Dear Supervisors:

STREET LIGHTING DISTRICTS
ANNEXATION TO COUNTY LIGHTING MAINTENANCE DISTRICT 10049
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
PETITION NOS. 78-501 AND 37-203
CITY OF INDUSTRY
SUPERVISORIAL DISTRICT 1
3 VOTES

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and file the enclosed Petition Nos. 78-501 and 37-203 for the annexation of territories to County Lighting Maintenance District 10049 and the installation, operation, and maintenance of street lights located therein.

2. Adopt the enclosed Resolution of Intention to Annex Territories to County Lighting Maintenance District 10049. Maps showing areas proposed for annexation are enclosed.

3. Set March 22, 2005, as the date of the public hearing regarding the proposed annexation of territories to County Lighting Maintenance District 10049.

4. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territories to be annexed and to publish the notice of public hearing once a week for two consecutive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Determine that the territories proposed for annexation to County Lighting Maintenance District 10049 will be benefited by the annexation, and order that the boundaries of the district be altered to include such territories.

2. Adopt the enclosed Resolution Ordering Annexation of Territories to County Lighting Maintenance District 10049, and the enclosed Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of Petition Nos. 78-501 and 37-203 to County Lighting Maintenance District 10049, either as proposed or as modified by your Board.

3. Instruct the Executive Officer of the Board to file a copy of the Resolution Ordering Annexation and the Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This recommended action is for your Board to annex the territories into County Lighting Maintenance District 10049 for street lighting purposes, and to approve the exchange of property tax revenues among those nonexempt agencies whose service area is subject to the jurisdictional change.

The City of Industry, as part of citywide roadway improvement projects, has installed street lights on Azusa Road within Petition No. 78-501 and is proposing to install lights on Currier Road within Petition No. 37-203. Petition Nos. 78-501 and 37-203 for the annexation of territories to County Lighting Maintenance District 10049 were signed by property owners representing 82 and 65 percent, respectively, of the areas proposed for annexation. This complies with the 60 percent or more requirements in the policy adopted by your Board on March 11, 1980.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as this annexation and property tax transfer provides the funding necessary for the operation and maintenance of street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2004-05 budget for County Lighting Maintenance District 10049 to pay the annual operational cost of street lights within the annexation areas. Street light operation and maintenance costs within County Lighting Maintenance District 10049 is primarily funded by ad valorem property taxes collected from benefited property owners, supplemented by funding from the City. All installation costs for the street lights will be paid for by the City of Industry.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation.

Affected agencies must approve and accept the negotiated exchange of property tax revenues pursuant to Section 99.01 of the Revenues and Taxation Code by resolution. For those agencies with their own governing boards who fail to adopt a resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The City of Industry has executed the Resolution Granting Consent and Jurisdiction to the County of Los Angeles in the matter of annexation for Petition Nos. 78-501 and 37-203. This resolution is on file with Public Works. The Resolutions approving and accepting the negotiated exchange of property tax revenues have been approved by the City of Industry and other nonexempt taxing agencies and are enclosed for your consideration.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58852 et seq. of the Government Code. A copy of the diagram showing the boundaries of the areas proposed for annexation are included with the Resolution of Intention.

Following your Board's approval of the annexation and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code. The enclosed resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be approved, please return one approved copy of this letter and the signed Resolutions to Public Works and one approved copy of the letter and Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,
