Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE LANDSCAPE ARCHITECTURE SERVICES AGREEMENT FOR NUEVA
MARAVILLA HOUSING DEVELOPMENT (1)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the award of a two-year Landscape Architecture Services Agreement (Agreement) in the amount of \$218,415 to R. Deutschman & Associates, Inc. (Consultant) to complete analysis and design, prepare plans and specifications, and perform other related work for the landscaping and irrigation replacement project for the Nueva Maravilla housing development, located at 4919 Cesar E. Chavez Avenue, in unincorporated East Los Angeles; and authorize the Executive Director of the Housing Authority to execute the Agreement and all related documents, to be effective upon execution by all parties, which will not exceed 30 days following the date of Board approval.
2. Authorize the Executive Director to use a total of \$218,415 in Community Development Block Grant (CDBG) Float Loan funds, for the purpose described herein; and authorize the Executive Director to approve Agreement change orders not exceeding \$43,683 for unforeseen project costs, using the same source of funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to award an Agreement to complete analysis and design, prepare plans and specifications, and perform other related work for the landscaping and irrigation replacement project for the Nueva Maravilla housing development.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The Housing Authority will fund the Agreement with \$218,415 in CDBG Float Loan funds. A 20 percent contingency, in the amount of \$43,683, is also being set aside for unforeseen costs, using the same source of funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On May 11, 2004, your Board approved a CDBG Float Loan between the County of Los Angeles and the Housing Authority to provide funding for site and building improvements at six public housing developments, including the subject property.

The Housing Authority wishes to retain the services of the Consultant to analyze the existing landscaping and irrigation system for 76 buildings at the Nueva Maravilla housing development. The irrigation system presently shows deterioration, requiring the services of a qualified, experienced landscape architect. The Consultant will be responsible for evaluating the existing irrigation system and landscaping and preparing designs, plans, calculations, and specifications for the removal, retrofit and installation of a new irrigation system, and upgraded and updated landscape design.

The Consultant will also be responsible for obtaining all plan check approvals, assisting with the bid phase to identify a contractor to perform the installation of the new landscaping and irrigation systems, and performing construction observation services. It is anticipated that the design phase will be completed in five months and the estimated time for construction will be one year.

Should the Consultant require additional or replacement personnel during the term of the Agreement, it will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet the minimum qualifications for the open positions. The Consultant will contact the County's GAIN/GROW Division for a list of participants by job category

The Agreement has been approved as to form by County Counsel and executed by R. Deutschman & Associates, Inc. On December 22, 2004, the Housing Commission recommended approval of the Agreement award.

ENVIRONMENTAL DOCUMENTATION:

Approval of the Landscape Architecture Services Agreement is exempt from the provisions of the National environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(1) because it involves design activities that will not have a physical impact or result in any physical changes to the environment. The activities are not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15060 (c)(3) and 15378 because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

The environmental review record for this project is available for viewing by the public during regular business hours at the Housing Authority's main office located at 2 Coral Circle, Monterey Park.

CONTRACTING PROCESS:

On June 3, 2004, the Housing Authority initiated a Request for Statements of Qualifications (RFSQ) to identify a qualified and experienced landscape architecture firm to provide the needed services. Notices of the RFSQ were mailed to 71 landscape architecture firms identified from the Housing Authority's vendor list. Announcements also appeared in eight ^[ML1]local newspapers and on the County web site. Twenty RFSQs were requested and distributed.

On July 8, 2004, seven firms submitted Statements of Qualifications (SOQs). A review panel of Housing Authority personnel evaluated and ranked the seven SOQs. The review panel determined that the four top-ranked firms were eligible for interviews: Barrio Planners Incorporated, NUVIS, R. Deutschman & Associates, Inc., and Willdan. On October 5, 2004, Barrio Planners Incorporated, NUVIS, R. Deutschman & Associates, Inc., and Willdan were interviewed. The performance of the firms at the interviews was evaluated by the review panel, which determined that R. Deutschman & Associates is the most qualified firm to provide the necessary services.

R. Deutschman & Associates, Inc. was invited to submit a fee proposal and enter into negotiations with the Housing Authority, resulting in a mutually agreeable fee of \$218,415.

The Summary of Outreach Activities is provided with this letter as Attachment A.

Section 4.2 Design Within Funding Limits

4.2.1 The Consultant shall accomplish the design services required under this Agreement so as to permit the award of a contract, using standard competitive sealed bid procedures for the improvement of the project designated at a price that does not exceed the estimated construction contract price as set forth below. The Consultant will provide a cost estimate at the completion of the Schematic Design phase, completion of the Design Development phase, and 50% Construction Documents phase. At that time, if the scope of work proposed exceeds the construction contract price stated in subparagraph 4.2.4, the Authority may either reduce the scope of work to fit the construction contract price, or the Authority will provide additional funds as required to construct the full scope of work. When bids for the construction contract that are received,

exceed the Consultant's cost estimate by more than 10%, the Consultant shall perform such redesign and other services as are necessary to permit contract award within the funding limitation. These additional services shall be performed at no increase in the price of this contract.

- 4.2.2 The Consultant shall check all existing plans, specifications, survey maps, etc., furnished by the Authority and shall report to the Authority in writing any apparent discrepancies or deficiencies which may affect the work. The Consultant shall make any reasonable investigations necessary to coordinate properly the planned work with existing on-site conditions to alert the Authority to any conditions that may adversely affect the order, progress, or cost of the planned work. This may require limited demolition or earth removal, for example, and shall include a review of any as-built plans and specifications, along with any test reports or similar information that may be available to the Authority. The Consultant shall promptly advise the Contracting Officer if it finds that the project being designed will exceed, or is likely to exceed the funding limitations, and it is unable to design a usable facility within these limitations. Upon receipt of such information, the Authority will review the Consultant's revised estimate of construction cost.
- 4.2.3 The Authority may, if it determines that the estimated construction contract price set forth in Section C, subparagraph 4.2.4 is so low that award of a construction contract within this estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth below, or the Authority may adjust such estimated construction contract price.
- 4.2.4 The estimated construction contract price for the project described in this contract is \$800,000 or as adjusted in writing by the Authority.

Section 4.3 Standard of Care

The Consultant represents, covenants, and agrees that all of the services to be furnished by the Consultant under or pursuant to this Agreement, from the inception of this Agreement until the Project has been fully completed, shall be of a standard and quality that prevails among highly qualified and competent landscape architects engaged in landscape architectural practice in the Southern California area under the same or similar circumstances involving the design and construction of a project having characteristics that are similar to the Project (including without limitation, public nature, comparable scope, quality and schedule ["Professional Standard"]). Consultant covenants to design the Project and produce the necessary Construction Documents, and to further the interests of the Authority in accordance with the Authority's requirements and procedures, in accordance with the

Professional Standard and in compliance with all applicable restrictions, laws, codes, and regulations in effect throughout the period that Consultant is performing services under this Agreement.

The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this contract. The Consultant shall, without additional compensation, correct or revise any errors or deficiencies in its designs, drawings, specifications, and other services that do not meet the Professional Standard.

Section 4.4 Value Engineering

{ TC "4.2.3 Value Engineering" \f C \l "3" } Consultant acknowledges and understands that it is the Authority's objective to construct the Work, wherever possible and without sacrificing the Design, as economically as possible. Consistent with this objective, it shall be Consultant's obligation to perform detailed value engineering during the Project, and to make changes as necessary to keep the estimate within 10% of the currently established construction budget, so as to present to the Authority alternative designs, engineering, materials, and methods of construction that will reduce costs and the contract time. Failure by Consultant to comply with such obligation under circumstances in which Consultant knew or reasonably suspected the existence of such alternatives shall constitute a breach of this Agreement. The Authority shall have the right, at its sole discretion, to decline to approve and incorporate Consultant's cost reduction alternatives into the Work.

Section 4.5 Reproduction of Final Documents

The Consultant shall cause two (2) sets of blueprints, specifications, estimates, etc. to be provided to the Authority at all submittal phases including such sets as may be required for plan check agencies and (one) 1 complete set of approved, reproducible construction documents to be delivered for construction solicitation purposes. The cost of reproducing these documents is included in the Consultant's basic fee.

Section 4.6 Changes Required

The Consultant shall make all reasonably requested changes in the drawings and specifications based upon Authority's review of the progress submittals.

The Consultant's employees and subconsultants identified below are considered essential to the contract work effort. Prior to diverting or substituting any of the specified individuals, the Consultant shall notify the Contracting Officer reasonably in advance and shall submit justification, including proposed substitutions, in sufficient detail to permit evaluation of the impact on the contract. Consultant shall have no claim against the Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Consultant after the expiration or other termination of this Agreement. Upon execution of this Agreement and during its term, as appropriate, the Consultant shall, upon written request, disclose in writing to the Authority any other contractual or employment arrangement from which it receives compensation. The Consultant agrees not to accept any employment during the term of this Agreement by any other person, business or corporation which employment will or may likely develop a conflict of interest between the Authority's interests and the interest of third parties.

Section 15.0 The Authority Ownership of Documents

All drawings and specifications prepared and furnished by the Consultant shall become the property of the Authority upon their approval in writing by the Authority or upon the prior termination of the Consultant's services hereunder, and the Consultant shall have no claim of any kind, including without limitation, for further employment or additional compensation as a result of exercise by the Authority of its full rights of ownership and use of these documents and materials. M. Best & Company. Any deviation from this rule shall require specific approval in writing by Authority.

The consultant shall furnish the Authority with certificates of insurance and with original endorsements affecting coverage as required herein and which reflect the Commission, the Authority, and County's status as additional insureds as required below. All coverage for subconsultants shall be subject to the requirements stated herein and shall be maintained at no expense to the Authority.

Failure on the part of the Firm to procure or maintain insurance required by this Agreement

shall constitute a material breach of contract upon which the Authority may immediately terminate this Agreement.

Section 18.0 Compliance with Laws

The Consultant agrees to be bound by all applicable federal, state and local laws, regulations, and directives as they pertain to the performance of this Agreement, including but not limited to, the Housing and Community Development Act of 1974, as amended by the Cranston-Gonzalez National Affordable Housing Act, 1990, and the 24 CFR Part 85, and the Americans with Disabilities Act of 1990. In the event of the Consultant's noncompliance with the nondiscrimination clauses of the Agreement or with any of such rules, regulations or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the Consultant may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Order, and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Consultant will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subconsultant or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Consultant becomes involved in, or is threatened with litigation with a subconsultant or vendor as result of such direction by the contracting agency, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.

Demobilization expenses are expenses directly attributable to temporarily suspending the work in progress, including the reasonable cost of suspending any commitments for services not yet complete. The Authority shall not be liable for demobilization expenses if only a portion of the Agreement is suspended.

19.1.5 In the event the entire Agreement is suspended and Consultant is directed to remobilize within one calendar year of the effective date of the suspension, the Authority shall pay remobilization expenses directly attributable to restarting services hereunder and, at Consultant's option, Consultant and the Authority shall negotiate Consultant's fees for services remaining under this Agreement. If no agreement as to expenses and fees can be reached, this Agreement may be terminated for the Authority's convenience.

19.1.6 In the event the entire Agreement is suspended and the period of suspension exceeds one calendar year, this Agreement may be deemed terminated for the convenience of the Authority upon written notice to the Consultant.

Section 19.2 Termination for Convenience of the Authority

- a. The Authority reserves the right to cancel this Agreement in whole or in part for any reason at all upon ten (10) days prior written notice to Consultant.

In the event of such termination, Consultant shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination. In no case shall payment exceed that amount stipulated elsewhere herein for completion of the respective portion or phase of the project. Authority will pay Consultant termination expenses subject to the Authority's rights of recoupment, set-off and withholding.

- b. Consultant shall surrender and deliver to the Contracting Officer, to the extent requested by Contracting Officer, within ten (10) days from receipt of said request all data, reports, estimates, summaries, designs, drawings, specifications, notes, and other work and data developed in the performance of this Agreement, whether complete or in process, as may have been accumulated by Consultant.

- d. Consultant shall assign the contracts of its consultants and/or their subconsultants to the Authority, to the extent requested by the Contracting Officer.

Section 19.3 Termination for Cause and / or Default

This Agreement may be terminated by the Authority upon 10 days' written notice to the Consultant for cause and/or default (failure to perform satisfactorily any of the Agreement terms, conditions and work items) with no penalties incurred upon termination or upon the occurrence of any of the following events:

- A. Continuing failure of the Consultant to perform any work required to be performed hereunder in a timely and professional manner, or Consultant is not properly carrying out the provisions of the Agreement in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Consultant; and should the Consultant neglect or refuse to provide a means for a satisfactory compliance with this Agreement and with the direction of the Authority within the time specified in such notices, the Authority shall have the power to suspend the performance of this Agreement by Consultant in whole or in part.
- B. Should the Consultant fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Agreement, or if the work to be done under this Agreement is abandoned for more than five (5) days by the Consultant, then notice of deficiency thereof in writing may be served upon Consultant by the Authority. Should the Consultant fail to comply with the terms

of this Agreement within five (5) days thereafter, upon receipt of said written notice of deficiency, the Executive Director of the Authority shall have the power to suspend or terminate the operations of the Consultant in whole or in part.

- C. Failure on the part of the Consultant to procure or maintain insurance required by this Agreement shall constitute a material breach of Agreement upon which the Authority may immediately terminate this Agreement.
- D. In the event that a petition of bankruptcy shall be filed by or against the Consultant.
- E. If, through any cause, the Consultant shall fail to fulfill in timely and proper manner the obligations under this Agreement, or if the Consultant shall violate any of the covenants, agreements, or stipulations of this Agreement, the Authority shall thereupon have the right to terminate this Agreement by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, with respect to all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Consultant under this Agreement, Consultant shall be entitled to receive just and equitable compensation for any work satisfactorily completed, subject to the Authority's rights of recoupment, cut-off, and withholding.

Section 19.4 Termination for Improper Consideration

The Authority may, by written notice to Consultant, immediately terminate the right of Consultant to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Consultant, either directly or through an intermediary, to any Authority officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Consultant's performance pursuant to the Agreement. In the event of such termination, the Authority shall be entitled to pursue the same remedies against Consultant as it could pursue in the event of termination for cause and / or default by the Consultant.

Consultant shall immediately report any attempt by an Authority officer or employee to solicit such improper consideration. The Report shall be made to the Executive Director of the Authority.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

Section 19.5 Consultant Responsibility and Debarment

A responsible Consultant is a Consultant who has demonstrated the attribute of

trustworthiness, as well as fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Authority to conduct business only with responsible consultants.

The Consultant is hereby notified that, if the Authority acquires information concerning the performance of the Consultant on this or other contracts which indicated that the Consultant is not responsible, the Authority may, in addition to other remedies provided in the contract, debar the Consultant from bidding on the Authority contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Consultant may have with the Authority.

The Authority may debar a consultant if the Board of Commissioners finds, in its discretion, that the Consultant has done any of the following: (1) violated any term of a contract with the Authority, (2) committed any act or omission which negatively reflects on the Consultant's quality, fitness or capacity to perform a contract with the Authority or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County, the Commission or the Authority or any other public entity.

If there is evidence that the Consultant may be subject to debarment, the Authority will notify the Consultant in writing of the evidence, which is the basis for the proposed debarment and will advise the Consultant of the scheduled date for a debarment hearing before the Consultant Hearing Board.

The Consultant hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Consultant and/or the Consultant's representative shall be given an opportunity to submit evidence at the hearing. After the hearing, the Consultant Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the consultant should be debarred, and, if so, the appropriate length of time of the debarment. If the Consultant fails to avail itself of the opportunity to submit evidence to the Consultant Hearing Board, the Consultant may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision and any other recommendation of the Consultant hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board. These terms shall also apply to subconsultants of the Consultant.

Section 20.0 Remedies

- a. The rights and remedies of the Authority provided for under this contract are in addition to any other rights and remedies provided by law.

- b. The Authority may assert, either during or after performance of this Agreement any right of recovery it may have against Consultant by any means it deems appropriate including, but not limited to, set-off, action at law, withholding, recoupment, or counterclaim.
- c. The rights and remedies of the Authority under this Agreement are in addition to any right or remedy provided by California law.

Section 21.0 Compliance with Jury Service Program

Unless Consultant has demonstrated to the Authority's satisfaction either that Consultant is not a "Consultant" as defined under the Jury Service Program or that Consultant qualifies for an exception to the Jury Service Program, Consultant shall have and adhere to a written policy that provides that its employees shall receive from the Consultant, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Consultant or that the Consultant deduct from the employee's regular pay the fees received for jury service.

For purposes of this Section, "Consultant" means a person, partnership, corporation or other entity which has a contract with the Authority or a subcontract with a Authority Consultant and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Authority contracts or subcontracts. "Employee" means any California resident who is a full time employee of Consultant. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Authority, or 2) Consultant has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Consultant uses any subconsultant to perform services for the Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

If Consultant is not required to comply with the Jury Service Program when the Contract commences, Consultant shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Consultant shall immediately notify Authority if Consultant at any time either comes within the Jury Service Program's definition of "Consultant" or if Consultant no longer qualifies for an exception to the Program. In either event, Consultant shall immediately implement a written policy consistent with the Jury Service Program. The Authority may also require, at any time during the Contract and at its sole discretion, that Consultant demonstrate to the Authority's satisfaction that Consultant either continues to remain outside of the Jury Service Program's definition of "Consultant" and/or that Consultant continues to qualify

for an exception to the Program.

Consultant's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, the Authority may, in its sole discretion, terminate the Contract and/or bar Consultant from the award of future Authority contracts for a period of time consistent with the seriousness of the breach.

Section 22.0 Certification Regarding Lobbying

Consultant is prohibited by the Department of the Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 Code of the Federal Regulations (CFR) 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal agreement, the making of any Federal grant, loan or cooperative agreement, and any extension, continuation, renewal, amendment, or modification of said documents.

The Consultant must certify in writing that it is familiar with the Federal Lobbyist Requirements and that all persons and/or subconsultants acting on behalf of the Consultant will comply with the Lobbyist Requirements. The signed County and Federal Lobbyist Certifications submitted with the Agreement are incorporated herein.

In the event that any provision herein contained is held to be invalid, void or illegal by

any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

Section 26.0 Interpretation

No provision of this Agreement is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Agreement is to be construed as if it were drafted by both parties hereto.

Section 27.0 Waiver

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision of this Agreement shall not be deemed to be a waiver of any other breach of the same or any other provision hereof.

Neither the Authority's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the Authority in accordance with applicable law for all damages to the Authority caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

Section 28.0 The Authority's Quality Assurance Plan

The Authority or its agent will evaluate Consultant's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Consultant's compliance with all Agreement terms and performance standards. Consultant deficiencies which the Authority determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Authority and Consultant. If improvement does not occur consistent with the corrective action measures, the Authority may terminate this Agreement or impose other penalties as specified in the Agreement.

A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Agreement to evaluate the performance of the Consultant. Based on the assessment of the performance review, as determined by the Authority in its sole discretion, written notification will be given to the Consultant whether this Agreement will be terminated at the end of the current year or will be continued into the next Agreement year.

Section 30.0 Adherence to the Authority's Child Support Compliance Program

Consultant acknowledges that the Authority has established a goal of ensuring that all individuals who benefit financially from the Authority through this Agreement are in compliance with their court-ordered child, family and spousal obligations in order to mitigate the economic burden otherwise imposed upon taxpayers of the County.

As required by the Authority's Child Support Compliance Program and without limiting Consultant's duty under this Agreement to comply with all applicable provisions of law, Consultant warrants that it is now in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of Wages and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Termination for Breach of Warranty to Maintain Compliance with the Authority's Child Support Compliance Program

Failure of Consultant to maintain compliance with the requirements set forth in this Section 30.0 "Adherence to the Authority's Child Support Compliance Program" shall constitute a default by Consultant under this Agreement. Without limiting the rights and remedies available to the Authority under any other provision of the Agreement, failure to cure such default within ninety (90) days of notice by the Los Angeles County District Attorney shall be grounds upon which the Authority's Board of Commissioners may terminate this Agreement.
