Los Angeles, California 90012

Dear Supervisors:

**AGREEMENT TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 3-AGREEMENT 2467
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Mayor to sign the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" properties being acquired by the Mountains Recreation and Conservation Authority (public agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE OF RECOMMENDED ACTION

The properties described in the agreement may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreement and copy are to be signed by the Mayor and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreement as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of this agreement is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by one public agency. The agreement is with the Mountains Recreation & Conservation Authority, which intends to utilize the properties for permanent open space and public parkland purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agency's purchase. This attachment indicates the affected Supervisorial District and the public use for which the properties are being acquired. Moreover, we have included copies of the relevant sections of the

Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreement as to form. Attached to the agreement are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

MISSION STATEMENT

The Mountains Recreation and Conservation Authority (MRCA) is a local government public entity established in 1985 pursuant to the Joint Powers Act. The MRCA is a local partnership between the Santa Monica Mountains Conservancy, which is a state agency established by the Legislature, and the Conejo Recreation and Park District and the Rancho Simi Recreation and Park District both of which are local park agencies established by the vote of the people in those communities.

The MRCA is dedicated to the preservation and management of local open space and parkland, watershed lands, trails, and wildlife habitat. The MRCA manages and provides ranger services for almost 50,000 acres of public lands and parks that it owns and that are owned by the Santa Monica Mountains Conservancy or other agencies and provides comprehensive education and interpretation programs for the public.

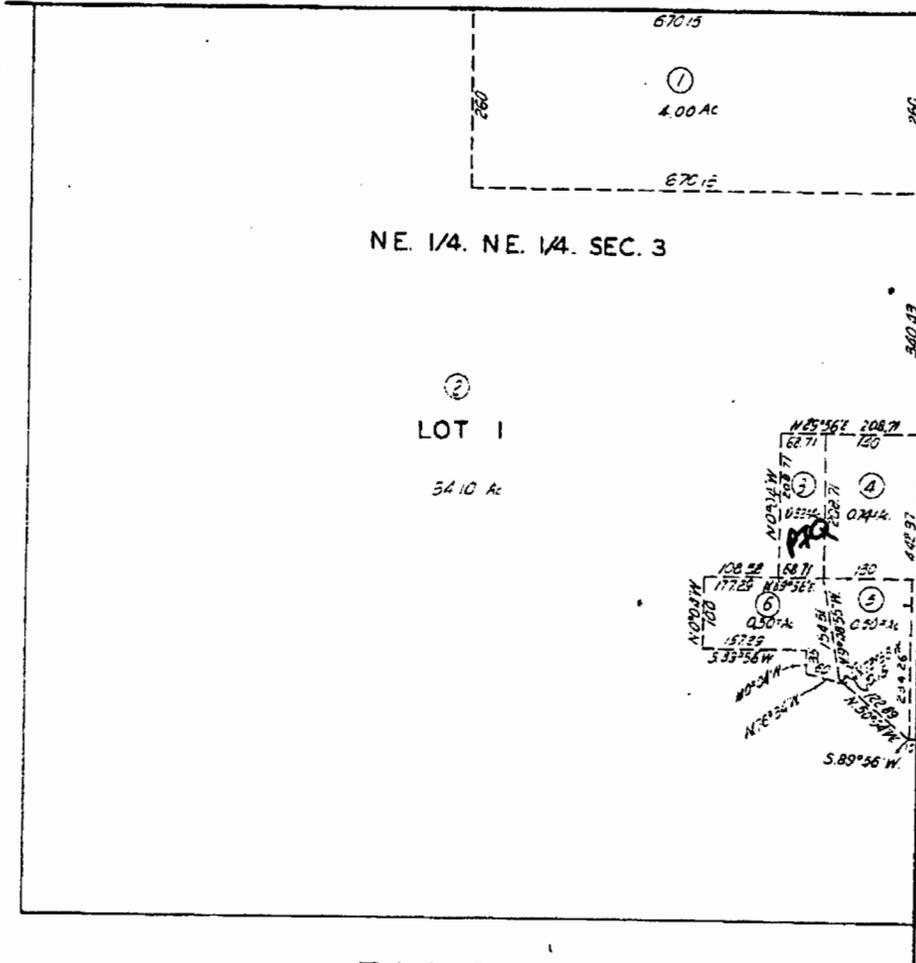

The MRCA works in cooperation with the Conservancy and other local government partners to acquire parkland, participate in vital planning processes, and complete major park improvement projects. The MRCA provides natural resources and scientific expertise, critical regional planning services, park construction services, park operations, fire prevention, ranger services, educational and leadership programs for thousands of youth each year, and is one of the lead agencies providing for the revitalization of the Los Angeles River.
