Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE A CONSTRUCTION CONTRACT FOR SITE AND DWELLING
STRUCTURE IMPROVEMENTS AT THE LINSLEY AND FIRMONA FAMILY
HOUSING DEVELOPMENTS (2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the site and dwelling structure improvements at the Linsley and Firmona family housing developments, located at 4621 and 4625 Linsley Street, unincorporated East Rancho Dominguez and 11117 and 11119 Firmona Avenue, unincorporated Lennox, respectively, are exempt from the provisions of the California Environmental Quality Act (CEQA), as described herein, because the work includes activities that will not have the potential for causing a significant effect on the environment.
2. Approve the award of a Construction Contract (Contract) in the amount of \$93,510 to CAS General Contractor, to complete the site and dwelling structure improvements at the subject properties; and authorize the Executive Director of the Housing Authority to execute the Contract and all related documents, to be effective upon the issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.
3. Authorize the Executive Director to use a total of \$93,510 in Replacement Housing Factor (RHF) funds allocated by the U.S. Department of Housing and Urban Development (HUD), for the purposes described above.

4. Authorize the Executive Director to approve Contract change orders not exceeding \$18,702 for unforeseen project costs, using the same source of funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to award a Contract that provides for a construction period of 90 calendar days to complete site and dwelling structure improvements at the Linsley and Firmona family housing developments.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The Housing Authority will fund the improvements with \$93,510 in RHF funds included in the Housing Authority's approved Fiscal Year 2005-2006 budget. A 20 percent contingency, in the amount of \$18,702, is also being set aside for unforeseen costs using the same source of funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In July 2000, your Board authorized the Housing Authority to submit, as part of the Agency Plan, an RHF application to HUD to provide funding for the replacement of public housing units that had been demolished or sold. HUD subsequently approved the application, including funding for the acquisition and rehabilitation of the subject properties. In November 2004, HUD approved a replacement housing plan which included the acquisition of the subject properties.

The Linsley housing development is comprised of two, two-bedroom units of family housing. The Housing Authority wishes to retain the services of CAS General Contractor to complete the following improvements at the subject housing development: replace all bedroom, closet and exterior doors; replace carpets; replace kitchen cabinets and counter tops and abate surrounding lead-based paint; replace all smoke detectors and light fixtures; paint the interior and exterior of the building; remove and replace the roof shingles and abate asbestos roof masking; replace the driveway and entrance gate; replace all window guards; remove existing trees, landscape and install sod; remove and replace the existing concrete walkway; and complete all other associated work.

The Firmona housing development is also comprised of two, two-bedroom units of family housing. The Housing Authority wishes to retain the services of CAS General Contractor to complete the following improvements at the subject housing development: replace all closet doors; replace carpets, vinyl floors and base molding; replace kitchen cabinets, sinks, and countertops and abate surrounding lead-based paint; replace bathtubs, shower valves, and shower doors; paint the interior; replace security locksets in front and rear doors; install new window screens; and complete all associated work.

It is anticipated that the site improvements for the above properties will be completed within 90 calendar days following the Notice to Proceed.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, CAS General Contractor will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by CAS General Contractor. On December 21, 2005, the Housing Commission recommended approval of the Contract award.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (a)(3)(ii), this project is excluded from the National Environmental Policy Act (NEPA), because it involves activities that will not alter existing environmental conditions. It is exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

The environmental review record for this project is available for viewing by the public during regular business hours at the Housing Authority's main office located at 2 Coral Circle, Monterey Park.

CONTRACTING PROCESS:

On October 18, 2005, the Housing Authority initiated an outreach to identify a contractor to complete the work at the subject property. Invitations for Bids were mailed to 474 contractors identified from the Housing Authority's vendor list. Advertisements also appeared in eight local newspapers and on the County WebVen website. Ten bid packages were requested and distributed.

On November 18, 2005, two bids were received and formally opened. The lowest bid, submitted by CAS General Contractor, was determined to be the most responsive and, therefore, is being recommended for the Contract award.

The Summary of Outreach Activities is provided as Attachment A.

WITNESSETH, that the Owner and the Contractor, for the consideration stated herein, mutually agree as follows:

- A. The Housing Authority is the Owner of that certain real property, commonly known as Linsley and Firmona housing developments located at 4621 and 4625 Linsley Street, unincorporated East Rancho Dominguez, and 11117 and 11119 Firmona Avenue, unincorporated Lennox, California, hereinafter referred to as the "Properties".
- B. The term "Work" includes performance, as set forth in the Contract Documents by the Contractor, for all improvement work on, in and about the Properties.
- C. Owner desires the Contractor to perform the Work on the terms and conditions hereinafter set forth, and Contractor agrees to perform said Work on terms and conditions set forth below.

ARTICLE 1

THE CONSTRUCTION CONTRACT

- 1.1 The Construction Contract means and includes all of the "Contract Documents". The Contract Documents which form the Construction Contract are incorporated herein by this reference and are made a part of this Construction Contract as if fully set forth herein. The Contract Documents consist of the following component parts:

PART A	Instructions to Bidders and General Conditions
PART B	Specifications and Drawings
PART C	Bidder's Documents, Representations, Certifications, Bid, and Other Statements of Bidder

ALL ADDENDA TO THE ABOVE CONTRACT DOCUMENTS.

ARTICLE 2

STATEMENT OF WORK

- 2.1 Contractor agrees to perform in a professional manner, to the satisfaction of the Housing Authority's Executive Director, all work described in the Contract Documents hereinbefore mentioned.

- 2.2 The Contractor shall furnish all labor, material, equipment and services and perform and complete all Work required for the project identified as Bid No. CM-05-062. All such Work shall be in strict accordance with the Specifications and Drawings, identified as Part B, all as prepared by the Housing Authority.
- 2.3 Data provided in the Specifications and Drawings are believed to actually depict the conditions to be encountered by the Contractor, but Owner does not guarantee such data as being all-inclusive or complete in any respect. Nothing contained herein shall relieve Contractor from making any and all investigations through non-destructive observations of the Properties, which are reasonably necessary to apprise him/herself of the condition of the Property. Contractor hereby accepts the project in an "as is" condition and herein warrants that all such investigations have been performed by him/her, and hereby expressly waives any and all rights under this Construction Contract, or in law, to additional compensation and/or time adjustments for alleged unknown subsurface and/or latent conditions that could be reasonably discovered or inferred based upon standard industry construction practices and techniques.

ARTICLE 3
TIME OF COMMENCEMENT AND COMPLETION

- 3.1 The Work to be performed under this Construction Contract shall be commenced within ten (10) days after a Notice to Proceed is received by the Contractor, or on the date specified in the Notice, whichever is later, and shall be completed within Ninety (90) calendar days following the required commencement date.
- 3.2 The Contractor and the Owner agree that, since the determination of actual damages for any delay in completion would be extremely difficult or impracticable to determine in the event of breach of contract, the Contractor and his/her sureties shall be liable for, and shall pay to the Owner the sum of Four Hundred Dollars (\$400.00) as liquidated damages for each calendar day of delay, until the Work is accepted by the Owner. The Contractor shall not be charged with liquidated damages because of any delay in the completion of the Work due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor.

The Owner may withhold, or cause to be withheld, from any monies payable on account of Work performed by the Contractor or subcontractor any accrued liquidated damages, amounts necessary to cover stop notices or alleged labor under payments.

ARTICLE 4
CONTRACT SUM

- 4.1 The Owner shall pay the Contractor for the performance of the Construction Contract subject to additions and deductions by Change Order(s) as provided in the Contract Documents, in current funds, the sum of NINETY THREE THOUSAND FIVE HUNDRED TEN DOLLARS AND NO CENTS (\$93,510.00). The Contractor represents and warrants that he/she shall pay his/her employees, and all individuals performing Work, not less than the prescribed minimum wages in accordance with the current Prevailing Wage Determination published by the Department of Labor.

- 4.2 The Contract Sum set forth herein includes the payment by Contractor of all sales and use taxes required by any local codes, or any law existing or which may hereafter be adopted by federal, state or governmental authority, taxing the materials, services required or labor furnished, and of any other tax levied by reason of the Work to be performed hereunder.
- 4.3 The Contract Sum is not subject to escalation, the Contractor having satisfied himself with said Contract Price, which includes all labor and material increases anticipated throughout the duration of this Construction Contract.
- 4.4 The Owner's obligation is payable only and solely from funds appropriated from the United States Department of Housing and Urban Development (HUD) and for the purpose of this Contract. All funds are appropriated every fiscal year beginning July 1.
- 4.5 In the event this Contract extends into the succeeding fiscal year and funds have not been appropriated, this Contract will automatically terminate as of June 30 of the current fiscal year. The Owner will endeavor to notify the Contractor in writing in ten (10) days of receipt of the non-appropriation notice.

ARTICLE 5
PROGRESS PAYMENTS

- 5.1 Based upon applications for payment submitted by the Contractor to the Owner, and after approval by the Construction Management Division, the Owner shall make progress payments on account of the Contract Sum to the Contractor, as provided in the Instruction to Bidders of the Construction Contract.
- 5.2 Approved applications for progress payments will be paid by the thirtieth day of each month, provided that application for payment has been submitted to the Owner on or before the first working day of the month. Payment shall be subject to all provisions of Section 01003 paragraphs 3.03.A. and B. of the Instructions to Bidders incorporated by reference into the Contract.
- 5.3 The Contractor and each Subcontractor shall submit all required Labor Compliance forms to the Housing Authority before the start of construction. The Contractor shall submit to the Housing Authority all of its payrolls for each pay period within seven (7) days after the pay period has ended. The Contractor shall also collect, review and submit to the Housing Authority all of its subcontractors' payrolls for each pay period within seven (7) days after the pay period has ended. Contractor's failure to submit its payrolls or any subcontractor payrolls within seven (7) days after the pay period has ended, is a violation of this contract and entitles the Housing Authority to withhold up to ten percent (10%) from any pending progress payment until all such payrolls are received. Repeated, ongoing or flagrant failures by the contractor to submit the required forms, its payrolls or the payrolls of its subcontractors in a timely manner and in accordance with this provision constitutes a material breach of this contract which may result in the Housing Authority terminating the contract for default.

ARTICLE 6
PROJECT CLOSEOUT

- 6.1 Prior to occupancy of any dwelling unit, building, or other portion of the project, the Owner shall receive a certificate from the Contractor that such portion of the project is ready for occupancy, and shall cause a Notice of Completion to be issued. A Notice of Completion shall be issued only when the Work, including all phases thereof, is finally completed, and all requirements of this Construction Contract have been satisfied. The Owner shall cause the Notice of Completion to be recorded with the County Recorder.
- 6.2 Upon Issuance of a Notice of Completion, final payment shall be made to the Contractor of the entire unpaid balance of the Contract Sum, including any sums due to the Contractor for changes in the Work approved by the Owner pursuant to Section 01003 paragraph 3.03.E. of the Instruction to Bidders, less any amounts which Owner is entitled to receive from the Contractor under the terms of this Contract or amounts necessary to cover stop notices or alleged labor under payments, and less the ten percent (10%) retention withheld, pursuant to Section 01003 paragraph 3.03.F. of the Instruction to Bidders.
- 6.3 In addition to all other requirements, a Notice of Completion shall be issued only when Owner has received the following:
- A. A Certificate of Completion, executed by Owner.
 - B. All guarantees and warranties issued by the manufacturers or installers of equipment or other component parts of the project. Contractor guarantees that the equipment, materials, and workmanship, not otherwise covered by a guarantee or warranty, will be free from defects in materials and workmanship for a period of one (1) year following date of final acceptance of the project.
 - C. The waiver and release of all liens, claims of liens, or stop notice rights of the Contractor and all sub-contractors, and the Contractor's Certificate and Release.
 - D. Verification from the Architect that Contractor has removed all waste materials, rubbish, tools, construction equipment, machinery, and surplus materials from the project site. If the Contractor has failed to remove any of such items, the Owner may remove such items, and the Contractor shall pay the Owner for all cost incurred in connection with such removal.
- 6.4 After recordation of the Notice of Completion, and expiration of the thirty-day period for filing of stop notices, the Owner shall use reasonable efforts to settle all claims and disputes, notify the Contractor of final acceptance of the project, and make final payment of the entire unpaid balance of the Contract Sum, including the ten percent (10%) retention, less any amounts which the Owner is entitled to receive from the Contractor under the terms of this Construction Contract, including liquidated damages, and less amounts necessary to cover stop notices or alleged labor underpayments.

ARTICLE 7
BREACH AND TERMINATION

- 7.1 Waiver by the Owner of any breach of this Construction Contract shall not constitute a waiver of any other breach or of any future breach. No payment made hereunder shall be construed to be an acceptance of defective work or improper materials.
- 7.2 In addition to any right of termination reserved to the Owner by Section 01003 paragraph 3.10.A. of the Instruction to Bidders of the Construction Contract, the Owner may terminate this Construction Contract or performance under this Construction Contract, if the Contractor is adjudged bankrupt, a receiver is appointed because of the Contractor's insolvency, or the Contractor makes a general assignment for the benefit of its creditors, fails to make prompt payment to subcontractor(s), or for material or labor, persistently disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, fails to construct the project in accordance with the Drawings and Specifications, or otherwise substantially violates any provision of the Contract Documents.
- 7.3 The Owner shall give the Contractor and his surety written notice prior to terminating this Construction Contract or performance under this Construction Contract, pursuant to Section 01003 paragraph 3.10.A. of the Instruction to Bidders, provided that the Contractor shall, upon receipt of such notice, immediately stop the installation of improvements, or other permanent construction work encompassing part of the project. Upon termination, the Owner may take possession of the project and all materials, equipment, tools, and construction equipment and machinery owned by the Contractor and located at the project site, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment under this Construction Contract.
- 7.4 The Owner shall not be deemed to have waived any of its other rights or remedies against the Contractor by exercising its right of termination under this Article.
- 7.5 Termination for Cause: This Contract may be terminated by the Housing Authority upon written notice to the Contractor for cause (failure to perform satisfactorily any of the Contract terms, conditions, and work items) with no penalties upon termination or upon the occurrence of any of the following events:
- A. Continuing failure of the Contractor to perform any work required to be performed hereunder in a timely and professional manner, or Contractor is not properly carrying out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor; and should the Contractor neglect or refuse to provide a means for a satisfactory compliance with this Contract and with the direction of the Housing Authority within the time specified in such notices, the Housing Authority shall have the power to suspend the performance of this Contract by Contractor in whole or in part.
 - B. Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Housing Authority may immediately terminate this Contract.

- C. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the work to be done under said Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor. Should the Contractor fail to comply with the terms of said Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Housing Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- D. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
- E. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Housing Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

7.6 Termination for Improper Consideration: The Housing Authority may, by written notice to the Contractor, immediately terminate the right of the Contractor, to proceed under this Construction Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any Housing Authority officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the Housing Authority shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by the Housing Authority officer or employee to solicit such improper consideration. The Report shall be made to the Housing Authority's Executive Director or designee.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

7.7 Termination for Convenience: The Authority reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

7.8 The Housing Authority's Quality Assurance Plan: The Housing Authority will evaluate Contractor's performance under this Contract on not less than a quarterly basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and

performance standards. Contractor deficiencies which the Housing Authority determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Housing Authority and the Contractor. If improvement does not occur consistent with the corrective action measures, the Housing Authority may terminate this Contract or pursue other penalties as specified in this Contract.

- 7.9 Non-payment after expiration or termination: Contractor shall have no claim against the Housing Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify the Housing Authority and shall immediately repay all such funds to the Housing Authority. Payment by the Housing Authority for services rendered after expiration/termination of this Contract shall not constitute a waiver of the Housing Authority's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

ARTICLE 8 MISCELLANEOUS PROVISIONS

- 8.1 Contractor shall give all notices and comply with all laws, rules, regulations, ordinances and orders of any governmental entity relating to the Work. Should Contractor become aware that any provision of the Construction Contract is at variance with any such rule, law, regulation, ordinance or order, he shall promptly give notice in writing to the Owner of such variance.
- 8.2 It is hereby declared to be the intention of the parties that the sections, paragraphs, sentences, clauses and phrases of this Construction Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Construction Contract shall be declared unconstitutional, invalid or unenforceable by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality, invalidity or un-enforceability shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Construction Contract.
- 8.3 Anything mentioned in the Specifications and not shown on the Drawings, or shown on the Drawings and not mentioned in the Specifications, shall be of like effect as if shown or mentioned in both. In case of difference between Drawings and Specifications, the Specifications shall govern. In case of discrepancy within the Drawings, or within the Specifications, the matter shall be promptly submitted to the Contracting Officer, who shall promptly make a determination in writing. Any adjustment by the Contractor without such a determination by the Contracting Officer shall be at its own risk and expense. The Contracting Officer shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.
