Dear Supervisors:

APPROVAL OF APPROPRIATION ADJUSTMENT FOR COMMUNITY AND SENIOR SERVICES FISCAL YEAR (FY) 2007- 08 OLDER AMERICANS ACT (OAA) TITLE III GRANT AWARDS AND AUTHORIZATION TO EXECUTE CONTRACT AMENDMENTS

(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Appropriation Adjustment (Attachment A) for the Department of Community and Senior Services (CSS) in the amount of $1,000,000 to its FY 2007-08 Adopted Budget in One-Time-Only (OTO) Older Americans Act (OAA) Title III funds (Agreement Number AP-0708-19, Amendment No. 1) from the California Department of Aging (CDA) for the purchase of approximately 29 vehicles that will enhance/increase the provision of nutrition services to older adults and adults with disabilities throughout the County of Los Angeles.

2. Authorize the Director of Community and Senior Services (CSS), or designee, to execute contract amendments in substantially similar form to Attachment B for Older Americans Act (OAA) One-Time-Only (OTO) funds received from the California Department of Aging (CDA). The amendments will be executed with the four service providers shown on Attachment C in the amounts indicated for the provision of nutrition services, effective upon execution of both parties through June 30, 2008. This request is made because the OAA OTO funding amounts allocated to each service provider exceed 25 percent of each provider's original contract amount and the Director of CSS' delegated authority.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

These recommended actions will enable CSS to: 1) purchase vehicles so nutrition providers can expand their routes and increase the number of meals delivered to home-bound seniors; and 2) amend contracts with four nutrition services providers to enhance nutrition services and increase the number of meals provided to seniors in a group setting. With these changes, 52,000 additional meals will be provided to seniors throughout Los Angeles County. These actions will enable CSS to expend OAA OTO only funds, received by Los Angeles County in December 2007, by June 30, 2008. These funds cannot be carried over to the subsequent fiscal year; in the event that they are unexpended, the funds must be returned to the CDA. On June 26, 2007, your Board previously authorized delegated authority to the Director of CSS to accept future OAA funding augmentations from the CDA.

As background, in addition to the State's baseline FY 07-08 funding of $9.1 million for the various senior programs, on September 25, 2007 your Board provided an additional $782,000 to assist nutrition providers in addressing their waiting lists for both congregate and home-delivered meals for seniors. After a series of stakeholder meetings, $766,521 was distributed in Fall 2007 to the nutrition providers listed in Attachment D for both congregate and home-delivered meals.

Also, each OAA nutrition program service provider that contracts for the Title III-E Family Caregiver Support Program (FCSP) funding was initially awarded approximately 50 percent in funding for FY 2007-08 pending the release of a Request for Proposal (RFP). Subsequently, the RFP was delayed because of pending State redesign of the program. Therefore, in December 2007, the remaining 50 percent ($94,742) in Title III-E funding was distributed to the Title III-E FCSP funded service providers (whose contracts include nutrition programs) to continue the provision of caregiver support services through FY 2007-08, as indicated on Attachment D.

To further expand home-delivered meals by approximately 37,000, it was agreed through the stakeholder meetings that additional food routes would be needed. To do this, it was agreed that OTO funds in the amount of $1 million would be used for the purchase of vehicles to deliver additional meals to home-bound seniors. The nutrition services providers listed in Attachment E have requested vehicles. CSS will purchase the vehicles through the Internal Services Department (ISD) and will transfer the vehicles to nutrition contractors in accordance with the State and Federal requirements.

In addition, to further expand congregate meals, it was agreed through the stakeholder meetings for two providers to each open one new site in Ladera Heights and Antelope Valley and execute contract amendments with agencies to provide nearly 15,000 additional meals.

The additional funding for four of the nutrition services contractors exceeds CSS' current 25 percent delegated authority by $70,386; therefore, Board approval is required. These four contractors are listed on Attachment C.

Performance Measures

To comply with Federal and State funding source requirements, CSS has developed the following performance standards to measure program effectiveness:

- Percentage of caregivers whose ability to provide care has increased or improved as a result of the support services provided;
- Percentage of participants who reported improved social functions and emotional well-being; and
- Percentage of participants served who are minority, low-income, disabled and aged 75+ exceeds the national average.

Agencies are required to develop benchmark criteria for each performance standard. CSS will assess the agencies' performance during each monitoring visit.

Implementation of Strategic Plan Goals

The recommended actions support the Countywide Strategic Plan Goals of Service Excellence, Organizational Effectiveness, and Fiscal Responsibility.

FISCAL IMPACT/FINANCING

CSS is requesting Board approval for an Appropriation Adjustment in the amount of $1,000,000 to its FY 2007-08 Adopted Budget in OTO OAA Title III funds (Agreement Number AP-0708-19, Amendment No. 1) from the CDA.

The OTO funding provided by CDA will enhance administration of nutrition services programs to older adults aged 60+, disabled adults aged 18+ and caregivers in its Planning and Service Area (PSA), Los Angeles County - excluding the City of

Los Angeles. OTO funding will be used for fixed asset purchase of approximately 29 vehicles for the home-delivered meals nutrition programs.

There will be no impact on the net County cost.

The funding breakdown for the OAA programs is as follows:

Contract amendments for the provision of enhanced nutrition services exceeding 25 percent delegated authority	$70,386
Fixed Asset Vehicle Purchases	$1,000,000
TOTAL	**$1,070,386**

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CSS has current contracts with each of the providers listed in Attachment C to provide nutrition services to residents within Los Angeles County. These contracts have been executed based on County and CDA requirements and follow OAA and other applicable Federal guidelines. The contract term began July 1, 2006 and expires June 30, 2008. The types of services provided by these contractors include, but are not limited to, the following: meals served at congregate sites for seniors and their companions; meals delivered to home-bound seniors at their residences.

CONTRACTING PROCESS

All agencies being recommended for funding were successful in the RFP process conducted by CSS (OAA Title III grant-funded programs). Each of the recommended service providers has demonstrated satisfactory contract performance during the funding cycle.

Monitoring

Monitoring of the nutrition and support services programs is conducted on an annual basis and will include administrative and programmatic monitoring to ensure contract compliance. Program monitoring is accomplished through the CSS Contracts Compliance Division. Fiscal compliance monitoring will be conducted bi-annually by an approved vendor procured through the Auditor-Controller.

IMPACT ON CURRENT SERVICES

The recommended actions will give CSS the appropriation authority to provide additional funding to community-based contract agencies that provide nutrition services, and other enhanced program services under the OAA. This funding will provide the agencies with much needed vehicles to add more food routes to serve home-bound seniors resulting in 37,000 additional meals throughout Los Angeles County. Through CDA OTO funds, the Department is able to provide critical program operations that enhance services to older adults and their caregivers countywide.

CONCLUSION

Upon Board approval, please mail one copy of the adopted Board letter to Ms. Sonja Ivey-Rojas, Community and Senior Services, 3175 West Sixth Street, Room 403, Los Angeles, CA, 90020. If you need to contact Ms. Ivey-Rojas, her number is (213) 351-8917.

Respectfully submitted,
