July 5, 2005

Agenda Date: July 19, 2005

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

ADOPT AND ADVERTISE
JOB ORDER CONTRACTS
(ALL DISTRICTS - 3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Job Order Contract July 2005 Unit Price Books and July 2005 Specifications for the repair and refurbishment of various County facilities and instruct the Executive Officer to advertise for bids for ten (10) Job Order Contracts on July 25, 2005, in accordance with the attached "Instruction Sheet for Publishing Legal Advertisements."

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Internal Services Department (ISD) uses Job Order Contracts (JOC) to augment ISD's ability to effectively respond to a broad array of County repair, maintenance, and refurbishment projects. JOC is a flexible, cost-effective unit price contracting technique to accomplish repair, maintenance, and refurbishment of County facilities. In order for ISD to solicit bids for any new JOC awards, the Board must adopt the JOC Unit Price Books and Specifications and instruct the Executive Office to advertise for bids.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goals No. 1 and No. 4 for Service Excellence and Fiscal Responsibility. More specifically, it aligns with these goals by providing timely facilities services, effectively managing County resources and investing in public infrastructure.

FISCAL IMPACT/FINANCING:

There is no anticipated fiscal impact to the County from these recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Board approval of the recommended actions is required by Public Contract Code Sections 20124 and 20125. The Specifications contain all of the Board, CAO, and County Counsel required provisions related to contracting

ENVIRONMENTAL DOCUMENTATION

California Environmental Quality Act (CEQA) requires public agency decision makers to document and consider the environmental implications of their actions.

JOC projects provide facilities repairs, maintenance, and refurbishment services requested by County Departments, which are generally categorically exempt under CEQA. ISD will file all required Notices of Exemption for each categorically exempt project as required by CEQA. Your Board will be asked to make environmental determinations for any projects which are not categorically exempt.

CONTRACTING PROCESS:

Advertising for bids will be in accordance with the County's standard "Instruction Sheet for Publishing Legal Advertisements" and the contracting opportunity will be posted on the County's website. Following receipt of bids, we will return to your Board in the Fall to request approval to award the JOCs.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

There is no employee impact. JOCs are intended to augment, but not replace the County workforce, and to ensure our ability to respond to emergent requirements.

CONCLUSION:

Your approval of the recommendation will provide the resources necessary for ISD to provide timely facility project services to County departments and agencies. Please return one stamped copy of the approved Board letter to ISD.

Respectfully submitted,

Dave Lambertson
Director
