Dear Supervisors:

**ISSUANCE AND SALE OF
PALOS VERDES PENINSULA UNIFIED SCHOOL DISTRICT
(COUNTY OF LOS ANGELES, CALIFORNIA)
GENERAL OBLIGATION BONDS, 2005 ELECTION
MEASURE R, SERIES 2006
(FOURTH DISTRICT) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Palos Verdes Peninsula Unified School District in an aggregate principal amount not to exceed \$23,500,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Governing Board of the Palos Verdes Peninsula Unified School District adopted a resolution on January 26, 2006 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$23,500,000 to be used for authorized purposes.

On November 8, 2005, an election was held whereby voters residing in the District approved a ballot measure authorizing the District to issue \$30,000,000 in general obligation bonds for various qualifying purposes. This will be the first issuance of bonds authorized under this bond measure.

Pursuant to Section 15266 of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such district by the Board of Supervisors of the County following receipt of the district resolution requesting such borrowing.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

This action supports the County's Strategic Plan Goal of Service Excellence by providing one-stop service delivery to the District. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. It supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of general obligation bonds at a true interest cost not to exceed six percent (6.00%) per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of the bonds will be described in the Purchase Contract.

The Resolution provides for the negotiated sale of the bonds to the Underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected UBS Financial Services Inc., as Underwriter; the firm of Orrick, Herrington & Sutcliffe as Bond Counsel; and U.S. Bank National Association as Paying Agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

(e) *Interest; Capital Appreciation Bonds.* The Capital Appreciation Bonds shall not bear current interest; each Capital Appreciation Bond shall accrete in value daily over the term to its maturity (on the basis of a 360-day year consisting of 12 30-day months), from its initial principal (denominational) amount on the date of issuance thereof to its stated maturity value at maturity thereof, on the basis of a constant interest rate compounded semiannually on each Interest Payment Date (with straight-line interpolations between Interest Payment Dates). Section 8. Redemption Provisions. (a) *Optional Redemption.* The Series 2006 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Contract. The Bond Purchase Contract may provide that the Series 2006 Bonds shall not be subject to optional redemption, and may provide separate and distinct redemption provisions for the Current Interest Bonds and the Capital Appreciation Bonds. If less than all of the Series 2006 Bonds (Current Interest Bonds or the Capital Appreciation Bonds, as applicable), if any, are subject to such redemption and are called for redemption, such Series 2006 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District, and if less than all of the Series 2006 Bonds of any given maturity are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot.

(b) *Mandatory Sinking Fund Redemption.* The Current Interest Bonds, if any, which are designated in the Bond Purchase Contract as Current Interest Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Contract. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Current Interest Bonds of that maturity optionally redeemed in accordance with the provisions hereof

prior to the mandatory sinking fund payment date. The Bond Purchase Contract may provide that the Current Interest Bonds shall not be subject to mandatory sinking fund redemption.

The Capital Appreciation Bonds, if any, which are designated in the Bond Purchase Contract as Capital Appreciation Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Contract. The amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Capital Appreciation Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Contract may provide that the Capital Appreciation Bonds shall not be subject to mandatory sinking fund redemption.

(c) *Notice of Redemption.* Notice of any redemption of the Series 2006 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, (ii) by certified, registered or overnight mail at least one business day before the mailing of notices to the Owners, to the Securities Depositories, (iii) by certified, registered or overnight mail at the time of the mailing to the Owners, to at least two information services of national recognition which disseminate redemption information with respect to municipal securities, and (iv) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Series 2006 Bonds and the date of issue of the Series 2006 Bonds;
- (iii) the redemption date;
- (iv) the redemption price;
- (v) the dates of maturity of the Series 2006 Bonds to be redeemed;
- (vi) if less than all of the Series 2006 Bonds of any maturity are to be redeemed, the distinctive numbers of the Series 2006 Bonds of each maturity to be redeemed;
- (vii) in the case of Series 2006 Bonds redeemed in part only, the respective portions of the principal amount of the Series 2006 Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Series 2006 Bonds to be redeemed;

(ix) a statement that such Series 2006 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and

(x) notice that further interest on such Series 2006 Bonds will not accrue after the designated redemption date.

(d) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners and to the appropriate Securities Depositories and information services as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2006 Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2006 Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Series 2006 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2006 Bonds at the place specified in the notice of redemption, such Series 2006 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2006 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Series 2006 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Series 2006 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2005 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Series 2006 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(f) *Funds for Redemption.* Prior to or on the redemption date of any Series 2006 Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this County Resolution provided, the Series 2006 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, interest and premium, if any, on the Series 2006 Bonds to be redeemed upon presentation and surrender of such Series 2006 Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and

sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2006 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series 2006 Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(g) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid the principal, interest and premium, if any, on the Series 2006 Bonds at the times and in the manner provided herein and in the Series 2006 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 7 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series 2006 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2006 Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

For purposes of this section, the District may pay and discharge any or all of the Series 2006 Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District with the approval of the County, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series 2006 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(h) *Unclaimed Monies.* Any money held in any fund created pursuant to this County Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Series 2006 Bonds and remaining unclaimed for one year after the principal of all of the Series 2006 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 9. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Supervisors does hereby consent to and confirm the appointment of the Treasurer to act as the initial Paying Agent for the Series 2006 Bonds. The Treasurer is hereby authorized to contract

with any third party to perform the services of Paying Agent under this resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the Treasurer as provided in the Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer and his designated agents or his successors or assigns, acting in the capacity of paying agent, registrar, authenticating agent and transfer agent, and any reference herein to the "principal corporate trust office" of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Bonds shall initially mean the office of the Treasurer; provided, however, that in the event that "Paying Agent" shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Series 2006 Bonds, "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series 2006 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2006 Bonds as provided in Section 10 and 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2006 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

Section 10. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) DTC is hereby appointed depository for the Series 2006 Bonds. The Series 2006 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Current Interest Bonds, and one bond certificate shall be issued for each maturity of the Capital Appreciation Bonds. Registered ownership of such Series 2006 Bonds, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 11 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC

or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the County can be obtained, or (2) a determination by the County (upon consultation with the District) that it is in the best interests of the County to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2006 Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Series 2006 Bond for each maturity shall be executed and delivered (in the case of Current Interest Bonds, in the aggregate principal amount of the Current Interest Bonds then outstanding, and in the case of Capital Appreciation Bonds, in the aggregate maturity value of the Capital Appreciation Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. The Paying Agent may require the payment by any Owner of Series 2006 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

(g) The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon;

(i) To assist the Underwriter in complying with the Rule, the District will undertake, pursuant to the District Resolution and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events; the District has never failed to comply in all material respects with any previous undertakings with regard to said Rule to provide

annual reports or notices of material events. A form of this undertaking is set forth as an appendix to the Preliminary Official Statement and will also be set forth as an appendix to the Official Statement;

(j) Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein;

(k) Preparation and distribution of the Official Statement pertaining to the Bonds have been duly authorized by the District, and the information contained therein (excluding the statements and information in Appendix G – “Book-Entry Only System,” any information relating to the Insurer or the Insurance Policy and any information provided by the Underwriter for inclusion in the Official Statement) is true and correct in all material respects and such information does not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that no representation and warranty is made concerning statements and information in Appendix G – “Book-Entry Only System” and any information relating to the Insurer or the Insurance Policy and any information provided by the Underwriter for inclusion in the final Official Statement; and

(l) The District agrees that if at any time before the Closing Date, any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state any fact necessary to make the statements made therein not misleading in any material respect, the District shall promptly prepare an amendment or supplement that will correct such statement or omission. The District will advise the Underwriter promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Underwriter.

8. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriter that:

(a) The County has the power under the laws of the State to issue the Bonds in the name and on behalf of the District pursuant to the applicable provisions of the Education Code;

(b) (i) At or prior to the Closing, the County will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to enter into this Contract of Purchase, to adopt the Board Resolution, to issue and deliver the Bonds to the Underwriter in the name and on behalf of the District and to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions applicable to the County contemplated by this Contract of Purchase and the Resolutions; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations represented by the Bonds, the Board Resolution and this Contract of Purchase have been duly authorized and such authorization shall be in full force and effect at the time of the Closing and the Board Resolution shall not

(c) To the best of the County's knowledge, no authorization, approval, consent or other order of the State, other than such authorizations, approvals and consents which have been obtained, is required for the valid authorization, execution and delivery by the County of this Contract of Purchase or the consummation by the County of the other transactions contemplated by such agreement (provided that no representation or warranty need be given as to any action required of the District or under state securities or blue sky laws in connection with the purchase or distribution of the Bonds by the Underwriter);

(d) To the best of the County's knowledge, no consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any California governmental agency is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, *except* for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained; *provided, however*, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof;

(e) To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Contract of Purchase, the Board Resolution and the Bonds, and the compliance with the provisions hereof applicable to the County do not conflict with or constitute on the part of the County a material violation of, or material default under, the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution to which the County is bound and do not conflict with or result in a violation or breach of, or constitute a material default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party;

(f) The County is not in breach of or default under any applicable law or administrative regulation of the State or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the County is a party, which breach or default would materially adversely affect the County's ability to enter into or perform its obligations under this Contract of Purchase;

(g) As of the time of acceptance hereof, to the best knowledge of the County, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or directly contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase or the Board Resolution

or contesting the powers of the County or its authority with respect to the Bonds, the Board Resolution or this Contract of Purchase; or (iii) in which a final adverse decision would declare this Contract of Purchase to be invalid or unenforceable in whole or in material part;

(h) Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money; and

(i) Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Covenants of the County and the District.** The County and the District respectively covenant and agree with the Underwriter that:

(a) The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions, *provided, however,* that the District and the County shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;

(b) The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Contract of Purchase is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto, and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, being herein called the "Official Statement") in such quantities as may be requested by the Underwriter in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board; *provided, however,* that the failure of the District to comply with this requirement due solely to the acts of the Underwriter, its counsel or agents, shall not be considered cause for the Underwriter to refuse to accept delivery of and pay for the Bonds; and

(c) Each party hereto agrees that it will notify the other parties hereto if, within the period from the date of this Contract of Purchase to and including the date which is 25 days following the End of the Underwriting Period (as hereinafter defined), such party discovers any pre-existing or subsequent fact or becomes aware of the occurrence of any event, in any such case which might cause the Official Statement (as the same may have been theretofore supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the written opinion of the District or counsel to the Underwriter, the preparation and publication of a supplement or

amendment to the Official Statement is, as a result of such fact or event (or any other event which becomes known to the County, the District or the Underwriter during such period), necessary so that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District will, at its expense, supplement or amend the Official Statement in such a manner so that the Official Statement, as so supplemented or amended, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and furnish copies of such supplement or amendment to the Underwriter in such numbers as the Underwriter may reasonably request. The District and the Underwriter agree that they will cooperate in the preparation of any such amendment or supplement. As used herein, the term "End of the Underwriting Period" means the later of such time as (i) the County delivers the Bonds to the Underwriter, or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the "End of the Underwriting Period" shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the District at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the End of the Underwriting Period.

10. **Division of Responsibility Between District and County.** It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Contract of Purchase which are to be performed solely by the District.

11. **Conditions to Closing.** The Underwriter has entered into this Contract of Purchase in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Contract of Purchase are and shall be subject, at the option of the Underwriter, to the following further conditions at the Closing:

(a) The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the County and the District shall be in compliance with each of the agreements made by each of them, respectively, in this Contract of Purchase;

(b) At the time of the Closing, (i) the Official Statement, the Continuing Disclosure Certificate, this Contract of Purchase, the District Resolution and the Board Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the parties hereto; (ii) all actions under the Education Code which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the County and the District shall perform or have

performed all of their respective obligations required under or specified in the District Resolution, the Board Resolution, the Continuing Disclosure Certificate, or the Official Statement to be performed at or prior to the Closing;

(c) No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Contract of Purchase (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, is pending (in which service of process has been completed against the County or the District) or threatened (either in state or federal courts) (A) seeking to restrain or enjoin the execution, sale or delivery of any of the Bonds, (B) in any way contesting or affecting the authority for the execution, sale or delivery of the Bonds or this Contract of Purchase, or (C) in any way contesting the existence or powers of the County or the District, or contesting in any way the completeness or accuracy of the Official Statement;

(d) Between the date hereof and the Closing, the investment quality, the marketability or the market price of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or by the legislature of the State, or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue or a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(6) the withdrawal or downgrading of any rating of the District's outstanding indebtedness by a national rating agency; or

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(e) At or prior to the date of the Closing, the Underwriter shall have received the following documents, in each case dated as of the Closing Date and satisfactory in form and substance to the Underwriter:

(iv) to the best of such firm's knowledge, the issuance of the Bonds and the execution, delivery and performance of this Contract of Purchase and the Continuing Disclosure Certificate do not and will not conflict with or constitute on the part of the District a breach of, or a default under any agreement, indenture, mortgage, lease or other instrument to which the District is subject or by which it is bound or any existing court order or consent decree to which the District is subject ;

(v) this Contract of Purchase and the Continuing Disclosure Certificate have been duly authorized, executed and delivered by the District and, assuming due authorization, execution and delivery by the other respective parties thereto, if any, such agreements constitute legal, valid and binding agreements of the District enforceable in accordance with the terms, except as the enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and by the application of equitable principles, if equitable remedies are sought, and by the limitations on legal remedies imposed on actions against school districts in the State; and

(vi) to the best of such firm's knowledge, the District is not in breach of or default under any applicable law or administrative regulation of the State or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or is otherwise subject, which breach or default would materially adversely affect the District's ability to enter into or perform its obligations under this Contract of Purchase and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute such a breach or default;
