Honorable Board of Commissioners
Community Development Commission
of the County of Los Angeles

500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE THE COMMUNITY DEVELOPMENT COMMISSION'S FIVE-YEAR
RENEWAL OPTION AND LEASE AMENDMENT FOR
2 CORAL CIRCLE, MONTEREY PARK (1)
(3 VOTE)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the five-year option to renew the Community Development Commission's lease at 2 Coral Circle, Monterey Park is exempt from the California Environmental Quality Act (CEQA), as described herein, because the option and Second Amendment to Lease and Agreement (Agreement) do not have the potential for causing a significant effect on the environment.
2. Approve the Commission's five-year option to renew and authorize the Executive Director to execute the attached Agreement, and all related documents, to extend the term of the current lease with Miller Brothers Coral Circle LLC (Landlord), for 85,300 square feet of administrative office space at 2 Coral Circle, at an initial annual base rent of \$1,165,716.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

Exercising the five-year option to renew will provide the Commission with continued use of administrative office space for the conduct of Commission and Housing Authority programs.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund.

On March 27, 2005, the Commission became a holdover tenant pursuant to the terms of the original Lease dated July 26, 1994. The Commission will be exercising the first five-year option to renew, which will commence upon execution by all parties thereto. The Housing Authority will pay a portion of the annual rent, as authorized through the annual budget process.

Over the five-year option period, the lease base rent will be funded using a maximum aggregate of up to \$5,828,580. The rental costs are 100 percent net Commission costs.

The fixed monthly base rent for the five-year option will be \$97,143, of which \$291,429 will be paid using funds contained in the Commission and Housing Authority's approved Fiscal Year 2004-2005 budgets. Future rental costs will be paid using funds approved through the Commission and Housing Authority's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The initial term of the lease commenced on March 27, 1995 and terminated on March 26, 2005. The Commission is a holdover tenant pursuant to the terms of the original Lease. There are two five-year renewal options. The proposed first five-year option renewal will provide the uninterrupted use of 85,300 square feet of administrative office space and 323 parking spaces. The option extends the term of the lease as amended by the Agreement, which contains the following provisions:

- The building owner concurs that this letter, when approved, and the Amendment, when fully executed by the parties thereto, will suffice to exercise the option to renew the term and no other documentation is necessary;
- The five-year option renewal term will commence upon execution by all parties thereto and terminate on March 26, 2010;
- The current fixed monthly base rent will increase from \$49,474 to \$97,143.
- One option to renew the term for an additional five years remains.

The net lease provides for Commission responsibility for insurance, property taxes, interior maintenance, utilities, janitorial service, supplies, parking and landscaping.

Commission staff contracted with Lea Associates, Inc., to conduct a fair market rental value appraisal of the building. The analysis found that the fair market rental rate for the building is approximately equal that negotiated with the Landlord.

The attached Agreement has been approved as to form by County Counsel and executed by the Landlord. The Agreement will be effective upon approval by the Board and execution by the Executive Director.

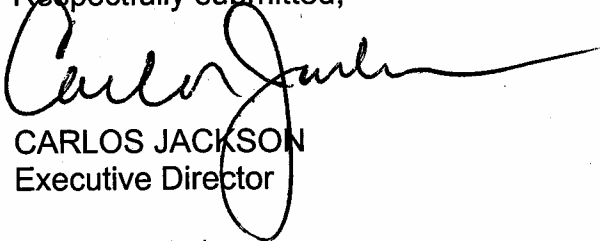

ENVIRONMENTAL DOCUMENTATION:

This project is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to Title 24, Code of Federal Regulations, Part 58, Section 58.34 (a)(3) because it involves activities that will not alter existing environmental conditions. It is exempt from the provisions of CEQA pursuant to State CEQA Guidelines Sections 15060(c)(3) and 15378 because the activities are not defined as a project under CEQA and therefore do not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT PROGRAMS:

The lease option renewal will provide continued administrative office space for the conduct of the Commission and the Housing Authority programs and activities.

Respectfully submitted,

CARLOS JACKSON
Executive Director
