Dear Supervisors:

STREET LIGHTING DISTRICTS
ANNEXATION TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE
FORMATION OF IMPROVEMENT ZONES 542 AND 544
PETITION NOS. 19-206 (10TH AVENUE), 148-1205 (CALORA AVENUE ET AL.),
AND 54-306 (VICEROY AVENUE)
SUPERVISORIAL DISTRICTS 1 AND 5
3 VOTES

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and file the enclosed Petition Nos. 19-206, 148-1205, and 54-306 for the annexation of territories designated by the attached maps to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and formation of Improvement Zones 542 and 544 for Petition Nos. 148-1205 and 54-306, respectively.

2. Adopt the enclosed Resolution Initiating Proceedings for the Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Formation of Improvement Zones 542 and 544.

3. Order the Director of Public Works to prepare and file an Engineer's Report for each Petition area in accordance with Section 22566 of the California Streets and Highways Code and Section 4(b) of Article XIIID of the California Constitution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to initiate proceedings for the annexation of territories into County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to authorize the preparation and filing of an Engineer's Report for each Petition area.

Petition No. 19-206 (10th Avenue) favoring the annexation of territory and the installation of street lights on wood poles with overhead wiring was signed by property owners representing 61 percent of the area proposed for annexation to the Lighting Districts. Petition Nos. 148-1205 (Calora Avenue et al.) and 54-306 (Viceroy Avenue) favoring the annexation of territories and formation of Improvement Zones 542 and 544, respectively, to finance the installation of street lights on concrete poles with overhead wiring were signed by property owners representing 73 and 60 percent, respectively, of the area proposed for annexation to the Lighting Districts. This complies with the 60 percent or more requirement in the policy adopted by your Board on March 11, 1980. The Formation of Improvement Zones 542 and 544 will finance the estimated $79,000 cost for installing 39 street lights on concrete poles with overhead wiring for Petition Nos. 148-1205 and 54-306. There is no cost to the property owners within Petition No. 19-206 for the installation of street lights on wood poles with overhead wiring. The enclosed Petitions indicate the approximate assessment for the installation, operation, and maintenance of the street lights to be paid by the property owners within the territories proposed for annexation.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation and levying of assessments provide the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

The ad valorem property taxes and assessment revenues collected from the benefitted properties within the territories to be annexed will fund the operation and maintenance costs of the street lights. Sufficient funds are included in the Fiscal Year 2006-07 budget for County Lighting Maintenance District 1687 to finance the estimated $62,000 cost for Improvement Zone 542 and the estimated $17,000 cost for Improvement Zone 544 to finance the costs of concrete poles with overhead wiring. Property owners within Improvement Zones 542 and 544 will repay the installation costs with interest over a 10-year period from Fiscal Year 2007-08 to Fiscal Year 2016-17.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These proceedings are governed by the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). Public Works will prepare an Engineer's Report for each Petition that complies with Section 22565 et seq. of the California Streets and Highways Code and Article XIIID, Section 4(b), of the California Constitution.

After your Board adopts the Resolution Initiating Proceedings, a separate Resolution of Intention to annex territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, will be prepared and submitted for your Board's consideration and adoption. The Engineer's Reports will also be filed at that time.

The enclosed Resolution Initiating Proceedings for the Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Formation of Improvement Zones 542 and 544 has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolution to Public Works. Also, please forward one adopted copy of the letter and Resolution to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

for DONALD L. WOLFE

Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

We, the undersigned owners of real property within the area designated by the attached map, respectfully request that:

1. The area be annexed to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone.

2. Provisions be made for the installation, operation, and maintenance of the street lights and the assessment of the costs thereof.

We understand if this Petition is found to contain the signatures of the **property owners** who represent **60 percent or more of the benefitted area**, a ballot will be mailed to each property owner within the proposed annexation area to indicate the property owner's support or opposition to the proposed assessment. Should the above criteria be met, the estimated amount of the first assessment for each benefitted property is as follows:

ESTIMATED ASSESSMENT FOR FISCAL YEAR (FY) 2007-08

1. Single Family Dwelling

A.	Installation Cost	$ 0
B.	Operation and Maintenance Cost for FY 2007-08	$ 5
	Total Estimated Assessment	$ 5

2. Residential Two Units

A.	Installation Cost	$ 00
B.	Operation and Maintenance Cost for FY 2007-08	$ 10
	Total Estimated Assessment	$ 10

3. Residential Three Units

A.	Installation Cost	$ 00.00
B.	Operation and Maintenance Cost for FY 2007-08	$ 12.50
	Total Estimated Assessment	$ 12.50

The above assessment will be added to the FY 2007-08 tax bills of property owners of developed properties within the benefitted area. No assessment will be added to the tax bill of vacant properties until they are developed. Each year thereafter, an assessment for operation and maintenance costs, approved by the County of Los Angeles Board of Supervisors, will be added to the tax bill.

We declare that:

> We are the owners of real property within that certain territory designated on the attached map and are in favor of the installation of street lights, on **new or existing wood poles with overhead wiring** (a photograph copy of the type of pole to be installed is attached).

PETITION NO. 148-1205
(CALORA STREET ET AL.)

Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

We, the undersigned owners of real property within Petition No. 148-1205, whose area is shown on the attached map, respectfully request that:

1. The proposed annexation area shown on the attached map be annexed to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone.

2. Provisions be made for the installation, operation, and maintenance of the street lights and the assessment of the costs thereof.

3. **31 street lights be installed on concrete poles with overhead wiring and 11 street lights be installed on existing or new wood poles with overhead wiring** at the locations indicated on the attached map; and

4. If the proposed annexation area or any part thereof is annexed to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, the annexed area shall be established as Improvement Zone 542, for the purpose of financing the cost of installing 31 street lights on concrete poles with overhead wiring; and

5. Improvement Zone 542 be formed immediately upon the annexation of said territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and that Improvement Zone 542 remain in existence for a 10-year period, from Fiscal Years 2006-07 through 2015-16, in which it is possible to levy a special assessment therein for the repayment of the improvement costs, and shall thereafter automatically terminate provided there are no outstanding obligations payable from the special assessment to be levied in said Zone.

We understand if this Petition is found to contain the signatures of the **property owners** who represent **60 percent or more of the benefitted area**, a ballot will be mailed to each property owner within Improvement Zone 542 to indicate the property owner's support or opposition to the proposed assessment for the installation, operation and maintenance costs of the street lights. Should the above criteria be met, the estimated amount of the first assessment for each benefitted property is as follows:

ESTIMATED ASSESSMENT FOR FISCAL YEAR (FY) 2006-07

Single Family Dwelling

A.	Installation Cost	$ 95
B.	Operation and Maintenance Cost for FY 2006-07	$ 5
	Total Estimated Assessment	$ 100

The above assessment amount of $95 per parcel per year will be added to the tax bill of the 78 benefitted property owners whose parcels are located within Improvement Zone 542, from Fiscal Years 2006-07 through 2015-16, for the repayment of the installation costs of the street lights. This assessment, which includes interest at 3.35 percent compounded annually, will repay the lighting districts for the total cost of installation, estimated at $62,000 or $95 per parcel. The $5 assessment for the operation and maintenance costs of the street lights will also be added to the 2006-07 tax bill of property owners within the benefitted area. Each year thereafter, an assessment for operation and maintenance costs, approved by the County of Los Angeles Board of Supervisors will be added to the tax bill.

We declare that:

1. We are the owners of real property within that certain territory designated as Improvement Zone 542 are in favor of the installation of **31 street lights on concrete poles with overhead wiring and 11 street lights on existing or new wood poles with overhead wiring** (photograph copies of the type of poles to be installed are attached), and for the formation of Improvement Zone 542 for financing the installation costs of the 31 street lights on concrete poles with overhead wiring.

2. The territory is in the County of Los Angeles but is not within the limits of any Lighting District.

Single Family Dwelling

A.	Installation Cost	$ 112
B.	Operation and Maintenance Cost for FY 2007-08	$ 5
	Total Estimated Assessment	$ 117

The above assessment amount of $112 per parcel per year will be added to the tax bill of the 19 benefited property owners whose parcels are located within Improvement Zone 544, from Fiscal Year 2007-08 through Fiscal Year 2016-17, for the repayment of the installation costs of the street lights. This assessment, which includes interest at 4.27 percent compounded annually, will repay the lighting districts for the total cost of installation, estimated at $17,000 or $112 per parcel. The $5 assessment for the operation and maintenance costs of the street lights will also be added to the 2007-08 tax bill of property owners within the benefitted area. Each year thereafter, an assessment for operation and maintenance costs, approved by the County of Los Angeles Board of Supervisors will be added to the tax bill.

We declare that:

1. We are the owners of real property within that certain territory designated as Improvement Zone 544 are in favor of the installation of **eight street lights on concrete poles with overhead wiring and eight street lights on existing or new wood poles with overhead wiring** (photograph copies of the type of poles to be installed are attached), and for the formation of Improvement Zone 544 for financing the installation costs of the eight street lights on concrete poles with overhead wiring.

2. The territory is in the County of Los Angeles but is not within the limits of any Lighting District.

PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972
PETITION NOS. 19-206 (10TH AVENUE), 148-1205 (CALORA AVENUE ET AL.),
AND 54-306 (VICEROY AVENUE)

WHEREAS, the owners of certain real properties within the areas designated by the attached maps in Petition Nos. 19-206, 54-306, and 148-1205 have circulated and signed Petitions requesting the annexation of territories and the installation, operation, and maintenance of street lights in their respective areas, and formation of Improvement Zones 542 and 544 for Petition Nos. 148-1205 and 54-306, respectively, to finance the cost of installing street lights on concrete poles with overhead wiring; there is no cost to the property owners of Petition No. 19-206 to install street lights on wood poles with overhead wiring; and

WHEREAS, Petition Nos. 19-206, 54-306, and 148-1205 indicates the areas to be benefitted and the approximate cost of installing, operating, and maintaining the street lights; and

WHEREAS, said owners request the benefitted areas be annexed to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, to provide for the cost of installation, operation, and maintenance of the street lights.

NOW, THEREFORE, BE IT RESOLVED, that this Board proposes to annex the areas designated by the attached maps in Petition Nos. 19-206, 54-306, and 148-1205 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to form Improvement Zones 542 and 544 for Petition Nos. 54-306 and 148-1205, respectively, to provide for the installation, operation, and maintenance of street lights therein in accordance with the Landscaping and Lighting Act of 1972.

BE IT FURTHER RESOLVED that Public Works is hereby authorized to prepare and file an Engineer's Report for each Petition area in accordance with Section 22565 of the California Streets and Highways Code and Article XIIID of the California Constitution.

The foregoing Resolution was on the ___ day of _____, 2006, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.
