The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AN AGREEMENT FOR
MEDICAL RECORDS STORAGE AND RETRIEVAL MANAGEMENT SERVICES
WITH TRI-CITY ARCHIVES, INC.
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board to sign the attached agreement with Tri-City Archives, Inc., to provide medical records storage and retrieval management services for a term of three (3) years, with options to extend for two (2) one-year optional periods, and thereafter for another six months in any increment, effective upon Board approval.
2. Authorize the Sheriff to execute applicable documents when the original contracting entity has merged, been purchased, or has otherwise changed; and to modify the agreement within the conditions specified in the agreement, including authority to exercise the extension provisions, if, at the Sheriff's discretion, such extensions would be in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to enable the Sheriff's Department to store and retrieve medical records, files, and x-ray films to comply with the California Code of Regulations, Title 22, and Federal Law 42 CFR 482.24(b) (1).

A Tradition of Service

Implementation of Strategic Plan Goals

The recommended services support the County's Strategic Goal No. 1, Service Excellence and Goal No. 4, Fiscal Responsibility, by allowing Medical Services Bureau to maintain easy access to medical records, files, and x-ray films, and to retain these records as mandated by the California Code of Regulation, Title 22, for the required seven years retention period. It will also maximize its financial and physical resource, allowing the Sheriff's Department to fulfill its legally mandated responsibility to the inmates and the public.

FISCAL IMPACT/FINANCING

The Sheriff's Department has identified funding in the amount of \$65,000 in Fiscal Year 2004-05 operating budget. The Department will continue to allocate the funds required to continue these services throughout the duration of this agreement.

The total amount paid under this agreement will depend on the services needed by the Sheriff's Department. The charges are based on service unit price. The service unit price will remain constant throughout the duration of this agreement. The estimated maximum annual agreement cost will not exceed the fiscal year operating budget amount.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Sheriff's Department's Medical Services Bureau provides medical care for over 12,000 inmates and creates an average of 6,000 medical charts monthly, including x-rays if needed. California Code of Regulations, Title 22, Sections 51476, 70751 and 71551 mandate the safe maintenance and storage of patient medical records and x-ray films for seven (7) years after discharge of the patient and in the case of unemancipated minors, at least one (1) year after the minor reaches 18 years of age, but in any event, no less than seven (7) years. The medical records and x-ray films must be easily accessible and available within a 24-hour notice for use by Medical Services' staff or in response to a subpoena. Federal Law 42 CFR 482.24(b) (1) requires retention of medical records for Medicare and Medi-Cal beneficiaries for at least five (5) years. Due to the lack of space in the Correctional Services Division, medical records and x-ray films must be stored in an outside storage facility.

Off-site medical records and x-ray films storage and retrieval services include, but are not limited to, receiving, packing, transporting, inventory, filing, storing, retrieving, and destroying at County's request, such medical records and x-ray films.

The term of this agreement with Tri-City Archives, Inc., commences on the date the agreement is authorized by your Board.

The terms and conditions of this agreement have been approved as to form by County Counsel.

The vendor is in compliance with all Board, Chief Administrative Office, and County Counsel requirements, including Jury Services and Surrendered Baby Law.

This is not a Proposition A Agreement, therefore, the Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended agreement.

CONTRACTING PROCESS

The Sheriff's Department secured a purchase order through Internal Services Department for medical records storage and retrieval management services. In order to continue this service before the delegated authorized amount reached its limit, an Invitation for Bids (IFB) solicitation was released for the purpose of obtaining a Board approved agreement for the services.

The Sheriff's Department issued an IFB for the provision of medical records storage and retrieval management services. The IFB was mailed to ten (10) vendors. In addition, the solicitation was posted on the Los Angeles County Web site. On the closing of the bid deadline, the Sheriff's Department received six (6) bids. The Evaluation Committee reviewed the bids and determined that Tri-City Archives, Inc., was the responsive and responsible lowest bidder. All bidders were notified of the results of this solicitation.

The contractor was selected without regard to gender, race, creed, or color for the award of the agreement.

IMPACT ON CURRENT SERVICES

There will be no negative impact on current Sheriff's operations and services.

The Honorable Board of Supervisors

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County.

8.8.2 Written Employee Jury Service Policy.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of

"Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of

time of the debarment. The Contractor and the Sheriff's Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. 8.24.3 Failure to Maintain Coverage: Failure by the Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to the County, shall constitute a material breach of the Contract upon which the

County may immediately terminate or suspend this Contract. The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance coverage, and without further notice to the Contractor, the County may deduct from sums due to the Contractor any premium costs advanced by the County for such insurance.

Should the Contractor fail to correct deficiencies within said time frame, the Sheriff may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in Sub-paragraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

8.31.4 If County fails to continue without delay to perform its responsibilities under the Contract which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. 8.31.6 Documentation of Dispute Resolution Procedures - All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Paragraph 8.31, Dispute Resolution Procedure, the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's

maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 SUBCONTRACTING

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.40.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including

those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 8.40.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.
- 8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Betty Jackson, Contract Analyst
Los Angeles County Sheriff's Department
Contracts Unit – Fiscal Administration
4700 Ramona Boulevard
Monterey Park, California 91754

before any subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.15 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Board of Supervisors may terminate this Contract pursuant to Sub-paragraph 8.43 - Termination for Default and pursue debarment, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as though work is not being terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.38, Record Retention & Inspection/Audit Settlement.

8.43 TERMINATION FOR DEFAULT

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:

- Contractor has materially breached this Contract;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or any obligations of this Contract, and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the

performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.43.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the

provisions of this Sub-paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.42 - Termination for Convenience.

- 8.43.5 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.43.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.43.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the Sheriff, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this

Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.23 - Indemnification.

8.43.6 The rights and remedies of the County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Sub-paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the

Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a

waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 CONTRACTOR'S OBLIGATIONS UNDER HEALTH INSURANCE PORTABILITY & ACCOUNTABILITY ACT (HIPAA)

Under this Agreement, Contractor provides services to County and Contractor receives, has access to, and/or creates Protected Health Information, as defined below, in order to provide those services. County is subject to the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) and regulations promulgated under HIPAA, including the "Standards for Privacy of Individually Identifiable Health Information" which are located in Title 45 of the Code of Federal Regulations, Parts 160 and 164 ("Privacy

Regulations”). The Privacy Regulations mandate certain protections for the privacy and security of Protected Health Information. The Privacy Regulations also require County to enter into an agreement with Contractor in order to obtain satisfactory assurance from Contractor that Contractor will appropriately safeguard the Protected Health Information. Disclosure to or use of Protected Health Information by Contractor is prohibited if such an agreement is not in place. Therefore, the parties agree as follows:

9.1 DEFINITIONS

the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Contractor from or on behalf of County, or is created by Contractor, or is made accessible to Contractor by County.

9.1.4 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

9.1.5 "Services" has the same meaning as in this Agreement.

9.1.6 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Contractor's internal operations.

9.1.7 Terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the Privacy Regulations.

9.2 OBLIGATIONS OF CONTRACTOR

9.2.1 Permitted Uses and Disclosures of Protected Health Information. CONTRACTOR:

- (a) Shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sections 9.2.3, 9.2.4, 9.2.5, 9.2.6, 9.2.7, 9.2.8, 9.4.3 and 9.5.2.

Contractor shall not Use or Disclose Protected Health Information for any other purpose.

9.2.2 Adequate Safeguards for Protected Health Information.

Contractor warrants that it shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Agreement. Contractor agrees to limit the Use and Disclosure of Protected Health Information to the

minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

9.2.3 Reporting Non-Permitted Use or Disclosure. Contractor shall report to County each Use or Disclosure that is made by Contractor, its employees, representatives, agents or subcontractors, but is not specifically permitted by this Agreement. The initial report shall be made by telephone call to the appropriate Department, within forty-eight (48) hours from the time the Contractor first becomes aware of the non-permitted Use or Disclosure, as follows:

9.2.4 Mitigation of Harmful Effect. Contractor agrees to mitigate, to the extent practicable, any harmful effect that is known to Contractor of a Use or Disclosure of Protected Health Information by Contractor in violation of the requirements of this Agreement.

9.2.5. Availability of Internal Practices, Books and Records to Government Agencies. Contractor agrees to make its

internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining County's compliance with the Privacy Regulations. Contractor shall immediately notify County of any requests made by the Secretary and provide County with copies of any documents produced in response to such request.

9.2.6 Access to Protected Health Information. Contractor shall, to the extent County determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by County available to the Individual(s) identified by County as being entitled to access and copy that Protected Health Information. Contractor shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from County. Contractor shall provide copies of that Protected Health Information within five (5) business days after receipt of request from County.

9.2.7 Amendment of Protected Health Information. Contractor shall, to the extent County determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by County. Contractor shall make such amendment within ten (10) business days after receipt of request from County in order for County to meet the requirements under 45 C.F.R. § 164.526.

9.2.8 Accounting of Disclosures. Upon County's request, Contractor shall provide to County an accounting of each Disclosure of Protected Health Information made by Contractor or its employees, agents, representatives or subcontractors. However, Contractor is not required to provide an accounting of Disclosures that are necessary to perform the Services if such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Contractor under this Section 9.2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 9.2.8, Contractor shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Contractor shall provide to County, within ten (10) business days after receipt of request from County, information collected in accordance with this Section 9.2.8 to permit County to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

9.3 OBLIGATION OF COUNTY

9.3.1 Obligation of County. County shall notify Contractor of any current or future restrictions or limitations on the use of Protected Health Information that would affect Contractor's

performance of the Services, and Contractor shall thereafter restrict or limit its own uses and disclosures accordingly.

9.4 TERM AND TERMINATION

9.4.1 Term. Contractor's obligations under Sections 9.2.1 (as modified by Section 9.4.2), 9.2.3, 9.2.4, 9.2.5, 9.2.6, 9.2.7, 9.2.8, 9.4.3 and 9.5.2 shall survive the termination or expiration of this Agreement.

9.4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon County's knowledge of a material breach by Contractor, County shall either:

(a) Provide an opportunity for Contractor to cure the breach or end the violation, and terminate this Agreement if Contractor does not cure the breach or end the violation within the time specified by County; or

(b) Immediately terminate this Agreement if Contractor has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination or cure are feasible, County shall report the violation to the Secretary of the federal Department of Health and Human Services.

9.4.3 Disposition of Protected Health Information Upon Termination or Expiration

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Contractor shall return or destroy all

Protected Health Information received from County, or created or received by Contractor on behalf of County. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the Protected Health Information.

(b) In the event that Contractor determines that returning or destroying the Protected Health Information is infeasible, Contractor shall provide to County notification of the conditions that make it infeasible. If return or destruction is infeasible, Contractor shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such Protected Health Information.

9.5 MISCELLANEOUS

9.5.1 No Third Party Beneficiaries. Nothing in this Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

9.5.2 Use of Subcontractors and Agents. Contractor shall require each of its agents and subcontractors receiving Protected Health Information from Contractor, or creating Protected Health Information for Contractor, on behalf of County, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Agreement.

- 9.5.3 Relationship to Contract Provisions. In the event that a provision of this Agreement is contrary to any other provision of the Contract, the provision of this Agreement shall control.

10.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 10.1 This Contract is subject to the provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 10.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 10.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit,

report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

10.4 If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

10.4.1 Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

10.4.2 In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

10.4.3 Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply if Contractor is no longer eligible for certification as a result in a change of their status and Contractor failed to notify the State and the County's Office of Affirmative Action Compliance of this information.
