The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF MODEL MASTER AGREEMENT FOR  
SEWING SHOP EQUIPMENT REPAIR AND MAINTENANCE SERVICES  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

The Los Angeles County Sheriff's Department (Department) requires the services of independent contractors to assist the Department's North County Correctional Facility (NCCF) staff in providing repair and maintenance services for the vocational sewing shop equipment.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the enclosed Model Master Agreement for sewing shop equipment repair and maintenance services for a term of one year with an option to extend for three one-year periods.
2. Delegate authority to the Sheriff, or his designee, to enter into any such agreements with various contractors to meet the needs of the Department.
3. Delegate authority to the Sheriff, or his designee, to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise changed; and to modify the agreement within the conditions specified in the agreement, with prior approval of County Counsel, including authority for the Sheriff to exercise the above extension provision, if it is in the best interest of the County.

*A Tradition of Service*

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to allow the Department to obtain sewing equipment repair and maintenance services from a pool of readily available qualified contractors for the repair and maintenance of industrial sewing machines and fabric equipment (fabric cutters, fabric drills, fabric rollers/sealers, and grinders). Services for each of the various types of machines and equipment are required intermittently and on an as-needed basis.

### **Implementation of Strategic Plan Goals**

The recommended services support the County's Strategic Plan, Goal No. 2, Workforce Excellence, and Goal No. 4, Fiscal Responsibility. Specifically, the agreement will enable the Department to ensure the continued reliable and safe operations of the sewing shop equipment and reduce cost to the County by providing inmate clothing, linen, and other items.

### **FISCAL IMPACT/FINANCING**

The Department has identified funding in the amount of \$50,000 in the Fiscal Year 2008-09 operating budget. The Department will continue to allocate funds required to continue these services throughout the duration of this agreement.

The total amount paid under this agreement will depend on the services needed by the Department. Payment for work is based on fixed rates. In no event shall the maximum annual contract sum for all agreements combined exceed the sum allocated in the particular fiscal year's operating budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Department's NCCF vocational sewing shop has approximately 181 pieces of sewing equipment. The equipment consists of approximately 169 industrial sewing machines, 5 fabric cutters, 3 fabric drills, 2 fabric rollers/sealers, and 2 grinders. The sewing shop equipment requires specialized maintenance and repair services.

The sewing shop produces over 400,000 units of inmate clothing and specialty items per year to be used by the Department's jail system. The sewing shop provides vocational training for hundreds of inmates each year and lowers operating cost for the Department's Custody Division by almost exclusively providing clothing and linen for all inmates housed in the County jail system.

It is imperative that the sewing shop equipment be repaired and maintained on a regular basis. Malfunctioning equipment cannot be used to produce clothing or linen

and exacerbates the problem of providing the required volume of adequate clothing and linen to inmates in the County jail system.

The solicitation document does not have a cost component in the review of responses; therefore, the Local Small Business Preference Program and the Transitional Job Opportunities Preference Program are not applicable.

The agreement was determined to be a Non-Proposition A Agreement because the service is highly specialized in nature and will be used intermittently on an as-needed basis. Therefore, the Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended agreement.

The contractors will be required to comply with all Board, Chief Executive Office, and County Counsel requirements, including Jury Service and Safely Surrendered Baby Law.

The Model Master Agreement has been approved as to form by County Counsel.

### **CONTRACTING PROCESS**

On July 25, 2008, the Department issued a Request for Statement of Qualifications (RFSQ) for sewing shop equipment repair and maintenance services. The RFSQ solicitation was posted on the Los Angeles County Website and the Department's Website with an initial closing date of August 26, 2008, but will remain open until the needs of the Department are met. The Department received two Statements of Qualification on August 26, 2008. Alberoni Sewing Machine, Incorporated and John Harb Sewing Machine Company, Incorporated met the minimum requirements and were determined to be qualified.

The contractors were selected without regards to gender, race, creed, or color for the award of the agreement.

### **IMPACT ON CURRENT SERVICES**

The approval of this action will allow the Department to provide repair and maintenance services to the NCCF Sewing Shop equipment. These services are required to keep the equipment in continuous, reliable, and safe working order.

**CONCLUSION**

Upon approval and execution of the contract by your Board, please return two adopted copies of this Board letter and attachments to the Department's Contracts Unit for further processing.

Sincerely,

## EXHIBIT A

### ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions (as used in this Exhibit A (Additional Terms and Conditions), this "Exhibit") have the meanings given to such terms in the base document of the Agreement.

#### **1.0 SUBCONTRACTING**

##### **1.1 General**

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

##### **1.2 Procedure for Subcontracting**

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

- i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and
- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Subparagraph 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

- 1.2.5 Contractor shall obtain an executed subcontractor Employee Acknowledgment and Confidentiality, Exhibit C1, Contractor's Employee Acknowledgement and Confidentiality Contract, for each of subcontractor's employees performing Work under the subcontract. Such Contracts shall be delivered to the County Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

### 1.3 Contractor Responsibilities

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation to properly supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions

of the Agreement and any amendment hereto as it relates to or affects the Work performed by subcontractor hereunder.

- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

## 2.0 DISPUTE RESOLUTION PROCEDURE

### 2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

### 2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, that the parties mutually determine should be delayed as a result of such dispute.

2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

2.2.2. If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

## 2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

## 2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Subparagraph 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

## 2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), or Paragraph 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to

impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

### **3.0 CONFIDENTIALITY**

#### **3.1 General**

- 3.1.1 Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Paragraph 3.1, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 3.1 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Contract (Exhibit C1 to the Agreement) for each of its employees performing Work under the Agreement. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

### 3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, County shall not be obligated in any way under this Agreement for:

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.

- 3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.

- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Subparagraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2) shall apply.

- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

### 3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Paragraph 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Paragraph 3.0 (Confidentiality).

## 4.0 TERMINATION FOR INSOLVENCY

- 4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

## 5.3 Completion of Work

Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this Paragraph 5.0 (Termination for Default), County may, in lieu of such termination, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any non-complying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. The provisions of this Paragraph 33.0 (Compliance with Jury Service

Program) shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

33.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.

33.2.4 Contractor's violation of this Paragraph 33.0 (Compliance with Jury Service Program) of this Exhibit may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

#### **34.0 BACKGROUND AND SECURITY INVESTIGATIONS**

Background and security investigations of Contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under the Agreement. The cost of background checks is the responsibility of the County.

#### **35.0 ACCESS TO COUNTY FACILITIES**

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to the County Project Director, for the purpose of executing Contractor's obligations hereunder. Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's personnel shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by the County Project Director.

#### **36.0 COUNTY FACILITY OFFICE SPACE**

In order for Contractor to perform services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of the County Project Director, at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable

telephone service and network connections in such office space for use only for purposes of the Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

### **37.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS**

37.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

37.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Agreement, County may deduct such costs from any amounts due to Contractor from County under the Agreement.

### **38.0 PHYSICAL ALTERATIONS**

Contractor shall not in any way physically alter or improve any County facility without the prior written approval of the County Project Director, and County's Director of Internal Services Department, in their discretion.

Contractor shall notify its employees that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

### **40.0 ASSIGNMENT BY CONTRACTOR**

40.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 40.0, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange,

assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

- 40.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

#### **41.0 INDEPENDENT CONTRACTOR STATUS**

- 41.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 41.2 County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Agreement.
- 41.4 Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Agreement, Exhibit C1, for each of its employees performing Work under the Agreement. Such agreements shall be delivered to the County Project Director.

## **42.0 RECORDS, AUDITS AND PUBLIC RECORDS ACT**

- 42.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement; provided that County's access to such employment records of Contractor shall be limited to access that does not constitute an unlawful invasion of the privacy rights of any such employee. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Paragraph 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, time cards and other employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.
- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Agreement.
- 42.3 If, at any time during or after the Term, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable

detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

#### **43.0 LICENSES, PERMITS, REGISTRATIONS, AND CERTIFICATES**

Contractor shall obtain and maintain in effect during the Term all licenses, permits, registrations, and certificates required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees, and agents who perform services hereunder, shall obtain and maintain in effect during the Term all licenses, permits, registrations, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, and certificate, in duplicate, to Irma Cobos, Manager, Sheriff's Department Contracts Administration, 4700 Ramona Boulevard, Monterey Park, CA 91754-2169.

#### **44.0 NO THIRD PARTY BENEFICIARIES**

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Paragraph 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

**45.0 MOST FAVORED PUBLIC ENTITY**

If Contractor's prices decline, or should Contractor, at any time during the Term, provide the same goods and substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

**46.0 COUNTY'S QUALITY ASSURANCE PLAN**

The Contractor shall have an ongoing system of quality assurance and improvement, and shall keep quality control records and records of inspections conducted by the Contractor. These records must include but are not limited to, time a problem was first identified, clear description of the problem, and corrective action taken and time elapsed between identification and completed corrective action. County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If, following due cure and notice periods for any specified material breach, improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Performance Requirement Summary (PSR).

**47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should Contractor require personnel in addition to those employed by Contractor on the Effective Date to perform the services set forth herein, Contractor shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement. For this purpose, consideration shall mean that Contractor will interview qualified candidates. Prior to consideration being given by Contractor, County will refer such County employees by job category to Contractor. The above obligations do not apply to positions filled by: (a) third parties who have subcontracted with Contractor to perform the services, or (b) Contractor's current employees.

**48.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM (UNDER CONTRACT SUM PROVISION)**

Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Contract

Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

**49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF CONTRACT**

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

**50.0 SAFELY SURRENDERED BABY LAW**

**50.1 Notice to Employees**

Contractor shall notify and provide to its employees residing in or working in the State of California, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees residing in or working in the State of California, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

**50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law**

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. The poster is available on the Internet at [www.babysafela.org](http://www.babysafela.org).

**51.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION**

The Contractor and the County agree that, during the term of this Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

## **52.0 PUBLIC RECORDS ACT**

- 52.1 Any documents submitted by Contractor, all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Paragraph 42.0 (Records and Audits) of this Exhibit A (Additional Terms and Conditions); as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Agreement, become the exclusive property of the County. - 52.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

## **53.0 WAIVER**

No waiver by County of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

## **54.0 GOVERNING LAW, JURISDICTION, AND VENUE**

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

**55.0 SEVERABILITY**

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

**56.0 RIGHTS AND REMEDIES**

The rights and remedies of County provided in any given Paragraph, as well as throughout the Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

The County Project Manager or designee will provide Contractor's employees, assigned to this Agreement, an orientation session prior to Contractor providing services. The purpose of such orientation is to familiarize Contractor's employees with County and Departmental policies and procedures on security, facility rules and regulations, and interactions with Sheriff's personnel. The County Project Manager or designee will notify Contractor of the date, time and location of the orientation.

## **12.0 PERFORMANCE EVALUATION MEETINGS**

County Project Manager or designee and Contractor shall meet on a quarterly basis, and more frequently if deemed necessary, to discuss the status of the Agreement, new or on-going problems and other issues.

In the event that the County Project Manager issues a Contract Discrepancy Report, a meeting shall be scheduled at the discretion of the County Project Manager or designee.

## **13.0 PERFORMANCE REQUIREMENT SUMMARY (EXHIBIT I)**

All listing of services used in the Performance Requirements Summary (PRS), Exhibit I, are intended to be completely consistent with the Agreement and the SOW, and are not meant in any case to create, extend, revise, or expand any obligation of Contractor beyond that defined in the Agreement and the SOW. In any case of apparent inconsistency between the services as stated in the

Agreement, the SOW, and the PRS, the meaning apparent in the Agreement and the SOW will prevail. If any service seems to be created in the PRS which is not clearly and forthrightly set forth in the Agreement and the SOW, that apparent service will be null and void and place no requirement on Contractor.

When Contractor's performance does not conform to the requirements of this Agreement, County will have the option to apply the following non-performance remedies:

- Require Contractor to implement a formal corrective action plan, subject to approval by County. In the plan, Contractor must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.
- Reduce payment to Contractor by a computed amount based on the dollar amount in the PRS.
- Reduce, suspend, or cancel this Agreement for systematic, deliberate misrepresentations or unacceptable levels of performance.
- Failure of Contractor to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specified within ten (10) business days shall constitute authorization for County to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of Contractor's failure to perform said service(s), as determined by County, shall be credited to County on Contractor's future invoice.

This Paragraph 13.0 does not preclude County's right to terminate the Agreement upon thirty (30) business days of written notice with or without cause, as provided for in Exhibit A, Additional Terms and Conditions, Paragraph 6.0, Termination for Convenience.
