The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**AGREEMENTS TO PURCHASE**
**"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES**
**SUPERVISORIAL DISTRICT 5-AGREEMENT 2525**
**SUPERVISORIAL DISTRICT 5-AGREEMENT 2550**
**(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Mayor to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the County Sanitation Districts of Los Angeles County (public agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

**PURPOSE OF RECOMMENDED ACTION**

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment °A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreements and copies are to be signed by the Mayor and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

## IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approvals of these agreements are in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

## JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by one public agency. The agreements are with the County Sanitation Districts of Los Angeles County, which intends to utilize these properties for reclaimed water management projects.

## FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2006/2007 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

## FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agency's purchase. This attachment indicates the affected Supervisorial District and the public use for which the properties are being acquired. Moreover, we have included copies of the relevant sections of the

Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreement is the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO

November 17, 1970

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:
That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:
This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the $1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

**Chapter 8 Agreement Sale Properties**

As discussed in a telephone conversation between Jerry Wilson of County Sanitation Districts of Los Angeles County (Districts) staff, and Ms. Mary Bell of your staff, the Districts hereby submit bids covering the parcels listed in the attached table. The bids are made in reply to your letter, dated April 14, 2006, concerning notification of your 2006C Sealed Bid Sale, under the provisions of Division I, Part 6, Chapter 8 of the Revenue and Taxation Code (Chapter 8 Agreement).

The Districts provide wastewater conveyance, treatment, and management services to the Cities of Lancaster and Palmdale and adjacent unincorporated areas of Los Angeles County. In order to implement the reclaimed water management projects within both Cities, the Districts are in the process of acquiring land in the vicinity of both its Lancaster Water Reclamation Plant and Palmdale Water Reclamation Plant. To date, the Districts have acquired several parcels of the needed land through voluntary sales and eminent domain proceedings instituted for the Lancaster project.

Please inform us as to the remaining steps and timing to acquire the parcels shown herein. The Districts would appreciate any assistance you could provide in enabling us to expeditiously acquire all these parcels shown on the attached list through the Chapter 8 Agreement Sale program. Maps showing the project areas, the properties acquired to date, and the parcels of interest, which are on the tax sale list, are enclosed. If you have any additional questions regarding this matter, please contact Jerry Wilson at (562) 699-7411, extension 2741. Thank you for your cooperation in this matter.

Dear Ms. Duran:

**Lancaster Water Reclamation Plant 2020 Facilities Plan (District 14) and**
**Palmdale Water Reclamation Plant 2025 Facilities Plan (District 20)**
**Chapter 8 Agreement Sale Properties**

As discussed in a telephone conversation between Jerry Wilson of County Sanitation Districts of Los Angeles County (Districts) staff, and Ms. Mary Bell of your staff, the Districts hereby submit bids covering the parcels listed in the attached table. The bids are made in reply to your letter, dated April 14, 2006, concerning notification of your 2006C Sealed Bid Sale, under the provisions of Division I, Part 6, Chapter 8 of the Revenue and Taxation Code (Chapter 8 Agreement).

The Districts provide wastewater conveyance, treatment, and management services to the Cities of Lancaster and Palmdale and adjacent unincorporated areas of Los Angeles County. In order to implement the reclaimed water management projects within both Cities, the Districts are in the process of acquiring land in the vicinity of both its Lancaster Water Reclamation Plant and Palmdale Water Reclamation Plant. To date, the Districts have acquired several parcels of the needed land through voluntary sales and eminent domain proceedings instituted for the Lancaster project.

Please inform us as to the remaining steps and timing to acquire the parcels shown herein. The Districts would appreciate any assistance you could provide in enabling us to expeditiously acquire all these parcels shown on the attached list through the Chapter 8 Agreement Sale program. Maps showing the project areas, the properties acquired to date, and the parcels of interest, which are on the tax sale list, are enclosed. If you have any additional questions regarding this matter, please contact Jerry Wilson at (562) 699-7411, extension 2741. Thank you for your cooperation in this matter.

Very truly yours,

James F. Stahl

RE: PALMDALE WATER RECLAMATION PLANT 2025 FACILITIES PLAN - PURCHASE TAX-DEFAULTED PROPERTY LOS ANGELES COUNTY CONTRACTS NOS. 4236 AND 4236A - APPROVE

The Chief Engineer and General Manager presented proposed *Agreements to Purchase Los Angeles County Tax-Defaulted Property* (Agreements) with the Board of Supervisors of Los Angeles County providing for the purchase of fifteen tax-defaulted properties located in the project area for implementation of the Palmdale Water Reclamation Plant (WRP) 2025 Facilities Plan (Plan). He advised on October 26, 2005, the Board approved the Plan and certified the Final Environmental Impact Report. The Plan proposes a project that complies with the orders issued by the Lahontan Regional Water Quality Control Board and will meet the wastewater treatment and effluent management needs of the District through 2025. The Plan requires acquisition of approximately 6,000 acres of land for effluent management facilities. Staff has negotiated with the Los Angeles County Tax Collector to acquire fifteen tax-defaulted parcels within the project area. Such acquisition will require the District to enter into Agreements with the County as required by the Revenue and Taxation Code. He recommended that the proposed Agreements be approved and ordered executed.

Upon motion of Director Dispenza, duly seconded and unanimously carried, the Board of Directors of County Sanitation District No. 20 of Los Angeles County found and determined that it would be to the advantage of the District to enter into proposed *Agreements to Purchase Los Angeles County Tax-Defaulted Property* with the Board of Supervisors of Los Angeles County providing for the purchase of fifteen tax-defaulted properties located in the project area for implementation of the Palmdale Water Reclamation Plant 2025 Facilities Plan, as set forth in said Agreements and under terms and conditions contained therein. All the terms and conditions of said Agreements, Contracts Nos. 4236 and 4236A, were accepted and approved, and the Chairperson and Secretary were authorized to execute same on behalf of the District.
