN COUNTY OF  
LOS ANGELES AND PACIFIC WEST AVIATION, LLC,  
FOR THE CONSTRUCTION OF AN AIRCRAFT STORAGE  
HANGAR BUILDING AT WHITEMAN AIRPORT, PACOIMA  
SUPERVISORIAL DISTRICT 3  
4 VOTES**

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that this lease is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Approve and instruct the Chairman to sign the enclosed Lease Agreement between the County of Los Angeles and Pacific West Aviation, LLC, for approximately 84,339 square feet of land to construct an aircraft storage hangar building at Whiteman Airport in the Pacoima Area of the City of Los Angeles, for a term of 31 years, at an initial monthly rent of \$3,373.56, commencing on August 1, 2004, and terminating July 31, 2035, with three 5-year options for renewal.
3. Instruct the Director of Public Works to make the necessary arrangements with the County's contract airport manager and operator for the collection of all rents to be paid.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

We are requesting that your Board approve and instruct the Chairman to sign the enclosed Lease Agreement between the County of Los Angeles and Pacific West Aviation, LLC, for approximately 84,339 square feet of land to construct an aircraft storage hangar building at Whiteman Airport in the Pacoima Area of the City of Los Angeles, for a term of 31 years, at an initial monthly rent of \$3,373.56, commencing on August 1, 2004, and terminating July 31, 2035, with three 5-year options for renewal. We are also requesting that your Board find that this lease is exempt from the provisions of CEQA, and instruct the Director of Public Works to make the necessary arrangements with the County's contract airport manager and operator for the collection of all rents to be paid.

On August 13, 1991, your Board approved the Whiteman Airport Master Plan. The approved Master Plan recommends the addition of aircraft storage hangars to accommodate the rising demand for these types of facilities. Approval of this lease will allow development of the vacant and unimproved property into an airport-compatible use which will also increase airport revenues and reduce maintenance costs. The lease will be consistent with the adopted Master Plan and will allow for continued use of vacant land while providing a storage facility to the airport users. It also will provide a continued revenue flow to the County's Aviation Enterprise Fund.

The terms of this lease were negotiated by our airport management contractor and appear to be fair and reasonable.

### **Implementation of Strategic Plan Goals**

This action is consistent with the Strategic Plan Goal of Fiscal Responsibility, as awarding this lease will provide more revenue to the County which, in turn, will be used to maintain and upgrade the airports to meet current FAA standards. It also satisfies the Goal of Service Excellence by providing a more user-friendly airport with improved aircraft storage facilities for airport users which will accommodate the rising demand for these types of storage hangars at Whiteman Airport.

### **FISCAL IMPACT/FINANCING**

The initial rental rate for the new lease will be \$40,482.72 per year, with annual cost of living adjustments based on the Consumer Price Index (CPI).

Our management contractor, American Airports Corporation (AAC), will collect the revenues. As provided for in our Airport Management Contract Agreement, AAC will distribute 45 percent of the lease payments into the Aviation Enterprise Fund.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

This lease has been reviewed from a legal standpoint and approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed lease is a categorically exempt project, as specified in Class 3 (d) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

### **CONTRACTING PROCESS**

It is not applicable for this lease.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of this lease will result in an increase of the customer base at Whiteman Airport while allowing development of the unimproved property into an airport-compatible use, which will increase the airport revenue stream to the County and reduce maintenance costs.

### **CONCLUSION**

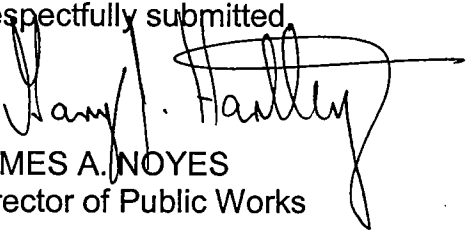

The original and three (3) copies of the lease, executed by Don Goldman, Manager of Pacific West Aviation, LLC, are enclosed.

1. Please have the Chairman sign the original and all copies, and return three (3) fully executed, original signature/stamped copies to the Aviation Division.

COUNTY OF LOS ANGELES  
STATE OF CALIFORNIA

**LEASE AGREEMENT**

THIS AGREEMENT made and entered into this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, by and among the County of Los Angeles (the "County"), a body corporate and politic, and a political subdivision and public corporation of the State of California, and Pacific West Aviation, LLC, a limited liability corporation organized and existing under the laws of the State of California, hereinafter referred to as "Lessee",

**WITNESSETH:**

**WHEREAS**, the County of Los Angeles is the owner of the premises known as Whiteman Airport (the "Airport"); and,

**WHEREAS**, Director of the Department of Public Works of County, hereinafter referred to as "Director," is the designated representative for the Board of Supervisors of County for all matters described herein; and,

**WHEREAS**, County may, at its discretion, use the services of a designated Contract Airport Manager from time to time, hereinafter referred to as "Manager," for the purpose of collecting the rent payments, performing other property management functions, and enforcing the airport rules and regulations; and,

**WHEREAS**, the County and Lessee are mutually desirous of entering into a Lease for the use and occupancy of certain areas at the Airport;

**NOW, THEREFORE**, for and in consideration of the respective promises and mutual agreements made by the Parties hereto hereinafter set forth, the County hereby grants to the Lessee the right to use and occupy the ground area at the Airport shown on Exhibit A, together with all buildings, structures, improvements, additions and permanent installations constructed and installed therein or thereon (hereinafter called the "Leased Premises") during the term of this Agreement upon the following terms and conditions and it is hereby mutually agreed as follows:

**SECTION 1**  
**TERM**

- 1.1 The term of this Lease shall be for a thirty one (31)-year period, commencing on and effective as of August 1, 2004, and expiring on July 31, 2035, unless sooner terminated in accordance with the provisions hereof.
- 1.2 Lessee shall have the right to renew this Lease for three (3) additional five (5)-year periods commencing upon the expiration of the original term, by the giving of prior written notice between 180 and 90 days prior to the expiration of the Lease term, and any renewal periods, to the County of its intent to renew, and provided that any such renewal shall be upon standard terms, conditions, and provisions then in effect at the Airport.

**SECTION 2**  
**LEASED PREMISES**

- 2.1 The Leased Premises shown on Exhibit A, attached hereto and made a part hereof, consists of:
  - 2.1.1 Unimproved land area consisting of approximately 84,339 square feet.
- 2.2 Lessee shall, at Lessee's expense, prior to the effective date of the Lease, provide County with a survey and legal description of the premises acceptable to County in their sole discretion, prepared by a licensed surveyor.

**SECTION 3**  
**USE OF LEASED PREMISES**

- 3.1 The Lessee shall continuously occupy and use the Leased Premises for the following purposes and for no other purpose whatsoever:
  - 3.1.1 For the subleasing of hangars for the storage of aircraft;
  - 3.1.2 For aircraft charter operations;
  - 3.1.3 For the sale, service and repair of avionics and avionic assemblies;
  - 3.1.4 For the maintenance, design, fabrication, repair, overhaul and modification of aircraft and related parts and equipment;
  - 3.1.5 For the manufacturing of aircraft and related parts and equipment;
  - 3.1.6 For ground and flight school training and instruction;
  - 3.1.7 For aircraft rental and use;
  - 3.1.8 For new and used aircraft sales
  - 3.1.9 For the sale of aircraft parts, components, accessories and allied equipment;
  - 3.1.10 For the sale of pilot supplies and accessories;
  - 3.1.11 For aircraft management;

- 3.1.12 For the parking of automobiles and other vehicles operated by officers, employees, invitees and business visitors of the Lessee, within hangar spaces and in designated parking areas on the land side of the Leased Premises;
- 3.1.13 For its business and operations offices in connection with purposes authorized hereunder; and,
- 3.1.14 For any other activities directly related to activities permitted hereunder, and other uses that may hereafter be permitted and authorized by County in writing. Lessee shall not use the Leased Premises, or any portion thereof, for any other purpose unless County or Manager approves such use in advance, in writing, said authorization not to be unreasonably withheld. County reserves the right to charge standard rates and fees for other uses they may permit.

#### **SECTION 4** **RENTS AND FEES**

- 4.1 For Use and Occupancy of the Leased Premises herein granted, the Lessee agrees to pay to the County during the period commencing August 1, 2004, and ending July 31, 2005, a monthly rent of \$3,373.56.
  - 4.1.1 Effective on August 1, 2005, and on each succeeding year of this Agreement, the annual rental payable hereunder shall be adjusted by the Consumer Price Index ("Index"), as hereinafter defined, as follows:
    - 4.1.1.1 The previous year's rent shall be adjusted by that percentage increase reported in the Index for that twelve (12) month period taken ninety (90) days prior to the date the annual adjustment is due. The product of the previous year's rent and the Index percentage is the amount payable to County or its Manager. If the adjusted rent is not finally determined until after the commencement of the successive year, Lessee shall nevertheless pay County or its Manager at the rate of the former year's rent, but only as a credit against the amount of the adjusted rental when finally determined.
    - 4.1.1.2 Notwithstanding anything to the contrary contained in this lease, the rental payable to County or its Manager shall never be adjusted to an amount less than the previous year's rent.
  - 4.1.2 In the event Lessee chooses to exercise the Options granted in Section 2.2, effective on August 1, 2035 (Option 1), on August 1, 2040 (Option 2), and on August 1, 2045 (Option 3), the monthly rent shall be adjusted to the standard rent in effect for users of the Airport at that time, or the fair rental value, whichever is greater. On August 1, 2036, and on August 1<sup>st</sup> of each year until August 1, 2049, provided a standard rent or fair market value adjustment is not scheduled to occur, the monthly rent shall be adjusted as set forth in Section 4.1.1 above. In the event County and Lessee cannot agree upon the rental value before sixty (60) days prior to said August 1<sup>st</sup> date, the rental shall be determined as set out in this Section and the following subsections:
    - 4.1.2.1 At least sixty (60) days prior to the commencement of the period for which rent is to be established, County and Lessee shall each appoint an appraiser to appraise the fair rental value and/or rate of return of the Leased Premises as appropriate, using methods recognized in the real estate appraisal profession as appropriate for such appraisals. The Parties shall exchange completed appraisals within sixty (60) days following appointment of the appraisers. Each Party shall bear all costs and expenses of the appraiser appointed by it. Failure to comply with any time limit established in this Section or any of its subsections shall be an incident of default under this Lease. For purposes of this Section, all appraisers shall be MAI members of the American Institute of Real Estate Appraisers, or any successor organization, should the American Institute cease to exist.

- 4.1.2.2 If the two appraisals contain fair rental value determinations which are within Ten Percent (10%) of each other, the fair rental value shall be the arithmetic average of the values in the two appraisals;
- 4.1.2.3 In the event the two appraisals differ by more than Ten Percent (10%), the Parties shall, within ten (10) days following the exchange of appraisals, appoint an arbitrator who may be an appraiser, retired judge, or other person having experience in real estate evaluation or resolution of disputes. If the Parties cannot agree upon an arbitrator, they shall, within five (5) days, select a retired judge from the panel maintained by Judicial Arbitration and Mediation Services. The arbitrator, once appointed, shall within thirty (30) days following appointment, review the two appraisals and select that one appraisal which, in the opinion of the arbitrator, most closely represents the fair rental value or rate of return of the Leased Premises as appropriate. The value set forth in the appraisal shall be used to establish the new rent for the Leased Premises. The arbitrator shall not hold a hearing, or receive testimony or evidence, but may request written comments from the Parties to be submitted on a specified date within the thirty (30)-day period following his or her appointment. The only issues to be addressed by the arbitrator are those specified within this Section and subsection. The locale for the arbitration shall be within the County of Los Angeles. The sole issue for determination by the arbitrator shall be the fair rental value of the Leased Premises in accordance with the principles set forth in this Section. The expenses, subject to assessment by the arbitrator, shall be borne equally by the Parties. The materials to be submitted to the arbitrator shall be limited to the data exchanged between the Parties prior to submission to arbitration. No motions or discovery shall be permitted as part of the arbitration process. The decision of the arbitrator shall be in writing. It shall have determined only the specified issue presented, which will be either the rate of return, or the fair market value or the fair rental value, or some combination of those three issues. The arbitrator may not impose any other awards except a sanction for failure to comply with an order made by the arbitrator. Each Party shall bear its own costs of the arbitration, including one-half of the arbitrator's fees. The decision of the arbitrator shall be final and binding upon the Parties and shall be enforceable in any court of law as if it were a final judgment;
- 4.1.2.4 In the event the rent adjustment process is not completed prior to the beginning of a new Lease year, Lessee shall continue to pay at the rate in effect at the beginning of the adjustment period until the adjustment rent is determined. Upon determination of the adjusted rent, Lessee shall pay the adjusted rental for all subsequent months, and shall pay to County the difference between the amount paid between the beginning of the new Lease year and the amount of the rent as adjusted for that period.
- 4.1.3 Lessee shall have One Hundred and Eighty (180) days from the effective date of the Lease to begin construction of the project. In the event that the project is not started within that time period, Lessee shall pay to County a penalty equal to 20% of the base rent, payable per month as defined in Section 4.1, until the project is started.
- 4.1.4 Lessee shall have three hundred and sixty-five (365) days from the effective date of the Lease to complete construction of the project. In the event that the project is not completed (defined as the Certificate of Occupancy) within that time period, Lessee shall pay to County a penalty equal to 50% of the base rent, payable per month, as defined in Section 4.1, until the project is completed.
- 4.1.5 In the event the project is not completed within five hundred and forty (540) days from the effective date of the Lease, County will have the option to a) cancel the Lease; or b) require the Lessee to pay as additional rent an amount equal to 100% of the base rent, payable per month, as defined in Section 4.1.

- 4.2 The term Index as used herein shall mean the Consumer Price Index for all Urban Consumers, All Items, for the Los Angeles-Riverside-Orange County area, as published by the Bureau of Labor Statistics of the United States Department of Labor, 1982-84 base = 100. In the event the base year is changed, the CPI shall be converted to the equivalent of the base year 1982-84 = 100.
- 4.2.1 If the described Index is no longer published, another index generally recognized as authoritative shall be substitute as selected by the Chief Officer of the Bureau of Labor Statistics or its successors. If no such government index or computation is offered as a replacement, County and Lessee shall mutually select a percentage for calculating future annual adjustments.
- 4.3 The monthly rent shall be paid on the first day of each month in advance at the office of the Airport Manager, made payable to American Airports Corporation, or at such other office as may be directed in writing by the County.
- 4.4 In addition to all other rents and fees set forth in this Section, and commencing upon the effective date of the Agreement, the Lessee shall pay to the County the following fees:
- 4.4.1 Any standard fees or charges that may be set or imposed at any time by the County on the operations at the Airport, which charges shall be applicable to all similar users at the Airport.
- 4.4.2 All commercial uses shall be subject to the rates and fees established for each use at the Airport. No tenant, subtenant or sublessee shall operate a commercial business on the airport without a permit and payment of the applicable fees.
- 4.5 Notwithstanding the provisions of Section 4.4, County agrees that Lessee's subtenant, Star Air, Inc., shall be exempt from all fees or charges imposed pursuant to Section 19.04.580 of the Los Angeles County Code, during the term of this Agreement, on the first \$1.25 million of gross receipts realized by said subtenant in any calendar year.
- 4.6 County also agrees that during the term of this Agreement, including any renewal periods, Lessee's tenants, subtenants and sublessees shall be obligated to pay any applicable fees or charges imposed by the County, at a rate no greater than the lowest rate applicable to any similar user at any airport owned by the County within the County of Los Angeles.
- 4.7 The term "gross receipts" as used herein shall include all monies paid or payable to the Lessee, subtenant or sublessee for all sales made and for all services rendered at or from the Airport, regardless of the time and place of receipt of the order therefore, and shall include revenues of any type arising out of or in connection with the activities of the Lessee, subtenant or sublessee at the Airport under this Agreement except:
- 4.7.1 Any taxes imposed by law, which are separately stated to and paid by customers of the Lessee, subtenant or sublessee and directly remitted by the Lessee to the taxing or tax collecting Authority.
- 4.8 The fees specified in Section 4.4 shall be paid by the Lessee, subtenant or sublessee to the County as follows: on the twentieth (20th) day of each month, provided the County has adopted any fees specified in Section 4.4 based upon gross receipts, the Lessee, subtenant or sublessee shall render to the County a statement certified by Lessee's, subtenant's or sublessee's principal financial officer showing its gross receipts and pay to the County the appropriate gross receipts percentage fee.
- 4.9 Upon any termination or the expiration of this agreement, provided the County has adopted any fees specified in Section 4.4 based upon gross receipts, Lessee shall within twenty (20) days after the effective date of termination or expiration render to the County a statement showing its gross receipts, certified by the Lessee's principal financial officer, for the monthly period in which the effective date falls and pay to

the County the appropriate gross receipts percentage fee.

- 4.10 Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in the Sections of this Agreement covering the survival of the Lessee's obligations.
- 4.11 Lessee acknowledges that late payment by Lessee to County of any Agreement fees will cause County to incur costs not contemplated by this Agreement, the exact amount of such costs being extremely difficult and impracticable to fix. Such costs include, without limitation, processing, accounting and interest charges. Therefore, if any installment of Agreement fees due from Lessee is not received by the tenth (10<sup>th</sup>) day after the due date, Lessee shall pay to County an additional sum of Five Percent (5%) of the amount due as an administrative processing charge. The Parties agree that this processing fee represents a fair and reasonable estimate of the costs that County will incur by reason of late payment by Lessee. Acceptance of any processing fee shall not constitute a waiver of Lessee's default with respect to the overdue amount, or prevent County from exercising any of the other rights and remedies available to County. Agreement fees not paid when due shall bear simple interest from date due until paid, at the rate of One-and-One-Half Percent (1.5%) per month.

## **SECTION 5**

### **PERFORMANCE AND SURETY BONDS**

- 5.1 The Surety Bonds may be waived on the condition that Lessee provides County with the Security Deposit as stipulated in Section 6 of this Lease, or an irrevocable Letter of Credit in a form acceptable to the County for the full amount of the construction cost. In the event Lessee does not provide the Security Deposit or a Letter of Credit that is acceptable to County, then Lessee must provide Surety Bonds as stipulated in Sections 5.2 and 5.3.
- 5.2 Lessee shall, at its own cost and expense, furnish County or Manager two (2) separate Surety Bonds, in all respects satisfactory to County. The requirements for such bonds are as follows:
  - 5.2.1 Within ten (10) days prior to commencement of any construction as provided herein, Lessee shall furnish a Surety Performance Bond issued by a surety company licensed to transact business in the State of California in an amount equal to One Hundred Percent (100%) of the contract price of all construction required of Lessee pursuant to this Lease, said bond and said company to be in all respects satisfactory to County. Said bond shall name Lessee as principal, said company as surety, and County as obligee to assure full and satisfactory performance by Lessee of Lessee's obligation contained herein to build, construct, and install improvements. In the event Lessee constructs any improvements by itself, County and Lessee agree that a letter from an accredited lending institution shall be submitted to County guaranteeing that funds necessary to accomplish any such construction shall be irrevocably set aside for the sole purpose of completing said construction, without the right of offset by such institution for other debits. Such bond shall be conditioned upon faithful performance by Lessee of the terms and conditions of the contract. The bond shall be renewed to provide for continuing liability in the above amount, notwithstanding any payment or recovery thereon. In the event that Lessee employs a licensed contractor for the construction herein required and obtains from said contractor or contractors similar bond or bonds in like amount, in all respects satisfactory to County, upon application by Lessee and upon the naming of County as an additional obligee under such bond or bonds, County will accept said contractor's bond in lieu of the bonds otherwise required by this paragraph. The bond shall remain in full force and effect until one year from completion of the building and issuance of a Certificate of Occupancy.
  - 5.2.2 Within ten (10) days prior to commencement of any construction hereunder, Lessee shall furnish a Corporate Surety Bond issued by a surety company licensed to transact business in the State of California, with Lessee as principal, said company as surety, and County as obligee, in a sum

equal to Fifty Percent (50%) of the aforesaid contract price of such construction guaranteeing payment for all material, provisions, provender, supplies, and equipment used in, upon, for or about the performance of said construction work, or for labor done thereon of any kind whatsoever for performance of all of the terms and conditions of the Lease, and protecting County or its Manager from any and all liability, loss or damages arising from failure to make any such payment or perform any other terms of this Lease. Such bond shall be renewed to provide for continuing liability in the above amount, notwithstanding any payment or recovery thereon. At their sole option, County may accept Certificates of Deposit, Cash Deposit, or Time Certificate in lieu of commercial bonds to meet the requirements of Sections 5.3 and 5.4. Non-cash deposit instruments shall meet the standards established in the policies and procedures attached hereto as Exhibit D, shall be made payable to County, and shall be deposited with the Cashier, Los Angeles County Department of Public Works.

- 5.3 In the event Lessee constructs any improvements by itself or wishes to replace the Surety Bonds described in Section 5.2 above with a Letter of Credit for the full amount of the construction, County and Lessee agree that a letter from an accredited lending institution shall be submitted to the County guaranteeing that the full amount of the funds necessary to accomplish any such construction shall be irrevocable and set aside for the sole purpose of completing said construction, without the right of offset by such institution for other debts. The form of Letter of Credit is attached as Exhibit D.
- 5.4 Nothing in this Section 5 shall be deemed to relieve Lessee of the obligation to keep the Leased Premises from liens and stop notices filed by its contractors, subcontractors, and material suppliers.

## **SECTION 6**

### **SECURITY DEPOSIT**

- 6.1 A portion of the security deposit may be waived on the condition that Lessee provides County with the two (2) surety bonds as described in Section 5 of this Lease. In the event Lessee does not provide the two surety bonds that are acceptable to County, then Lessee must provide a security deposit in the amount equal to six (6) months' rent as a deposit to assure Lessee's faithful performance of the terms of this Lease. This security deposit may be in the form of cash or a Time Certificate or Letter of Credit made payable to the County and drawn on a bank approved by the County. Should Lessee request, and County approve, the use of non-cash deposit instruments for Lessee to satisfy all requirements described in this Section 6, such deposit instruments shall meet the standards established in the policies and procedures attached hereto as Exhibit D, shall be made payable to County, and shall be deposited with the Cashier, Los Angeles County Department of Public Works. This sum shall be used and applied as follows:
- 6.1.1 The sum of \$3,373.56, which is due and payable upon the commencement date of this Agreement, shall be retained by County or its Manager as a guarantee to cover delinquent rent or other charges and may be so applied. In the event all or any part of said sum so deposited is applied against any charge due and unpaid, Lessee shall immediately reimburse said deposit upon demand by County or its Manager so that at all times during the life of this Lease said deposit shall be maintained.
- 6.1.2 The sum of \$16,867.80, which is due ten (10) days prior to commencement of any construction as provided herein, will be retained until Lessee completes all construction as shown on Exhibit C and a Certificate of Occupancy for improvements on the Leased Premises is issued by the local City or County authority. Upon issue of Certificate of Occupancy, this \$16,867.80 Security Deposit will be returned to Lessee within thirty (30) days.
- 6.2 If Lessee fully and faithfully complies with all terms, provisions, covenants and conditions of this Lease, the \$3,373.56 security deposit shall be returned to Lessee at the expiration of the Lease term, or an accounting given by Manager as to the complete or partial use thereof within fourteen (14) days of Lessee's surrender of the Leased Premises.

**SECTION 7**  
**ACCEPTANCE, CARE, MAINTENANCE**  
**IMPROVEMENTS AND REPAIR**

- 7.1 Lessee warrants that it has inspected the Leased Premises, and accepts possession of the Leased Premises and any improvements thereon, if any, "as is" in its present condition, and subject to all limitations imposed upon the use thereof by the rules and regulations of the Federal Aviation Administration and by ordinances of the County, and admits its suitability and sufficiency for the uses permitted hereunder. Except as may otherwise be provided for herein, the County shall not be required to maintain nor to make any improvements, repairs, or restorations of any kind upon or to the Leased Premises, or to any of the improvements presently located thereon. County shall never have any obligation to repair, maintain or restore, during the term of this Lease, any improvements placed upon the Leased Premises by Lessee, its successors and assigns.
- 7.2 Lessee shall, throughout the term of this Agreement, assume the entire responsibility, cost and expense for all repair and maintenance on the Leased Premises and all improvements thereon, including those proposed to be built in Section 7.5 hereof, in a good workmanlike manner, whether such repair or maintenance be ordinary or extraordinary, structural or otherwise. Additionally, Lessee, without limiting the generality hereof, shall:
- 7.2.1 Keep at all times, in a clean and orderly condition and appearance, the Leased Premises, all improvements thereon and all of the Lessee's fixtures, equipment and personal property which are located on any part of the Leased Premises; and,
- 7.2.2 Provide and maintain on the Leased Premises all obstruction lights and similar devices, and safety equipment required by law; and,
- 7.2.3 Repair any damage caused by Lessee or its invitees, tenants, or contractors to paving, soils, water or other parts of the Leased Premises caused by any oil, gasoline, grease, lubricants, solvents, flammable liquids, or substances having a corrosive or detrimental effect thereon, and to remediate any release caused by Lessee or any of its invitees, tenants or contractors of any substance that has a harmful effect on human health or the environment as determined by any regulatory agency; and,
- 7.2.4 Take measures to prevent erosion, including but not limited to, the planting and replanting of grasses with respect to all portions of the Leased Premises not paved or built upon, and in particular shall plant, maintain and replant any landscaped areas; and,
- 7.2.5 Be responsible for the maintenance and repair of all utility service lines placed on the Leased Premises and used by Lessee exclusively, including, but not limited to, water lines, gas lines, electrical power and telephone conduits and cable lines, sanitary sewers and storm sewers.
- 7.2.6 Lessee hereby waives any and all claims against County and its Manager for compensation for any and all loss or damage sustained by reason of any defect, deficiency, or impairment of any utility system, water supply system, drainage system, heating or gas system, or air conditioning system, electrical apparatus or wire serving the Leased Premises.
- 7.3 In the event Lessee fails: (a) to commence to maintain, clean, repair, replace, rebuild or repaint, within a period of thirty (30) days after written notice from the County to do any maintenance or repair work required to be done under the provisions of this Agreement, other than preventive maintenance; or (b) within a period of ninety (90) days if the said notice specifies that the work to be accomplished by the Lessee involves preventive maintenance only; or (c) to diligently continue to completion any repairs, replacement, rebuilding, painting or repainting as required under this Agreement; then, the County may, at their option, and in addition to any other remedies which may be available to them, enter the premises

involved, without such entering causing or constituting a cancellation of this Agreement or an interference with the possession of the Leased Premises, and repair, replace, rebuild or paint all or any part of the Leased Premises or the improvements thereon, and do all things reasonably necessary to accomplish the work required, and the cost and expense thereof shall be payable to the County by Lessee on demand. Provided, however, if in the opinion of the County, the Lessee's failure to perform any such maintenance endangers the safety of the public, the employees or property of the County or other tenants at the Airport, and the County so states same in its notice to Lessee, the County may, at its sole option, in addition to all other remedies which may be available to it, elect to perform such maintenance at any time after the giving of such notice, and Lessee agrees to pay to the County the cost and expense of such performance on demand. Furthermore, should the County, its officers, employees or agents undertake any work hereunder, Lessee hereby waives any claim for damages, consequential or otherwise, as a result thereof except for claims for damages arising from the County's sole gross negligence. The foregoing shall, in no way, affect or alter the primary obligations of the Lessee as set forth in this Agreement, and shall not impose or be construed to impose upon the County any obligations to maintain the Leased Premises, unless specifically stated otherwise herein.

- 7.4 Detailed plans and specifications for all major repairs, constructions, alterations, modifications, additions or replacements (hereinafter referred to as "improvements"), including, without limitation the new facility to be constructed by the Lessee pursuant to Exhibit C, which is attached hereto and made a part hereof, undertaken by the Lessee shall be submitted to and receive the written approval of the County, and no such work shall be commenced until such written approvals are obtained from the County, which approval shall not be unreasonably withheld or delayed. County shall advise Lessee within sixty (60) days after receipt of the written request, together with copies of the plans and specifications for the proposed improvements in sufficient detail to make a proper review thereof, of its approval or disapproval of the proposed work, and in the event it disapproves, stating its reasons therefore.
- 7.5 Lessee shall construct facility and site improvements at the Leased Premises in accordance with the Lessee's 2004 proposal, identified in Exhibit C, as modified, supplemented or amended pursuant to the Airport alteration application review process. Pursuant to Section 7.4, on or before thirty (30) days from the effective date of this Agreement, Lessee shall submit plans and specifications to the County for their review and written approval.
- 7.5.1 Lessee, at its sole expense, and prior to the commencement of construction, shall obtain, arrange for, and bear the cost of all permits or entitlements, including plan check and inspection fees, licenses, environmental impact reports, site preparation, and surface treatment useful or necessary for construction, operation or maintenance of the improvements contemplated by this Lease. Lessee shall also obtain permits and provide for, at its sole cost and expense, relocation of facilities of others, and enclosure of Leased Premises as is necessary or required for health or safety in the construction, operation, and maintenance of the Leased Premises as used by Lessee.
- 7.5.2 All proposed landscaping improvements must be aesthetically attractive as reasonably determined by Manager. All installation and maintenance costs of facilities or landscaping shall be the responsibility of Lessee for the entire term of the Lease, unless otherwise agreed to in writing by Manager.
- 7.5.3 At least ten (10) business days prior to commencement of construction, Lessee shall furnish County and its Manager with written Notice of Intention to commence construction so that County or its Manager may post upon the Leased Premises a Notice of Non-Responsibility.
- 7.5.4 Lessee agrees that County may have on the site, at all times, during the period of construction of the said improvements or during any period of additional construction as set forth in Section 7.5 herein, or any alterations and repairs as set forth under this Section 7, a representative of County who shall have the right to access said construction work and construction processes to ascertain that said construction work is being performed in accordance with the said final plans and

specifications. County will provide for any special or continuous inspection of the work to be done under the Lease when special or continuous inspection is required by ordinance, or when circumstances would normally require the presence of a County inspector. Lessee further agrees that at the commencement of the construction work, it will notify Manager in writing of the identity, place of business, and business telephone number of a person who shall be Lessee's representative for purposes of communication with Lessee by County's representative provided for in this inspection. Lessee shall notify Manager of any change in this designation, in writing, immediately.

- 7.6 If Lessee makes any improvements without County approval, then, upon notice to do so, Lessee shall remove the same or at the option of County cause the same to be changed to the satisfaction of County. If Lessee fails to comply with such notice within thirty (30) days or to commence to comply and pursue diligently to completion, County may effect the removal or change and Lessee shall pay the cost thereof to the County. Lessee expressly agrees in the making of all improvements that, except with the written consent of County, it will neither give nor grant, nor purport to give or grant, any lien upon the Leased Premises or upon any improvements thereupon or which is in the process of construction or repair, nor allow any condition to exist or situation to develop whereby any Party would be entitled, as a matter of law, to a lien against said Leased Premises and improvements thereon, and Lessee will discharge any such lien within thirty (30) days after notice of filing thereof. County hereby gives notice to all persons that no lien attaches to any such improvements.
- 7.7 Lessee agrees that any such additional construction, additions, alterations, repairs or changes in the Leased Premises shall not obligate or impose any legal requirement, whatsoever, on County to extend the term of this Lease.
- 7.8 Lessee shall furnish to County such additional construction Performance and Surety Bonds as specified and required under Sections 5.2 and 5.3 herein, and Lessee further agrees to furnish County and its Manager a set of "as-built" Plans and Specification, and a Master Plan of Electrical Circuitry and Plumbing for any additional construction.
- 7.9 Lessee's improvements, erected or constructed upon the Leased Premises, shall remain the property of the Lessee for as long as this Lease shall remain in effect, but such improvements shall become the property of the County upon expiration of the Lease or termination of this Lease, free and clear of all claims on the part of the Lessee on account of any repair or improvement work done under the terms hereof by Lessee. The vesting of title in the County at the time specified is a part of the consideration for this Lease. The County shall not be liable to Lessee or Lessee's contractors or sublessees for the value of any improvements constructed or located on the Leased Premises.

## **SECTION 8**

### **STORM WATER**

- 8.1 Notwithstanding any other provisions or terms of the Lease, Lessee acknowledges that the Airport is subject to federal storm water regulations, 40 CFR. Part 122, for "vehicle maintenance shops" (including vehicle rehabilitation, mechanical repairs, painting, fueling, and lubrication), equipment cleaning operations and/or deicing operations that occur at the Airport as defined in these regulations and, if applicable, state storm water regulations. Lessee further acknowledges that it is familiar with these storm water regulations; that it conducts or operates "vehicle maintenance" (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing activities as defined in the federal storm water regulations; and that it is aware that there are significant penalties for submitting false information, including fines and imprisonment for knowing violations.
- 8.1.1 Notwithstanding any other provisions or terms of the Lease, Lessee acknowledges that it has taken steps necessary to apply for or obtain a storm water discharge permit as required by the applicable

regulations for the Airport, including the Leased Premises operated by the Lessee. Lessee acknowledges that the storm water discharge permit issued to the County may name the Lessee as co-permittee.

- 8.1.2 Notwithstanding any other provisions or terms of this Lease, including the Lessee's right to quiet enjoyment, County and Lessee both acknowledge that close cooperation is necessary to ensure compliance with any storm water discharge permit terms and conditions, as well as to ensure safety and to minimize costs. Lessee acknowledges that, as discussed more fully below, it may have to undertake to minimize the exposure of storm water (and snow melt) to "significant materials" generated, stored, handled or otherwise used by the Lessee, as defined in the federal storm water regulations, by implementing and maintaining "Best Management Practices."
- 8.1.3 Lessee acknowledges that the Airport's storm water discharge permit is incorporated by reference into this Lease and any subsequent renewals.
- 8.2 Permit Compliance. County will provide Lessee with written notice of those storm water discharge permit requirements, which are in the Airport's storm water permit, that Lessee will be obligated to perform from time to time, including, but not limited to: certification of non-storm water pollution prevention of similar plans; implementation of "good housekeeping" measures or Best Management Practices; and maintenance of necessary records. Such written notice shall include applicable deadlines. Lessee, within seven (7) days of receipt of such written notice, shall notify County in writing if it disputes any of the storm water discharge permit requirements it is being directed to undertake. If Lessee does not provide such timely notice, it is deemed to assent to undertake such requirements. If Lessee provides County with timely written notice that disputes such storm water discharge permit requirements, County and Lessee agree to negotiate a prompt resolution of their differences. Lessee warrants that it will not object to written notice from the County for purposes of delay or avoiding compliance.
  - 8.2.1 Lessee agrees to undertake, at its sole expense, unless otherwise agreed to in writing between County and Lessee, those storm water discharge permit requirements for which it has received written notice from the County. Lessee warrants that it shall meet any and all deadlines that may be imposed on or agreed to by County and Lessee. Lessee acknowledges that time is of the essence.
  - 8.2.2 County agrees to provide Lessee, at its request, with any non-privileged information collected and submitted to any governmental entity(ies) pursuant to applicable storm water regulations.
  - 8.2.3 Lessee agrees that the terms and conditions of the Airport's storm water discharge permit may change from time to time, and hereby appoints County as its agent to negotiate with the appropriate governmental entity(ies) any such permit modifications.
  - 8.2.4 County will give Lessee written notice of any breach by Lessee of the Airport's storm water discharge permit or the provisions of this Section 8. Such a breach is material, and if of a continuing nature, County may seek to terminate this Lease pursuant to Section 23, Termination by County. Lessee agrees to cure promptly any breach.
  - 8.2.5 Lessee agrees to participate in any Airport-organized task force or other work group established to coordinate storm water activities at the Airport.

## **SECTION 9**

### **TRUST DEED BENEFICIARIES AND MORTGAGES**

- 9.1 Lessee may, with the prior written consent of the County, give, assign, transfer, mortgage, hypothecate, grant control of, or encumber Lessee's interest under this Lease and the leasehold estate so created to a

bona fide lender limited to State or Federal chartered lending institution, or chartered insurance company or pension fund on the security of the leasehold estate, and Lessee may execute any and all instruments in connection therewith necessary and proper to complete such loan and perfect security therefore to be given to such lender. One (1) copy of any and all such security devices or instruments shall be filed with Manager no later than seven (7) days after the effective date thereof, and Lessee shall give Manager written notice of any changes or amendments thereto. Any such encumbrance holder shall have the right at any time during the time of the loan and while this Lease is in full force and effect:

- 9.1.1 To do any act or thing required of Lessee in order to prevent a forfeiture of Lessee's rights hereunder, and all such acts or things so done shall prevent a forfeiture of Lessee's rights hereunder as if done by Lessee;
  - 9.1.2 To realize on the security of the leasehold estate, and to acquire and succeed to the interest of Lessee hereunder by sale under the power of sale, foreclosure, or by a deed or assignment in lieu of foreclosure, and thereafter to convey, assign, or sublease said leasehold estate to any other person; provided, however, that said person shall agree to perform and be bound by any and all terms, conditions and covenants contained in this Lease.
- 9.2 County is not subjecting its fee interest to the lien of any leasehold financing obtained by Lessee hereunder. It is the intention of the Parties that County's fee interest shall be superior and prior to Lessee's leasehold interest; provided, however, that on commencement of the Lease term, the Leased Premises shall be free and clear of all encumbrances. Thereafter, any Deed of Trust placed on the Leased Premises by County shall expressly provide that it is subject and subordinate to this Lease, and Lessee's and tenant's rights hereunder, or under any sublease, to any mortgage then in existence on the improvements and the leasehold estate as permitted by this Lease, and to Lessee's rights as permitted by this Lease subsequently to encumber the improvements and the leasehold estate.
- 9.3 The written consent of County shall not be required in the case of:
- 9.3.1 A transfer of this Lease as the result of a sale under the power of sale or at a judicial foreclosure or a deed or assignment to the encumbrance holder in lieu of foreclosure, provided the loan complies with the provisions specified above for a bona fide lender;
  - 9.3.2 A subsequent transfer by an encumbrance holder who is a purchaser at any such sale or foreclosure, or an assignee in lieu of foreclosure, if the transferee is an established bank, savings and loan association, insurance company, or other institutional lender; provided, that in either such event encumbrance holder forthwith gives notice to County and its Manager, in writing, of any such transfer forth the name and address of the transferee, the effective date of such transfer, and the express agreement of the transferee assuming and agreeing to perform all of the obligations under this Lease, together with a copy of the document by which such transfer was made. Any such transferee shall be liable to perform the obligations of Lessee under this Lease only so long as such transferee holds title to the leasehold estate. Such transferee shall be liable to pay County or its Manager for any period of time prior to the time when such transferee takes possession of the Leased Premises; provided, however, that such obligations shall not be effective unless County shall have transmitted encumbrance holder notice of the original Lessee's default within sixty (60) days after such default occurs. Any subsequent transfer of the leasehold estate shall not be made without the prior written consent of County and shall be subject to conditions relating thereto, as set forth in Section 9.1;
  - 9.3.3 Any encumbrance holder shall not be obligated to cure any default or breach if said encumbrance holder is unable to secure possession of the Leased Premises, and if it is necessary for it to have possession of the Leased Premises, and if it is necessary for it to have possession in order for it to cure the default or breach. In the event that a period of time is necessary in order for the encumbrance holder to completely cure a default or breach, then it shall not be in default so long

as it exercises diligence and proceeds promptly in curing the default or breach. The encumbrance holder shall have all the rights to mortgage or other lending documents approved by County as herein for the appointment of a receiver, and to obtain possession of the premises, under, and in accordance with, the terms of said Deed of Trust, mortgage or other lending instrument. If the lender does not prevent the occurrence of default, the premises and all improvements will become the property of County, which will have no obligation to any person under the loan agreement for which Lessee's interest was secured.

#### **SECTION 10** **HAZARDOUS WASTE**

- 10.1 The Lessee shall be solely responsible for the proper management, storage, and disposal of hazardous substances and hazardous wastes used, generated, stored, disposed, treated, or caused to be present on the Leased Premises by the activities of the Lessee. Notwithstanding any other provision of the Lease, the Lessee shall not treat or dispose of hazardous wastes on the County's premises. The Lessee shall provide all required notices, including those mandated under right-to-know laws, of the presence or use on the Leased Premises of hazardous substances, extremely hazardous substances, or hazardous wastes; shall provide all notices to appropriate authorities and to County of any releases to the environment of hazardous substances, extremely hazardous substances, or hazardous wastes; and shall obtain all permits necessary for the generation, storage, disposal, or treatment of hazardous wastes. The Lessee shall manage used oil and other petroleum products as required by Federal and state law and regulations. The Lessee shall be solely liable for the investigation, corrective action, or remediation of any release to the environment caused by the Lessee, its invitees, employees, agents, or contractors of any hazardous waste, hazardous substance, extremely hazardous substance, oil or other petroleum-based substance.
- 10.2 Indemnification. Notwithstanding any other provisions of this Lease, Lessee agrees to indemnify and hold harmless the County and other tenants for any and all claims, demands, costs, (including attorney's fees), fees, fines, penalties, charges and demands by and liability proximately caused by Lessee's actions or omissions, including failure to comply with Lessee's obligations under this Section 10, applicable regulations, or permits, unless the result of County's or Third Party's sole negligence. This indemnification shall survive any termination or non-renewal of this Lease.
- 10.3 Lessee will provide containers and be responsible for the collection and disposal of waste, oils and solvents generated by Lessee's or sublessee's activities.

#### **SECTION 11** **ADDITIONAL OBLIGATIONS OF LESSEE**

- 11.1 Lessee may store aircraft components, equipment, parts, non-flammable and non-hazardous bulk liquids, scrap lumber, metal, machinery or other materials related to the conduct of its business on the Leased Premises, provided, however, that such storage shall be done only within a fully enclosed area screened from view. No storage may be done on any apron, ramp or taxiway, without prior written approval of the Manager.
- 11.2 Derelict aircraft, inoperative ground vehicles, unused ramp equipment, scaffolding, hoists and related items not regularly and routinely in use as part of Lessee's business shall not be kept on the Leased Premises unless such materials are maintained within a fully enclosed, permanent structure.
- 11.3 Violation of the requirements of these Sections 11.1 and 11.2 shall be deemed a default if the condition has not been cured to the satisfaction of the Manager within thirty (30) days of posting of the property or notice to Lessee to remove said stored equipment or materials.

- 11.4 Lessee shall conduct its operations hereunder in an orderly and proper manner, considering the nature of such operation so as not to unreasonably annoy, disturb, endanger or be offensive to others.
- 11.5 Further, Lessee shall take all reasonable measures not to produce on the Airport any disturbance that interferes with the operation by the County or the Federal Aviation Administration of air navigational, communication or flight equipment on the Airport.
- 11.6 Lessee shall control the conduct and demeanor of its officers, agents, employees, invitees and, upon objection from County concerning the conduct or demeanor of any such person, Lessee shall immediately take all lawful steps necessary to remove the cause of the objection.
- 11.7 Lessee shall comply with all environmental, health and safety laws and requirements and any other Federal, state or municipal laws, ordinances, rules, regulations and requirements applicable to the Leased Premises, the improvements thereon and its operations at the Airport hereunder. Lessee agrees to allow County access to premises and records to investigate compliance with all applicable laws if there is reason to suspect negligence or willful non-compliance.
- 11.8 Lessee shall comply with all written instructions of the County and applicable Federal, state, and local laws, ordinances, and regulations in disposing of trash, garbage and other refuse. The frequency of removal thereof from the Airport premises shall, at all times, be subject to the rules, regulations and approval of County. All disposal of trash, garbage, refuse and wastes shall be at regular intervals and at the expense of the Lessee.
- 11.9 Lessee shall not commit, nor permit to be done, anything which may result in the commission of a nuisance, waste, or injury on the Leased Premises.
- 11.10 Lessee shall not do, nor permit to be done, anything which may interfere with the effectiveness or accessibility of the drainage system, sewerage system, fire protection system, sprinkler system, alarm system and fire hydrants and hoses, if any, installed or located on the Leased Premises.
- 11.11 Lessee shall take measures to insure security in compliance with Federal Air Regulations and the Airport Security Plan.
- 11.12 Lessee shall not do, nor permit to be done, any act or thing upon the Leased Premises, which may constitute a hazardous condition so as to increase the risks attendant upon the operations permitted by the Agreement.
- 11.13 Lessee shall use only a working supply of flammable liquids within any covered or enclosed portion of the Leased Premises. The term "working supply", as used in this Section 11.13, shall mean the amount consumed by Lessee during any normal work day. Any other supplies of such liquids shall be kept and stored in safety containers of a type approved by the Underwriters Laboratories.
- 11.14 Except for services permitted under Section 3 hereof to be performed by Lessee or Lessee's subcontractors, Lessee shall provide prompt written notice to the County of any person, firm or corporation performing aircraft maintenance work, flight instruction of any sort, air taxi, aircraft charter or aircraft leasing of any sort on the Leased Premises for commercial purposes without a valid permit from the County.
- 11.15 It is the intent of the Parties hereto that noise, including, but not limited to, noise caused by aircraft engine operation, shall be held to a minimum. To this end, Lessee will conduct its operations in such a manner as to keep the noise produced by aircraft engines and component parts thereof, or any other noise, to a minimum by the use of such methods or devices as are practicable, considering the extent and type of the operations of the Lessee, but in no event less than those devices or procedures that are required by Federal, state or local law. In addition, Lessee shall use its best efforts to minimize prop or jet blast interference to aircraft operating on or to buildings, structures and roadways now located on, or which, in the future, may

be located on areas adjacent to the Leased Premises.

**SECTION 12**  
**INGRESS AND EGRESS**

- 12.1 The Lessee shall have the right of ingress and egress to and from the Leased Premises and the public landing areas at the Airport by means of connecting taxiways, to be used in common with others having rights of passage thereon, except when the Airport is closed to the public.
- 12.2 The use of any such roadway or taxiway shall be subject to the Rules and Regulations of the Airport which are now in effect or which may hereafter be promulgated. County may, at any time, temporarily or permanently, close or consent to or request the closing of any such roadway or taxiway and any other way at, in or near the Leased Premises, presently or hereafter used as such, so long as a reasonable means of ingress and egress as provided above remains available to the Lessee. The Lessee hereby releases and discharges the County, its officers, employees and agents, and all municipalities and other governmental authorities and their respective successors and assigns, of and from any and all claims, demands, or causes of action which the Lessee may now, or at any time hereafter, have against any of the foregoing, arising or alleged to arise out of the closing of any street, roadway or other area, provided that a reasonable means of access to the Leased Premises remains available to the Lessee, whether within the Leased Premises or outside the Leased Premises at the Airport, unless otherwise mandated by safety considerations or lawful exercise of police power. The Lessee shall not do, or permit anything to be done which will interfere with the free access and passage of others to space adjacent to the Leased Premises or in any streets or roadways near the Leased Premises.

**SECTION 13**  
**INSURANCE, DAMAGE OR DESTRUCTION**

- 13.1 To safeguard the interest of the County, the Lessee, at its sole cost and expense, shall procure and maintain throughout the term of this Lease insurance protection for "all risk" coverage on the structure and improvements of which the Leased Premises is a part, to the extent of One Hundred Percent (100%) of the actual replacement cost thereof, using an insurance company or companies licensed to do business in the State of California. If said insurance company becomes financially incapable of performing under the terms of said policy, the Lessee shall promptly obtain a new policy issued by a financially responsible carrier and shall submit such new policy, as previously provided.
- 13.1.1 The above-stated property insurance shall name the County and American Airports Corporation as Additional Insureds, provide thirty (30) days' notice of cancellation or material change by registered mail to the Office of the Airport Manager, and have a deductible amount not to exceed One Thousand Dollars (\$1,000.00) per occurrence.
- 13.1.2 The Lessee shall provide a copy of the above-stated property insurance policy to the Office of the Airport Manager at least seven (7) days prior to the inception of the Lease Agreement. Upon the failure of the Lessee to maintain such insurance as above provided, the County, at its option, may take out such insurance and charge the cost thereof to Lessee with the next installment of the monthly fee due hereunder, or may declare a default hereunder pursuant to Section 23 herein.
- 13.2 In the event any improvements, insurable or uninsurable, on the Leased Premises are damaged or destroyed (except damage or destruction caused by Lessee as set forth in Section 13.6 hereof) to the extent they are unusable by Lessee for the purposes for which they were used prior to such damage, or same are destroyed, Lessee shall promptly repair, rebuild, or replace the damaged or destroyed portion of the Leased Premises as they were immediately prior to such casualty, except for requirements of construction codes, which shall be as of the time of repair or replacement.
- 13.3 In the event of damage or destruction to any of the improvements upon the Leased Premises, the County

shall have no obligation to repair or rebuild the improvements or any fixtures, equipment or other personal property installed by Lessee pursuant to this Agreement. Upon the failure of Lessee to repair or rebuild, the County may, as agent of the Lessee, repair or rebuild such damage or destruction at the expense of Lessee, which expense shall be due and payable on demand.

- 13.4 Upon completion of all the work, the Lessee shall certify by a responsible officer or authorized representative that such rebuilding and repairs have been completed, that all costs in connection therewith have been paid by the Lessee, that said costs are fair and reasonable, and that said certification shall also include an itemization of costs. If the insurance proceeds are not sufficient, the Lessee agrees to bear and pay the deficiency. Nothing herein contained shall be deemed to release the Lessee from any of its repair, maintenance or rebuilding obligations under this Lease.
- 13.5 Lessee shall, at its expense, repair and replace any and all fixtures, equipment and other personal property necessary to properly and adequately continue its Airport business on the Airport, but in no event shall Lessee be obligated to provide equipment and fixtures in excess of those existing prior to such damage or destruction. During such period of repair or reconstruction, but not to exceed a period of six (6) months, the rentals provided for elsewhere herein shall be proportionately abated during the period from the date of such damage, destruction or loss until the same is repaired, replaced, restored or rebuilt, provided Lessee does not use said damaged Leased Premises or the location thereof for any purposes other than the repair or rebuilding of same. Such abatement shall not exceed the actual time required for arranging for and the doing of such work. The proportional amount of reduction of rentals will be directly related to the percent of Airport business adversely affected. Lessee agrees that such work will be promptly commenced and prosecuted to completion with due diligence, subject to delays beyond Lessee's control.
- 13.6 In the event the improvements on the Leased Premises are damaged or destroyed by fire or other cause by reason of any negligent act or omission of the Lessee or its employees, this Lease Agreement shall continue in full force and effect, notwithstanding the provisions of Sections 13.2, 13.3, 13.4 and 13.5 hereof, and the Lessee shall repair or rebuild the improvements so damaged or destroyed, at Lessee's own cost and expense, in a good workmanlike manner to the same standards existing at the time of the casualty, subject to applicable building codes existing at the time of repair or rebuilding.

#### **SECTION 14** **LIABILITIES AND INDEMNITIES**

- 14.1 County shall not, in any way, be liable for any cost, liability, damage or injury, including cost of suit and reasonable expenses of legal services, claimed or recovered by any person whomsoever, or occurring on the Leased Premises, or as a result of any operations, works, acts or omissions performed on the Leased Premises, or the Airport, by Lessee, its sublessees or tenants, or their guests or invitees unless said cost, liability, damage or injury was proximately caused by gross negligence by the County or one of its officers, agents, servants, employees or contractors, or said County or individual gross negligence was a substantial factor in the occurrence thereof.
- 14.2 Lessee agrees to indemnify, save and hold harmless the County, its officers, agents, servants and employees of, and from, any and all costs, liability, penalties, damages and expenses (including costs of suit and reasonable expenses of legal services) claimed or recovered, justly or unjustly, false, fraudulent or frivolous, by any person, firm, governmental entity or corporation by reason of injury to, or death of, any person or persons, and damage to, destruction or loss of use of any and all property, including County personnel and County property, and any claim of violation of any state, Federal or local law or regulation protecting human health or the environment, directly or indirectly arising from or resulting from, any operations, works, acts or omissions of Lessee, its agents, servants, employees, contractors, invitees, sublessees or tenants. Provided, however, that upon the filing with the County by anyone of a claim for damages arising out of incidents for which Lessee herein agrees to indemnify and hold the County harmless, the County shall notify Lessee of such claim, and in the event that Lessee does not settle or

compromise such claim, then Lessee shall undertake the legal defense of such claim, both on behalf of Lessee and behalf of the County. It is specifically agreed, however, that the County, at its own cost and expense, may participate in the legal defense of any such claim. Any final judgment rendered against the County for any cause for which Lessee is liable hereunder shall be conclusive against Lessee as to liability and amount upon the expiration of the time for appeal.

- 14.3 In addition to Lessee's undertaking, as stated in this Section 14, and as a means of further protecting the County, its officers, agents, servants and employees, Lessee shall, at all times during the term of this Agreement, obtain and maintain in effect Public Liability and Automotive Liability Insurance coverage as set forth in Exhibit B attached hereto and made a part hereof. In this connection, Lessee agrees to require its contractors doing work on the Airport, and Lessee's tenants and sublessees, to carry adequate insurance coverage, and if Lessee so desires, it may accomplish same by an endorsement to Lessee's policies to include such persons or parties as additional named insureds. The County reserves the right to increase the minimum liability insurance set forth in Exhibit B when, in the County's opinion, the risks attendant to Lessee's operations hereunder have increased.
- 14.4 The Lessee represents that it is the owner of, or fully authorized to use, any and all services, processes, machines, articles, marks, names or slogans used by it in its operations under, or in anywise connected with, this Agreement. The Lessee agrees to save and hold the County, its officers, employees, agents and representatives free and harmless of, and from, any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Lessee under, or in anywise connected with, this Agreement.
- 14.5 The Lessee represents and warrants that no broker has been concerned on its behalf in the negotiation of this Agreement, and that there is no such broker who is, or may be entitled to be, paid a commission in connection therewith. The Lessee shall indemnify and hold harmless the County of and from any claim for commission or brokerage made by any such broker when such claim is based, in whole or in part, upon any act or omission of the Lessee.

## **SECTION 15**

### **RULES AND REGULATIONS**

- 15.1 From time to time, County may adopt and enforce rules and regulations with respect to the occupancy and use of the Airport. Lessee agrees to observe and obey any and all rules and regulations and all other Federal, state and municipal rules, regulations and laws, and to require its officers, agents, employees, contractors, suppliers, tenants, sublessees, and invitees to observe and obey the same. County reserves the right to deny access to the Airport and its facilities to any person, firm or corporation that fails or refuses to obey and comply with such rules, regulations or laws. Lessee hereby acknowledges receipt of a current copy of such County Rules and Regulations, attached as Exhibit E.

## **SECTION 16**

### **SIGNS**

- 16.1 Lessee shall have the right to install and maintain one or more signs on the Leased Premises identifying it and its operations, provided, however, the subject matter, type, design, number, location and elevation of such signs, and whether lighted or unlighted, shall be subject to, and in accordance with, the written approval of the County, and said approval shall not be unreasonably withheld. No sign will be approved that may be confusing to aircraft pilots or automobile drivers or other traffic, or which fails to conform to the architectural scheme of the Airport, or meet the requirements of the County.

**SECTION 17**  
**ASSIGNMENT AND SUBLEASE**

- 17.1 Lessee covenants and agrees that it will not sell, convey, transfer, mortgage, pledge or assign this Agreement or any part thereof, or any rights created thereby, without the prior written consent of the County, which consent shall not be unreasonably withheld; provided that Lessee may enter into rental agreements in a form approved by County for hangars located on the Leased Premises for a term of one (1) year or less without the consent of County.
- 17.2 Any assignment or transfer of this Agreement, or any rights of Lessee hereunder, without the consent of the County, shall entitle the County at its option to forthwith cancel this Agreement.
- 17.3 Any assignment of this Agreement, approved and ratified by the County, shall be on the condition that the assignee accepts and agrees to all of the terms, conditions and provisions of this Agreement, and agrees to accept and discharge all of the covenants and obligations of Lessee hereunder, including, but not limited to, the payment of all sums due, and to become due by Lessee under the terms hereof.
- 17.4 Subject to all of the terms and provisions hereof, Lessee may, without the prior written consent of the County, sublet a portion or portions of the Leased Premises to a person, partnership, firm or corporation provided that the term of the sublease does not exceed 12 months, and the name, address, phone number and plane type and tail number are supplied to the Manager. County approval, which shall not be unreasonably withheld, is required for all subleases that have terms exceeding 12 months.
- 17.5 No consent by the County to subleasing by Lessee of portions of the Leased Premises shall, in any way, relieve Lessee of any of its obligations to the County set forth or arising from this Lease, and a termination of Lessee's rights hereunder shall ipso facto terminate all subleases.
- 17.6 No consent to subleasing by the Lessee to a person, corporation or partnership conducting any business for profit derived from activities at the Airport shall be granted by the County without a duly executed Permit Agreement between the County and the sublessee.
- 17.7 If the Lessee assigns, sells, conveys, transfers, mortgages, or pledges this Agreement or sublets any portion of the Leased Premises in violation of the foregoing provisions of this Section 17, or if the Leased Premises are occupied by anyone other than the Lessee, County may collect from any assignee, sublessee or anyone who claims a right to this Agreement or who occupies the Leased Premises, any charges or fees payable by it and may apply the net amount collected to the rents herein reserved; and no such collection shall be deemed a waiver by County of the agreements contained in this Section 17 nor of acceptance by County of any assignee, claimant or occupant, nor as a release of the Lessee by County from the further performance by the Lessee of the agreements contained herein.
- 17.8 For the purposes of this Section 17, any assignment of stock by merger, consolidation or liquidation, or any change in the ownership of, or power to vote, a majority of the outstanding voting stock of Lessee from owners of such stock, or those controlling the power to vote such stock on the date of this Agreement, shall be considered an assignment.

**SECTION 18**  
**CONDEMNATION**

- 18.1 In the event that the Leased Premises or any material part thereof shall be condemned and taken by authority of eminent domain for any purpose during the term of this Lease, rentals for that portion of the Leased Premises so taken shall be abated from the date that Lessee is dispossessed therefrom; provided, however, if, in the Lessee's judgment, the remaining portion of the Leased Premises is insufficient for

Lessee's operations authorized hereunder, Lessee may terminate this Agreement and all of its rights and unaccrued obligations hereunder effective as of the date it is dispossessed of the condemned portion (or effective as of any date thereafter and within ninety (90) days of the date of such dispossession) by giving County thirty (30) days' written notice of such termination.

## **SECTION 19**

### **NON-DISCRIMINATION**

- 19.1 The Lessee, for it, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that, in the event facilities are constructed, maintained, or otherwise operated on the Leased Premises for a purpose for which a United States Government program or activity is extended, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- 19.2 The Lessee, for itself, its personal representatives, successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Leased Premises; (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and (3) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by, or pursuant to, Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- 19.3 In this connection, the County reserves the right to take whatever action it might be entitled by law to take in order to enforce this provision. This provision is to be considered as a covenant on the part of the Lessee, a breach of which, continuing after notice by County to cease and desist, will constitute a material breach of this Agreement and will entitle the County, at its option, to exercise its right of termination as provided for herein, or take any action that it deems necessary to enforce compliance herewith.
- 19.4 The Lessee shall include the foregoing provisions in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Leased Premises providing service to the public, and shall include thereon a provision granting the County a right to take such action as the United States may direct to enforce such covenant.
- 19.5 The Lessee shall indemnify and hold harmless County from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section 19, and the Lessee shall reimburse County for any loss or expense incurred by reason of such noncompliance.

## **SECTION 20**

### **GOVERNMENTAL REQUIREMENTS**

- 20.1 The Lessee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Lessee's operations at the Leased Premises which may be necessary for the Lessee's operations thereat.

- 20.2 The Lessee shall pay all taxes, license, certification, permit and examination fees and excise taxes which may be assessed, levied, exacted or imposed on the Leased Premises or operation hereunder, or on the gross receipts or income to Lessee therefrom, including any possessory right which Lessee may have in or to Leased Premises covered hereby or improvements thereon by reason of its possessory rights, use or occupancy thereof, and shall make all applications, reports and returns required in connection therewith. Lessee shall be solely responsible for the payment of such taxes, assessments, fees or charges. In the event any such taxes or assessments described in this Section 20 are charged to Manager, Manager shall notify Lessee in writing of the amount due, and Lessee shall pay Manager said amount within thirty (30) days of such notice. In the event of failure to pay said taxes before delinquency and/or pay Manager the required amount within thirty (30) days, County or Manager may elect to treat such failure as a material breach of this Lease by Lessee.

**SECTION 21**  
**RIGHTS OF ENTRY RESERVED**

- 21.1 The County, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Leased Premises for any and all purposes, provided such action by the County, its officers, employees, agents, representatives and contractors does not unreasonably interfere with the Lessee's use, occupancy, or security requirements of the Leased Premises.
- 21.2 Without limiting the generality of the foregoing, the County, by its officers, employees, agents, representatives, contractors and furnishers of utilities and other services, shall have the right, at its own cost and expense, whether for its own benefit, or for the benefit of others than the Lessee at the Airport, to maintain existing and future utility, mechanical, electrical and other systems and to enter upon the Leased Premises at all reasonable times to make such repairs, replacements or alterations thereto, as may, in the opinion of the County, be deemed necessary or advisable, and from time to time to construct or install over, in or under the Leased Premises such systems or parts thereof, and in connection with such maintenance use the Leased Premises for access to other parts of the Airport otherwise not conveniently accessible, provided, however, that in the exercise of such right of access, repair, alteration or new construction, the County shall not unreasonably interfere with the actual use and occupancy of the Leased Premises by the Lessee. It is specifically understood and agreed that the reservation of the aforesaid right by the County shall not impose or be construed to impose upon the County any obligation to repair, replace or alter any utility service lines now or hereafter located on the Leased Premises for the purpose of providing utility services only to the Leased Premises.
- 21.3 In the event that any personal property of Lessee shall obstruct the access of the County, its officers, employees, agents or contractors, or the utility company furnishing utility service to any of the existing utility, mechanical, electrical and other systems, and thus shall interfere with the inspection, maintenance or repair of any such system, Lessee shall move such property, as directed by the County or said utility company, in order that access may be had to the system or part thereof for inspection, maintenance or repair. If Lessee shall fail to so move such property after direction from County or said utility company to do so, the County or the utility company may move it, and the Lessee hereby agrees to pay the cost of such moving upon demand, and further Lessee hereby waives any claim for damages as a result therefrom, except for claims for damages arising from the County's sole negligence.
- 21.4 At any reasonable time, and from time to time during the ordinary business hours, the County, by its officers, agents and employees, whether or not accompanied by a prospective lessee, occupier or user of the Leased Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same, subject to Lessee's reasonable security requirements.
- 21.5 Exercise of any or all of the foregoing rights, by the County, or others under right of the County, shall not be, nor be construed to be, an eviction of Lessee, nor be made the grounds for any abatement of rental nor any claim or demand for damages, consequential or otherwise.

**SECTION 22**  
**ADDITIONAL RENTS AND CHARGES**

- 22.1 Except as provided in Section 7.3 (b), in the event Lessee fails within thirty (30) days after receipt of written notice from County to perform, or commence to perform, any obligation required herein to be performed by Lessee, County may enter the Leased Premises (without such entering causing or constituting a cancellation of this Agreement or an interference with the possession of such Leased Premises by Lessee) and do all things reasonably necessary to perform such obligation, charging to Lessee the cost and expense thereof, and Lessee agrees to pay to the County upon demand such charge in addition to other amounts payable by Lessee hereunder. Provided, however, that if Lessee's failure to perform any such obligation endangers the safety of the public or employees or property of the County, or other tenants of the Airport, and County so states in its notice to Lessee, the County may perform such obligation of Lessee at any time after the giving of such notice, and charge to the Lessee the reasonable cost and expense thereof, which Lessee shall pay upon demand.
- 22.2 If the County elects to pay any sum or sums or incur any obligation or expense by reason of the failure, neglect or refusal of Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement, or as the result of any act or omission of Lessee contrary to said conditions, covenants or agreements, Lessee hereby agrees to pay the sum or sums so paid or expense so incurred by the County, as the result of such failure, neglect or refusal of Lessee, including interest, not to exceed the greater of Fifteen Percent (15%) per annum or the rate which is Four Percent (4%) per annum above the prime rate as published by the *Wall Street Journal*, together with all costs, damages and penalties. In such event, the total of such amounts may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent recoverable by the County in the same manner and with like remedies as if it were originally a part of the rent provided for in this Agreement.

**SECTION 23**  
**TERMINATION BY COUNTY**

- 23.1 In the event of a default on the part of Lessee in the payment of rents, or any other charges required by this Agreement to be paid to the County, the County shall give written notice to Lessee of such default, and demand the cancellation of this Agreement, or the correction thereof. If, within thirty (30) days after the date County gives such notice, Lessee has not corrected said default and paid the delinquent amount in full, this Agreement and all rights and privileges granted hereby in and to the Leased Premises shall terminate.
- 23.2 This Agreement, together with all rights and privileges granted in and to the Leased Premises, shall terminate automatically, upon the happening of any one or more of the following events:
- 23.2.1 The filing of Lessee of a voluntary petition in bankruptcy, or any assignment for benefit of creditors of all or any part of Lessee's assets; or,
- 23.2.2 Any institution of proceedings in bankruptcy against Lessee; provided, however, that the Lessee may defeat such termination if the petition is dismissed within thirty (30) days after the institution thereof; or,
- 23.2.3 The filing of a petition requesting a court to take jurisdiction of Lessee or its assets under the provisions of any Federal reorganization act; or
- 23.2.4 The filing of a request for the appointment of a receiver or trustee of Lessee's assets by a court of competent jurisdiction, or the request for the appointment of a receiver or trustee of Lessee's

assets by a voluntary agreement with Lessee's creditors; or,

- 23.2.5 The abandonment by Lessee of the conduct of its authorized Airport business at the Airport, and in this connection suspension of operations for a period of sixty (60) days will be considered abandonment in the absence of a satisfactory explanation which is accepted in writing by the County, unless said abandonment is necessitated by the occurrence of a natural disaster which renders the premises unfit for occupation or its intended purpose.
- 23.3 Upon the default by Lessee in the performance of any covenant or conditions required to be performed by Lessee, and the failure of Lessee to remedy such default for a period of thirty (30) days after receipt from the County of written notice to remedy the same (except as otherwise provided in Section 7.3 (b) above) and, except default in the timely payment of any money due the County, the County shall have the right to cancel this Agreement for such cause.
- 23.4 Upon the default of Lessee, and the giving of notice by the County to cancel this Agreement as provided for elsewhere herein, said notice of cancellation shall be final; provided, however, that should the County determine that Lessee is diligently remedying such default to completion, and so advises Lessee in writing, said notice of cancellation shall be held in abeyance. If, however, the County determines that such default is no longer being diligently remedied to conclusion, the County shall so advise Lessee in writing, and said notice of cancellation shall no longer be held in abeyance for any reason and shall become final without further notice to Lessee. The determination of the County in this regard shall, in all events, be conclusive and binding upon Lessee.
- 23.5 Upon the cancellation or termination of this Agreement for any reason, all rights of the Lessee, tenants and any other persons in possession shall terminate, including all rights or alleged rights of creditors, trustees, assigns, and all others similarly so situated as to the Leased Premises. Upon said cancellation or termination of this Agreement for any reason, the Leased Premises, except for such personal property which may be removed from said Leased Premises as provided for elsewhere herein, shall be free of all encumbrances and all claims of Lessee, its tenants, creditors, trustees, assigns and all others, and the County shall have immediate right of possession to the Leased Premises.
- 23.6 Failure by the County to take any authorized action upon default by Lessee of any of the terms, covenants or conditions required to be performed, kept and observed by Lessee shall not be construed to be, nor act as, a waiver of said default nor of any subsequent default of any of the terms, covenants and conditions contained herein to be performed, kept and observed by Lessee. Acceptance of rentals by the County under the terms hereof, for any period or periods after a default by Lessee of any the terms, covenants and conditions herein required to be performed, kept and observed by Lessee shall not be deemed a waiver or estoppel of any right on the part of the County to cancel this Agreement for any subsequent failure by Lessee to so perform, keep or observe any of said terms, covenants or conditions.
- 23.7 Lessee hereby grants to Manager a lien against Lessee's aircraft and all personal property, which Lessee may, from time to time, store in or upon the Leased Premises. This lien shall exist and continue to exist for all unpaid amounts which Lessee may owe Manager, from time to time, and the assertion of the lien shall not relieve Lessee from the obligation to pay the monthly fees as herein provided. In the event Lessee does not fully and immediately discharge all unpaid amounts, Manager is hereby granted and shall have the right to take and recover possession of Lessee's aircraft and satisfy its lien in accordance with § § 1208.61 through 1208.70, inclusive, of the Code of Civil Procedure of the State of California, or any successor sections. Manager may also take and recover possession of any personal action, and exercise its lien against the same and, in addition thereto, recover all costs and expenses including attorney's fees in connection with the repossession of said personal property and assertion of its lien.

**SECTION 24**  
**TERMINATION BY LESSEE**

- 24.1 In addition to any other right or cancellation herein given to Lessee, or any other rights to which it may be entitled to by law, equity or otherwise, as long as Lessee is not in default in payment to County of any amounts due County hereunder this Agreement, Lessee may cancel this Agreement and thereby terminate all of its rights and unaccrued obligations hereunder, by giving County written notice upon or after the happening of the following events:
- 24.1.1 Issuance by a court of competent jurisdiction of an injunction which, in any way, substantially prevents or restrains the use of the Leased Premises, or any part thereof necessary to Lessee's business operations on the Airport, and which injunction remains in force for a period of at least thirty (30) days after the Party against whom the injunction has been issued has exhausted or abandoned all appeals, or one hundred twenty (120) days, whichever is shorter, if such injunction is not necessitated by or issued as a result of an act or omission of Lessee; or,
- 24.1.2 The assumption by the United States Government, or any authorized agency thereof, of the operation, control or use of the Airport and its facilities, or any substantial part thereof, in such a manner as substantially to restrict Lessee from operating its authorized Airport business for a continuous period of at least ninety (90) days.

## **SECTION 25**

### **SURRENDER AND RIGHT OF RE-ENTRY**

- 25.1 Upon the cancellation or termination of this Agreement pursuant to any terms hereof, Lessee agrees peaceably to surrender up the Leased Premises to the County in the same condition as they are at the time of the commencement of the term hereof, and as they may hereafter be repaired and improved by Lessee; save and except: (a) such normal wear and tear thereof as could not have been prevented by ordinary and usual repairs and maintenance; (b) obsolescence in spite of repair; and (c) damage to, or destruction of, the leasehold improvements for which insurance proceeds are received by the County. Upon such cancellation or termination, the County may re-enter and repossess the Leased Premises together with all improvements and additions thereto, or pursue any remedy permitted by law for the enforcement of any of the provisions of this Agreement, at County's election. Furthermore, upon such cancellation or termination, and for a reasonable time thereafter (not exceeding thirty (30) days after such cancellation or termination, and for which period Lessee will pay to the County current lease rentals), or during the term of this Agreement, if Lessee is not in default in rentals or any other charges or obligations due the County, Lessee shall have the right to remove its personal property, fixtures and trade equipment which it may have on the Leased Premises, provided the removal thereof does not impair, limit or destroy the utility of said Leased Premises or building for the purpose for which they were constructed or improved, and provided further, that Lessee repairs all damages that might be occasioned by such removal, and restores the building and site to the condition above required.

## **SECTION 26**

### **SERVICES TO LESSEE**

- 26.1 County covenants and agrees that, during the term of this Agreement, it will operate the Airport as such for the use and benefit of the public, provided, however, that the County may prohibit or limit any given type, kind, or class of aeronautical use of the Airport, if such action is necessary for the safe operation of the Airport, or necessary to serve the civil aviation needs of the public. The County further agrees to use its best efforts to maintain the runways and taxiways in good repair. County agrees to keep in good repair hardsurfaced public roads for access to the Leased Premises.
- 26.2 Lessee will contract with the furnishers of all utilities for the furnishing of such services to the Leased Premises and shall pay for all water, gas, electricity, sanitary sewer service, other utilities, telephone,

burglary and fire protection services furnished to the Leased Premises.

- 26.3 Lessee will also contract with the furnishers of all other utilities and services they may require for the furnishing of such services to the Leased Premises and shall pay for all other utilities and services.

**SECTION 27**  
**SURVIVAL OF THE OBLIGATIONS OF THE LESSEE**

- 27.1 In the event that the Agreement shall have been terminated in accordance with a notice of termination as provided in Section 23 hereof, all the obligations of the Lessee under this Agreement shall survive such termination, re-entry, regaining or resumption of possession, and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiencies shall become due and payable to County to the same extent, at the same time or times, and in the same manner, as if no termination, re-entry, regaining or resumption of possession had taken place. County may maintain separate actions each month to recover the damage or deficiency then due, or at its option, and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term of the Agreement.
- 27.2 The amount of damages for the period of time subsequent to termination (or re-entry, regaining or resumption of possession) on account of the Lessee's rental obligations, shall be the sum of the following:
- 27.2.1 The amount of the total of all installments thereof payable prior to the effective date of termination, except that the credit to be allowed for the installment payable on the first (1st) day of the month in which the termination is effective shall be prorated for the part of the month the Agreement remains in effect, on the basis of the total days in the month;
- 27.2.2 An amount equal to all expenses incurred by County in connection with regaining possession, restoring the Leased Premises, acquiring a new lease for the Leased Premises, legal expenses (including, but not limited to, attorney's fees), putting the Leased Premises in order, maintenance and brokerage fees;
- 27.2.3 An amount equal to any deficiency for the remaining term of the Lease, computed in accordance with the provisions of Section 27.2.1.

**SECTION 28**  
**USE SUBSEQUENT TO CANCELLATION OR TERMINATION**

- 28.1 The County, upon termination or cancellation pursuant to Section 23 hereof, may occupy the Leased Premises or may enter into an agreement with another lessee and shall have the right to permit any person, firm or corporation to enter upon the Leased Premises and use the same. Such use may be of part only of the Leased Premises, or of the entire Leased Premises, together with other premises, and for a period of time the same as, or different from, the balance of the term hereunder remaining, and on terms and conditions the same as, or different from, those set forth in this Agreement.
- 28.2 County shall also, upon said termination or cancellation, or upon re-entry, regaining or resumption of possession, have the right to repair and to make structural or other changes in the Leased Premises, including changes which alter its character and the suitability thereof for the purpose of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder, provided that any structural changes shall not be at Lessee's expense.
- 28.3 In the event, either of use by others or of any actual use and occupancy by County, there shall be credited to the account of the Lessee against its survived obligations hereunder, any net amount remaining after

**SECTION 29**  
**LIMITATION OF RIGHTS AND PRIVILEGES GRANTED**

- ## SECTION 30
- ### NOTICES

- SECTION 31**  
HOLDING OVER

- 27

- 31.2 Any holding over by Lessee beyond the thirty (30)-day period permitted for removal of fixtures without the written consent of the County shall make the Lessee liable to the County for damages equal to double the rentals provided for herein, and which were in effect at the termination of the Lease.
- 31.3 All insurance coverage that Lessee is required under the provisions hereof to maintain in effect shall continue in effect for so long as Lessee or any of Lessee's sublessees or tenants occupies the Leased Premises or any part thereof.

## **SECTION 32**

### **INVALID PROVISIONS**

- 32.1 The invalidity of any provisions, sections, paragraphs, portions, or clauses of this Agreement shall have no effect upon the validity of any other part or portion hereof, so long as the remainder shall constitute an enforceable Agreement.

## **SECTION 33**

### **MISCELLANEOUS PROVISIONS**

#### **Remedies to be Nonexclusive.**

- 33.1 All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of, or exclusive of, each other, or of any other remedy available to the County, or Lessee, at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

#### **Non-Waiver of Rights.**

- 33.2 The failure by either Party to exercise any right or rights accruing to it by virtue of the breach of any covenant, condition or agreement herein by the other Party shall not operate as a waiver of the exercise of such right or rights in the event of any subsequent breach by such other Party, nor shall other Party be relieved thereby from its obligations under the terms hereof.

#### **Force Majeure.**

- 33.3 Neither Party shall be deemed in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of labor disputes, acts of God, acts of the public enemy, acts of superior governmental authority or other circumstances for which it is not responsible or which is not in its control, provided, however, that this Section shall not excuse Lessee from paying the rentals herein specified.

#### **Non-liability of Individuals.**

- 33.4 No director, officer, agent or employee of either Party hereto shall be charged personally or held contractually liable by, or to, the other Party under any term or provision of this Agreement, or of any supplement, modification or amendment to this Agreement because of any breach thereof, or because of his or their execution or attempted execution of the same.

#### **Quiet Enjoyment.**

- 33.5 The County covenants that as long as Lessee is not in default of any provision of this Agreement, Lessee shall and may peaceably and quietly have, hold and enjoy the Leased Premises exclusively to it during the term hereof unless sooner canceled, as provided in this Agreement.

#### **General Provisions.**

- 33.6 Lessee shall not use, or permit the use of, the Leased Premises, or any part thereof, for any purpose or use other than those authorized by this Agreement.
- 33.7 This Agreement shall be performable and enforceable in Pacoima, CA, and shall be construed in

accordance with the laws of the State of California.

- 33.8 This Agreement is made for the sole and exclusive benefit of the County and Lessee, their successors and assigns, and is not made for the benefit of any Third Party.
- 33.9 In the event of any ambiguity in any of the terms of this Agreement, it shall not be construed for or against any Party hereto on the basis that such Party did or did not authorize the same.
- 33.10 All covenants, stipulations and agreements in this Agreement shall extend to and bind each Party hereto, its legal representatives, successors and assigns.
- 33.11 The titles of the several sections of this Agreement are inserted herein for convenience only, and are not intended and shall not be construed to affect in any manner the terms and provisions hereof, or the interpretation or construction thereof.
- 33.12 Nothing herein contained shall create or be construed to creating a co-partnership between the County and the Lessee or to constitute the Lessee an agent of the County. The County and the Lessee each expressly disclaim the existence of such a relationship between them.

County Lobbyist Ordinance.

- 33.13 Each County lobbyist, as defined in Los Angeles County Code Section 2.160.010, retained by Lessee, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of any County lobbyist, retained by Lessee, to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may immediately terminate or suspend this Agreement.

**SECTION 34**  
**SUBORDINATION CLAUSES**

- 34.1 This Agreement is subject and subordinate to the following:
  - 34.1.1 County reserves the right to develop and improve the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance by or on behalf of Lessee, provided Lessee is not deprived of the use of, or access to, the Leased Premises.
  - 34.1.2 County reserves the right to take any action it considers necessary to protect the aerial approaches to the Airport against obstruction, together with the right to prevent Lessee from erecting, or permitting to be erected, any building or other structure on the Airport which, in the opinion of the County, would limit the usefulness of the Airport or constitute a hazard to aircraft.
  - 34.1.3 This Agreement is, and shall be, subordinate to the provisions of existing and future agreements between County and the United States relative to the operation or maintenance of the Airport, the execution of which has been, or may be required as, a condition precedent to the obtaining or expenditure of Federal funds for the benefit of the Airport.
  - 34.1.4 During the time of war or national emergency, County shall have the right to lease all or any part of the landing area or of the Airport to the United States for military or naval use, and if any such lease is executed, the provisions of this Agreement insofar as they may be inconsistent with the provisions of such lease to the Government, shall be suspended, but such suspension shall not extend the term of this Agreement. Abatement of rentals shall be determined by the County in proportion to the degree of interference with Lessee's use of the Leased Premises.
  - 34.1.5 Except to the extent required for the performance of any obligations of Lessee hereunder, nothing

contained in this Agreement shall grant to the Lessee any rights whatsoever in the airspace above the Leased Premises other than those rights where subject to Federal Aviation Administration rules, regulations and orders currently or subsequently effective.

**SECTION 35**  
**ENTIRE AGREEMENT**

- 35.1 The Agreement consists of Sections 1 to 35, inclusive, and Exhibit A, Exhibit B, Exhibit C, Exhibit D and Exhibit E.
- 35.2 It constitutes the entire Agreement of the Parties hereto and may not be changed, modified, discharged or extended except by written instrument duly executed by the County and the Lessee. The Parties agree that no representations or warranties shall be binding upon the County or the Lessee unless expressed in writing in this Agreement of Lease.

**IN WITNESS WHEREOF**, the Lessee has executed this Lease, or caused it to be duly executed, and the County of Los Angeles, by order of its Board of Supervisors, has caused this Lease to be executed on its behalf on the day, month, and year first written above.

**LOS ANGELES COUNTY  
DEPARTMENT OF PUBLIC WORKS  
POLICIES AND PROCEDURES FOR THE  
ACCEPTANCE OF TIME DEPOSITS, CERTIFICATES OF  
DEPOSIT, PASSBOOKS FOR SAVINGS ACCOUNTS  
OR OTHER INSTRUMENTS OF DEPOSIT**

RP 77  
Exhibit IV  
Page 1 of 3 Pages

Developers, permit applicants and/or contractors (hereafter referred to as “applicants”) of the Department of Public Works (DPW) wishing to present instruments of deposit, such as Time Deposits, Certificates of Deposit, or Passbooks for Savings Accounts in lieu of cash deposits for performance bonds or to guarantee the payment of future improvements as stipulated by contracts with the County, must obtain deposit instruments that meet the standards established by the Los Angeles County Treasurer and Tax Collector's Office.

Prior to submitting an instrument of deposit, the applicant must obtain an approval from DPW's Fiscal Division, 7th Floor of the Headquarters Building located at 900 South Fremont Avenue, Alhambra, California 91803. Requests for approval shall be submitted on the attached Request for Approval Form (Exhibit V) and must be dated within the last 30 days of date received by Fiscal Division. Instruments of deposit must be dated within 30 days of the Fiscal Division's approval date. Allow two business days for the approval process. Fiscal Division will do everything possible to expedite all reviews and approval. However, part of the review and approval process is outside of the control of this Division. The applicant thus must allow two business days for review and approval to ensure that this process does not delay approval of their project/permit.

Minimum Criteria and Standards

The Los Angeles County Treasurer and Tax Collector's Office uses the Gerry Findley Financial Ratings to evaluate the reliability of the financial institution serving as the depository. In addition, all deposits are to be federally insured through the FDIC or the FSLIC (generally up to \$100,000). Therefore, instruments of deposit will only be accepted when the financial institution upon which they are drawn meets the following:

A. Depositor Rating Code of:

- AAA - Excellent
- AA - Very Good
- A - Above Average
- AB - Average

The Depositor Rating Code is a measure of fiscal solvency, organizational stability and reliability.

B. Depositor Limit Code of:

- 1 - No limit set. Subject to mutual agreement.
- 2 - Up to \$10,000,000
- 3 - Up to \$ 7,500,000
- 4 - Up to \$ 5,000,000
- 5 - Up to \$ 3,000,000
- 6 - Up to \$ 2,000,000
- 7 - Up to \$ 1,000,000
- 8 - Up to \$ 500,000

The Depositor Limit Code is an indicator of the maximum amount recommended for uninsured, unsecured, undersecured, and partially secured deposits (i.e., up to \$100,000 generally insured by the FDIC or FSLIC).

C. Depositor Maturity Code of:

- a - Open, subject to mutual agreement
- b - Up to 10 years
- c - Up to 5 years

The Depositor Maturity Code is an indicator of the maximum maturity limit recommended for Time and Savings Certificates of Deposit.

D. Rating Codes are to be applied in conjunction with the terms of the contract as follows:

	5 Years or Less	Greater Than <u>5 Years</u>
Depositor Rating Code:	AB or better	AA or better
Depositor Limit Code:	8 or better	6 or better
Depositor Maturity Code:	c or better	b or better

Example 1: A Certificate of Deposit securing a contract for two years for \$1,500,000 shall be deposited in an institution with a Depositor Rating Code of AAA, AA, A or AB; a Depositor Limit Code of 1, 2, 3, 4, 5, or 6; and a Depositor Maturity Code of a, b or c.

Example 2: A Certificate of Deposit securing a contract for six years for \$1,000,000 shall be deposited in an institution with a Depositor Rating Code of AAA or AA; a Depositor Limit Code of 1, 2, 3, 4, 5, 6, or 7; and a Depositor Maturity Code of a or b.

NOTE: THE REQUIREMENTS LISTED BELOW MUST BE INCLUDED IN DETAIL IN THE UNDERLYING CONTRACT

- E. The CD or passbook must meet the above requirements and must be held in the name of the Department of Public Works, Los Angeles County or renewed appropriately in the name of the Department of Public Works, Los Angeles County.
- F. County may cash the CD or passbook upon:
  - i. Determination by the Department of Public Works that the financial institution issuing the original CD or passbook no longer meets the minimum criteria and standards set forth above and the applicant has not replaced the original CD or passbook with a new approved CD or passbook or other acceptable collateral within 30 days of mailing of notification (to applicant's address last submitted to DPW) or prior to fulfillment of the underlying agreement and any related or contingent obligations, whichever comes first.
  - ii. Any other event of default as stated in the underlying contract.
- G. The CD or passbook at the time of deposit shall be at least equal to the obligations (including, i.e., contingencies or warranties) that may be required under the permanent agreement.
- H. Notification of determination by DPW of a default under the performance agreement is sufficient to cash the CD or passbook. The applicant agrees to be held responsible for any penalties or loss of interest associated with the early withdrawal of the CD or passbook in the event of a default as determined by the Department of Public Works. Written notice of Department of Public Works' determination of default shall be given to the last submitted address of the applicant.
- I. Any interest on the CD or passbook that may be paid to County by the financial institution issuing the CD or passbook shall be paid to the applicant by the County within 60 working days of County's receipt.
- J. Applicant assumes all risk of lost principal and interest from the CD or passbook should the depository be declared insolvent or fall into default and fail to pay principal or interest. Applicant shall at such point provide adequate substitute collateral pursuant to this manual or pay County amounts equal to such CD or passbook within 30 days of receipt of notice from County.
- K. Applicant is responsible for payment of any taxes due on interest paid on the principal.
