February 14, 2006

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

AGREEMENTS TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 1 - AGREEMENT 2506
SUPERVISORIAL DISTRICT 5 - AGREEMENT 2503
(3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Mayor to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the County of Los Angeles Department of Public Works and the City of Lancaster (public agencies) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE OF RECOMMENDED ACTION

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.
Upon approval, the enclosed agreements and copies are to be signed by the Mayor and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of these agreements is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by two public agencies. The first agreement is with the County of Los Angeles Department of Public Works, which intends to utilize this property for road and bridge widening purposes for the Beverly Boulevard Bridge Project. The second agreement is with the City of Lancaster, which intends to utilize these properties for future water tank site and future school site purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agencies’ purchases. This attachment indicates the affected Supervisorial Districts and the public use for which the properties
are being acquired. Moreover, we have included copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreements are the Assessor’s parcel maps showing the dimensions and general locations of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the properties pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller’s Office has the final approval of these and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO  
Treasurer and Tax Collector

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:
That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Codes and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:
This office has recently completed a review of the policies currently in use with regard to the acquisi-
tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the $1 per parcel price has remained constant since October 19, 1963.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

Department Overview

THE MISSION...

We provide public works services in a responsive, efficient, and cost effective manner.

AN OVERVIEW...

The Los Angeles County Department of Public Works was formed on January 1, 1985, consolidating the former County Road Department, a portion of the County Engineer-Facilities, and the County Flood Control District. In 1994, Public Works assumed the responsibility for capital projects from the County Internal Services Department.

Divided into 30 divisions and groups, Public Works employs over 3,500 people in approximately 450 separate job classifications, including professional, technical, clerical, and skilled craft workers. Public Works' operating budget is over $1 billion and is funded by restricted revenues, such as gas sales tax, benefit assessment, water and sewer rates, user fees, and contract cities revenues. Headquartered in Alhambra, California, Public Works has 77 field facilities in strategic locations throughout Los Angeles County to better serve its one million residents in the unincorporated County areas, as well as contract cities.

Public Works is responsible for the design, construction, operation, maintenance, and repair of roads, bridges, airports, sewers, water supply, flood control, water quality, and water conservation facilities and for the design and construction of capital projects. Additional responsibilities include regulatory and ministerial programs for the County of Los Angeles, Los Angeles County Flood Control District, other special districts, and contract cities that request services. A 24-hour Emergency Operations Center is maintained to respond to problems reported by the public and other agencies, as well as major emergencies, such as floods, earthquakes, fires, and other disasters. Public Works is dedicated to protecting property and ensuring public safety. By striving to increase productivity and efficiency while continuing to emphasize and provide the highest levels of service, Public Works looks forward to successfully meeting the challenges of the future through new technology and continue high standards.
ROADS

- Maintain over 3,100 miles of major roads and 23,000 miles of minor streets in the unincorporated areas and over 1,700 miles in 22 incorporated cities. This includes over 1,500 signalized intersections, nearly 4,500 miles of striping, over 170,000 traffic signs, 5,000 street lights, 46,000 street name signs, as well as pavement markings, painted curbs, and raised traffic markers.

- Provide a full range of road services, including slurry seal, street sweeping, pothole repair, tree trimming, and center median landscaping.

- Maintain nearly 500 bridges in the unincorporated areas and inspect and maintain 1,200 more bridges for 61 contract cities.

County of Los Angeles Treasurer and Tax Collector

Dear Ms. Doss,

We received your letter dated June 3, 2005 regarding properties within the County which are tax defaulted, have been deemed subject to power to sell and which will be offered for sale at auction on August 8 and 9, 2005.

We have determined that some of the parcels on the list enclosed with your letter are necessary for public purposes within the boundaries of the City of Lancaster. Specifically, the parcels identified on the attached spreadsheet will be needed for a future park site, right-of-way acquisition, and water tank acquisition. This letter therefore constitutes our express interest in acquiring such properties through an agreement pursuant to Division 1, part 6, Chapter 8 of the California Revenue and Taxation Code.

We are requesting that you create a separate contract for property acquisition for the City of Lancaster. This list includes parcels that are not within Redevelopment Project Areas, but are still within the boundaries of the City of Lancaster.

Pursuant to your letter, we have identified the parcels in which the City of Lancaster would be interested and the purposes thereof. We look forward to receiving the County’s form of agreement for the properties. When you prepare the Agreement, please make the Agreement with the City of Lancaster. Our attorney has instructed us to follow this course of action.

Your correspondence indicates that you will inform us when a particular parcel will not be available for purchase due to prior redemption. We appreciate this accommodation, as it will help us to proactively plan our course.

Please do not hesitate to contact me at 661.723.6128, or Vern Lawson, the staff member assigned to this project, at 661.723.6108, if you have any additional questions or need additional information.

Sincerely,

Mark V. Bougian
