SUBJECT: **QUARTERLY PROGRESS REPORT ON VOLUNTARY ASSISTED OUTPATIENT TREATMENT PROGRAM**

This is to provide your Board with a quarterly progress report on the Voluntary Assisted Outpatient Treatment Program.

As of today's date, five (5) consumers are participants in Voluntary Assisted Outpatient Treatment under the Settlement Agreement provisions in Welfare and Institutions Code 5347 also known as Laura's Law. Additionally, four (4) other consumers voluntarily continue to receive treatment beyond their six month agreement. In total, nine (9) consumers are actively enrolled and receiving services from the contract provider: Pacific Clinics' Wraparound Assisted Treatment Program. Program staff is currently evaluating four (4) additional consumers for eligibility. Four consumers completed the program within the last three months and have been discharged.

We will continue to keep the Board informed of the progress of the Program.
