SUBJECT: **EXPANSION OF THE TUTORING/MENTORING PROGRAM IN THE
SECOND DISTRICT**

This memo is to provide a status report on the department's progress with establishing a Tutoring/Mentoring (T/M) program in the Second District.

In our last communication, I informed your Board that the Department would begin the process of implementing a T/M program at L.A. Southwest College. This process begins with determining the identified institution's desire to enter into such an agreement. After three separate attempts, we still have not been able to establish L.A. Southwest's commitment to establish and conduct a T/M program within their nursing program.

The Department, unless otherwise directed, will continue its attempts to establish communication with L.A. Southwest College School of Nursing and report back to you.

Please let me know if you have any questions or need additional information.
