### **LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY STORM DAMAGE REPAIRS**

As a result of the February 3, 2005, rainstorm, a landslide occurred on Ramirez Canyon Road, Malibu, exposing a portion of an 8-inch-diameter water main. Additionally, the storm caused flooding and land movement at the La Costa Tank site. W. A. Rasic Construction Company was called to assist District staff to install a temporary above ground 2-inch-diameter water main to serve existing customers until Ramirez Canyon Road is reconstructed and to repair and clean up the La Costa Tank site. The work was completed on March 15, 2005, at an estimated cost of \$40,000.

W. A. Rasic Construction Company is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
