The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

TEN-YEAR LEASE
DISTRICT ATTORNEY
5900 SOUTH EASTERN AVENUE, COMMERCE
(FIRST DISTRICT) (3 VOTES)

SUBJECT

The proposed ten-year lease will provide the District Attorney (DA), 10,000 rentable square feet of office space to house the Auto Insurance Fraud Task Force (Task Force).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the project is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15061 (b) (3) of the State CEQA Guidelines 2.

2. Approve and instruct the Chair to sign the ten-year lease with Quadrangle-CP, LLC (Landlord), for 10,000 rentable square feet of office space and 40 parking spaces at an initial annual base rent of $228,000. Additionally, the $450,000 total cost of the Tenant Improvements (TIs) may be amortized over a five-year period to result in an annual payment of $112,095, or paid in lump-sum at the option of the tenant department. The total initial annual maximum lease cost is $340,095. The rental costs are approximately 92 percent revenue offset by the State.
3. Authorize the Landlord and/or the Director of the Internal Services Department (ISD), at the discretion of the Chief Executive Office (CEO), to acquire a telephone system not to exceed $450,000. The full cost of the new low voltage system, telephone, data and access controls, may be amortized at 8 percent over a five-year term in the annual amount of $109,493, or paid in lump sum by the County.

4. Authorize the CEO, ISD and the DA to implement the project. The lease will be effective upon Board approval and the term will commence upon completion and acceptance of the TIs by the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Task Force is currently housed at the State of California, Department of Insurance facility located at 5999 East Slauson Avenue, Commerce. The State has requested the DA vacate the premises due to its need for expansion.

The proposed lease will provide the Task Force office space in close proximity to their current location. The proposed facility will provide the Task Force immediate access to outside agencies which act as collaborative partners in the investigation and prosecution of auto insurance fraud within the County. The Task Force is a covert operation which investigates and prosecutes individuals, criminal fraud organizations and their co-conspirators.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The Countywide Strategic Plan directs that we provide organizational effectiveness and ensure service delivery systems are efficient, effective and goal oriented (Goal 3) and that we strengthen the County’s fiscal capacity (Goal 4). The proposed action will provide leased space for the implementation of the Task Force in space exclusively for their use.
FISCAL IMPACT/FINANCING

The proposed full service gross lease will provide 10,000 rentable square feet of office space and 40 non-exclusive surface parking spaces included in the base rent. The proposed lease rate is $1.90 per rentable square foot, $19,000 per month or $228,000 annually.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease will provide 10,000 rentable square feet of office space and 40 surface parking spaces included in the base rent. The proposed lease includes the following provisions:

- The ten-year term will commence upon substantial completion and County acceptance of the TI.

- The monthly base per square foot rental rate will be $1.90.

- The base rent will be subject to annual CPI adjustment with a base of 3 percent and a cap of no more than 6 percent.

- The County will have one option to renew the term for an additional five years under the same terms and conditions as in the proposed lease except that the rental rate will be adjusted to 95 percent of market rental rates as defined in the lease. The actual exercise of the option will be only by the Board of Supervisors.
The County will have the right to cancel the lease at any time after 60 months of the lease term by giving Landlord not less than 180 or more than 360 days prior written notice.

The Landlord, at its sole cost and expense, will provide the payment of all taxes, insurance, utilities and maintenance associated with the County’s occupancy and there will not be any expenses passed through to the tenant.

The Landlord will provide the County a non-reimbursable base TI allowance of $400,000, or $40 per rentable square foot of the premises, an additional TI allowance of $400,000, or $40 per rentable square foot of the premises, and a Change Order allowance of $50,000, or $5 per rentable square foot of the premises. The expended portion of the Additional TI and Change Order allowances will be reimbursed to the Landlord, either paid in lump sum or amortized at 9 percent over a five-year period, at tenant’s option.

After hours HVAC use will be paid directly by the tenant department at $60 per hour.

Notice has been sent to the City of Commerce pursuant to Government Code Sections 65402 and 25351.

The CEO Real Estate Division staff surveyed the immediate area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically. Attachment B shows all County owned and leased facilities countywide of equal or greater size. Based upon the survey, staff has established that the annual rental range for similar space is between $21.00 and $27.00 per square foot on a full service gross basis. The annual rental rate of $22.80 is at the low end of the market range for full service gross market rates in the area and represents a competitive rental rate.

ENVIRONMENTAL DOCUMENTATION

The CEO has made an initial study of environmental factors and has concluded that this project is exempt from CEQA as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board November 17, 1987, and Section 15061 (b)(3) of the State CEQA Guidelines.

A child care center is not feasible in this building.

The Department of Public Works inspected the facility for seismic safety and American with Disabilities Act (ADA) accessibility and has found it suitable for County occupancy.
The Honorable Board of Supervisors  
July 1, 2008

The proposed lease was submitted for review to the Board-appointed Real Estate Management Commission on May 28, 2008. After careful review, the Commission approved the lease.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed lease will provide the necessary office space for their County requirement. The DA concurs with the proposed lease.

**CONCLUSION**

It is requested that the Executive Officer, Board of Supervisors, return two originals of the executed lease and the adopted, stamped Board letter and two certified copies of the Minute Order to the CEO, Real Estate Division at 222 South Hill Street, Fourth Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

Should Landlord and Tenant not agree with respect to the results of the measurement conducted pursuant to this Subsection 2.2
Landlord shall appoint an independent firm or person who is experienced in making such measurements whose determination with respect to which measurement is correct shall be final and binding upon the parties. Landlord and Tenant shall share equally in the fees of such firm.

The Commencement Date shall begin 30 days after Tenant’s Acceptance of the Premises. The term “Tenant’s Acceptance of the Premises” as used in this Lease shall mean the date upon which the Premises are Substantially Complete, Tenant has inspected the Premises and Tenant has accepted the Premises. The term “Substantial Completion” as used in this Lease shall mean compliance with all of the following:

d. Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease; and
e. If Landlord is responsible for the installation of telecommunications systems, then such systems shall be completely operational.

4.2. Termination Right

If the Commencement Date has not occurred within 60 days from the Projected Commencement Date, subject to Tenant Delays or Force Majeure Delays as provided in Landlord's Work Letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

4.3. Early Possession

Tenant shall be entitled to possession of the Premises not less than 30 days prior to the Commencement Date for the purpose of installing Tenant's furniture, fixtures and equipment in the Premises. Such early occupancy shall be subject to all provisions hereof but shall not advance the termination date, and Tenant shall not pay Basic Rent for such early occupancy period. Tenant shall be responsible for damages and delay caused by Tenant or its employees during Early Possession.

4.4. Early Termination

Tenant shall have the annual rights to terminate this Lease after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than 180 days nor more than 360 days prior written notice executed by the Chief Executive Officer of Tenant. In the event Tenant exercises such right, Tenant shall pay Landlord the unamortized cost of the Tenant Improvements at an interest rate of 9.0% per annum and brokerage commissions paid by Landlord to Tenant's broker/representative in connection with this Lease; within sixty (60) days of the effective date of the early termination.

4.5 Option to Renew

(a) Term of Option. Provided that no material Default has occurred and is continuing under the Lease at the time the option is exercised, Tenant shall have one (1) option (the "Option") to renew this Lease for an additional period of 60 months (the "Extension Term").

(b) Exercise of Option. Tenant shall exercise its Option by:

(i) giving Landlord written notice of its intention to do so (its "Notice of Intent") by letter from Tenant's Chief Executive Office ("CEO") no later than 180 days or earlier than 360 days, prior to the end of the initial Term hereof, and

6

Initial
(ii) by giving written notice of its election to exercise such option after Market Rental Value has been determined as provided below, and after the Board of Supervisors has approved the exercise of the Option. It is understood that Tenant will not exercise its Option until after the Board of Supervisors has approved doing so, which will not be prior to the determination of the Market Rental Value as provided below. If the Board of Supervisors has not approved the exercise of the Option prior to 90 days after the expiration of the Term of this Lease as then in effect, Tenant shall be entitled to hold over as provided in this Lease.

(c) **Terms and Conditions of the Extension Term.** The Extension Term shall be on all the terms and conditions of this Lease, except that Basic Rent during the Extension Term shall be equal to 95% of Market Rental Value for the Premises as of the date Tenant delivers its Notice of Intent ("Adjusted Market Rental Value"), to be determined as set forth below, and Landlord shall have no additional obligation for free rent, leasehold improvements or for any other tenant inducements for the Extension Term.

(d) **Agreement on Basic Rent.** Landlord and Tenant shall have 90 days after Landlord receives the Notice of Intent in which to agree on the Adjusted Market Rental Value.

(e) **Market Rental Value.** The term "Market Rental Value" shall be the rental rate that Comparable Premises in the market in which the Premises is located would command for the same term as the Extension Term on the open market at the time Tenant provides its Notice of Intent, as determined jointly by Landlord and Tenant. For purposes hereof, the term "Comparable Premises" shall mean premises in a building within a radius of three mile, similar in size and location to the Building, excluding any improvements installed by Tenant in the Building. In determining the Market Rental Value, appropriate consideration shall be given to: (1) Tenant's creditworthiness, (2) the annual amount per rentable square foot that Landlord has accepted in current transactions between non-affiliated parties from new, non-expansion, non-renewal and non-equity tenants of comparable creditworthiness for Comparable Premises for a comparable use for a comparable period of time, (3) the annual rental rates per square foot of the Comparable Premises, (4) the standard of measurement by which the rentable square footage in the Comparable Premises is measured, (5) the ratio of rentable square feet to usable square feet in the Comparable Premises, (6) the type of escalation clause used in leasing the Comparable Premises (i.e., whether increases in additional rent are determined on a net or gross basis, and if gross, whether such increases are determined according to a base year or a base dollar amount expense stop), (7) the extent of a tenant's liability under a lease of a Comparable Premises, (8) parking rights and obligations, (9) signage rights, (10) abatement provisions reflecting free rent and/or no rent during the period of construction or subsequent to the commencement date as to the Comparable Premises, (11) brokerage commissions, if any, which would be payable by Landlord in similar transactions, (12) length of the lease term, size and location of the Comparable Premises, and (13) other
general applicable conditions of tenancy for transactions involving such Comparable Premises.

(f) Determination of Market Rental Value. Landlord shall submit its determination of Market Rental Value to Tenant within fifteen (15) days after Landlord's receipt of the Notice of Intent, and Tenant shall respond thereto within ten (10) days thereafter by either (a) accepting Landlord's determination of Market Rental Value (in which case such Market Rental Value shall be used to determine Basic Rent during the Extension Term) or (b) submitting Tenant's determination of Market Rental Value. If Landlord and Tenant cannot agree upon the Market Rental Value of the Premises within fifteen (15) days after submission of Tenant's determination of Market Rental Value, then Landlord and Tenant within five (5) days shall each submit to the other a final written statement of Market Rental Value ("Final Statement). Within ten (10) days thereafter, Landlord and Tenant shall together appoint one real estate appraiser (who shall be an independent Member of the American Institute of Real Estate Appraisers) (or, if both Landlord and Tenant agree, a certified property manager with ten (10) years experience) who, within 20 days, will determine whether Landlord's or Tenant's determination of Market Rental Value is the closest to the actual (in such appraiser's opinion) Market Rental Value of the Premises, and such figure will be used in the determination of Adjusted Market Rental Value. If Landlord and Tenant cannot agree upon an appraiser within said ten (10) day period, Tenant may apply to the Superior Court for Los Angeles County, requesting a judicial appointment of the M.A.I. qualified appraiser. The appraiser so appointed shall, within 20 days, promptly determine whether Landlord's or Tenant's determination of Market Rental Value is the closest to the actual (in such appraisers' opinion) Market Rental Value of the Premises, and such determination of Market Rental Value shall be the Market Rental Value used in determining the Adjusted Market Rental Value. The fees and expenses of the appraiser, whether mutually selected or appointed shall be borne equally by Landlord and Tenant. The appraiser appointed or selected pursuant to this Section shall have at least ten (10) years experience appraising commercial properties in Los Angeles County.

(g) Amendment of Lease. Immediately after the Board of Supervisors approves the exercise of any option granted pursuant to this Section, and such option is exercised, Landlord and Tenant shall execute an amendment to this Lease setting forth the new Basic Rent in effect.

5. RENT

(a) The first full calendar month's rent shall be due and payable within 60 days of the Commencement Date in the total amount shown in Section 1(i) hereof. A monthly installment in the same amount, subject to the adjustments described herein below, shall be due and payable without demand on or before the first day of each calendar month succeeding the Commencement Date during the Term, except that Rent for any fractional calendar month at the commencement or end of the Term shall be prorated on a daily basis, provided that Landlord shall file a payment voucher with the Auditor of the County of Los Angeles (the "County") for the monthly Rent prior to the Commencement Date for the initial
month(s) of the Term up to and including June, and annually thereafter in June for
the ensuing 12 months.

(b) **CPI Adjustment.** From and after the first anniversary of the
Commencement Date, on the first day of the first full calendar month thereafter
(the "Adjustment Date") and on every anniversary of the Adjustment Date
thereafter, Basic Rent shall be adjusted by applying the CPI Formula set forth
below. The "Basic Index" shall be the Index published for the month the Lease
commences.

(c) **CPI Formula.** The Index means the Consumer Price Index for all Urban
Consumers for the Los Angeles-Anaheim-Riverside area, all items published by
The "CPI Formula" means Basic Rent multiplied by a fraction, the numerator being
the Index published for the month immediately preceding the month the adjustment
is to be effective, and the denominator being the Basic Index. If the Index is
changed so that the Index differs from that used as of the Commencement Date of
the Lease, the Index shall be converted in accordance with the conversion factor
published by the United States Department of Labor, Bureau of Labor Statistics. If
the Index is discontinued or revised during the Term of this Lease, such other
governmental Index or computation with which it is replaced shall be used in order
to obtain substantially the same results as would be obtained if the Index had not
been discontinued or revised.

(d) **Illustration of Formula.** The formula for determining the new rent shall be
as follows:

\[
\text{New Rent} = \frac{\text{Index}}{\text{Base Index}} \times \$19,000 \text{ (Basic Rent)}
\]

\[
\pm \text{ Amount needed to amortize Tenant’s Additional Tenant Improvements, if any}
\]

\[
\pm \text{ Amount needed to amortize change order costs, if any}
\]

\[
= \text{Monthly Basic Rent}
\]

(e) **Limitations on CPI Adjustment.** In no event shall the monthly Basic Rent
adjustment based upon the CPI Formula result in an annual increase of less than
three percent (3%) per year or greater than six percent (6%) per year of the Basic
Rent. *[In no event shall the monthly rent be adjusted by the CPI Formula to
result in a lower monthly Basic Rent than was payable during the previous
year of the Lease.]*

6. **USES**

The Premises are to be used only for the uses set forth in Section 1 and for no
other business or purpose; however, Landlord shall not unreasonably withhold its
consent to change of use.
7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the term of this Lease, such occupancy shall be a tenancy which is terminable only upon 60 days written notice from Landlord or 30 days written notice from the Chief Administrative Officer of Tenant at the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW

Tenant shall, at Tenant’s expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant’s particular use of or alterations or improvement to the Premises.

9. DAMAGE OR DESTRUCTION

9.1. Damage

In the event any portion of the Premises is damaged by fire or any other cause other than arising from Tenant’s negligence, rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord’s expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenantable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure to do so shall be a material Default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises. If damage to the Premises is caused by Tenant, Tenant shall pay the cost for the repair of such damage. If such damage results in

Initial
the destruction of ten percent (10%) or more of the entire Building, Landlord has the option to terminate the Lease.

9.2. Tenant Termination Right

In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then Tenant may terminate this Lease by giving written notice within ten days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenanted. In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises, provided insurance proceeds are available to repair the damages.

9.3. Damage In Last Year

Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case:

a. Landlord shall have no obligation to restore the Premises,
b. Landlord may retain all insurance proceeds relating to such destruction, and
c. this Lease shall terminate as of the date which is 30 days after such written notice of termination.

9.4. Default By Landlord

If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may:

a. Declare a default hereunder or
b. Perform or cause to be performed the restoration work and deduct the cost thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a charge against the Landlord.

10. REPAIRS AND MAINTENANCE

10.1. Landlord Representations

11

Initial

a. The Premises, the Building and all Common Areas (including electrical, heating, ventilating, and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, and ordinances, including without limitation the Americans With Disabilities Act in all material respects; and are in reasonably good working order and condition and the roof is watertight;

Landlord represents, based upon a professional inspection of the Premises and the Building and the Asbestos Report that the Premises and the Building contain no asbestos containing materials (other than as may be reflected in the Asbestos Report). Landlord shall, prior to Tenant’s occupancy, abate, at Landlord’s sole cost and expense, all asbestos containing materials to the extent required by law and provide Tenant with an updated report from a licensed California Asbestos contractor to that effect.

10.2. Landlord Obligations

a. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed.

All repairs and replacements shall:

a. be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed,
b. be at least equal in quality, value and utility to the original work or installation, and
c. be in accordance with all laws.

10.4. Tenant's Right To Repair

If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five business days after the giving of such notice, then Tenant may proceed to take the required action(provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable
costs and expenses in having taken such action plus interest thereon at nine percent (9%) per annum. If not reimbursed by Landlord within thirty days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

Landlord shall furnish the following services and utilities to the Premises:

11.1. HVAC

Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other first-class buildings and not less than the standard set forth in Exhibit D attached hereto. Tenant shall pay for after-hours HVAC in the amount of $60 per hour which shall be subject to annual adjustment. At the first anniversary date of the first day of the first full calendar month following the commencement of the term provided in this Lease and every twelve months thereafter, the after-hours HVAC expense shall be adjusted based upon and shall not exceed the actual cost of said expense.

11.2. Electricity

Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings (if applicable) but in any event not less than seven watts of electric current (connected load) per square foot of Rentable Square Feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or sub-panels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises.

11.3. Elevators

11.6. Access

Landlord shall furnish to Tenant’s employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

12. LANDLORD ACCESS

Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenantable and not used by Tenant. Landlord shall have the right at any and all time to enter the Premises in the event of an emergency.

13. TENANT DEFAULT

13.1. Default

The occurrence of any one or more of the following events (a “Default”) shall constitute a material default and breach of this Lease by Tenant:

a. the failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;

b. the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the default, provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said
30-day period and thereafter diligently prosecutes such cure to completion.

13.2. Termination

Tenant agrees that if a Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law. Civil Code 1951.4 is in effect.

13.3. No Effect On Indemnity

Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD DEFAULT

14.1. Remedies

In addition to the provisions for Landlord's default provided by Sections 9.4, 10.3, 19 and 20.2, Landlord shall be in default in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within ten days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10.3); provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such five-day period, Landlord shall not be deemed to be in default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the default by Landlord ("Landlord Default") is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein:

a. to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of nine (9%) per annum from the installments of Basic Rent next falling due;

b. to pursue the remedy of specific performance;
c. to seek money damages for loss arising from Landlord’s failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or
d. to terminate this Lease.

14.2. Waiver

Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

14.3. Emergency

Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant’s business in the Premises.

15. ASSIGNMENT AND SUBLETTING

Tenant may assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises with first obtaining Landlord’s prior consent: provided, however, no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

16. ALTERATIONS AND ADDITIONS

16.1. Landlord Consent

Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, “Alterations”) without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord’s consent shall not be required for any Alteration that satisfies all of the following criteria:

a. Complies with all applicable laws;
b. Is not visible from the exterior of the Premises or Building;
c. Will not materially affect the systems or structure of the Building; and
d. Does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building.

e. Work must be done by licensed contractor

f. Complies with Landlord’s lender requirements

g. Provide as built plans to Landlord

h. Indemnify Landlord against mechanic liens

i. Landlord has the opportunity to file notice of non-responsibility before work begins

j. Tenant may remove improvements at end of the Lease.

If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

16.2. End of Term

Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term. Tenant shall repair any damages caused to Premises as a result of alterations or removal of alterations.

17. COMDEMNATION

17.1. Controlling Terms

If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

17.2. Total Taking

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

17.3. Partial Taking
If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days or later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

17.4. Restoration

Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

17.5. Award

The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

17.6. Waiver of Statute

Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the Superior Court to terminate this Lease in the event of a partial taking of the Premises.

18. INDEMNIFICATION
18.1. **Tenant's Indemnity**

Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, subtenants, assignees, contractors, licensees, agents, guests and visitors, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees.

18.2. **Landlord's Indemnity**

Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. **INSURANCE**

19.1. **Landlord's Insurance**

During the term of this Lease, Landlord shall maintain the following insurance:

   ii. be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value.

------------------------------------------------------------------------------------------
iii. Landlord shall carry insurance on any furniture and furnishings which will become the property of Tenant at the expiration of the Term and on all modular furniture installed in the Premises.

i. per occurrence and general aggregate amount of $5,000,000;
ii. products/completed operations aggregate of $2,000,000 and
iii. personal and advertising injury of $1,000,000.

c. Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

19.2. Insurance Requirements

All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Tenant shall be written as primary policies, not contributing with, and not in excess of coverage which Landlord may carry.

19.3. Certificates

Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates must document that each party has named the other as an additional insured (or equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its delegee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and

31. ACKNOWLEDGEMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

31.1. Consideration of GAIN Program Participants

Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence (“GAIN”) Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

31.2. Solicitation of Consideration

It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the termination of the Lease.

31.3. Landlord Assignment

a. Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.

b. Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to
this Lease or any portion thereof, is hereinafter referred to as a “Security Agreement.” Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.

c. Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with collateralized mortgage backed securities ("CMBS") financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.

d. Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of $500,000 or 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

e. Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.

f. Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. Landlord shall indemnify, defend and hold County and its officers, agents and employee harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.

g. The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall
be deemed to include Landlord's successors or assigns, and all
covenants and agreements by or on behalf of Landlord herein shall
bind and apply to Landlord's successors and assigns whether so
expressed or not.

32. IRREVOCABLE OFFER

In consideration for the time and expense that Tenant will invest, including, but not
limited to, preliminary space planning, legal review, and preparation and noticing
for presentation to the Tenant Real Estate Management Commission of Los
Angeles County in reliance on Landlord's agreement to lease the Premises to
Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this
Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as
defined in Section 1.

33. MISCELLANEOUS

Landlord liability is limited solely to its interest in the Building and no owner, office,
manager, employee, representative of Landlord shall have any personal liability
arising from the Lease.

34. LENDER PROTECTION

34.1 Lender's Consent. Landlord has and in the future may cause all or any part
of its interest in the Premises, Building or related property to be subject to a
mortgage lien or other security interest. The holder/beneficiary of such security
interest being referred to as the "Lender". Unless Lender shall give its written
consent to the same, (a) Lender shall not be bound by any agreement amending or
modifying the Lease which would change the term of the Lease or the fixed rent
specified therein, and (b) Lender shall not be responsible for any prepayment of
the rents, additional rents or other sums due under the Lease for more than one (1)
month in advance of the due dates thereof, unless such prepayment is required
under the terms of the Lease.

34.2 Lender to Receive Notices. Provided Landlord or Lender has provided
Tenant with the notice address for Lender, Tenant shall provide Lender with copies
of all written notices of any default by Landlord sent to Landlord pursuant to the
Lease simultaneously with the transmission of such notices to Landlord. Lender
shall have the right, but not the obligation, to remedy any Landlord default under
the Lease, or to cause any default of Landlord under the Lease to be remedied
during the same time period as Landlord as set forth in the Lease, plus such period
of time necessary for Lender to become entitled under its loan documents
including security instruments (as amended form time to time, collectively the
"Loan Documents") to remedy the same. Tenant shall accept performance by
Lender of any term, covenant, condition or agreement to be performed by Landlord
under the Lease with the same force and effect as though performed by Landlord.
34.5 **Rent.** Tenant hereby agrees to and with Lender that upon receipt from Lender of a notice of any default by Landlord under the Security Instrument, Tenant will pay to Lender directly all rents, additional rents, and other sums due under the Lease. Tenant shall have no responsibility to ascertain whether such demand by Lender is permitted under the Loan Documents, or to inquire into the existence of default by Landlord under the Loan Documents. In the event of the foregoing, Landlord hereby authorizes Tenant to pay to Lender directly all rents, additional rents, and other sums due under the Lease and hereby waives any right, claim or demand it may now or hereafter have against Tenant by reason of such payment to Lender, and any such payment shall discharge the obligations of Tenant under the Lease to make such payment to Landlord.

34.6 **No Liability.** Lender and Tenant agree that if Lender or its successor ("Acquiring Party") shall become the owner of the leased property by reason of the foreclosure of the Loan Documents or the acceptance of a deed or assignment in lieu of foreclosure or otherwise, the Lease shall not be terminated or affected thereby but shall continue in full force and effect as a direct lease between Acquiring Party and Tenant upon all of the terms, covenants and conditions set forth in the Lease and in that event, Tenant agrees to attorn to Acquiring Party; provided, however, that Acquiring Party shall not be:

(a) liable for any act or omission of any prior landlord (including Landlord), other than unperformed obligations of any prior landlord which continue after the date the Acquiring Party becomes owner of the Property, subject to the same written notice thereof and the same time to cure as afforded Landlord under the Lease; or

(b) subject to any offsets or defenses that Tenant might have against any prior landlord (including Landlord); or

(c) bound by any rent or additional rent which is payable on a monthly basis and which Tenant might have paid for more than one (1) month in advance to any prior landlord (including Landlord), unless such prepayment is required under the Lease; or

(d) accountable for any monies deposited with any prior landlord (including security deposits), except to the extent such monies are actually received by such party.

Landlord has constructed or shall construct the base Building improvements as a part of the Building described on Addendum A hereto (the "Base Building Improvements"). To the extent that the Base Building Improvements must be changed or added to in order to accommodate the special needs of Tenant in the Premises, such changes or additions shall be considered Tenant Improvements (as defined below) only to the extent such changes or additions are specifically described in Addendum B hereto.

2.2. Additional Costs Not Tenant Improvement Costs

a. In the event that the Building as initially constructed does not comply with current life-fire safety codes, disabled access codes (including, without limitation, the ADA), and/or earthquake safety codes, and Landlord incurs increased design or construction costs that it would not have incurred had the Building been in compliance with such codes, such costs shall not be included in the calculation of Tenant Improvement Costs as defined below and Tenant shall have no financial responsibility for such costs.

b. Any work that Landlord must undertake to cause the Premises to comply with the access requirements of the ADA or make existing building systems, including, but not limited to, electrical service and HVAC equipment, fully operational shall be at Landlord's sole cost and expense. Tenant Improvement Costs shall not include any costs associated with (i) asbestos abatement or compliance with the Hazardous Materials provision of the Lease, including all expenses associated with curing any "Sick Building Syndromes", (ii) fire sprinkler system installation or upgrade, which if caused by Tenant's
improvements shall be at Tenant's sole cost and expense, (iii) conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere, (iv) utility costs incurred during construction, (v) costs incurred in order to cause the Premises to comply with any mechanical or electrical requirements set forth in the Lease, or (v) supervision or overhead costs of Landlord.

c. Landlord shall be solely responsible for all costs and expenses necessary to increase permitted structural floor loading in order to accommodate Tenant's libraries, file rooms, unusual live loads and other such uses.

2.3. Base Building Plans

Landlord has delivered to Tenant "as built" plans and specifications for the Building in an AutoCAD 2000 format. In the event Tenant incurs additional costs because such plans and specifications are incomplete or inaccurate, such increased costs will be reimbursed to Tenant and any delay caused thereby shall not be a Tenant Delay, as defined below.

3. SELECTION OF ARCHITECT AND ENGINEER

Landlord shall promptly solicit at least three (3) proposals from qualified licensed architects ("Architect") and engineers ("Engineer") familiar with all applicable laws and building requirements detailing a scope of work sufficient to complete the Working Drawings as defined below. The Architect and the Engineer shall be selected by Landlord subject to Tenant's consent, which consent shall not be unreasonably withheld, and which consent (or refusal to consent for reasonable reasons) shall be granted within three (3) business days after Landlord has submitted the name of the Architect and the Engineer to Tenant together with detailed proposals outlining the cost for design/engineering services. This procedure shall be repeated until the Architect and the Engineer is/are finally approved by Tenant and written consent has been delivered to and received by Landlord.

4. SELECTION OF CONTRACTOR

The Final Plans, as defined below, and a proposed construction contract approved by Tenant, shall be submitted to contractors, selected by Landlord and approved by Tenant, sufficient in number so that a minimum of three (3) bids are received. Each approved contractor shall be requested to submit a sealed fixed price contract bid price (on such contract form as Landlord shall designate) to construct the Tenant Improvements designated on the Final Plans. Landlord and Tenant shall jointly open and review the bids. Landlord and Tenant, after adjustments for inconsistent assumptions, shall select the most qualified bidder offering the lowest price and such contractor ("Contractor") shall enter into a construction contract
5. PREPARATION OF PLANS AND SPECIFICATIONS AND CONSTRUCTION SCHEDULE

5.1. Preparation of Space Plan

Concurrently with the execution of this Lease, Tenant shall submit to Landlord a Space Plan and specifications for the Premises showing all demising walls, corridors, entrances, exits, doors, interior partitions, and the locations of all offices, conference rooms, computer rooms, mini-service kitchens, and the reception area, library, and file room (the “Space Plan”).

5.2. Preparation and Approval of Working Drawings

Within ten (10) days of the date the Space Plan is submitted to Landlord (the "Plan Submission Date"), Landlord shall instruct the Architect to commence preparation of Working Drawings (the "Working Drawings"), which shall be compatible with the design, construction and equipment of the Building, comply with all applicable laws, be capable of physical measurement and construction, contain all such information as may be required for the construction of the Tenant Improvements and the preparation of the Engineering Drawings (as defined below), and contain all partition locations, plumbing locations, air conditioning system and duct work, special air conditioning requirements, reflected ceiling plans, office equipment locations, and special security systems. The Working Drawings may be submitted in one or more stages and at one or more times. Landlord shall provide Tenant the Working Drawings, or such portion as has from time to time been submitted, for review. Landlord shall be solely responsible for insuring that the Working Drawings fully comply with all applicable building codes and are free from errors or omissions on the part of the Architect.

5.3. Preparation and Approval of Engineering Drawings

Landlord shall cause the Architect to coordinate all engineering drawings prepared by the Engineer, showing complete mechanical, electrical, plumbing, and HVAC plans ("Engineering Drawings") to be integrated into the Working Drawings. The Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review.

5.4. Integration of Working Drawings and Engineering Drawings into Final Plans

After Tenant has approved the Engineering Drawings, Landlord shall cause the Architect to integrate the approved Working Drawings with the approved Engineering Drawings (collectively "Final Plans") and deliver five (5) sets of
the Final Plans to Tenant. The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction, for the layout, improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements) and power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements.

5.5. Approval of Plans by Tenant

Approval by Tenant shall not be deemed to be a representation by Tenant as to the adequacy or correctness of the design of the Tenant Improvements.

5.6. Schedule

Within thirty (30) days after the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to approval by Tenant which approval shall not be unreasonably withheld, setting forth the dates specific completion of certain project benchmarks including, but not limited to, completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of construction contract, construction commencement, construction completion, Projected Commencement Date and other similar dates. As the construction continues, Landlord shall amend the schedule from time to time to reflect any changes to the projected dates.

6. FINAL CONSTRUCTION BUDGET AND PAYMENT OF TENANT CONSTRUCTION COSTS

6.1. Construction Budget

Within three (3) days after the Plan Submission Date, Landlord shall submit to Tenant a preliminary budget (the "Preliminary Budget") in a format similar to Addendum C attached hereto. Such budget shall be revised into final form within ten (10) days from of the date the Contractor is selected and will be referred to herein as the "Final Construction Budget". Tenant shall have five (5) days from the date of receipt of the Final Construction Budget to approve or disapprove the Final Construction Budget. Construction of the Tenant Improvements shall not begin until such time as Tenant indicates its
approval or disapproval of the Final Construction Budget or the five (5) day period expires without any response from Tenant. In the event Tenant disapproves the Final Construction Budget due to matters related to cost and the Final Construction Budget is ten percent (10%) or more higher in cost than was projected in the Preliminary Construction Budget, then any delay caused by the necessity to rebid or redesign the Tenant Improvements shall not be considered a Tenant Delay. Landlord shall review the Space Plan, Working Drawings, Engineering Drawings and Final Plans at its sole cost and expense. No fee for profit, overhead or general conditions in connection with the construction of the Tenant Improvements shall be included in the Final Construction Budget unless approved by Tenant.

6.2. Additional Tenant Improvement Allowance

All improvements required by the Working Plans and modular furniture described in the Modular Specifications, as further described in Addendum B hereto, shall be Tenant Improvements and shall be at Landlord's sole cost and expense (collectively, "Tenant Improvements"). Costs of Tenant Improvements shall include costs for furniture, telecommunications equipment, soft costs and any other costs designated in writing by Tenant, in the aggregate not to exceed the sum of the Base Tenant Improvement Allowance, the Additional Tenant Improvement Allowance and costs of Change Orders, as defined below (collectively, "Tenant Improvement Costs"). Landlord shall be solely responsible for any delay or increased cost in completing the Tenant Improvements except for delays or costs arising from Tenant Delays as defined below. In the event that the Tenant Improvement Costs exceed the Tenant Improvement Allowance, Tenant may authorize Landlord to pay the overage in an amount not exceeding the Additional Tenant Improvement Allowance. The Additional Tenant Improvement Allowance shall be paid to Landlord as provided herein.

6.3. Method of Payment of Additional Tenant Improvement Allowance.

That portion of the Additional Tenant Improvement Allowance used to pay for the Tenant Improvement Costs may, at Tenant's election, be paid to Landlord:

(i) in a lump sum when the Tenant Improvements are Substantially Complete, or
(ii) in amortized monthly payments over a five-year period at the Tenant Improvement Amortization Rate.

Tenant may at any time during the Lease Term prepay Landlord in a lump sum for all or any portion of the Tenant Improvement Costs, amortizing any remaining amount in monthly payments over a five-year period at the Tenant Improvement Amortization Rate.
7. CONSTRUCTION OF TENANT IMPROVEMENTS

7.1. Tenant Improvements

Tenant Improvements to be constructed by Landlord are described more particularly on Addendum B hereto. If any work required by the Final Plans is not described on Addendum B hereto the work shall be performed by Landlord at its own cost and expense and not included in the cost of Tenant Improvements.

7.2. Bids

Unless waived by Tenant in writing, any major contractors, subcontractors and materials providers providing labor and/or materials for the Tenant Improvements shall be selected only after three (3) bids have been solicited from responsible and qualified persons. Landlord shall submit three (3) sealed fixed price bids for the construction of the Tenant Improvements to Tenant for its review prior to the award of the Construction Contract. The bids shall be jointly opened and reviewed. The bids shall include an itemized list of all materials and labor and shall include all additional costs, including architects and engineering fees, permits, reasonable contractor's profit and overhead, and project management fees. Three (3) bids for the purchase and installation of the office furniture system, prepared by the furniture dealer, shall be included in the construction estimates, if applicable.

a. Permits

Landlord shall secure the approval of governmental authorities, and all permits required by governmental authorities having jurisdiction over such approvals and permits for the Tenant Improvements, promptly after approval of the Final Plans.

b. Commencement of Construction

Landlord shall commence construction of the Tenant Improvements within fifteen (15) days after issuance of all such necessary permits. Landlord shall commence and, once commenced, shall thereafter diligently proceed to construct and complete all Tenant Improvements, subject to any cessation that may be caused by Force Majeure Delays.

7.3. Construction

Construction of the Tenant Improvements will be subject to the following terms and conditions:

a. Notice of Nonresponsibility
Landlord and the Contractor shall cooperate with Tenant in posting a notice or notices of nonresponsibility by Tenant.

b. Decorating Decisions
All design and programming, space planning and interior decorating services, such as selection of wall paint colors and/or wall coverings, furniture, fixtures, carpeting and any or all other decorator selection efforts required by Tenant, shall be provided by Landlord at Landlord’s expense in accordance with Tenant’s Space Plan. Landlord shall consult with Tenant with respect to all such decorating services and decisions.

c. Clean-Up and Substandard Work
Landlord will be responsible for all clean-up with respect to the Tenant Improvements, whether in the Premises themselves or in other areas utilized by Landlord or its contractors, and agrees to reimburse Tenant for any and all expenses incurred by Tenant by reason of substandard work performed by Landlord’s contractor or contractors (as reasonably determined by Tenant according to the usual standards of work in the Building) or as a result of inadequate clean-up.

d. Compliance with Laws
Construction of the Tenant Improvements shall comply with all applicable laws and regulations and shall be subject to the general inspection of Tenant. The Premises shall comply with all applicable city, county, state and federal building codes, regulations and ordinances required for beneficial occupancy, including, but not limited to, all provisions of the Labor Code of the State of California. Under the provisions of the Labor Code, the State Department of Industrial Relations will ascertain the prevailing hourly rate in dollars and details pertinent thereto for each craft, classification or type of workman or mechanic needed for the construction of the improvements. Particulars of the current Prevailing Wage Scale, as approved by the Board of Supervisors which are applicable to the work, are filed with the Clerk of the Board of Supervisors and must be posted at the site.

7.4. Conformed Plans

Within sixty (60) days after Substantial Completion of the Tenant Improvements and receipt from the Contractor of all field changes, Landlord shall submit to Tenant a set of conformed plans ("as-builts") incorporating, in accordance with standard industry custom and practice, field changes made and changes and/or revisions that have been made subsequent to the submission of the Final Plans. Such "as-built" or "record documents" shall be submitted on three and one-half inch (3½") 1.4Mb magnetic media diskettes in Auto CAD R 12.dwg (or later version) format or .DXF format.
along with one complete set of mylar transparencies of drawings and one complete set of specifications.

8. **CHANGE ORDERS**

Tenant and Landlord may make changes, additions, deletions or alterations in the Final Plans ("Change Order") provided both Tenant and Landlord approve such changes in writing. The amount of the Maximum Change Order Allowance set forth in Section 1 has been authorized by the Board of Supervisors of the County to be used to pay the costs of all authorized Change Orders but only the Chief Executive Officer is authorized to approve Change Orders on behalf of Tenant and then only if the aggregate amount of such approved Change Orders does not exceed the Maximum Change Order Allowance. Tenant may elect to pay for Change Orders:

- in a lump sum upon Substantial Completion of the Tenant Improvements, or
- amortize the costs over the term of the Lease at the Change Order Amortization Rate per month for each ONE THOUSAND DOLLARS ($1,000.00) of Change Order costs.

Landlord shall submit to the Chief Executive Officer with each requested Change Order:

(i) the specific cost of the requested change,
(ii) the cumulative net total cost of all Change Orders previously approved, and
(iii) an estimate of the construction time which will be increased or shortened if the Change Order is approved.

Each Change Order must be signed and dated by the Chief Executive Officer.

9. **FURNITURE SYSTEM**

9.1. Tenant shall deliver to Landlord within ten (10) days after execution hereof, modular furniture plans and specifications (the "Modular Specifications"). Based on the Modular Specifications, Landlord and/or Landlord's architect, shall prepare a modular furniture specifications bid package for submission to no fewer than three (3) furniture vendors. Prior to submission for bids, Landlord shall review the bid package with Tenant and Tenant shall have the right to approve or disapprove the bid package. The bids shall be jointly opened and reviewed. The bids shall include an itemized list of all materials and labor and shall include all additional costs (shipping, storage, and taxes). Landlord and Tenant, after adjustments for inconsistent assumptions, shall select the most qualified bidder offering the lowest price, and such vendor ("Vendor") shall enter into a contract ("Furniture Contract") with Landlord consistent with the terms of the bid.
9.2. Tenant may opt to finance the lump-sum payment for the cost of modular furniture through lease-purchase financing with a third-party ("Creditor"). In the event the Tenant elects to enter into a lease-purchase financing of the furniture and/or telecommunications equipment (the "Personal Property") through a Creditor, Landlord expressly agrees as follows:

a. The Personal Property shall not become part of the realty or real property, but shall remain personal property removable by the Creditor and its assigns, provided that any damage occasioned by such removal shall be repaired by Creditor.

b. Landlord shall be notified by Creditor of any plan by Creditor to remove the Personal Property.

c. Landlord does hereby waive any right to gain possession of any of Personal Property during the term of this Lease.

d. This section shall be binding on the representatives, successors and assigns of all parties hereto and shall inure to the benefit of the successors-in-interest to all parties hereto.

10. TENANT IMPROVEMENT COSTS ADJUSTMENT AND RIGHT TO AUDIT

Within five (5) days of the issuance of a Certificate of Occupancy, or a final sign-off by the City of Los Angeles, whichever occurs first, Landlord shall provide to Tenant a statement showing in reasonable detail all Tenant Improvement Costs and the total amount payable hereunder by Tenant to Landlord, in the form of Addendum D attached hereto (Memorandum of Tenant Improvement Costs). Upon approval of the statement by Tenant, payments by either party pursuant to the Lease and this Landlord's Work Letter shall be adjusted as appropriate, based upon such statement. Tenant shall have the right to audit these costs for a period of twenty-four (24) months from the date of Tenant's Acceptance of the Premises. In the event the audit shows that Tenant is entitled to a reduction in payments to the Landlord under this Landlord's Work Letter, Tenant shall provide Landlord with a copy of the audit summary and Landlord shall pay Tenant the amount of any over-payment made by Tenant within thirty (30) days and future payments shall be adjusted as appropriate based upon the audit results.

11. EXCLUSIONS

The Tenant Improvement Costs shall not include any costs incurred for asbestos abatement, fire sprinkler system (if caused by Tenant's improvements then installation or upgrade shall be at Tenant’s sole cost and expense), or conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere. All work for required asbestos abatement, fire sprinkler system,
or air conditioning system conversion shall be performed at the sole cost and expense of Landlord.

12. TELEPHONE/COMPUTER ROOM AND EQUIPMENT

Landlord shall complete the telephone equipment room(s) including permanent power and HVAC, in compliance with the Space Plan and specifications provided by Tenant, at least thirty (30) days prior to the Projected Commencement Date.

13. DELAY

13.1. Tenant Delays and Force Majeure Delays

Except as set forth herein, no delay in the completion of construction of the Tenant Improvements shall be considered in the determination of the Commencement Date of the Lease and, except as set forth herein or in the Lease, under no circumstance shall Tenant be charged with any delay whatsoever as a result of delay in the construction of Tenant Improvements (excluding Tenant Delays, defined below). Subject to the provisions of Section 13.2, the Projected Commencement Date set forth in the Lease shall be extended one (1) day for each day that:

(i) Tenant fails or refuses to give authorizations or approvals within the time periods required herein but only to the extent such delays delay the commencement or completion of construction of the Tenant Improvements (referred to herein as "Tenant Delay(s)"; or

(ii) Substantial Completion of the Tenant Improvements is delayed by lightning, earthquake, fire, storm, tornado, flood, washout, explosion, strike, lockout, labor disturbance, civil disturbance, riot, war, act of a public enemy, sabotage or other similar causes beyond the reasonable control of Landlord (referred to herein as "Force Majeure Delay(s)"").

13.2. Limitations

a. Notice

No Tenant Delay or Force Majeure Delay shall be deemed to have occurred unless Landlord has provided written notice, within forty eight (48) hours of the event giving rise to such claim, in compliance with the Lease, to Tenant specifying that a delay is claimed to have occurred because of actions, inaction or circumstances specified in the notice in reasonable detail. If such actions, inaction or circumstances qualify as a Tenant Delay or Force Majeure Delay, then a Tenant Delay or Force Majeure Delay, as applicable, shall be deemed to have occurred only
commencing as of the date Tenant received such notice from Landlord.

b. Mitigation
Tenant Delays and Force Majeure Delays shall delay the Projected Commencement Date only in the event that Substantial Completion of the Tenant Improvements is delayed, despite Landlord’s reasonable efforts to adapt and compensate for such delays, which efforts Landlord shall be obligated to make (provided any additional cost incurred by Landlord due to such effort does not exceed $1,000 on a cumulative basis, unless Tenant agrees to pay to such excess).

c. Concurrent Delays
Tenant Delays and Force Majeure Delays shall be recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay or Force Majeure Delay which is effective hereunder. For example, if there are ten (10) days of Tenant Delays and four (4) days of Force Majeure Delays which occur during the same ten (10) day period of such Tenant Delays, then the Projected Commencement Date would be extended by only ten (10) days; on the other hand, if such Tenant Delays and Force Majeure Delays did not occur during the same period, the Projected Commencement Date would be extended by fourteen (14) days.

d. Change Orders
Landlord may not claim that a Change Order requested by Tenant was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the Change Order authorization.

14. TENANT REMEDIES

If Landlord fails to obtain the building permit to construct the Base Building Improvements and/or the Tenant Improvements within a reasonable time, taking all factors into consideration, or if the Base Building Improvements and/or Tenant Improvements have not been completed within one hundred twenty (120) days from the Projected Commencement Date, Tenant may, at its option:

a. Cancel the Lease upon thirty (30) days written notice to Landlord; or

b. Upon thirty (30) days written notice to Landlord, assume the responsibility for providing the Tenant Improvements itself. If Tenant elects to provide Tenant Improvements itself, then:

i. Tenant, its officers, employees, agents, contractors and assignees, shall have free access to the Premises and the Building at all reasonable times for the purpose of constructing the Tenant
Improvements and for any other purposes reasonably related thereto; and

ii. Rent shall be reduced by Tenant’s total expense in constructing the Tenant Improvements, including without limitation any financing charges for capital and a reasonable amount for its administrative costs, and including interest at the rate of six percent (6%) (collectively, “Tenant’s Total Expense”). The rent reduction schedule shall be as mutually agreed to between the parties or, if no such agreement is made, Tenant’s Total Expense shall be fully amortized in equal monthly amounts over five (5) years and deducted from the rent payable hereunder.

Any default by Landlord under the terms of this Landlord’s Work Letter shall constitute a default under the Lease and shall entitle Tenant to exercise all remedies set forth in the Lease.

15. REPRESENTATIVES

15.1. Tenant Representative

Tenant has designated Tenant’s Work Letter Representative as its sole representative with respect to the matters set forth in this Landlord’s Work Letter who, until further notice to Landlord, shall have the full authority and responsibility to act on behalf of Tenant as required in this Work Letter and whose address, for purposes of any notices to be given regarding matters pertaining to this Landlord’s Work Letter only, is Tenant’s Address for Work Letter Notice as set forth in Section 1.

a. temporary construction elevator and hoist, or
b. Tenant shall have priority usage of two (2) passenger elevators in the elevator bank that services the Premises in order to assist Tenant in the installation of Tenant’s fixtures, furniture and equipment.

17. CONSTRUCTION MEETINGS
