STATUS REPORT ON EMPLOYEE IDENTIFICATION CARDS AND BADGES

On May 2, 2006, your Board instructed my office to report back within 30 days regarding the review and audit of all County Department employee identification cards and badges. The Office of Security Management (OSM) has worked with my staff in developing a County-wide survey to record the requested badge and identification card information. As of this date, ninety-three percent of all Departments have responded to this survey request. The information is currently being reviewed and a physical verification with each Department will be conducted.

In addition, the Office of Security Management and County Counsel staff has formed a committee comprised of select Departmental representatives to review and revise the County's Badge Ordinance. The committee's first meeting will be held on June 20, 2006. We anticipate providing your Board with our report within 90 days.

If you have any questions, please contact Lieutenant Steven A. Miller at (213) 893-2069 or Sergeant Alex Canchola at (213) 893-9739, Office of Security Management, Chief Administrative Office.
