LIBRARIAN EDUCATION REIMBURSEMENT PROGRAM STATUS REPORT

On the June 19, 2007, motion by Supervisor Burke, the Board directed the Chief Executive Officer in concert with Public Library to report back in 90 days with findings and recommendations to determine the feasibility of developing a Librarian Education Reimbursement Program.

On September 20, 2007, we requested an extension of the report back to October 31, 2007, to allow Public Library more time to work with County Counsel and Department of Human Resources (DHR) on legal and policy issues.

In order to accommodate the Librarian Education Reimbursement Program, the Board will need to approve an amendment to the County's Tuition Reimbursement ordinance. Public Library is currently working with County Counsel and DHR on the ordinance amendment. Therefore, we would like to request for a second extension to January 31, 2008.

If you have any questions, please contact me, or your staff may contact David Wei at (213) 893-2534.
