The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ADOPTION OF A RESOLUTION APPROVING THE ASSIGNMENT OF RIGHT TO
APPLY FOR FUNDS UNDER THE SAFE NEIGHBORHOOD PARKS PROPOSITION
OF 1996 TO THE CITY OF MANHATTAN BEACH
(4TH DISTRICT)(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this action is exempt from the California Environmental Quality Act (CEQA) pursuant to Class 4 of the County's Environmental Document Reporting Procedures and Guidelines.
2. Adopt the attached resolution authorizing the right to apply for funds under Section (3), Subsection (b), Paragraph (1) of the Safe Neighborhood Parks Proposition of 1996 (1996 Proposition) to the City of Manhattan Beach for \$100,000 for its El Porto Retaining Wall Project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended action will allow the Department of Beaches and Harbors (Department) to assign the right to apply for \$100,000 from the \$8,000,000 allocated to the Department under Section (3), Subsection (b), Paragraph (1) of the 1996 Proposition to the City of Manhattan Beach.

The 1996 Proposition allocated \$8,000,000 to the Department for improvement of beaches owned or operated by the County. The County may assign its right to apply for these funds to other agencies to implement the intent of the Proposition. The Department will assign its right to apply to the City of Manhattan Beach. The City of Manhattan Beach will apply the \$100,000 to supplement other City, Federal, and 1996 Proposition funds to reconstruct the El Porto parking lot retaining wall.

In a related action on today's agenda, the Los Angeles County Regional Park and Open Space District (District) is requesting your Board's approval to allow the transfer of \$100,000 to the City of Manhattan Beach.

Following is a brief description of the project that the City will be accomplishing with these funds:

Manhattan Beach El Porto Parking Lot Retaining Wall

The City of Manhattan Beach is reinforcing the retaining wall immediately west of the El Porto parking lot extending from 45th Street to Rosecrans Avenue (approximately 1,900 feet in length). The Los Angeles County Public Works Department has participated on the design of the project, which includes the placement of a soldier-pile wall in front of the existing retaining wall that will remain intact. The El Porto retaining wall provides support for the vehicular parking lot and separates the parking lot from the beach area. The total cost for this improvement is estimated at approximately \$2 million, and the project-funding sources include City, Federal, and 1996 Proposition funds.

Implementation of Strategic Plan Goals

The proposed recommendations further the Board-approved County Strategic Plan Goals of Service Excellence (Goal 1) and Children and Families' Well-being (Goal 5) by allowing the City of Manhattan Beach to complete a beach capital improvement, thereby enhancing the safety of beachgoers and improving public access to and enjoyment of a major beach in the County.

FISCAL IMPACT/FINANCING

Sufficient funds in the amount of \$100,000 are appropriated in the District's Assessment Project Fund (HB4) under Other Charges for these projects. The City of Manhattan Beach will be required to provide assurances to the District that the funds will be expended in accordance with the intent of the 1996 Proposition and the procedural guidelines adopted by your Board, acting as Board of the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 1996 Proposition set forth various deadlines for agencies to encumber funds allocated to them in the Proposition and further set forth procedures for agencies to request reallocation of those funds. Specified Project funds identified in Section (3), Subsection (b), Paragraph (1) of the 1996 Proposition are subject to reallocation by your Board under the provisions of Section (5), Subsection (e) of the 1996 Proposition. An alternative plan for expenditure to amend specific identified projects or for expenditure of these funds after July 1, 2003 may be approved, allowing for the expenditure of funds in accordance with the purposes of the 1996 Proposition within the area of the District in which funds were originally authorized to be expended.

The attached resolution has been reviewed and approved by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This action is exempt from the California Environmental Quality Act (CEQA) pursuant to Class 4 of the County's Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987. Projects funded through the District are required to undergo the applicable CEQA review.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These actions will have no impact on other projects funded through the District but will provide the City of Manhattan Beach with full funding for its parking lot retaining wall project.

CONCLUSION

Please instruct the Executive Officer-Clerk of the Board to return one conformed copy of the resolution, along with one approved copy of this letter, each to the Chief Administrative Office, Capital Projects Division, to the Los Angeles County Regional Park and Open Space District, and to the Department of Beaches and Harbors.

Respectfully submitted,

Stan Wisniewski
