The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 4 TO MENTAL HEALTH  
SERVICES AGREEMENT – LEGAL ENTITY WITH ASC TREATMENT  
GROUP DBA THE ANNE SIPPI CLINIC  
FOR FISCAL YEARS 2004-2005 AND 2005-2006  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Authorize the Director of Mental Health or his designee to prepare, sign, and execute Amendment No. 4 (substantially similar to the Attachment) to Contract No. DMH-01755 with ASC Treatment Group dba The Anne Sippi Clinic (Anne Sippi) to fund a Medi-Cal certified clinic for 20 clients residing at the Anne Sippi residential treatment site. The Amendment will increase the Maximum Contract Amount (MCA) by \$120,370, to \$711,183, for Fiscal Year (FY) 2004-2005 and by \$415,527, to \$824,837, for FY 2005-2006. The increase in MCA is fully funded by Sales Tax Realignment Funds and Non Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) - Federal Financial Participation (FFP) Medi-Cal revenue, which is included in the FY 2004-2005 Adopted Budget and will be requested in the FY 2005-2006 budget process. The Amendment will be effective upon Board approval.
2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to the Agreement with Anne Sippi, and establish as a new MCA the aggregate of the original Agreement and all amendments through and including this Amendment, provided that: 1) the County's total payments to the Contractor under the Agreement for each fiscal

*“To Enrich Lives Through Effective And Caring Service”*

year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designees is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Anne Sippi is an integral component of the Department of Mental Health's (DMH) plan to reduce the Psychiatric Emergency Services (PES) demand at the four (4) County hospitals. Augmented residential resources, such as Anne Sippi, will support people in community living as an alternative to acute psychiatric inpatient and long-term institutional care.

The purpose of the requested actions is to enable Anne Sippi to provide a Medi-Cal certified clinic off-site from its residential location, to serve DMH clients placed at the residential site. The Department currently contracts for residential treatment services for 18 clients, funded by County General Fund (CGF). The requested action will supplement the existing CGF in the contract and allow it to be matched by FFP revenue for Medi-Cal reimbursable outpatient services, thus providing sufficient funding for mental health services for 20 persons, including two (2) uninsured individuals.

### **Implementation of Strategic Plan Goals**

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Organizational Goal No. 1, "Service Excellence: provide the public with easy access to quality information and services that are both beneficial and responsive," and Goal No. 3, "Organizational Effectiveness: ensure that service delivery systems are efficient, effective, and goal-oriented."

### **FISCAL IMPACT/FINANCING**

There is no impact on net County cost.

For FY 2004-2005, the Amendment of \$120,370, fully funded by \$58,333 of Sales Tax Realignment Funds and \$62,037 of projected FFP Medi-Cal revenue, making the revised MCA \$711,183, is included in the FY 2004-2005 Adopted Budget. The Board approved the Augustus F. Hawkins PES Relief Plan on November 23, 2004, which provided the Sales Tax Realignment Funds for this Amendment. The Non EPSDT – FFP Medi-Cal will be funded by existing appropriation included in the FY 2004-2005 Adopted Budget.

For FY 2005-2006, the Amendment of \$415,527 is fully funded by \$44,322 of Sales Tax Realignment Funds and \$371,205 of projected FFP Medi-Cal revenue, which will be requested during the budget process. The revised MCA for FY 2005-2006 is \$824,837.

The one-time funding for both FY 2004-2005 and FY 2005-2006 was identified for augmented residential care services in the PES Relief Plan approved by your Board on November 23, 2004.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Anne Sippi facility, established in Los Angeles County in 1978 at 2457 Endicott Street, Los Angeles, CA 90032, provides a 37-bed residential mental health treatment program. The facility, licensed by Community Care Licensing as an Adult Residential Facility, serves mentally ill clients, including both Lanterman-Petris-Short (LPS) conservatees and voluntary clients, who require intensive support to maintain stable community placement and to prepare for more independent community living. In addition to Los Angeles County, the program serves individuals from Kern, Contra Costa, San Diego, Riverside, San Bernardino, and Orange counties.

DMH has had a contract with Anne Sippi since 1998 to serve eight (8) clients at the rate of \$140 per day, funded by CGF. During June through August 2003, the number of persons placed at the facility was increased from 8 to 18, with the intent of partially supporting this increase by providing the mental health services component through a Medi-Cal certified clinic. DMH uses the Anne Sippi residential facility to place clients from long-term care institutions who have been evaluated as ready for community living with intensive mental health support. Clients that receive Supplemental Security Income (SSI) pay the SSI Adult Residential Care rate as a share of cost, which is reported as third-party revenue to the legal entity Agreement with DMH.

The proposed Medi-Cal certified clinic, located at 10012 Norwalk Blvd., Suite 110, Santa Fe Springs, CA 90670, will provide mental health services for 20 DMH clients who reside at the Endicott site. Contingent upon available funding, services will be offered to other community residents. Program services will include medication support, individual/group treatment, family groups and activities, crisis intervention, and case management to ensure community linkage and support on discharge from the program. Staffing will consist of a multi-disciplinary team of mental health workers who will provide mental health services five (5) days per week at the clinic and be available 24/7 at the residential site. Transportation will be provided to the clinic from the residential site during program hours.

The proposed actions have been reviewed and approved by County Counsel, the CAO, and DMH's Director, Program, and Fiscal staff.

#### **CONTRACTING PROCESS**

The proposed action can be accomplished by Amendment to the existing Anne Sippi contract.

#### **IMPACT ON CURRENT SERVICES**

Board approval will allow the establishment of a Medi-Cal certified clinic that will provide mental health services for severely mentally ill clients, including both LPS mental health conservatees and voluntary clients, who reside at the Anne Sippi residential location. The Medi-Cal certified clinic will allow DMH to use CGF as match to claim FFP revenue for Medi-Cal reimbursable outpatient services, thus reducing the amount of CGF required per client and adding the capacity for two (2) uninsured clients at any given time.

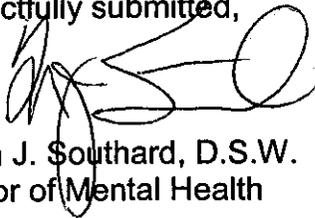

Funding for augmented residential care services for both FY 2004-2005 and FY 2005-2006 was identified in the DMH Psychiatric Emergency Services (PES) Relief Plan. As referenced in the Purpose section above, Anne Sippi is an integral component of DMH's plan to reduce PES demand at the four (4) County hospitals. Augmented residential resources, such as Anne Sippi, will support people in community living as an alternative to acute psychiatric inpatient and long-term institutional care.
