County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**FINDINGS AND ORDERS OF THE
BUILDING REHABILITATION APPEALS BOARD
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the findings and orders of the Building Rehabilitation Appeals Board which provide for abatement of public nuisance at the following locations:

1649 North Sinaloa Avenue, Pasadena
17800 Highacres Avenue, Palmdale

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Title 26 of the Los Angeles County Code, the Building Code, provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99. The Building Code also provides for a Building Rehabilitation Appeals Board, appointed by your Board, for the purpose of hearing appeals on matters concerning public nuisances.

Government Code Section 25845 requires that the property owners be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance by the County. However, your Board adopted modified procedures which delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to your Board.

Implementation of Strategic Plan Goals

This action meets the County Strategic Plan Goals of Service Excellence and Children and Families' Well-Being as it provides services to the public that have a wide-reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions which constitute a public nuisance. It will require the repair of a substandard structure and the removal of trash, junk, debris, inoperable vehicles, and overgrown vegetation from private property.

FISCAL IMPACT/FINANCING

There will be no negative fiscal impact or increase in net County cost.
