NATIONAL ASSOCIATION OF COUNTIES AWARD WINNER
VIP POLL WORKER PROGRAM

I am pleased to announce that the Registrar-Recorder/County Clerk is the recipient of the 2005 Achievement Award from the National Association of Counties (NACo) for our innovative approach to poll worker recruitment strategies, specifically acknowledged is our VIP poll worker program.

This prestigious achievement award is presented to those entrants who "demonstrate the willingness to tackle tough problems, find realistic solutions and try to do more with less" (Larry Naake, NACo Executive Director).

VIP poll workers (see attached list and photo display) include County Board of Supervisors and key staff and Department Heads. Many of our County's VIP volunteers are now veteran poll workers, with this election marking their fourth or fifth time serving the community. They postponed meetings and rearranged already hectic schedules in order to serve the voters of Los Angeles County for over 13 hours on Election Day.

These impressive County leaders inspire all County employees with their volunteer spirit and truly embody excellence in public service. Record numbers of County employees (4,118) including forty-five VIP poll workers, signed on to serve voters during the 2004 Presidential Election.
