The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

APPROVAL TO RENEW 39 DEPARTMENT OF MENTAL HEALTH LEGAL ENTITY AGREEMENTS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute the renewal of 39 Department of Mental Health (DMH) Legal Entity (LE) Agreements as listed in Attachment I and substantially similar to the Agreement format in Attachment II, with Maximum Contract Amounts (MCA) totaling $159,616,300 for each Fiscal Year (FY) 2007-08, 2008-09, and 2009-10, for the provision of continuous, uninterrupted mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed (SED) children, adolescents, and their families throughout the County of Los Angeles. The total contract costs of $159,616,300 are fully funded by State revenues (40%), Federal revenues (42%), Intrafund Transfers (4%), and net County cost Realignment funds (14%), that are included in DMH's FY 2007-08 Proposed Budget, as detailed in the Fiscal Impact/Financing section.

   The term of 34 LE Agreements will be effective July 1, 2007 through June 30, 2008, with a provision for two (2) automatic one-year renewal periods. The term of five (5) LE Agreements with Institution for Mental Disease (IMD) contractors will be effective July 1, 2007 through June 30, 2008, with a provision for one (1) automatic one-year renewal period.

2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements, provided that: 1) the County's total payments to a contractor under each Agreement for each applicable fiscal year shall not exceed an increase of 20 percent from the

applicable Board-approved MCA or per diem rates; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) County and contractor may, by written amendments, reduce programs or services and revise the applicable MCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH's stakeholders' process and will reflect DMH's FY 2007-08 Adopted Budget approved by your Board; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required because these 39 LE Agreements will expire on June 30, 2007, and the renewal of these agreements is required to continue the provision of services without interruption to severely and persistently mentally ill adults and SED children, adolescents, and their families.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Programmatic Goals No. 5, "Children and Families' Well-Being," and No. 7, "Health and Mental Health." Renewing these agreements will allow for continuous and uninterrupted mental health services to existing mental health clients throughout Los Angeles County and for the collaborative partnership between government and community agencies.

FISCAL IMPACT/FINANCING

There is no increase in net County cost (NCC).

The MCA for each LE Agreement is shown in Attachment I. For FY 2007-08, the MCAs totaling $159,616,300 for these 39 LE Agreements will be funded by the following revenue sources that are included in DMH's FY 2007-08 Proposed Budget:

1) State revenues	$63,588,201
2) Federal revenues	$66,809,655
3) Intrafund transfers	$6,037,658
4) NCC/Realignment funds	$23,180,786

For FYs 2008-09 and 2009-10, funding will be requested during DMH's annual budget process. The MCAs for FYs 2007-08, 2008-09, and 2009-10, that are shown in Attachment I, may be subject to change because of anticipated budgetary factors which may impact the funding that is given to the County by the State and/or the federal government on an annual basis.

The LE Agreements include provisions that permit the County to reduce the MCAs or terminate the agreements, whichever is applicable under the terms of the Agreements, if, as a result of the adoption of the County and State budgets, funding for these agreements is reduced.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The LE Agreements with Short-Doyle/Medi-Cal mental health services contractors provide for a broad range of mental health services to severely and persistently mentally ill adults, SED children, adolescents, and their families, pursuant to the California Welfare and Institutions Code (WIC), Division 5, Part 2, Chapter 1, Section 5602. These mental health services include, but are not limited to, diagnosis, evaluation, treatment, day care, respite care, living arrangements, community skill training, information, referral, consultation, and community services.

On January 25, 2006, the California Department of Mental Health issued a directive to counties to initiate a rate increase for Medi-Cal nursing facilities that provide long-term care as Institutions for Mental Disease (IMDs), by 6.5 percent annually, effective July 1, 2005, through June 30, 2008, and 4.7 percent annually, effective July 1, 2008 and ongoing, as authorized by the California Department of Health Services. On May 2, 2006, your Board approved DMH's rate increase amendments to nine (9) existing LE Agreements with IMD contractors. Five (5) of these IMD contracts, AMADA Enterprises, Inc.; Community Care Center, Inc.; Landmark Medical Services, Inc.; San Gabriel Valley Convalescent Hospital, and SunBridge Meadowbrook Rehabilitation Center are expiring June 30, 2007, and will be renewed in this Board letter with a

6.5 percent annual rate increase for FY 2007-08 and 4.7 percent annually, effective July 1, 2008 and ongoing.

The attached Agreement format has been approved as to form by County Counsel. The CAO has reviewed the proposed actions. Clinical and administrative staff of DMH will also continue to administer and supervise the agreements, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

Attachment I lists the 39 LE Agreement renewals for FYs 2007-08, 2008-09, and 2009-10, specifying the contractors, Supervisorial Districts, Agreement terms, and MCAs per fiscal year for each Agreement.

Attachment II is the revised LE Agreement format.

Attachment III details the Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form – Contract Listing with Minority/Women-Owned Firms.

CONTRACTING PROCESS

All of the 39 LE Contractors have existing agreements with DMH, which expire on June 30, 2007, and are being renewed because of the continuing need for their services. As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors' compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES

The renewal of these 39 LE Agreements will allow for continued and uninterrupted mental health services to existing mental health clients throughout Los Angeles County. Without Board approval, essential mental health services will be curtailed and inaccessible to communities.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify the Department of Mental Health Contracts Development and Administration Division at (213) 739-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.
Director of Mental Health

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems

and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✔ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✔ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✔ There is no "wrong door": wherever a family enters the system is the right place.
- ✔ Families receive services tailored to their unique situations and needs.
- ✔ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✔ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✔ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✔ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✔ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✔ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✔ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✔ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.

- ✔ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

Service Access

Service providers will work proactively to facilitate customer access to services.

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 35 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

34. TERMINATION FOR INSOLVENCY:

A. County may terminate this Agreement immediately in the event of the occurrence of any of the following:

B. In the event that County terminates this Agreement as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services.

Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

51. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

52. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing

work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G If a Contractor has been debarred for a period longer than five (5) years, that

Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to subcontractors of County Contractors.

53. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that

Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as part of its obligation under this

Paragraph 53.

Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a *"Covered Entity"* under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County desires to clarify County's information system terminology under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the DMH Provider Manual and which are incorporated herein by reference as though fully set forth.

(a) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the DMH Provider Manual an Electronic Data Interchange Fact Sheet which includes information about the applicable HIPAA transactions that can be processed in the County's claims processing information system. Effective January 2009 Electronic Data Interchange (EDI) will be the only acceptable method by which Contractor or its Subcontractor(s) may submit HIPAA-compliant transactions.

(c) County has added to the DMH Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website **http://dmh.lacounty.info/hipaa/index.html** related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

55. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this

Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at **www.babysafela.org** for printing purposes.

57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also

encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

58. COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM:

(LANGUAGE APPLIES ONLY TO PROP A LIVING WAGE CONTRACTS)

A. Living Wage Program: This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as *Exhibit K* and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates:

(1) Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under the Contract:

i. Not less than $9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

ii. Not less than $8.32 per hour if, in addition to the per-hour wage, the Contractor contributes at least $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed $1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

(2) For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County

under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached to the Contract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

(3) If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

(4) If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

C. Contractor's Submittal of Certified Monitoring Reports: The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the

reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (*Exhibit L and Exhibit M*), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims: During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be

maintained.

F. Notifications to Employees: The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

G. Enforcement and Remedies: If the Contractor fails to comply with the requirements of this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

(1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding of Payment: If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's

breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of $100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) Termination: The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(2) Remedies for Payment of Less Than the Required Living Wage: If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding Payment: If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the

Contractor liquidated damages of $50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) Termination: The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(3) Debarment: In the event the Contractor breaches a requirement of this Sub-paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

H. Use of Full-Time Employees: The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

I. Contractor Retaliation Prohibited: The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

J. Contractor Standards: During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a

living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

K. Employee Retention Rights:

(Note: This Sub-paragraph applies only if the contract involves the provision of services that were previously provided by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.)

(1) Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:

(a) Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and

(b) Who has been employed by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and

(c) Who is or will be terminated from his or her employment as a result of the County entering into this new contract.

(2) Contractor is not required to hire a retention employee who:

(a) Has been convicted of a crime related to the job or his or her performance; or

(b) Fails to meet any other County requirement for employees of a Contractor.

(3) Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, Contractor may retain a retention employee on the same terms and conditions as Contractor's other employees.

L. Neutrality in Labor Relations: The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that

this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

59. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

60. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment IX, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or

both. (County Code Chapter 2.202)

61. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. (1) County payments for Contractor's performance hereunder are:

(a) Provisional until the completion of the audit settlement as specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph N (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement) because such payments are subject to future County, State and/or Federal adjustments. State and/or

County adjustments to provisional payments to Contractor may result based upon County's claim processing information system data, Medi-Cal Administrative Activities (MAA) data base information, State adjudicated Medi-Cal and Healthy Families Explanation of Benefits (EOB) claims files, contractual limitations of this Agreement, annual cost report, application of various County, State and/or Federal reimbursement limitations, and/or County, State or Federal audits, all of which take precedence over monthly claim reimbursements.

(b) To be made by County using the business rules as shown in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment Procedures and Limitations); Paragraph F (Shift of County General Funds); and in the Financial Summary(ies) – The Rate Summary (Attachment III) for each of the respective County, State and/or Federal funding sources(s).

(c) Restricted to the services/activities identified in the Financial Summary(ies) – The Rate Summary (Attachment III).

(d) Applied at the Legal Entity level for each respective payer/fund source specified in the Financial Summary(ies) (Attachment III).

(2) Submission of Bills: In general, unless otherwise agreed to by County and with the exception of this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (7) (Claims Submission Timeline Requirements), claims for services, including Short-Doyle/Medi-Cal (SD/MC) and Healthy Families, are to be entered into the County's claims processing information system within 30 calendar days of the end of the month in which mental health services are delivered, although late claims may be submitted as needed in accordance with State and federal regulations. In special circumstances, such as Client Supportive Services, a manual claim may be necessary, in which case the Contractor is to submit the claim within 30 calendar days of the end of the month in which the eligible expense was incurred and in the form and content specified by County.

(a) Contractor shall notify County of any delay in meeting the 30 calendar day submission period in the event Contractor is not able to make timely data entry into the County's claims processing information system due to no fault on the part of Contractor. Such Contractor notification must include a description of the problem that the

Contractor is having with the County claims processing information system. Notification shall be pursuant to the Legal Entity Agreement, Paragraph 61 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief Information Office Bureau's Help Desk.

(b) The County will notify Contractor in writing within 30 calendar days of any County issue(s) which will prevent the entry by Contractor of claiming information into the County claims processing information system, and County will waive the requirement of this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (2) (Submission of Bills) in the event of any such County issue(s). Once County has resolved its issue(s), Contractor shall enter billing information into the County's claims processing information system within 30 calendar days of County's resolution date unless otherwise agreed to by County and Contractor.

(3) After Director's or his designee's review and approval of the monthly claim(s), Contractor shall receive from County provisional payment of Contractor's claimed amount subjected to the business rules in this Paragraph D (Billing and Payment Procedures and Limitations).

(4) Reimbursement Methodologies: County agrees to reimburse Contractor during the term of this Agreement based on the following less all fees paid by or on behalf of patients/clients receiving services/activities hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, unless otherwise specified in this Agreement.

(a) Cost Reimbursement (CR): The provisional reimbursement shall be based upon the Contractor's actual costs of mental health services/activities entered into the County's claims processing information system, State approved Medi-Cal Explanation of Benefits (EOB) claims file(s), manual claims if specified by County, and County's analysis of the claim's reasonableness subject to the limitations specified in this Financial Exhibit A (FINANCIAL PROVISIONS).

i. Reasonable, necessary and proper actual costs are allowable subject to the limitations specified in this Agreement. The Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2, "The Provider Reimbursement Manual Parts 1 and 2" is to be used to determine eligible costs for federal funds

reimbursements. For non-federal funds, allowable costs shall be governed by State law, regulations and/or policy, or by County ordinance or policy.

ii. Additionally, reimbursement for Medi-Cal funded cost reimbursed services entered into the County's claims processing information system are limited to the lowest of:

1. The Contractor's published charge(s) to the general public; unless the Contractor is a Nominal Charge Provider. This federal published charges rule is applicable only for outpatient, rehabilitative, case management and 24-hour services.

2. The Contractor's actual costs.

3. The State's Schedule of Maximum Allowances (SMA).

4. The Maximum Contract Amount (MCA) of this Agreement.

(b) Negotiated Rate Reimbursement (NR):

i. County's reimbursement of Contractor's claim(s) shall be based upon:

1. The mental health services/activities claimed by Contractor by means of Contractor's entry of such services/activities into the County's claims processing information system;

2. State adjudicated approved Short-Doyle/Medi-Cal Explanation of Benefits (EOB) claims files; and

3. Pending State approval of the negotiated rates for Short-Doyle/Medi-Cal, the Contractor's provisional negotiated rate for each procedure as specified in the Financial Summary(ies) (Attachment III), and the State's approved negotiated rates upon receipt by County of the State's negotiated rates approval notice.

ii. A negotiated rate is the payment for services delivered on a per unit of service basis. Allowable costs are negotiated between the County and the Contractor, under the statutory and policy guidelines of the State, to arrive at a negotiated rate per unit of service. If federal funds are included in the reimbursement of negotiated rate services, federal requirements must also be followed in the determination of the

negotiated rate(s).

iii. Negotiation rates for services funded with County funds only shall be established using the provisions specified in Exhibit A (FINANCIAL PROVISIONS), Paragraph E. (Establishing Provisional Cost Reimbursement Rates and Negotiation Rates), Subparagraph (2) (Establishing Provisional Cost Reimbursement Rates).

iv. Negotiated rates for Short-Doyle/Medi-Cal funded services shall be established using the State's Short-Doyle/Medi-Cal Rate Establishment Process for the Fiscal Year for which such negotiated rates would be applicable.

v. Pursuant to California Welfare and Institutions Code (WIC) Section 5716, negotiated rates for Short-Doyle/Medi-Cal services must be approved by the SDMH. A negotiated rate for Short-Doyle/Medi-Cal services shall be effective only upon SDMH approval and only for the period of time specified by SDMH.

vi. Negotiated rates for County funds only services must be approved in writing by the County.

vii. If for any period during the term of this Agreement for which there is no approved SDMH negotiated rate(s); or for which there is no approved County negotiated rate(s) for County funds only services, reimbursement, as specified by WIC Section 5716, shall be based on actual costs, subject to the limitations specified in this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) (Reimbursement Methodologies), (a) ii. (Cost Reimbursement).

viii. Additionally, reimbursement for Medi-Cal funded negotiated rate reimbursed services entered into the County's claim processing system are limited to the lowest of the following:

1. The Contractor's published charge(s) to the general public; unless the Contractor is a Nominal Charge Provider. This federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.

2. The Contractor's negotiated rates, based on historic costs, and approved by the State, or by the County if the service is not a Short-Doyle/Medi-Cal covered service that requires State rate approval.

3. The State's Schedule of Maximum Allowances (SMA).

4. The Maximum Contract Amount (MCA) of this Agreement.

(c) IMDs: Manual claims submitted by Contractor to the County in the format specified by County. Pursuant to Section 5902(e) of the Welfare and Institutions Code (WIC), Institutions for Mental Diseases (IMD) which are licensed as Skilled Nursing Facilities (SNF) by SDHS are to be reimbursed for basic services at the rate(s) established by SDHS for SNF, in addition to the rate established for a Special Treatment Plan (STP). Accordingly, the IMD reimbursement consists of a basic SNF rate and a STP rate, or a Mental Health Rehabilitation Center (MHRC) rate. Contractor's manual IMD monthly claim to County shall be for those patient days that have been approved in writing by County and shall be separately itemized by each patient day.

(d) Medi-Cal Administrative Activities (MAA): Contractor is to claim reimbursement for MAA through the County's MAA data base system by entering the appropriate eligible MAA provided and the actual time incurred rendering the MAA. Reimbursement to Contractor for MAA billings is made on a quarterly basis and upon actual State approval and payment of MAA claims. Contractor must be approved by the State to participate in and to claim reimbursement for MAA.

(e) Organizational Providers under the Medi-Cal Specialty Mental Health Services:

i. The County will make reimbursement based upon State approved Medi-Cal claims, the maximum number of allowable visits stipulated in the Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, and not to exceed the rate(s) shown in the Provisional Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles County DMH Medi-Cal Specialty Mental health Services Provider Manual.

ii. The State will impose the reimbursement limits specified in this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) (Reimbursement Methodologies), (b) viii. (Negotiated Rate

Reimbursement (NR)).

iii. The County will at the time of settlement, as specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph N (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement), hold Contractor harmless for the difference between the County reimbursement rate(s) specified in the schedule referenced in this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) (Reimbursement Methodologies), (e) i. (Organizational Providers under the Medi-Cal Specialty Mental Health Services) and the amount allowed by the State subsequent to the application of the reimbursement limits specified in this Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) (Reimbursement Methodologies), (b) viii (Negotiated Rate Reimbursement). However, in no event will County be responsible for any State disallowances resulting from unlawful or inappropriate billings on the part of Contractor.

(5) Special Claiming Conditions:

(a) Mental Health Services Act (MHSA): The execution of Amendments issued under the MHSA Request for Statement of Qualifications (RFSQ) does not guarantee a Contractor any amount of funding. Contractor shall not be entitled to any payment of MHSA funds by County under this Agreement except pursuant to validly executed and satisfactorily performed Work Orders or Amendments completed in accordance with County issued MHSA Request for Services (RFS) that includes a specific and detailed Statement(s) of Work. Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Agreement shall not restrict County from acquiring similar, equal or like MHSA goods and/or services from other entities or sources.

(b) AB 3632 Services Utilizing Medi-Cal, Individuals with Disabilities Education Act (IDEA), AB 3632 State General Funds, AB 3632 SB 90 State General Funds and/or County General Funds:

i. This Agreement's Maximum Contract Amount may include IDEA, State SB 90 (mandates) State General Funds, categorical State General Funds for AB 3632 services, and/or County General Funds for AB 3632 services all of which are restricted for AB 3632 reimbursements. Such funds shall be paid by County to

Contractor solely in County's capacity as the AB 3632 claim intermediary between the Contractor and the State and are solely restricted to AB 3632 services.

ii. The CGF, if any, allocated on the Financial Summary(ies) (Attachment III) for AB 3632 services is designated solely for AB 3632 services and no CGF in this category shall be transferred to any other category on said Financial Summary(ies) (Attachment III).

iii. In the event AB 3632 services are rendered to a Medi-Cal beneficiary federal IDEA funds are not eligible for use as local match to draw down federal financial participation (FFP) funds. The only funds available in this Agreement's Maximum Contract Amount as the local match share of the Medi-Cal AB 3632 expenditures are State SB 90 (mandates) State General Funds, categorical State General Funds for AB 3632, EPSDT – State General Funds and County General Funds.

iv. County shall make all instructions issued by the State for SB 90 claiming available to Contractor.

v. Notwithstanding any other provision of this Agreement, in the event that Contractor provides AB 3632 services reimbursable under the State's SB 90 mandate claim process, Contractor shall be paid by County from SB 90 funds upon receipt from the State. In the event that SB 90 funds are not available to pay SB 90 claims or that State denies any or all of the SB 90 claims submitted by County on behalf of Contractor, Contractor shall indemnify and hold harmless County for any and all liability for payment of any or all of the denied SB 90 claims or for the unavailability of SB 90 funds to pay for SB 90 claims. Contractor shall be solely liable and responsible for all data and information submitted by Contractor to County in support of all claims for SB 90 funds submitted by County as the fiscal intermediary.

(c) Supportive and Therapeutic Options Program (STOP) Funds: STOP funds may not be used as local match for any State or Federal programs. Notwithstanding any other provision of this Agreement, in the event that Contractor provides STOP services reimbursable under the State's STOP claim process, Contractor shall be paid by County from STOP funds upon receipt from the State. In the event that STOP funds are not available to pay STOP claims or that State denies any or all of the STOP claims submitted by County on behalf of Contractor, Contractor understands and

agrees that County is not responsible for any substantive payment obligation and, accordingly, Contractor shall not seek any payment from County and shall indemnify and hold harmless County for any and all liability for payment of any or all of the denied STOP claims or for the unavailability of STOP funds to pay for STOP claims.

(6) Maximum Monthly and Year-to-Date and Other Payment Limitations:

(a) The County's monthly payment(s) to Contractor shall be made in a manner that ensures variations in service/activity levels from month-to-month are recognized. Accordingly, an overage in actual services/activities from the Maximum Monthly Payment amount in one month can be applied to offset any underage in actual services/activities in another month(s).

i. Example: The Agreement term is July 1 to June 30 (12 months); the fiscal year's Maximum Contract Amount (MCA) is $120,000; and the payment is for November of the same fiscal year which is the fifth month. The cumulative monthly year-to-date payments will be $50,000 which is calculated by the $120,000 MCA divided by 12 (the total number of months in the Agreement Term for the specific fiscal year) multiplied by 5 (July 1 through November 30 of the fiscal year is 5 months). Therefore, the total maximum County payments limitation to Contractor for the entire 5 month period is $50,000.

(b) All monthly claims shall be subject to adjustment based upon the County's claims processing information system reports, remittance advices and Explanation of Benefits (EOB) data, and/or Contractor's annual Cost Report which shall supersede and take precedence over all claims.

(c) Director or his designee may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not be paid by County a sum in excess of the amount due to Contractor under the terms and conditions of this Agreement. Director or his designee shall provide Contractor with at least 30 calendar days written notice of his intention to make such payment adjustments, including the reason(s) for his intended action. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations for determining any adjustment (s), including any amount(s) withheld, to Contractor's

monthly claim.

(d) If service data are not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct service data and such service data has been reviewed and approved by Director or his designee. Director or his designee shall review such submitted service data within 60 calendar days of receipt. Director or his designee shall provide Contractor within 30 calendar days written notice of his intention to withhold payment, including the reason(s) for his intended action and the identification of the incomplete or incorrect service data. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(e) Director or his designee shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County written standards. Director or his designee shall provide Contractor with at least 30 calendar days written notice of his intention to deny payment, including the reason(s) for his intended actions. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision. Payment to Contractor shall not be withheld pending the results of the reconsideration process.

(7) Claims Submission Timeline Requirements:

(a) Six-Month Billing Limit: Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within six (6) months from the date of service to avoid possible payment reduction or denial for late billing. Original (or initial) claims received after this six month billing limit without an acceptable delay reason code may be subject to reduction and/or denial by either the State or County. Exceptions to the six month billing limit can be made for months seven through twelve following the month in which the services were rendered if the reason for the late billing is allowed by the California Welfare and Institutions Code (WIC) Section 14115 and the California Code of Regulation Title 22, section 51008.5.

(b) One-Year Billing Limitation: Original (or initial) claims received by the County after the twelfth (12^{th}) month following the date of service will be denied, unless otherwise authorized by State Welfare and Institutions Code (WIC) Section 14115 or federal regulations.

(8) Claims Certification and Program Integrity: Contractor certifies that all units of service entered by Contractor into the County's claims processing system and/or the Medi-Cal Administrative Activities (MAA) data base system and/or claims for actual costs submitted in hard copy to County for any payer source(s) covered by this Agreement are true and accurate to the best of Contractor's knowledge. Also, Contractor shall annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal and Title XXI Healthy Families Reimbursements" (Exhibit A–1 to this Attachment II) that is related to the Contractor's compliance with specific State and federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities and/or Title XXI Healthy Families claims.

(9) Suspension of Payment: Payments to Contractor may be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement, or if funds are unavailable from the State or other payer for which County is the fiscal intermediary under this Agreement for payment on Contractor's claims. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process. Director shall immediately notify Contractor upon receiving notification of unavailability of funds from the State or other payer for which County is the fiscal intermediary under this Agreement for payment on Contractor's claims.

(10) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(11) No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to

County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

(12) County shall make payment for approved claims, with the exception of any claim for which County is the fiscal intermediary, within 30 calendar days of the receipt of said claim by County subject to the contractual limitations of this Agreement. County shall make payment of any claim for which County is the fiscal intermediary within 30 calendar days of receiving the approved adjudicated claim files from the responsible financial party for which County acts as fiscal intermediary subject to the contractual limitations of this Agreement.

E. ESTABLISHING PROVISIONAL COST REIMBURSEMENT RATES AND NEGOTIATED RATES: The following procedures are to be adhered to in establishing or adjusting provisional cost reimbursement rates and negotiation rates for the Initial Period, the First Automatic Renewal Period and the Second Automatic Renewal Period of this Agreement.

(1) With the exception of Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) (Reimbursement Methodologies), (e) iii. (Organizational Providers under the Medi-Cal Specialty Mental Health Services), in no case will payment under either cost reimbursement or negotiation rate(s) exceed the State's Schedule of Maximum Allowance rate(s).

(2) Establishing Provisional Cost Reimbursement Rates:

(a) Provisional cost reimbursement rate establishment is based on historical costs.

(b) If Contractor has no historical costs experience, provisional cost reimbursement rates will be based upon the County's approved Negotiation Package rate data. Historical cost information must be for one full operating year (12 months of operations). The start-up year is not considered a full operating year.

(c) When Contractor has historical cost information for at least one full operating year (12 months of operation), provisional cost reimbursement service rates shall be established by using the service rates from the Contractor's most recently

filed cost report. The service rates are by service function code range, by legal entity. An application of the appropriate inflation factors is then made to those cost report rates. The service rates that result will be considered by County to be the control rates. The inflation factors to be used are the Medical Component of the Consumer Price Index for inpatient services and the Home Health Agency Input Price Index (HHAIPI) for outpatient services. For example, the provisional cost reimbursement rates for fiscal year 2007-08 would be based on the fiscal year 2006-07 filed cost report rates increased by one (1) appropriate inflation factor, or if the fiscal year 2006-07 cost report was not available, the year fiscal year 2005-06 filed cost report increased by two (2) appropriate inflation factors.

(d) Justification must be provided for proposed provisional cost reimbursement rates that exceed the control rates as defined by County in Paragraph E (Establishing Provisional Cost Reimbursement Rates and Negotiated Rates), Subparagraph (2)(c) (Establishing Provisional Cost Reimbursement Rates). Changes that may significantly affect the rates are utilization patterns, client profile shifts which impact cost of service delivery, union contracts, changes in program design, and other unforeseen documented factors which impact the cost of service delivery. Quantifiable documentation must be provided by Contractor for County to evaluate such changes. Such documentation shall minimally include:

i. A brief program narrative identifying the changes, since the most recently filed cost report, that are expected to affect the rates for the current year and making those proposed cost reimbursement rates exceed the control rates.

ii. A budget for the current year identifying the cost items included in developing the proposed provisional cost reimbursement rates and the projected units by service function. The budget should be developed from the most recent costs available projected for the year based upon both past and current trends.

iii. A summary page comparing costs and other data by major categories: (1) Salaries and Employee Benefits; (2) Services and Supplies; and (3) Occupancy Costs. Compare the summary data for these three categories from the most recently filed cost report to the current year in both dollars and percentage change.

iv. Detailed data must be provided for each the three above cost categories that Contractor feels causes the proposed rates to exceed the control rates.

(e) When a provider of service is being eliminated during the year in question, the applicable costs and units of service shall be excluded from the calculation of the Contractor's service rates.

(f) Requested rates that exceed the State's Schedule of Maximum Allowance (SMA) will be denied.

(g) County shall within 20 business days of County approval of a requested provisional cost reimbursement rate notify Contactor of such approval, and update the County's information system's rate table with the approved rate(s).

(h) If Contractor desires any mid-year change in the provisional cost reimbursement rates, Contractor shall request such change in writing prior to April 1 of the Fiscal Year for which such change would be applicable. Contractor shall submit a pro forma cost report and such applicable justification information discussed in this Paragraph E (Establishing Provisional Cost reimbursement Rates and Negotiated Rates), Subparagraph (2) (d) (Establishing Provisional Cost Reimbursement Rates) if such proposed mid-year increase in the provisional cost reimbursement service rates is greater than the control rates referenced in this Paragraph E (Establishing Provisional Cost Reimbursement Rates and Negotiated Rates), Subparagraph (2)(c) (Establishing Provisional Cost Reimbursement Rates). However, such changes in the provisional cost reimbursement rates cannot be applied retroactively to services previously processed through the County's claims processing information system. The adjustment to actual costs for such previously processed services will occur at the time of the cost report settlement as discussed in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Pre-Audit Final Cost Report Settlement).

(i) Provisional rates for the cost reimbursement methodology are adjusted, at the time of the settlement specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Pre-Audit Final Cost Report Settlement), to actual costs based on the Contractor's annual cost report which is subject to subsequent adjustment at the time of audit as described in this Financial Exhibit A (FINANCIAL PROVISIONS),

Paragraph N) (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement).

(j) All rate changes shall be made by an amendment pursuant to the DMH Legal Entity Agreement Paragraph 39 (ALTERATION OF TERMS).

(3) Establishing Negotiated Rates:

(a) Negotiation rates for services funded with County funds only shall be established using the provisions specified in this Paragraph E (Establishing Provisional Cost Reimbursement Rates and Negotiation Rates), Subparagraph (2) (Establishing Provisional cost reimbursement rates).

(b) Negotiated rates for Short-Doyle/Medi-Cal funded services shall be established using the State's Short-Doyle/Medi-Cal Rate Establishment Process for the Fiscal Year for which such negotiated rates would be applicable. If a negotiated rate for Short-Doyle/Medi-Cal is not approved by the State, reimbursement to Contractor shall be based on actual costs and subject to the limitations specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment Procedures and Limitations), Subparagraph (4) Reimbursement Methodologies) (a) ii. (Cost Reimbursement (CR)).

(c) Contractor's request to be reimbursed on a negotiated rate basis and Contractor's proposed negotiated rates and all State required documentation justifying the negotiated rates must be received by County no later than November 30 of the Fiscal Year for which such change would be applicable. County shall timely submit such proposed negotiated rate changes to the State no later than December 31 of the Fiscal Year for which such change would be applicable.

(d) County shall within 20 business days of receiving State approval of a requested negotiated rate(s) or County approval of a requested negotiated rate(s) for County funds only service(s) notify Contactor of such approval, and update the County's claims processing information system's rate table with the approved rate(s).

(4) All rate changes shall be made by an amendment pursuant to the DMH LE Agreement Paragraph 39 (ALTERATION OF TERMS).

F. <u>SHIFT OF COUNTY GENERAL FUNDS</u>: County and Contractor shall enter into a good faith negotiation prior to the beginning of the fiscal year regarding the

allocation of County General Funds (CGF) for services to the uninsured and those eligible for benefits programs. Once this allocation has been negotiated, Contractor may shift up to 15 percent of the CGF in the Agreement between categories in the Financial Summary, based on actual services delivered, without prior approval of the Department, with the provision that at settlement CGF will be first used for Match if the amount needed for Match exceeds the amount projected by Contractor, but in no event shall the amount used as Match exceed the amount shown on the Financial Summary plus 15 percent of CGF without prior approval of County. Any such shift of funds shall be in compliance with all County, State and Federal regulations, and categorical funds given to an agency for a specific purpose (e.g. CalWORKs, MHSA) must be used for the purpose for which they have been designated. In addition, any such shift of funds shall not result in any increase to the MCA, with the exception of FFP and EPSDT-SGF generated using CGF available in the Agreement, which shall be passed through to the Contractor after Board of Supervisor's approval based on a Board letter to be filed by the Director no later than 30 calendar days after the Department's reconciliation of State settlement.

G. RESTRICTION TO PROHIBIT THE REDIRECTION OF CONTRACTED FUNDS OTHER THAN COUNTY DEPARTMENT OF MENTAL HEALTH COUNTY GENERAL FUNDS: With the exception of County Department of Mental Health CGF which is subject to the provision of Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds), County control of funds shown in the Financial Summary(ies) (Attachment III) is established in accordance to the requirements and restrictions imposed by each respective County, State and/or Federal payer/fund source. Accordingly, no funds shown in the Financial Summary (Attachment III), except County Department of Mental Health CGF, for any particular payer/fund source may be redirected to any other payer/fund source.

H. GENERAL ADMINISTRATION REQUIREMENTS FOR TITLE XIX SHORT-DOYLE/MEDI-CAL AND MEDI-CAL ADMINISTRATIVE ACTIVITIES, AND TITLE XXI HEALTHY FAMILIES:

(1) Short-Doyle/Medi-Cal (SD/MC) is California's mental health designation for federal Title XIX Medicaid. Federal Financial Participation (FFP) funds are available for mental health expenditures incurred by County when providing eligible

services to Medi-Cal beneficiaries and when local match funds are also expended in rendering those Medi-Cal services. State General Fund (SGF) assistance is also available as local match for Medi-Cal eligible beneficiaries participating in the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) service. EPSDT is Medicaid's (hence Medi-Cal's) comprehensive and preventive child health program for individuals under the age of 21. Medi-Cal beneficiaries that are eligible for the EPSDT service are assigned specific Medi-Cal aid codes which distinguish their EPSDT eligibility status.

(2) Medi-Cal Administrative Activities (MAA) is a federal Title XIX program that permits Federal Financial Participation (FFP) reimbursement for mental health expenditures when local match funds are also expended for certain activities that cannot be claimed through the State's current Targeted Case Management (TCM) plan. These activities include benefits intake, evaluation and assistance, outreach/intensive informing, crisis evaluation and referral to Medi-Cal for "non-open" cases, Medi-Cal contract administration, clinical training for Medi-Cal services, and program planning for Medi-Cal services.

(3) Healthy Families (HF) is California's Children's Health Insurance Program which is the State's designation of the federal Title XXI State Children's Health Insurance Program. Federal Financial Participation (FFP) funds are available for mental health services provided by a Contractor to eligible HF beneficiaries when local match funds are also expended for eligible services.

(4) County pays any SD/MC, MAA and/or HF FFP and Medi-Cal EPSDT -SGF funds to Contractor in County's capacity as the State designated Mental Health Plan.

(5) SD/MC, MAA and HF FFP funds and EPSDT-SGF funds shall be paid by County to Contractor only:

(a) For State adjudicated approved SD/MC, MAA and/or HF claims less any of such State approved claims that have been voided by Contractor from the County's claims processing information system.

(b) For SD/MC and HF during the time the Contractor is certified as a Title XIX SD/MC provider.

(c) For MAA during the time the Contractor is certified as a Title

XIX SD/MC provider and is also approved by the State to participate in the MAA program.

(d) To the extent that this Agreement's applicable Maximum Contract Amount (MCA) has eligible State and/or County local funds which qualify pursuant to the Code of Federal Regulations as the match funds for the SD/MC, MAA and HF expenditures, thusly permitting the FFP reimbursement.

(e) County will proceed prior to the receipt from the State of the FFP and EPSDT-SGF funds for State approved adjudicated claims to make provisional payments using CGF to Contractor as follows:

(i) In an amount equal to that of the adjudicated approved SD/MC and HF claim lines totals and/or State approved MAA claims less any of such State approved claims that have been voided by Contractor from the County's claims processing information system.

(ii) Such amount is also subject to any State adjustments pursuant to this Paragraph H, Subparagraph (8) (c).

(iii) Such provisional payment using CGF shall not exceed the limitation for total SD/MC, MAA and/or HF claims specified in this Paragraph H (5) (d).

(iv) County recovery of provisional payments using CGF that are in excess of the State approved claims less any of such claims that have been voided by Contractor from the County's claims processing system will be made consistent with this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D, Subparagraph (6) (b) and (c), and this Paragraph H, Subparagraphs (6), (7) and (16), and Paragraphs M, N and O.

(6) The Maximum Contract Amount (MCA) of this Agreement shall include FFP and/or EPSDT-SGF solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims. This will establish legal authorization by the Board of Supervisors to make payment of the expenditures for the services/activities identified on The Rate Summary (Attachment III, Financial Summary(ies), and Service Exhibit(s)) of this Agreement, pending reimbursement by the State. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor for State adjudicated approved claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title

XXI Healthy Families services only to the extent required by federal laws, regulations, manuals, guidelines, and directives. With the exception of this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds) to the extent Contractor exceeds the FFP and/or EPSDT-SGF amount(s) included in this Agreement, such excess will be paid by County to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up by County to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s), otherwise such FFP and EPSDT-SGF funds will be remitted by County back to the State.

(7) Contractor understands and agrees that County's actions in providing assistance in processing claims, as the Mental Health Plan for the State and Federal governments, and initially paying for FFP and EPSDT-SGF prior to the receipt of the funds from the State in accordance with the above, is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities and/or Title XXI Healthy Families services. Contractor's ability to retain the Title XIX Short-Doyle/Medi-Cal, and/or Medi-Cal Administrative Activities and/or Title XXI Healthy Families payment for such State approved claimed services and/or activities is entirely dependent upon compliance with the law and regulations related to same.

(8) Each Fiscal Year of the term of this Agreement, the federal and local match reimbursement for Title XIX Short-Doyle/Medi-Cal and/or Medi-Administrative Activities, and/or Title XXI Healthy Families services, shall be made as on the basis of the State's notification to County of the applicable respective federally published Federal Medical Allowance Percentages (FMAPs) at the time of the date of the service.

(a) The FFP and eligible local match funds are part of the applicable Maximum Contract Amount of this Agreement.

(b) Local Match and FFP: The State and other local match funds that qualify under Federal requirements as the local share of eligible Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families medical assistance expenditures are identified on the Financial Summary. The Contractor

shall provide the local share of the Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families medical assistance expenditures from eligible funds that are part of the applicable Maximum Contract Amount of this Agreement. The Financial Summary also identifies the amount of eligible local match public funds that are restricted to be the local share of Medi-Cal, Healthy Families and MAA expenditures. With the exception of this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds), the funds identified as local match cannot be reallocated as either local match funds for another payer and/or to non-match services/activities authorized under this Agreement unless such redirection is fully compliant with the terms and conditions of the payer that is the source of the funds and approved in writing by the County.

(c) The eligible EPSDT-SGF and CGF local match funds for eligible expenditures resulting from services/activities rendered to Short-Doyle/Medi-Cal beneficiaries participating in the federal EPSDT service are determined in accordance to the FMAP and the State's distribution of local match State General Funds (EPSDT-SGF). The State will make its provisional payment to County of EPSDT-SGF local match based on adjustments for the State's EPSDT baseline, growth and to allow for historical error between the estimated provisional payment and the settled actual costs. County will make its payment to Contractor of EPSDT Title XIX Medi-Cal services on an interim basis in an amount determined by County which shall not be less than 95% of expected final reimbursement for such services not to exceed the Maximum Contract Amount. To the extent that this Paragraph H (8) (c) results in County payment to Contractor of less than 100% of the Contractor's approved EPSDT contract amount, County will provide Contractor with 60 days prior written notice.

(9) If Title XIX Short-Doyle/Medi-Cal services, and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services are provided under this Agreement, Contractor authorizes County to serve as the Mental Health Plan for State claiming and reimbursement and to act on Contractor's behalf with SDMH and/or SDHS in regard to claiming. Contractor shall certify annually in writing that all necessary documentation exists at the time any such claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families are

submitted by Contractor to County.

(10) Contractor shall be solely liable and responsible for all service data and information submitted by Contractor. County shall submit as the Mental Health Plan to SDMH and/or SDHS Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families claims and shall timely make available to Contractor any subsequent State approvals or denials of such claims. Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families claims or other State required claims data within the time frame(s) prescribed by the State and Federal governments. County shall have no liability for Contractor's failure to comply with State and Federal time frames.

(11) Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from and against any loss to Contractor resulting from any such State denials caused by Contractor, unresolved EOB claims, and/or any Federal and/or State audit disallowances caused by Contractor for such Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families.

(12) As the State designated Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families Mental Health Plan, County shall submit reimbursement claims to the State in a timely manner only for those services/activities identified and entered by Contractor into the County claim processing information system and/or into the Medi-Cal Administrative Activities data base system as appropriate claims compliant with State and federal requirements. Contractor shall comply with all written instructions provided by County and/or State to Contractor regarding Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families claiming and documentation.

(13) Contractor shall maintain an audit file documenting all Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services, as instructed by County for a period of seven (7) years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, whichever occurs later.

(14) County may modify the claiming systems for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families, at any time in order to comply with changes in, or interpretations of, State or Federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification within five (5) business days of County's knowledge of such change.

(15) Title XIX Short-Doyle/Medi-Cal Reconciliation Report: Contractor shall complete and certify, in accordance with State and County instructions, and provide DMH with two (2) copies of an accurate and complete Title XIX Short-Doyle/Medi-Cal Reconciliation Report at the legal entity level If Contractor does not so provide County with the Title XIX Short-Doyle/Medi-Cal Reconciliation Report by the due date, then Director or his designee, in his sole discretion, shall determine which State approved Short-Doyle/Medi-Cal services shall be used by County for completion of the Title XIX Short-Doyle/Medi-Cal Reconciliation Report. The due date is set by the State and is approximately 16 months after the close of the fiscal year.

(16) Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families Overpayment Recovery Procedures: Contractor shall repay to County the amount, if any, paid by County to Contractor for State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services/activities which are subsequently disallowed by the County, State, and/or Federal governments unless the disallowance was based on written County guidelines. In no event shall County be liable or responsible to Contractor for any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services/activities that are subsequently disallowed by County, State, and/or Federal governments unless the disallowance was based on written County guidelines.

(17) Amount Negotiated Rates Exceed Actual Costs: Negotiated rate reimbursements are subject to a partial recovery by State of State General Fund local match for EPSDT Medi-Cal services and Federal Financial Participation (FFP) if actual costs are less than the reimbursement under negotiated rates. Additionally, negotiated

rate reimbursements are subject to a partial recovery by County for County General Fund local match used to draw down the FFP, if any, recovered by the State. This partial recovery is a retrospective cost settlement which shares equally with the Federal, State and County governments the portion of the negotiated rate reimbursement that exceeds actual cost in the aggregate by legal entity.

(a) The State will use the Short-Doyle/Medi-Cal Cost Report MH 1968 at the time of the process described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Pre-Audit Final Cost Report Settlement) to identify the preliminary partial recovery amounts owed back to the Centers for Medicare and Medicaid Services (CMS) and the State for such recovery of State General Fund local match for EPSDT Medi-Cal and FFP payments respectively.

i. The State requires 25 percent (25%) of the gross FFP reimbursement amount in excess of actual cost be recaptured for the Federal government pursuant to the State's Medi-Cal Plan.

ii. The County will recapture from Contractor any State recovery from County of said FFP reimbursement amount in excess of actual costs and remit the recovery amount to State.

iii. The State may also make a partial recovery of State General Funds used as local match for the FFP reimbursement amount in excess of actual costs that is recovered by the State, in which case County shall recover such amount from Contractor and remit the recovery amount to State.

(b) The County may make a partial recovery of County General Funds used as local match for the FFP reimbursement amount in excess of actual costs. County will use the State's preliminary calculation of FFP to be recovered, as described in this Subparagraph (17) (a) (Amount Negotiated Rates Exceed Actual Costs), to identify the preliminary amount of County General Fund (CGF) used as local match for the FFP that the State will preliminarily recover. This CGF local match amount, if any, will remain with the Contractor for payment of other Medi-Cal local match needs and/or uncompensated care subject to this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds (CGF)) unless an amendment to reduce the CGF Maximum Contract Amount of this Agreement is made as described in this Financial

Exhibit A (FINANCIAL PROVISIONS), Paragraph U (Delegated Authority).

(c) The State and the County will adjust as appropriate the FFP, State General Funds and County General Funds calculated pursuant to this Paragraph H (General Administration Requirements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families), Subparagraph (17) (a) and (b) (Amount Negotiated Rates Exceed Actual Costs) to final amounts at the time of the process described at this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph N (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement).

(d) The amount recovered will be subtracted from the total adjudicated approved claims amount before contract limit comparison is applied.

I. GOVERNMENT FUNDING RESTRICTIONS: This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State, including, but not limited to, those contained in State's Budget Act, which may in any way affect the provisions or funding of this Agreement. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

J. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST:

(1) Contractor shall comply with all County, State, and Federal requirements and procedures relating to:

(a) The determination and collection of patient/client fees for services hereunder based on UMDAP.

(b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall pursue and report collection of all patient/client and other revenue.

(2) All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health service units specified in this Agreement.

(3) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Agreement. Contractor shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County.

(4) Contractor shall not retain any fees paid by any resources for or on behalf of Medi-Cal beneficiaries without having those fees deducted from the cost of providing the mental health services from which the fees were derived.

(5) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Agreement.

(6) Failure of Contractor to report in all its monthly claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such nonreported revenue.

(b) A report by County to SDMH of all such nonreported revenue including any such unreported revenue paid by any resources for or on behalf of Medi-Cal beneficiaries.

(c) Any appropriate financial adjustment to Contractor's reimbursement.

K. <u>CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED</u>:

(1) The Maximum Contract Amount for each period of this Agreement includes Cash Flow Advance which is repayable through cash and/or appropriate services/activities and/or actual and allowable costs incurred under this Agreement.

(2) For each month of each fiscal year of this Agreement, County will reimburse Contractor based upon the County and/or State and/or Federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or Federal government(s) have not made payment, and/or such payment is less than $1/12^{th}$ of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

(3) Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

(4) Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in DMH Legal Entity Agreement Paragraph 3 (DESCRIPTION OF SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s), and the County and/or State and/or Federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

(5) No Cash Flow Advance will be given if a Contractor has not been certified as an eligible Medi-Cal service provider unless otherwise agreed to by County.

(6) Cash Flow Advance Request Letter: For each month for which Contractor is entitled to request and receive Cash Flow Advances (CFA) a request letter from Contractor must be received by County on or before the 15th of that month in order to receive a full month's payment (i.e., for the month of July, the request must be received by July 15). Any CFA request letter received by County from Contractor after the 15th of the month will only receive a partial CFA payment for that month; the payment will be prorated for the number of days remaining in that month (i.e., the CFA payment for the

month of July will only be for 11 days for a request letter received on July 20th). The signed request letter must be sent via fax or e-mail (PDF file) to Financial Services Bureau – Accounting Division, Provider Reimbursement Unit (PRU). PRU staff will determine full or partial payment amount based on the date the request letter actually arrives at PRU and not the date on the request letter. There will be no retroactive CFA payments under any circumstance if the request letter for CFA payments is received after the end of the month for which a CFA is being requested.

(7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

(8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:

(a) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed $_____. The Cash Flow Advance monthly amount is $1/12^{th}$ of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

(b) A Contractor providing EPSDT Short-Doyle/Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from

County a monthly County General Fund Cash Flow Advance for any EPSDT Title XIX Medi-Cal funds which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $_____ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed $_____.

(9) Upon receipt of a request, Director or his designee, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part. Director or his designee will notify Contractor within 10 business days if the Cash Flow Advance is not approved including the reason(s) for non-approval. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

(10) Recovery of Cash Flow Advances: If Contractor has received any Cash Flow Advance pursuant to this Paragraph K (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then recovery from Contractor's monthly claims shall be made, through cash payment by Contractor and/or County offsets to County payment(s) of Contractor's approved adjudicated claim(s) as follows:

(a) Generally, when Contractor is meeting contractual levels, County initiates recovery of the CFA balance, if any, for a particular Fiscal Year in July following the close of such Fiscal Year.

(b) County will recover all CFA balances, if any, for a particular Fiscal Year no later than September 30 following the close of such Fiscal Year. September 30 is the date by which all or the substantive portion of the Contractor's prior Fiscal Year's claims should have been received from Contractor and processed by County.

(c) However, should the CFA balance for a particular Fiscal Year not be fully repaid by Contractor to County by September 30 following the close of such Fiscal Year, Contractor repayment shall be conducted as specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph O (Method of Payments for Amounts Due to County) unless otherwise agreed to by County.

(d) If County at mid-year determines that Contractor's units of

service and State FFP and EPSDT-SGF approvals are not going to meet contracted levels by Fiscal Year End, County will give Contractor 30 calendar days written notice of its intent to initiate recovery of Cash Flow Advance (CFA) if necessary, including the reason(s) for the intended actions, to ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time all, or the substantive portion of the Contractor's prior Fiscal Year's claims are received by and processed by County no later than September 30 following the Fiscal Year close. Contractor may, within 15 calendar days of the receipt of County's written notice, request reconsideration of the County's decision.

(12) When Contractor's Cash Flow Advance balance is zero in any fiscal year of the Term of this Agreement, any County and/or State and/or Federal government(s) approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of this Agreement.

(13) Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash management of such Cash Flow Advance in a prudent manner.

(14) Cash Flow Advance for IMD, PHF and Mental Health Rehabilitation Center Contractors Only: The amount of a Cash Flow Advance payment shall be based on the average daily census for the last two available months of the preceding fiscal year.

L. ANNUAL COST REPORTS:

(1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide County with two copies of an accurate and complete annual cost report, with a statement of expenses and revenue.

(2) An accurate and complete annual cost report (annual cost report) shall be defined as a cost report which is completed to the best of the ability of Contractor and is based on the best available data.

(3) The annual cost report will be comprised of a separate set of forms for the County and State for the Financial Summary within each legal entity.

(4) The annual cost report will be due on September 15th for the fiscal year ending on the previous June 30th or 75 days following the expiration or termination date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day.

(a) Failure to submit an annual cost report by 30 calendar days after the applicable due date specified in this Paragraph L (Annual Cost Reports), Subparagraph (4) above shall constitute a breach of Contract. In such instance that Contractor does not submit an annual cost report(s) by such 30 calendar days after the applicable due date specified in Paragraph L (Annual Cost Reports), Subparagraph (4), then all amounts covered by the outstanding annual cost report(s) and paid by County to Contractor in the Fiscal Year for which the annual cost report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph O (Method of Payments for Amounts Due to County).

(b) If Contractor fails to submit an annual cost report(s) by the due date specified in this Subparagraph (4), and if this Agreement is automatically renewed as provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to not make any further payments to Contractor under this Agreement until the annual cost report(s) is (are) submitted. County shall give Contractor at least 15 business days written notice of its intention to withhold payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have 15 business days either to correct any deficiencies, or to request reconsideration of the decision to withhold payment. Payment to Contractor shall not be withheld pending the correction of deficiencies, or if reconsideration is requested, pending the results of the reconsideration process.

(c) It is mutually understood and agreed that failure of Contractor to submit an annual cost report(s) by the due date specified in this Subparagraph (4) will result in damages being sustained by County; that the nature and amount of such damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event of Contractor's failure to submit an annual cost report(s) by the due date specified in this Subparagraph (4), County may, in its sole discretion, assess liquidated damages in the amount of ONE HUNDRED DOLLARS ($100) for each day that the annual cost report(s) is (are) not submitted. Contractor may request that liquidated damages not be assessed by sending a request to

the attention of Director or his designee no later than thirty (30) days prior to the County's Cost Report filing due date specified in this Subparagraph (4) to allow ample time to process. Liquidated damages shall be assessed separately on each outstanding annual cost report. Liquidated damages shall be assessed commencing beginning September 16th or on the seventy-sixth day following the expiration or termination date of this Agreement and shall continue until the outstanding annual cost report(s) is(are) received.

(5) Each such annual cost report shall be prepared by Contractor in accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2, "The Provider Reimbursement Manual Parts 1 and 2", the State's Cost Reporting/Data Collections (CR/DC) Manual, and for organizational providers in the Mental Health Specialty Services Mental Health Plan' service provider network, the "Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management", and any other written guidelines which shall be provided to Contractor at the Cost Report training, requiring mandatory attendance by Contractor, to be conducted by County by June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared. County may, in its sole discretion, assess liquidated damages in the amount of ONE HUNDRED DOLLARS ($100) for Contractor's non-attendance at the Cost Report training.

(6) If Contractor fails to correct inaccuracies in annual cost report within thirty (30) calendar days after receipt of written notification from the Director or his designee and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of the loss of reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.

(7) Contractor shall be solely responsible for any loss incurred by County due to Contractor's failure to comply with County and State cost report requirements.

M. PRE-AUDIT FINAL COST REPORT SETTLEMENT: Based on the Annual Cost Report(s) submitted pursuant to this Financial Exhibit A (FINANCIAL PROVISIONS) Paragraph L (Annual Cost Reports), at the end of each Fiscal Year or portion thereof that this Agreement is in effect and Paragraph H (General Administration Requirements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI

Healthy Families), Subparagraph (15) (Title XIX Short-Doyle/Medi-Cal Reconciliation Report), the State and County will perform a pre-audit final cost report settlement. Such settlement will be subjected to the terms and conditions of this Agreement and any other applicable State and/or federal statutes, regulations, policies and procedures requirements pertaining to cost reporting and settlements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families, and other applicable federal and/or State programs.

(1) Reimbursement to Contractor shall not exceed the Maximum Contract Amount shown in the Financial Summary(ies) (Attachment III) except as provided for in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds). For purposes of this part, Federal Financial Participation (FFP) for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families services/activities will be considered by County in the Legal Entity's aggregate total when applying the Maximum Contract Amount limitation by payer. However, the FFP reimbursement by County to Contractor for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI Healthy Families services/activities respectively shall be limited to the maximum FFP for which there is sufficient CGF/State local match funds, as required by federal statute and regulation, in the applicable Maximum Contract Amount. State FFP reimbursement to County for Contractor's State approved Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families services/activities that is in excess of the FFP amount for which the Contractor's Maximum Contract Amount has sufficient CGF/State local match funds will be handled as specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph H (General Administrative Requirements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI Healthy Families), Subparagraph (6).

(2) County's issuance of its pre-audit cost report settlement findings shall take place no later than 120 calendar days after the receipt by County from the State of the State's Final Cost Report Settlement package for a particular fiscal year.

(3) In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County according to the method described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph O

(Method of Payments for Amounts Due to County).

N. AUDITS, AUDIT APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL FINAL SETTLEMENT:

(1) At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and federal law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 and sequence, authorized representatives from the County, State or Federal governments may conduct an audit of Contractor regarding the mental health services/activities provided hereunder.

(2) Settlement of the audit findings will be conducted according to the auditing party's procedures in place. In the case of a State Short-Doyle/Medi-Cal (SD/MC) audit the State and County will perform a post-audit Short-Doyle/Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process. However, if the responsible auditing party stays its collection of any amounts due or payable because of the audit findings , County will also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with County.

(a) County recovery from Contractor of Federal overpayment shall be made in accordance with all applicable Federal laws, regulations, manuals, guidelines, and directives.

(b) County shall issue an invoice to Contractor for any amount due County no later than forty (40) calendar days after the State issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice.

(3) Contractor may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

(a) For Federal audit exceptions, Federal audit appeal process shall be followed.

(b) Contractor may appeal the State audit findings in conformance with provisions of Sections 51016 and sequence, Title 22, of the California Code of

Regulations. Such appeals must be filed through County. County shall notify Contractor of State appeal time deadlines upon County's receipt from State of the audit report. The first level of appeal is the Informal Conference. The second appeal level is the Formal Hearing should Contractor appeal the Informal Conference appeal finding(s). The Formal Hearing audit appeal concludes with a Report of Findings which is final.

(c) In accordance with the Formal Hearing Report of Findings the State will proceed to recompute the final settlement of the Short-Doyle/Medi-Cal cost report for a particular year and settle with the County. The County will perform a post-audit Short-Doyle/Medi-Cal recomputed final settlement based upon the State's settlement with the County.

(4) Notwithstanding any other provisions of this Agreement, if Contractor appeals any audit report, the appeal shall not prevent the County from recovering from Contractor any amount owed by Contractor that the State has recovered from County.

(5) Should the auditing party be the County, Contractor will have thirty (30) calendar days from the date of the audit report within which to file an appeal with County. County will issue an invoice for any amount due County fifteen calendar days (15) after County has notified Contractor of the County's audit appeal findings. The amount on the County invoice is due thirty (30) calendar days from the date of the invoice.

(6) Contractor shall pay County according to Paragraph O (Method of Payments for Amounts Due to County).

(7) If the post-contract audit and/or post-audit appeal Formal Hearing process conducted by County, State, and/or Federal personnel determines that the County payments to Contractor hereunder are less than the amounts reimbursable pursuant to this Agreement, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraphs B (Reimbursement for the Initial Period) and C (Reimbursement if Agreement is Automatically Renewed), be exceeded, except as provided for in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph F (Shift of County General Funds). County will remit payment to Contractor within thirty (30) calendar days of receiving Board authorization to make the payment. County will seek such Board authorization within 30

calendar days after completion of the post-audit and recomputed final settlement Short-Doyle/Medi-Cal processes described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph N (Audits, Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement).

O. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY: Within ten (10) business days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following six payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by Contractor to County, (2) deducted from future claims over a period not to exceed three months, (3) deducted from any amounts due from County to Contractor whether under this Agreement or otherwise, (4) paid by cash payment(s) by Contractor to County over a period not to exceed three months, or (5) a combination of any or all of the above. If Contractor does not so notify County within such ten days, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above six payment options shall be used by County for recovery of such amount from Contractor.

P. INTEREST CHARGES ON DELINQUENT PAYMENTS: If Contractor, without good cause as determined in the sole judgment of Director, fails to pay County any amount due to County under this Agreement within 60 calendar days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first calendar day after the due date. Contractor shall have an opportunity to present, to Director, information bearing on the issue of whether there is a good cause justification for Contractor's failure to pay County within 60 calendar days after the due date. The interest charges shall be: (1) paid by Contractor to County by cash payment upon demand and/or (2) at the sole discretion of Director or his designee, deducted from any amounts due by County to Contractor whether under this Agreement or otherwise.

/

Q. **FINANCIAL SOLVENCY:** Contractor shall maintain adequate provisions against the risk of insolvency. Such provisions shall minimally meet the solvency/working capital criteria specified in the DMH's financial responsibility requirements policy.

R. **LIMITATION OF COUNTY'S OBLIGATION DUE TO NONAPPROPRIATION OF FUNDS:** Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph B (Reimbursement For Initial Period) and Paragraph C (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

S. **BUDGET REDUCTIONS:** In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

T. **CONTRACTOR REQUESTED CHANGES:**

(1) If Contractor desires any change in the terms and conditions of this Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal Year, unless otherwise agreed to by County and Contractor, for which the change would

be applicable, and all changes shall be made by an amendment pursuant to DMH Legal Entity Agreement Paragraph 39 (ALTERATION OF TERMS).

(2) If Contractor requests to increase or decrease any Maximum Contract Amount, such request and all reports, data, and other information requested by DMH's Contracts Development and Administration Division, shall be received by DMH's Contracts Development and Administration Division for review prior to April 1 of the Fiscal Year in which the increase or decrease has been requested by Contractor.

U. DELEGATED AUTHORITY: Notwithstanding any other provision of this Agreement, County's Department of Mental Health Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Agreement during the remaining term of this Agreement, under the following conditions.

(1) County's total payments to Contractor under this Agreement, for each Fiscal Year of the term of this Agreement, shall not exceed an increase of more than the Board-approved percentage of the applicable Maximum Contract Amount; and

(2) Any such Maximum Contract Amount amendment increase or amendment change shall only be used for additional services or to reflect program and/or policy changes that affect this Agreement; and

(3) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Agreement; and

(4) Approval of County Counsel and the Chief Administrative Officer or their designee is obtained prior to any such amendment to this Agreement; and

(5) County and Contractor may by written amendment reduce programs or services and revise the applicable Maximum Contract Amount. The Director or his designee shall provide 15 business days prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County, to Contractor, DMH Contracts Development and Administration Division, and to County's Chief Administrative Officer. Any such change in any applicable Maximum Contract Amount shall be effected by an administrative amendment to this Agreement by Director or his designee; and

(6) Notwithstanding this Paragraph U (Delegated Authority), Subparagraph (5), if the County in its sole discretion determines from a review of

Contractor's service and billing records that a significant portion of the funds provided for services under this Agreement will be underutilized in any period of the Agreement term, then the Director or his designee shall provide 15 business days prior written notification to Contractor of County's intent to reallocate underutilized funds by the moving of such funds into another program budget category for the same period on the Financial Summary (Attachment II) within this Agreement, and/or reallocate such funds into another DMH Legal Entity Agreement with another contract provider that readily provides for the efficient use of such funds before the expiration of the same period in this Agreement. This written notification is to include an explanation of how the County reached the conclusion that Contractor is underutilizing funds; copies of relevant data, such as but not limited to County information system reports that County used in making this decision; the nature and amount of funding changes to Contractor; and any changes in the amount of services to be received by County.

In the event Contractor believes that an adjustment authorized under this provision is unjustified, Contractor may, within the 15 business day notice period, so notify the Director or his designee in writing, and request a meeting with County to review County's documentation that Contractor will be underutilizing a significant portion of its Maximum Contract Amount. Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its Maximum Contract Amount.

If, thereafter, it is still determined that a significant portion of the Maximum Contract Amount will be underutilized the County shall reallocate such funds, as provided above. Director or his designee shall provide final prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County, to Contractor, DMH Contracts Development and Administration Division, and to County's Chief Administrative Office and the determination of the Director or his designee will be final. Any such change in any applicable Maximum Contract Amount shall be effected by an administrative amendment to this Agreement by Director or his designee. Changes that are based on one-time circumstances will be applicable to the current contract year only and shall not result in reductions (or increases) of Maximum

Contract Amounts in subsequent years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of Maximum Contract Amounts in subsequent years.

The determination by the Director or his designee shall be effective upon the receipt of such final prior written notice by Contractor and the changes to funding and services shall be incorporated into this Agreement as of the date of receipt. Contractor understands and agrees that its Maximum Contract Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the Maximum Contract Amount for this Agreement. By executing this Agreement, Contractor specifically consents to the prospective adjustments set forth in this provision.

(7) Director shall notify County's Board of Supervisors of all Agreement changes in writing within 30 calendar days following execution of any such amendment(s). If the County determines from a review of Contractor's service and billing records that a significant portion of the funds provided for services under this Agreement shall be underutilized over the period of the Agreement term, then the Director or his designee shall provide 15 business days prior written notification to Contractor (as referenced in this Paragraph U, Subparagraph (5) above) of County's intent to reallocate such funds into another DMH Legal Entity Agreement before the expiration of this Agreement's term. This written notification must include both an explanation of how County reached the conclusion that Contractor is underutilizing funds, and also copies of any relevant data, such as but not limited to County information system reports that County used in making this decision.

Within the 15 business day notice period, Contractor may request a meeting with County to review County's documentation that Contractor will be underutilizing a significant portion of its Maximum Contract Amount. Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its contract amount.

SAFELY SURRENDERED BABY LAW FACT SHEET

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena.
Sin culpa.
Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
